God's Teeth - Red Thoughts - Session 1

April 4, 2026

Hunger: Delta Green - God's Teeth - Red Thoughts

Hunger: A game about fate.

Hunger: Shortly after receiving the message...

Hunger: Somewhere in VA...

Hunger: George, you're just chilling in the living room after you checked in on your call.

Hunger: TV dinner or home cooking?

SDUSM George Elijah Jones: TV Dindins.

Mary Jones: She's also having one.

Mary Jones: You're watching home improv.

SDUSM George Elijah Jones: Salisbury steak is the way to go.

Mary Jones: "We need a big yard. For a biig dog."

Mary Jones: "See?"

Hunger: On the TV they are massacreing some McMansion from inside out to make it more liveable.

SDUSM George Elijah Jones: "Who's gonna mow a big yard? I got my hands full already."

Mary Jones: "Just buy a driveable lawn mower."

Mary Jones: "Why do I have to do all the thinking around here?"

SDUSM George Elijah Jones: "That is a good point. And because you're good at it, unlike me," he chuckles to himself.

Hunger: Perhaps. She is pretty good at this homesteading stuff after all.

Hunger: Somewhere in Michigan...

Hunger: Keith. You're hastily packing some essentials, even though the trip is far off by half a day.

Hunger: Wifey isn't around to help you.

Hunger: You don't know where she is exactly.

SSA Keith Alan Pike: That's alright. This doesn't really have anything to do with her.

Hunger: Suddenly, from next door, music...

Hunger: She's playing that shit on the speakers again.

Hunger: It was a bad idea to fund that purchase.

SSA Keith Alan Pike: I knock on the wall once.

Hunger: No response.

Hunger: Neighbours must be enjoying this.

SSA Keith Alan Pike: She had fair warning. I have to go over there, now.

Hunger: You're in front of the door. It says "NO FASCISTS"

SSA Keith Alan Pike: I open it. I don't need to knock in my house.

Hunger: If you could- it's locked.

Anne Pike: "READ THE DAMN SIGN!!"

SSA Keith Alan Pike: "Turn it down or turn it off."

Anne Pike: "GO ARREST SOME BLACK GUY!"

SSA Keith Alan Pike: Is this the kind of door that has the 'emergency' hole you can paperclip, or is it a deadbolt?

Hunger: It's the kind you can repair with a couple hundred bucks in Jose's hand if it helps.

SSA Keith Alan Pike: I don't think the door is going to be any match for me. I'm going inside.

Hunger: You shoulder it and you crack open the thin part where the bolt sits quite easily- the house is in serious need of a renovation.

Anne Pike: "JESUS!"

Anne Pike: She rushes to turn it off.

SSA Keith Alan Pike: Keith watches her sternly and says nothing.

Anne Pike: "...You're such a freak dad. I'll put on my damn headphones."You did manage to scare her.

Hunger: It's not as easy as it was back then.

Hunger: Teenagers...

SSA Keith Alan Pike: She doesn't have to understand. At least I raised her with enough sense to turn it off.

Hunger: Or so you think.

Hunger: Somewhere in Ohio...

Hunger: Darius.

Hunger: You're throwing another game party with the help of your son. Well, he's a grown man now.

Hunger: Cleveland Indians vs Texas Rangers

OSHP Trooper Stanley Cruz: "COME ON!"

Hunger: Too old for this shit already?

ASAC Darius Jeremiah Cruz: What's the score?

Hunger: Texas Rangers are doing you the fuck in.

Hunger: 4-0 as it is.

Hunger: It will end in a 9-0 but you don't know that yet.

ASAC Darius Jeremiah Cruz: "Fuuck... It'll take a miracle to pull back from this!" Darius thinks to himself, leaning closer to the screen.

Hunger: 5-0.

OSHP Trooper Stanley Cruz: "Fuck!"

OSHP Trooper Stanley Cruz: He throws a cup against the ground.

OSHP Trooper Stanley Cruz: He's mad...

ASAC Darius Jeremiah Cruz: "Woaah! Settle down, 5-0 isn't unwinnable, is it?"

Hunger: He's pacing around now... It looks like he's gonna go in the house for a face wash.

Hunger: It's serious.

Hunger: Maybe once he has his own family it won't be this heated.

Hunger: Somewhere in Baltimore.

Hunger: Anderson. You raise your head from your iPhone to look at your date.

Hunger: You think you'll score? Or will it be something more than that?

Claire Hill: "Yeah... I'll take your house white..."The waiter leaves.

Hunger: It's pretty full at this time, but what matters is you two.

Hunger: You're getting pretty old Anderson. You don't know how much longer you can keep on with this dating shit.

SDUSM Anderson Fowler: There's plenty of divorcees my age. It's not too late.

Hunger: You've missed quite a lot of things in life and having a full, intact family has been one of the most consistent ones.

Claire Hill: "So what do you do for work?"

SDUSM Anderson Fowler: "Office work, mostly. Sorting out and assigning files, training people, arranging meetings..."

Claire Hill: "Oh... Yeah, I've had to deal with quite a lot of thoose... ahahha.."

Hunger: You don't see a ring on that hand either.

Hunger: Oh boy...

Hunger: Somewhere in NYC...

Hunger: Mariam.

Hunger: For you, it's just you and your silence.

Hunger: You've been becoming a bit of a hoarder yourself, but you swear it's all arranged.

Hunger: Your apartment has decent soundproofing. The usual downtown bustle can't reach you here.

SSA Mariam Helena Khoury: Great. I love the silence.

SSA Mariam Helena Khoury: And, well-- no way I'm tossing out the copies of my old casework files. They're all useful.

Hunger: You're lost in watching animal videos again.

Hunger: It starts with cats and then as the recommended videos pile on and on turns into National Geography at its goriest.

SSA Mariam Helena Khoury: What is it this time?

Hunger: RHINO GORES JACKAL WITH HORN - 1080P

Hunger: Gnarly, the poor thing practically explodes into two.

SSA Mariam Helena Khoury: That's just the way things are. In nature and in urban life.

Hunger: Perhaps. Or perhaps it's time for you to try something more... eccentric. You wouldn't last a second against these animals, but it would be more interesting than the NYFO.

Hunger: Somewhere in VA...

Hunger: Michael.

Hunger: You've been holed in this storage unit for a number of hours.

Hunger: You got your go bag and hit the sack as quick as possible after reading the news. Condensation is dripping from somewhere. It is AC-cooled.

Hunger: You got your gun pointed at the door and your car is a few blocks down by walk.

IO Michael Sajdak: ...Which is fairly difficult, with how much I've been sweating bullets and taking round trips to a nearby shrub to avoid literally shitting myself. I've never been more anxious in my life.

Hunger: As you should be.

Hunger: Hours follow hours.

Hunger: Eventually, it's time to meet your demise.

Hunger: 1071 Rhode Island Av., D.C. 0645R.

Hunger: Michael, you walk up in front of the building. It's as you thought it would be, just another coworking space leased out to whatever corporation, whichever division

Hunger: Not one suspicious thing about it.

Hunger: You continue to 5th floor.

Hunger: The floor is empty. No carpet, just bare concrete. It's littered with "hip-office" items of the early 'teens like beanbags, bar stools...

Hunger: You find a door open with someone inside of it waiting for you. Conference Room 121.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury looks up from her phone and stares at the door as it creaks open.

IO Michael Sajdak: I snort-laugh like a horse and say nothing.

IO Michael Sajdak: Then I sit down.

IO Michael Sajdak: Condition Changes Stressed

Hunger: Fatigue is taking hold.

Hunger: You haven't slept for a while.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury exhales heavily and looks back down at her phone.

IO Michael Sajdak: "You don't seem all that surprised to see me."

SSA Mariam Helena Khoury: "What the fuck are you doing here?"

IO Michael Sajdak: "Wanna bet I'm the only guy from back then you're about to meet again?"

SSA Mariam Helena Khoury: "That's the least concerning--" She pauses, then looks back at her phone in silence.

Hunger: Back at the entrance, two elevators side by side beep open at the same time.

Hunger: George, you see Keith.

SDUSM George Elijah Jones: "Boy, am I happy to see you instead of anyone else,"

SSA Keith Alan Pike: "Likewise." He says, after an uncomfortable pause.

Hunger: Once again, at the exact same moment, both elevators ping and open.

Hunger: None of you saw any one of you on the way here.

Hunger: Dead quiet.

SDUSM Anderson Fowler: Fowler raises a brow as he slowly walks towards the center of the room.

ASAC Darius Jeremiah Cruz: "Now this is just some bullshit..." he mutters to himself.

Hunger: An encrypted message from the Program to all four of you at once?

SSA Keith Alan Pike: Keith spares Cruz and Fowler a second's glance each and moves to the next room.

SDUSM George Elijah Jones: George hustles quickly behind.

ASAC Darius Jeremiah Cruz: Darius follows along.

IO Michael Sajdak: "Haha."

IO Michael Sajdak: "I guess they were right that black don't crack, huh?" He looks at Mariam.

Hunger: You hear nothing but the awkward droning of the aging fluorescent lights.

SSA Mariam Helena Khoury: "...right." She puts her phone down. And crosses her arms, looking at everyone.

Hunger: Taking a seat might be an appropriate idea.

SSA Mariam Helena Khoury: "Please just sit down already."

SSA Keith Alan Pike: Alright.

SDUSM George Elijah Jones: George sits down at the spot where his mass is least likely to bother others.

ASAC Darius Jeremiah Cruz: Darius takes a seat, before folding his arms.

Hunger: George, you get intense goosebumps that you are not meant to be sitting at the head of this table.

Hunger: It's not funny anymore.

SDUSM George Elijah Jones: He shuffles into another chair.

IO Michael Sajdak: "Has anyone else seen the news lately?"

Hunger: Everyone gives you a disappointed look.

SSA Keith Alan Pike: "No."

SSA Mariam Helena Khoury: "Worried about the elections?"

SDUSM George Elijah Jones: "Man, last thing I've seen in the news was when they shot that Gorilla."

Hunger: Sajdak.

Hunger: As soon as you open your mouth to speak...

Asst. U.S. Attorney Antony Pitzerelli: A short, grumpy Italian-American man enters the room. The air grows cold. He quickly looks at all of you and nods to himself as if the headcount is complete. No one says or does anything.

Asst. U.S. Attorney Antony Pitzerelli: His suit would be really nice if he hadn't slept in it. He carries a plastic water bottle that's full to the brim with cold-brew coffee, and a briefcase. He doesn't greet anyone. He sits on the end of the conference table, grabs a remote he had in his jacket, and turns on cable news, muted. He is waiting for the 7:00 a.m. news cycle on CNN to start. A couple seconds later, it begins.

Hunger: "This is CNN Breaking News." "Good morning. I'm Chris Cuomo. It's 7:00 AM here in New York, and we begin with breaking news out of Maryland this morning, where authorities are confronting a discovery that is already being described as one of the most disturbing in recent American history. Overnight, Maryland Governor Larry Hogan confirmed that 56 bodies, believed to be children, have been recovered from a site in the town of Zion, on Maryland's Eastern Shore."

Hunger: Aerial and on-ground views of the dig site. "Zion is a small, largely rural community. The site in question sits on land that once housed an orphanage known as Cornucopia House, a facility that closed more than a decade ago and was later redeveloped. What began as a limited inquiry earlier this week has now escalated into a full-scale federal investigation. Multiple

agencies are on the ground. The area has been sealed off, and excavation efforts have been ongoing through the night. We want to go straight to the latest from state officials. Governor Larry Hogan spoke just a short time ago."

Hunger: Larry Hogan: "This is a deeply tragic and disturbing situation. As of this morning, 56 sets of remains have been recovered from the site. Preliminary assessments indicate that many of the remains may belong to minors. We are working closely with federal authorities, including the FBI, to determine the identities of these individuals, the causes of death, and how this could have occurred. We are committing every available state resource to this investigation."Chris Cuomo:"What we do not know: the identities of the victims, how long the remains have been there, or the causes of death. Let's bring in our correspondent on the ground in Maryland."

Hunger: Antony proceeds to mute the TV.

Asst. U.S. Attorney Antony Pitzerelli: "Can anyone tell me why we're here?"

SSA Mariam Helena Khoury: SSA Mariam H. Khoury leans forward on the table and covers her mouth, looking back and forth between the TV and the man once.

SSA Keith Alan Pike: Keith's eyes linger on the TV even after the image fades to black. "Yes."

Asst. U.S. Attorney Antony Pitzerelli: He explodes:"I'll explain why I'm here. I'm here because, 10 days ago, some Florida shut-in ends up dead in her trailer, half-eaten by swamp vermin. And the intrepid first responder somehow finds a bloody slip of paper containing all your names and that address."

Asst. U.S. Attorney Antony Pitzerelli: "Three days ago, a Maryland state trooper drove to the site of the defunct children's home. The children's home is long gone. A storage facility stands there now, adjacent to a Maryland prison. Zion Correctional Facility."

Asst. U.S. Attorney Antony Pitzerelli: "The state trooper found a dead woman nailed to a storage facility door with screwdrivers, with her head smashed open, and a dog chewing on an old skull."

Asst. U.S. Attorney Antony Pitzerelli: "Two days ago, our analysts noticed... you..." waves towards everyone at once "-being flagged by name in the death investigations in Florida and Maryland."

Asst. U.S. Attorney Antony Pitzerelli: "Yesterday, the Director himself called me with three instructions: To keep your names out of official reports and the news. To find out from you exactly what they and anyone else from the Program had to do with the mass grave of 56 children and counting in Maryland. And to determine what threat you and your activities pose to the Program."

Asst. U.S. Attorney Antony Pitzerelli: As Michael is about to speak, he shuts him down again.

Asst. U.S. Attorney Antony Pitzerelli: "And now I have some questions for you."

Asst. U.S. Attorney Antony Pitzerelli: "Question one: Who the fuck are you and what the hell happened?"

Asst. U.S. Attorney Antony Pitzerelli: "Question two: Now that every news outlet, politician, and law enforcement agency is braying for blood, why the fuck shouldn't I just feed you to them?"

Asst. U.S. Attorney Antony Pitzerelli: "Question three: Whatever happened, why would you be so stupid as to not bring it up when you were read into the Program?"

SSA Mariam Helena Khoury: "What? I did. I left a dead drop."

SSA Mariam Helena Khoury: "It was picked up."

Asst. U.S. Attorney Antony Pitzerelli: "..."

IO Michael Sajdak: I look at Mariam like she's a complete retard.

Asst. U.S. Attorney Antony Pitzerelli: There is no un-saying that.

SSA Keith Alan Pike: Even Keith manages to look genuinely surprised.

SDUSM Anderson Fowler: Fowler's eyes remain affixed to the screen.

Hunger: Cops are trying their damndest to not let the reporters in.

SDUSM George Elijah Jones: George doesn't look like he has anything useful to say here and he looks like he knows it. He's sitting silent.

IO Michael Sajdak: "I think Mariam is confused," I say, hoping to cover for her. "We put an, uhh, omerta on the whole affair in 2001 after we realized we weren't working at the Program's behest. To be frank, sir, none of us wanted to get killed by you guys."

Asst. U.S. Attorney Antony Pitzerelli: He rubs his temples hard, realizing that you were caught up in the 2001 split.

Asst. U.S. Attorney Antony Pitzerelli: "One at a time."

Asst. U.S. Attorney Antony Pitzerelli: "If any of you say sorry I'm leaving this room."

Asst. U.S. Attorney Antony Pitzerelli: There is no need to play out the full recounting of the events that led to Cornucopia House incident. We are only going to establish what we leave out of the story, and the rest will be revealed to Antony. Mariam and Michael - Only you have discretion over recounting the Moscow-on-Chesapeake incident and you must do so in a separate message after we are cleared on the first topic.

Asst. U.S. Attorney Antony Pitzerelli: But you already mentioned the dead-drop, so...

SSA Keith Alan Pike: Keith omits any connection to the highway shooting.

IO Michael Sajdak: If Mariam mentions that shit again I'm leaving her to get arrested, I think to myself.

Asst. U.S. Attorney Antony Pitzerelli: Roll INT.

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 47 (Rolling INT Target: 80%)

Asst. U.S. Attorney Antony Pitzerelli: If there is ever been a time to come clean, it is now.

SSA Mariam Helena Khoury: I legitimately see no reason to omit anything from my recounting of events. I trusted the organization.

SSA Mariam Helena Khoury: Hell, to my knowledge, I've already given them my recounting of the events transpired in 2001-- and the following operation was sanctioned.

Asst. U.S. Attorney Antony Pitzerelli: Anthony ultimately agrees that it's expected of the Programs compartmentalization for such results.

Asst. U.S. Attorney Antony Pitzerelli: It's shameful but a fact of life.

Asst. U.S. Attorney Antony Pitzerelli: Then if I am not wrong you are omitting the murders you yourself have caused and giving the mainline story to Antony including the gaggleguck at the church?

SSA Mariam Helena Khoury: Which murders are you referring to?

Asst. U.S. Attorney Antony Pitzerelli: USPS, the cop

IO Michael Sajdak: ...Which, of course, ties me into her confession. I must look absolutely hilarious as I realize the Program is about to learn that we both annihilated an entire ethnic group in Baltimore under the auspices of... what? Rogue Delta Green agents? Fucking hell, it wouldn't surprise me at this point if this wasn't the real Program either.

Asst. U.S. Attorney Antony Pitzerelli: He looks at you like it's not the first time of a mix-up of this scale happened.

Asst. U.S. Attorney Antony Pitzerelli: In any case, we are accelerating the timetable.

SSA Mariam Helena Khoury: Those casualties were the type that just come with the job, but I'm not sure I want to mention them, since I noticed Keith skipping them over.

Asst. U.S. Attorney Antony Pitzerelli: Very well. Moving on.

Asst. U.S. Attorney Antony Pitzerelli: George. Due to your past actions, you were selected for the following: You had some interaction with Antony Pitzerelli in the distant past, long before you ever joined Delta Green. Antony Pitzerelli, age 53, was in 329th Transportation Company, Fort Eustis, VA in 1989. You may be asking, "well how do I know that?" The answer is simple. You shared barracks with this guy in basic. He was your neighbour down a few cots. He was much thinner and more handsome back then. Everyone called him "Tony". His dad ran a shady pizza joint in Pittsburgh and he descended from Ellis Islanders. He got into shit a few times in the army, but eventually settled into a calmer and more disciplined personality. Then he stopped being a clown altogether. The NCOs were just different back then. The question is: How did it come to be? What was the best part of that brief friendship? How did you leave an impression on each other? Did you go through something remarkable at the time? A favor not yet returned?

SDUSM George Elijah Jones: I doubt we had much of a rapport considering that Italians are not known to be big fans of making friends with other ethnics, but we both knew each other as decently competent people.

SDUSM George Elijah Jones: He's probably more surprised at the fact that I'm in this shit now - I don't think I look the type at all.

Asst. U.S. Attorney Antony Pitzerelli: Indeed. He's been very attentive towards you, waiting for you to speak.

Asst. U.S. Attorney Antony Pitzerelli: Roll INT Blind.

Asst. U.S. Attorney Antony Pitzerelli: George, logically, considering the severity of the situation just laid out in front of you by Antony, the only reason you and everyone else sitting at the table aren't dead or in jail is that Pitzerelli harbors some benefit of the doubt for you. His fury masks the fact that he went to bat against superiors for someone who used to be close. He resents them for putting you in such a bind. It was the last gasp of a distant obligation. How could such a bygone thing return to save your life? Roll SAN.

Asst. U.S. Attorney Antony Pitzerelli: "Like it or not, you are all in this together. Your implication in a crime of this magnitude could expose multiple operations to follow-up investigations, perhaps even tracing back to the crimes and cover-ups of the Cowboy Years."

Asst. U.S. Attorney Antony Pitzerelli: "If you can't erase your own involvement I ASSURE YOU your fumbling attempts are going to be the first evidence used against you. Failure to sanitize the evidence will be used to implicate the group as co-conspirators. Attempts to obstruct the investigation will be explained as a group of depraved sex criminals within the government trying to cover up evidence of their crimes.""And if that happens you're just a piece of steak waiting to be broiled. As your lawyer, my advice is this: you either bury this or get buried with it."

Asst. U.S. Attorney Antony Pitzerelli: Pitzerelli continues to talk in his gravelly, angry voice. Below are some points you can raise and ask about to Pitzerelli or the rest of the team, to get an answer or just to brainstorm. PAST INVESTIGATIONS: What state and local investigations were conducted in 2001? Are there any loose ends that put the Program at risk of exposure? You'll need to find this information and scrub your involvement before outside investigators discover it. THE CHILDREN: What became of the kids you freed in 2001? Not all were toddlers. Did any filed report include details about the Agents that put the Program at risk of exposure? You need to destroy any paper trail leading to the survivors before someone starts asking questions. CONTINUED EXPOSURE: How did a deputy in Florida get your names and details of the Maryland debacle in the first place? Was the death in Maryland related or a coincidence? Did one of you rat out? The Program needs to find the perpetrators of these recent killings before their violence draws more attention."Also, one more thing. Forget about Florida for now. You are not

authorized to go there to pursue the murder. As significant as it is, we got a bigger and more immediate national security threat on our hands."

SSA Mariam Helena Khoury: Who's running the investigation at this stage?

SSA Mariam Helena Khoury: Has it gone federal?

Asst. U.S. Attorney Antony Pitzerelli: Your sanity is seriously declining if you feel the need to ask this

Asst. U.S. Attorney Antony Pitzerelli: In any case-

Asst. U.S. Attorney Antony Pitzerelli: "I did some digging for you right before I came here so I can actually get your sorry asses started with this." "Here's the scoop, only one trooper who was involved in the 2001 investigation is still alive. MSP Detective Sergeant Almudena Velasquez. She was just a young state trooper at the time that was driving the two old boys around. Keith Baswell and Bob Dale of the MSP Criminal Investigations Bureau are both dead. Baswell went to a freak RV accident in 2009. Dale ignored his doctors advice on managing cholestrol and died to a heart attack in 2012." "Things would have been a lot easier if something happened to her as well, but it's too late for that." He glares at you, knowing what you have in mind, to remind you that it's a stupid idea.

Asst. U.S. Attorney Antony Pitzerelli: "Almudena Velasquez of the Maryland State Police, age 38, is the state's lead investigator on this case. Velasquez usually supervises organized crime investigations. The governor himself is calling Velasquez for updates, in addition to her every senior officer. She's crumbling under the unprecedented political pressure. She'll be the key to seeing this fracasse pass by." "You also have Deputy Michael Costa, age 33, serving as liaison for the Criminal Investigations Division of the Cecil County Sheriff's Office. Has been in the force since shortly after the unsolved USPS shooting incident in Cecilton, when the other deputy resigned. Costa coordinated with state officials and passed the case up the chain before the third body was even dug up from the excavation. There is not a fucking way in hell the county can handle a fraction of the pressure they would receive if they got a cut of the responsibility, so who knows what he's going to do next."

SSA Mariam Helena Khoury: Great. That's exactly what I asked.

SSA Keith Alan Pike: Are the local and state police investigating the storage unit murder as being connected to the excavated crime scene?

IO Michael Sajdak: "Who the hell was the chick in Florida? Y'know all things considered, we closed that case with the Skoptsy tight-- and so I really don't understand how things could have bubbled up like this in the first place..."

SSA Mariam Helena Khoury: "Have they managed to ID her yet?"

Asst. U.S. Attorney Antony Pitzerelli: "We have word that Sheriff Benson Deacon forced Deputy Eckstein to resign after refusing to back down on a potentially- MOST LIKELY unsolved murder case in election year."

Asst. U.S. Attorney Antony Pitzerelli: "Everyone seems to agree that the victim just kinda did that. Eh." He shrugs.

Asst. U.S. Attorney Antony Pitzerelli: He looks at you Michael."Look, I said we have more pressing issues than some fucking dead recluse in Florida."

Asst. U.S. Attorney Antony Pitzerelli: He turns to Keith."I stopped local police interference bureaucratically but things are not looking good down there. The piss contest with the boots on the ground right now is out of sane proportion. Nobody appreciates the work being handed off to Harvard. The report says something about a crazy journalist chick nearby. She was seen sneaking in and out of the scene and flying a drone just outside of the restricted area. Let's hope she doesn't know anything, and in case she does, I'm sure you can trick her stupid bitch ass into believing something else. Could be an easy way to throw Velasquez or Costa under the bus if you give her some part of the scoop. Either way, the last thing we want is the found body of a journalist who has actually been inside there, so don't FFFUCK it up!"

IO Michael Sajdak: "Well it sounds like that bitch knew all of our fucking names and a thing or two about what's happening right now, but okay. What about the kids? That bitch-- I remember when all this was over, the chick that strung us along said we ought to kill them all..."

SSA Keith Alan Pike: Keith just nods.

Asst. U.S. Attorney Antony Pitzerelli: "You said she went to China. I don't bet on it."

Asst. U.S. Attorney Antony Pitzerelli: "She's probably eating noodles as we speak."

Asst. U.S. Attorney Antony Pitzerelli: "It would be borderline suicidal to return."

Asst. U.S. Attorney Antony Pitzerelli: Antony suddenly looks tired and sinks in his chair. He rubs his eyes and pops some kind of pill and chases it with coffee.

SSA Mariam Helena Khoury: "Do you know what they have so far, apart from the body dump?"

Asst. U.S. Attorney Antony Pitzerelli: "They dug up something but we don't know what the fuck it is. It's the Harvard teams job."

Asst. U.S. Attorney Antony Pitzerelli: "And yours too."

SSA Keith Alan Pike: Are we supposed to infer the 'Harvard' team is some DG group?

Asst. U.S. Attorney Antony Pitzerelli: "I got their names on the file."

Asst. U.S. Attorney Antony Pitzerelli: "You'll meet them there."

Asst. U.S. Attorney Antony Pitzerelli: "Two are in on it, the rest are just chaff. Don't brief anyone on what's actually going on."

Asst. U.S. Attorney Antony Pitzerelli: Sajdak, roll HUMINT Blind.

Asst. U.S. Attorney Antony Pitzerelli: He slipped with the "in on it" part. Nobody but people inside of this room must know what's going on out there.

SSA Mariam Helena Khoury: Do we have anything in the way of cover, or are we supposed to operate with our plain names and badges?

Asst. U.S. Attorney Antony Pitzerelli: Very good point. He takes some envelopes out of his bag.

Asst. U.S. Attorney Antony Pitzerelli: He produces a kit for each of you including business cards, drivers licenses and false tax records. All of you are contracted by the Department of Justice as private investigators and advisors who report directly to Pitzerelli.

Asst. U.S. Attorney Antony Pitzerelli: Mariam, roll LAW Blind.

Asst. U.S. Attorney Antony Pitzerelli: The justification of authority is intentionally filmsy with this getup. Not only it won't stand any scrutiny, it won't even stand up against being Googled. Your names, that is.

IO Michael Sajdak: Slipped? Is it that odd that there'd be other people from the Program investigating this stuff?

Asst. U.S. Attorney Antony Pitzerelli: It looks like he's going to throw you under the bus should you be caught using fake identification cards.

Asst. U.S. Attorney Antony Pitzerelli: I leave that conclusion up to you Sajdak.

SSA Mariam Helena Khoury: Sweet. Now, just to clear it up, has he specified what the 'Harvard' team is supposed to be doing? I infer they're a contracted forensic analysis team from what he's said, but he hasn't specified besides just mentioning them.

Asst. U.S. Attorney Antony Pitzerelli: If you inferred that then what are you so puzzled about?

SSA Keith Alan Pike: Who's Deputy Eckstein?

Asst. U.S. Attorney Antony Pitzerelli: Deputy Eckstein is the man who found that woman dead in her trailer in Florida. That's all you heard.

Asst. U.S. Attorney Antony Pitzerelli: And the one who named all of you.

SSA Keith Alan Pike: Interesting. No further questions.

Asst. U.S. Attorney Antony Pitzerelli: You may resent Pitzerelli's antagonism. It's perfectly normal. However, his severity is appropriate- all of you are totally fucked after all if you can't fix what you have done. He is merely there as the Program's messenger. He's the alternative to seeing a laser pointer on the forehead of whoever sitting across you before it's too late.

SSA Mariam Helena Khoury: I guess we have to get the lay of the land over at the State and Local PD offices and at Harvard as well, then we'll figure it out as we go. The point about the surviving children was an important one, too, but I don't see a clear way to start tracking them down right now.

Asst. U.S. Attorney Antony Pitzerelli: He slides the briefing across the table.

Asst. U.S. Attorney Antony Pitzerelli: "As the case officer of the newly-found Working Group Masticate, I see this going one of the three ways:"

Asst. U.S. Attorney Antony Pitzerelli: "If you run, oh, you know better than to do that." "If you lie, oh, you also know better than to do that. And it would be much more painful than if you tried

to run instead." "If you make things right and do everything in your power to avoid attracting any further attention to yourselves, then it's the best outcome for everyone. We can leave your past behind and look forward to continuing our work."

Asst. U.S. Attorney Antony Pitzerelli: He begins packing his things up. You have a few moments left to ask him any questions, if you still have any.

IO Michael Sajdak: "Sorry to have caused all this trouble for you."

SSA Keith Alan Pike: Remember what he said about 'sorry'?

Asst. U.S. Attorney Antony Pitzerelli: You did a good job at annoying him for a second.

ASAC Darius Jeremiah Cruz: "How has it taken this long to bite us in the ass?"

IO Michael Sajdak: I know.

Asst. U.S. Attorney Antony Pitzerelli: "It's like wolves and sheep out there. It's not about who runs the fastest, it's just whoever is willing to walk most."

SSA Mariam Helena Khoury: "Is there any way to get in contact with you-- and are we expected to?"

Asst. U.S. Attorney Antony Pitzerelli: "The business cards."

Asst. U.S. Attorney Antony Pitzerelli: He shows you his phone.

SSA Mariam Helena Khoury: "Is that as secure as it gets?"

Asst. U.S. Attorney Antony Pitzerelli: "..."

SSA Mariam Helena Khoury: "Nothing else to add, then?"

Asst. U.S. Attorney Antony Pitzerelli: "Good luck, don't die, high five."

Asst. U.S. Attorney Antony Pitzerelli: He looks at George one last time in the eyes before starting to leave.

SSA Mariam Helena Khoury: "Goodbye."

SDUSM George Elijah Jones: George does an understanding up-nod towards Antony.

SSA Keith Alan Pike: Keith waits for the lawyer to leave before speaking.

Asst. U.S. Attorney Antony Pitzerelli: He smirks to himself once, satisfied, before closing the door behind him.

SSA Keith Alan Pike: "None of this identifies the body at the storage unit. I think we know them."

SSA Keith Alan Pike: Is anyone thinking the same thing?

IO Michael Sajdak: "What makes you say that?"

SDUSM George Elijah Jones: "We left her at her hoarder apartment and just left it at that. That's the last we saw of her."

SSA Mariam Helena Khoury: "Houghton? That's the only other person who visited the place and was left alive other than the kids."

SSA Keith Alan Pike: "Krystal Houghton." He nods to Mariam.

SSA Mariam Helena Khoury: "Kerry, Kerry." She taps her head.

Hunger: The TV turns off on its own.

SDUSM George Elijah Jones: "Crystal's the Florida chick."

SSA Keith Alan Pike: Keith ignores the corrections and keeps reading the warrant.

SSA Mariam Helena Khoury: "We've got a few places to start digging right off the bat. The storage, confirm it's who we're thinking it is. The state archives for the kids."

SSA Mariam Helena Khoury: "The crime scene, the PD offices."

IO Michael Sajdak: "I think we ought to see the people at Harvard too."

SSA Mariam Helena Khoury: "That's right."

Hunger: You have a long laundry list of things to do, and it's 7:45. You might be able to arrange an appointment with one of these POI before moving onto the dig site.

SSA Mariam Helena Khoury: "I think starting with the original investigation is the way to go. Maybe get an eyeball on... what's her name?"

SSA Mariam Helena Khoury: "Velasquez?"

SSA Keith Alan Pike: Keith is ready to see the dig site. It'll determine how they have to approach the journalist afterwards.

IO Michael Sajdak: "The kids in that grave... when did they die? Because I hope to God that this something we missed from back in the day and not something that happened since then."

SSA Mariam Helena Khoury: "No, yeah, I think that's where they threw them after they got done with them."

IO Michael Sajdak: "I wanna see the dig before we do anything else."

SSA Mariam Helena Khoury: "We didn't leave anyone to continue operating the site."

Hunger: Unlikely. 56? Impossible. Not a chance with a prison next to it.

Hunger: In any case.

Hunger: Wind blows at the window. Hard wind.

SSA Mariam Helena Khoury: We don't really need an appointment to serve the warrant. We can head out to the site, get the lay of the land, and then split.

Hunger: It must be hurricane proof glass.

Hunger: Everyone, roll ALERTNESS Blind.

Hunger: All of you turn your heads towards the window.

Hunger: Suddenly, black blobs appear in front of it before exploding into red-

Hunger: Six birds slam against the window and die instantly, tumbling on the sidewalk.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury rubs her face.

SSA Mariam Helena Khoury: "What the fuck?"

SDUSM Anderson Fowler: "Were those birds?"

SSA Mariam Helena Khoury: "Don't know, don't care. Let's get out of here."

Hunger: Highest with SURVIVAL rolls.

SDUSM George Elijah Jones: "This office sucks."

Hunger: Everyone has a 10. So, someone throw.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 84 (Rolling Survival Target: 10%)

Hunger: George. You ain't no expert but you can tell some of those birds at the sidewalk are birds of prey.

Hunger: They have no reason to be flying together, if even sparing each other long enough for this to be happening.

SDUSM George Elijah Jones: "Man, let's figure the pairs out and start rolling out," he says with a worried look on his face.

Hunger: Six adults working for the federal government, not one explanation. Everyone, blind SAN.

Hunger: Right before you leave, one of you notices something.

Hunger: 1d6 from player list starting up.

Hunger: 1

SSA Mariam Helena Khoury: "Now that you mention it-- you know what this reminds me of?"

SSA Mariam Helena Khoury: "I'm going to sound crazy here. That treebark, Sajdak."

Hunger: Keith, you take a peek out of the window and realize that there are six cars parked in a line in front of the building. They are all red.

SSA Mariam Helena Khoury: "Just a little reminiscing for you to do there."

Hunger: They are your cars.

Hunger: All of them are colored blood red.

IO Michael Sajdak: "Yes Mariam I fucking know."

IO Michael Sajdak: "In fact."

SSA Keith Alan Pike: Keith reflects for a nanosecond on the last time he drove in a convoy of red cars and pulls away from the window.

IO Michael Sajdak: "I think we all understand at this point that anything that smacks of the 'unnatural', you're meant to either destroy or stay the hell away from. Well I'd say at this point that

that applies to the whole damn investigation 15 years ago and to this one too. But we can't just drop out. So what? Should we all just kill ourselves?"

Hunger: The TV turns itself back on again.

SSA Mariam Helena Khoury: "You can go ahead and do that in your spare time, when we're not here."

SSA Keith Alan Pike: Keith looks at Sajdak. "Did you always talk this much?"

IO Michael Sajdak: "You're the reason I'm here you cunt."

SSA Mariam Helena Khoury: "We all know what we signed up for."

SSA Mariam Helena Khoury: "...not the specifics of it."

SSA Mariam Helena Khoury: "Listen. Let's just fucking go."

SSA Mariam Helena Khoury: "We've got a job to do."

Hunger: Indeed. Time is running out.

Hunger: We're moving on after Michael shares one last word.

IO Michael Sajdak: "I hate those Cuomo dickheads."

Hunger: Map landmarks should be visible. 10 minute break.

Hunger: Decide what you will do and how you will do it, we are immediately moving ahead once we return.

SSA Mariam Helena Khoury: I think we all want to see the site in Zion, anyone can correct me if that's not the case. We should figure out the splits now, for after we're done taking a look there.

SDUSM George Elijah Jones: Going Dig Site

SDUSM George Elijah Jones: Then George can go with someone to 'riff's office.

SSA Keith Alan Pike: The dig site decides what we have to suppress from the journalist.

IO Michael Sajdak: I specifically want to talk to Harvard Team with Mariam and no-one else.

SSA Mariam Helena Khoury: After visiting the site, or do you want to skip out on that and head there right away?

IO Michael Sajdak: After checking the dig out.

SSA Mariam Helena Khoury: Then we still have:- Serve the warrant at the state archives,- Check local/state police 2001 investigation records,- What am I forgetting?

SSA Mariam Helena Khoury: Ideally Fowler should be with the group serving the warrant at the archives so we don't miss anything.

ASAC Darius Jeremiah Cruz: I'd quite like to check out the records, or at least try and have a look.

SSA Mariam Helena Khoury: Then after checking out the digsite together:- Sajdak & I are heading to Harvard,- Fowler & Cruz are heading to the state archives,- Pike & Jones will figure out what to do after the site visit

Hunger: The Harvard team is ON SITE you will meet them

SSA Mariam Helena Khoury: cool

SSA Mariam Helena Khoury: Thought they'd extracted it and taken it home already!

Hunger: The dig site is "the big one" so that's what we're unpacking first.

SSA Mariam Helena Khoury: Did we ever check out our fake documents? What're our fake names?

Hunger: "Private Investigator" working with mandate of DoJ

Hunger: Not the stereotypical PI, you're here on behalf of DoJ

Hunger: Don't mix that up

SSA Mariam Helena Khoury: And as for our actual names?

Hunger: Assume your covers are active when relevant just like how we did it in Reverberations

Hunger: Resuming in 30 secs

Hunger: Washington D.C. -> Zion, MD.

Hunger: Your drive will take 1 hour 45 minutes.

Hunger: Let's go through the overview of what became of Zion first.

Hunger: The prison takes up most of the space in what used to be that hellhole.

Hunger: The town is still tiny, in fact, getting smaller due to motels and predatory lenders driving out the residents for better pastures.

Hunger: Rows of warehouses are adjacent to the prison. Most of them are used by the prison proper, but some are used by subcontractors working for Maryland government in a myriad of ways.

Hunger: #3 is enveloped by a giant fumigation cover to prevent further containment. It's easy to see from the outside.

Hunger: Police have cordoned off the entrance where it diverts to parking and the evidence tent. Evidence tent was erected as a giant prefab tent warehouse. It's bad.

Hunger: You're approaching from here.

Hunger: Any questions?

SSA Mariam Helena Khoury: Not as of yet.

Hunger: The police take a cursory look at your IDs and wave you towards parking.

Hunger: (LOADING)

Hunger: You're here. You get out of the cars and stretch your legs.

Hunger: It has changed a lot since that awful night. You can feel a faint whiff of gingerbread cookies in the air.

Hunger: You may act.

SSA Mariam Helena Khoury: I guess that particular smell's making me feel a little nauseous. Anyone of importance here?

SSA Mariam Helena Khoury: Is it just troopers?

Hunger: The parking lot is deserted save for you. You will need to move and use the "staircases."

IO Michael Sajdak: Then let's go.

SSA Mariam Helena Khoury: On we go.

Hunger: Mariam. Roll ALERTNESS.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 34 (Rolling Alertness Target: 70%)

Hunger: I recommend you people use arrow keys to navigate.

Hunger: Mariam. You notice a particularly loud woman arguing with one of the agents up front.

Olivia C. Toomey: "You're gonna have to eventually let me through. I've been doing this for longer than you ever held that gun of yours."

A Federal Agent, female: "Ma'am, please. Don't escalate this."

Olivia C. Toomey: "I'm not doing anything." She backs off and raises her hands.

Olivia C. Toomey: "You're opposing my constitutional rights to demand information."

A Federal Agent, female: She doesn't respond.

SSA Mariam Helena Khoury: That's our reporter, and it's probably best to avoid her for now, unless anyone's feeling like getting familiar with her for the eventual misinfo.

SSA Mariam Helena Khoury: Any other way in?

Hunger: Before that, roll SNEAK.

SSA Mariam Helena Khoury: All of us?

Hunger: Just you.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 35 (Rolling Stealth Target: 30%)

Hunger: You lock eyes with her as the rest of the group tails behind you. She disappears back into the crowd of reporters before leaving your sight.

SSA Mariam Helena Khoury: Damn.

Hunger: You may move on with the prefab tent where the bodies are stored, or deeper into the dig site.

SSA Mariam Helena Khoury: I think Sajdak and I are particularly interested in talking to the guys handling the evidence.

IO Michael Sajdak: Yep.

Hunger: Keith, you can see groups of officers and agents here, talking among eachother.

Hunger: (USE ARROW KEYS AFTER YOU USE THE STAIRS)

SSA Mariam Helena Khoury: No one stopping us out here?

Hunger: Before you launch off into space, you actually notice some people up front of the prefab tent.

A Federal Agent, geared up, male: "You need to suit up if you want to enter."

SSA Mariam Helena Khoury: We'll do just that.

Hunger: It will take ten minutes for you to don disposable hazmat body condoms.

Hunger: Panning to Keith.

Hunger: What next?

SSA Keith Alan Pike: Is the dig itself in the rest area?

Hunger: It makes a turn at the resting area before proceeding there.

SSA Keith Alan Pike: Keith doesn't have any questions for these people. Let's keep moving.

Esther O'Brien: You continue walking and come across two young adults crying at the table.

Charlie Ross: "We gotta get it together Esther. For their sake."

Esther O'Brien: She doesn't seem to be hearing him. She's bawling her eyes out.

SSA Keith Alan Pike: Is everyone else behind me?

SDUSM George Elijah Jones: George is here.

SSA Keith Alan Pike: Keith nudges Darius and nods towards the two.

A Police Officer, female: You notice a female officer chainsmoking next to one of the portapotties.

Hunger: The atmosphere here is quite stretched.

SDUSM George Elijah Jones: Are those two part of Harvard?

SSA Keith Alan Pike: Keith quietly suggests ... "...What if they're..."

Hunger: You don't see any other civilians around.

SDUSM George Elijah Jones: "They're probably Ivy League but maybe not cosa nostra, you know what I mean?" George whispers back.

SSA Keith Alan Pike: If nobody else is going to take a cue and talk to them, he will.

SSA Keith Alan Pike: "First time on something like this?" He offers to them both.

Charlie Ross: "Who are you man?"

Hunger: The girl doesn't seem to register you.

SSA Keith Alan Pike: He introduces himself and the others, briefly, with their pretend names.

Charlie Ross: "They told us about you. Here to make things right?"

Charlie Ross: "Jesus..."

SSA Keith Alan Pike: He nods grimly.

Charlie Ross: "We can't take it anymore. We didn't sign up for this shit in Archeo."

Charlie Ross: "I dug up a fucking kid man! He was staring at me! A kid!"

SSA Keith Alan Pike: "I'll tell you something someone told me a long time ago about this kind of thing. Someone was going to - it was you. You're doing the right thing at the right place and the right time."

SSA Keith Alan Pike: "That's all this is. Make it right."

Charlie Ross: Keith, roll HUMINT.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 50 (Rolling HUMINT Target: 50%)

Charlie Ross: This takes you back. He is shivering like the first time after one of the privates managed to get a kill in Somalia.

Charlie Ross: It's not looking good for him in this case.

SSA Keith Alan Pike: "Do you know where we we can find Mister Campbell?" He asks flatly.

Charlie Ross: "In the tent, with the others. The kids."

Charlie Ross: He looks at the floor sporadically.

SSA Keith Alan Pike: "Thanks. Try to focus on breathing. You have to be there for her."

SSA Keith Alan Pike: He steps away.

Esther O'Brien: She's still melting down.

Hunger: Panning to Mariam.

Hunger: As soon as you put your mask on, one of the students step outside and takes out a vape pen.

Hunger: She starts puffing on it like it's a matter of life and death. You notice it instantly- it's weed.

Hunger: She's smoking a cart in front of 4 federal employees. It's not legal.

SSA Mariam Helena Khoury: Yeah, I was wondering.

SSA Mariam Helena Khoury: Are we suited up?

Kristeen Jennings: She barely takes a few moments to have a breather before sucking in more cart vape.

Hunger: You are all but done.

A Federal Agent, geared up, male: "..."

A Federal Agent, geared up, female: "...Jesus..."

SSA Mariam Helena Khoury: Are they doing anything besides gawping at her?

Hunger: They don't seem interested in stopping her. They probably know what's in there.

SSA Mariam Helena Khoury: We can speak to her later in case our prodding inside isn't sufficient. Let her unwind for now.

IO Michael Sajdak: That chick's gonna be wondering how words work ten minutes from now. Whatever, let's head inside already.

Melinda Ruiz, M.D.: "Right... Number 22."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury takes a long look over all of the trays.

Maureen Patrick: She begins unfurling the plastic sheet over the body.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury looks at Sajdak.

SSA Mariam Helena Khoury: "Christ."

Melinda Ruiz, M.D.: "Catastrophic fracture in the skull and neck... dents of what appears to be a screwdriver in the ribs..."

Melinda Ruiz, M.D.: "Age... I'd say about 5."

SSA Mariam Helena Khoury: We're approaching them.

Melinda Ruiz, M.D.: "Who are you? This is a restricted area."

Melinda Ruiz, M.D.: She sounds deadpan.

SSA Mariam Helena Khoury: "My name's -whatever is written-. My partner and I are here with the DOJ."

Melinda Ruiz, M.D.: She doesn't even look at your fake ID. What were you saying again?

Maureen Patrick: She's crying beneath the safety goggles.

SSA Mariam Helena Khoury: "Where's the one in charge here?"

Hunger: "Back there." She nods towards a lab section.

SSA Mariam Helena Khoury: "Doctors Campbell and Grace, if I'm not mistaken?"

SSA Mariam Helena Khoury: "Thanks."

Melinda Ruiz, M.D.: "...Femur crushed under excessive force... could be a vehicle..."

Tim Campbell, Ph.D.: "Look all I'm saying is-!"

Hunger: As soon as you enter, everyone turns at you.

SSA Mariam Helena Khoury: "Morning. DOJ lead investigators."

SSA Mariam Helena Khoury: "Doctor Campbell, Doctor Grace?"

Monique Grace, Ph.D.: "Finally."

Tim Campbell, Ph.D.: "We're about to suffocate in here."

Monique Grace, Ph.D.: "Now that we have real adults in the room..." She nods at the grad students to take a hike.

Owen Becker: He looks at his classmate before moving outside.

SSA Mariam Helena Khoury: "You'll have to make do for the time being, outside's not the best place to talk right now."

Monique Grace, Ph.D.: "I haven't set foot outside of this tent in days."

Monique Grace, Ph.D.: "It's a safe spot to talk."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods.

IO Michael Sajdak: "Fucking hell, I don't envy those students at all."

Tim Campbell, Ph.D.: "Damn paperwork! Those kids don't deserve this!"

Monique Grace, Ph.D.: "It's what it takes to make it look normal Tim."

Monique Grace, Ph.D.: "Just take it as part of growing up."

SSA Mariam Helena Khoury: "Just so. Anyway-- we understand you were made aware of our arrival and our task."

Tim Campbell, Ph.D.: "You know that's a fucked up joke Grace."

SSA Mariam Helena Khoury: "Can you walk us through what you've got so far?"

Tim Campbell, Ph.D.: "We found several perfectly mummified bodies and trash bags full of black jelly unknown to science. The usual."

Monique Grace, Ph.D.: "He's trying to say that... we did find anomalous cadavers. Eleven of them in a state of preservation usually exclusive to... mummies."

Monique Grace, Ph.D.: "They are not buying the shit about the lime deposits in earth anymore."

Monique Grace, Ph.D.: "We need to pack this up. And the jelly too."

Monique Grace, Ph.D.: "Dear god what the fuck IS that thing?"

SSA Mariam Helena Khoury: "That's going to be a problem, what with everything going on outside."

Monique Grace, Ph.D.: "The mummies are one game but we didn't check the jelly as human remains. If you didn't come here for another two hours they were off to the incinerator."

Monique Grace, Ph.D.: "We need to write SOMETHING in the report."

IO Michael Sajdak: "I'm guessing the body they initially found - the one that led to this dig - is being investigated elsewhere."

Monique Grace, Ph.D.: "I heard they returned it to the scene of the crime."

Tim Campbell, Ph.D.: "It's in the fridge truck next to the fumigation bubble."

SSA Mariam Helena Khoury: "The jelly-- is it a manageable quantity? Can we get it out in a single container?"

Monique Grace, Ph.D.: "There are several trashbags worth of it. We keep them in here, away from the bodies."

Monique Grace, Ph.D.: "Tim is sitting on the refridgerator unit for it right now."

Tim Campbell, Ph.D.: "Yeah, right."

Tim Campbell, Ph.D.: He moves away.

Hunger: As soon as he does, the smell of gingerbread cookies...

Hunger: It's turning sour and acrid.

SSA Mariam Helena Khoury: "You two smell that too, right?"

Monique Grace, Ph.D.: "What?"

Tim Campbell, Ph.D.: "Huh?"

SSA Mariam Helena Khoury: "Anyway. We'll figure out what to write down on the report as we go. Incineration isn't a bad way to go about it."

SSA Mariam Helena Khoury: "I'm not the doctor here-- what do you think it can be passed for in writing?"

Monique Grace, Ph.D.: "Whatever fiction you invent on the spot."

Tim Campbell, Ph.D.: "It pales in comparison to the very real bodies we dug up."

SSA Mariam Helena Khoury: "How about liquefied blood remains? Is that plausible? It's not like there'd be any of it left to double-check."

SSA Mariam Helena Khoury: "As for the bodies, well... if they won't decompose normally..."
She strokes her jaw.

Monique Grace, Ph.D.: "We mixed it in a 50 liter keg and I can tell you right hand on the bible that this is not blood."

Monique Grace, Ph.D.: "It's over there."

Hunger: You know exactly where it is, you can smell it.

SSA Mariam Helena Khoury: Let Me Take a Closer Look.

IO Michael Sajdak: "I'm guessing the cat is very much out of the bag that the bodies haven't decomposed, considering there are grad students fucking with the bodies and all. Y'think you could pass it off as some kinda... Otzi the Iceman situation?"

Hunger: There's no check to be made to read the reports on The Stew nor to assess what it is... you wholeheartedly can not tell -what- the fuck it is anyway.

Hunger: You take a closer look.

SSA Mariam Helena Khoury: "Who else is aware of this thing's existence?"

SSA Mariam Helena Khoury: "If nobody else is, can't we simply burn it and get done with that part of the whole thing?"

IO Michael Sajdak: "This is the same shit Darius found."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury coughs.

Monique Grace, Ph.D.: "They excavated it before the state interference was blocked but they did not check them in as human anyways. It doesn't matter."

Monique Grace, Ph.D.: "What matters is..."

SSA Mariam Helena Khoury: "Mhm?"

Hunger: The impossibly acrid stench of Babushka coming from it.

Hunger: Mariam, roll POW.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 48 (Rolling POW Target: 65%)

Hunger: Michael, you too.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 70 (Rolling POW Target: 60%)

Hunger: Michael, you reminisce the exact second you blew that bitch's head off fifteen years ago, and how it spurted a geyser of black fluid.

Hunger: You're in that room for one second, and then back here. You look for somewhere to hold onto as you fall.

Tim Campbell, Ph.D.: Tim Campbell, Ph.D. rolls Failure -> 96 (Rolling DEX Target: 70%)

Tim Campbell, Ph.D.: "Woah-"

Tim Campbell, Ph.D.: Tim manages to hold your head from making direct contact with the floor, but your awkward stumble was a sight to behold.

SSA Mariam Helena Khoury: I'm walking over to help him to his feet with Campbell.

Hunger: 2

Tim Campbell, Ph.D.: "Are you okay?"

IO Michael Sajdak: "Ahh, fuck-- my blood pressure... I ought to take a breather. Actually-- there's one more thing."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods.

Tim Campbell, Ph.D.: "What?"

IO Michael Sajdak: So we've established there's something fishy about these two being 'in on' the attempt to cover our tracks.

Tim Campbell, Ph.D.: "You need some water."

IO Michael Sajdak: Knowing this, I'm gonna do something a little crazy.

IO Michael Sajdak: I want to use Hypnosis Trick to convince these two that, rather than a suspect in the Zion Prison investigation, I'm actually another agent associated with Pitzrelli who was brought into the fold after that murder in Florida. I'm going to ask them what they've been doing over the past few days and what they know about us six, if anything.

Hunger: Execute it, I need to run the numbers

SSA Mariam Helena Khoury: I don't think they know we're involved with the deed itself, right? Just that we're here to clean up?

Hunger: You caught them off-guarded. It will work without a roll.

Monique Grace, Ph.D.: She says with a deadpan voice, "We've been digging up bodies, you know."

Tim Campbell, Ph.D.: "Yeah, they told us you were here as fixers. We're fucked here man, we count on you."

Monique Grace, Ph.D.: "Something unnatural might be here."

SSA Mariam Helena Khoury: "No shit."

Tim Campbell, Ph.D.: "That's as far as we were told. We'll probably have to arrange an 'accident' with the mummies."

Monique Grace, Ph.D.: "If you didn't take over this from us we'd be boned."

Tim Campbell, Ph.D.: "Wholly agree."

SSA Mariam Helena Khoury: "Can we count on you to do that? How would it look?"

Hunger: They don't react to you Mariam.

SSA Mariam Helena Khoury: Oh. Right.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury looks back at Sajdak.

IO Michael Sajdak: "How's that gonna look?" I repeat from Mariam.

IO Michael Sajdak: Ahh fuck.

Monique Grace, Ph.D.: "They depend on us for the reports."

Tim Campbell, Ph.D.: "It can look exactly like how we want it to look."

Monique Grace, Ph.D.: "Why would we even be here in the first place otherwise?"

Tim Campbell, Ph.D.: "We certainly can't kill like you."

Monique Grace, Ph.D.: "Die, maybe."

SSA Mariam Helena Khoury: "Jeez."

IO Michael Sajdak: What a waste of time, he thought to himself. He heads outside to get his bearings.

SSA Mariam Helena Khoury: "Hold on."

SSA Mariam Helena Khoury: "You read this bit?" She points at the report.

SSA Mariam Helena Khoury: "Animal tests. They were testing it out."

SSA Mariam Helena Khoury: "That absolutely cannot fucking go on. We have to dispose of all the goo."

Monique Grace, Ph.D.: "It's our job."

Tim Campbell, Ph.D.: "We are authorized to collect data."

Monique Grace, Ph.D.: "Unlike you."

Tim Campbell, Ph.D.: "Who is just here to wreck it."

SSA Mariam Helena Khoury: "This supersedes all that. I thought we were on the same page-- this is a national security risk."

SSA Mariam Helena Khoury: "Have you taken any of this out, or is it the whole of it?"

Monique Grace, Ph.D.: "How many times do you have to be told?"

Tim Campbell, Ph.D.: "It's getting on my nerves."

Monique Grace, Ph.D.: "Fuck, she's annoying."

SSA Mariam Helena Khoury: "You're gettin' on my fucking nerves too, and I'm going to lose my composure soon."

Hunger: Michael coughs.

Monique Grace, Ph.D.: She pauses for a moment.

Monique Grace, Ph.D.: "Yeah, right. What were you saying?"

Monique Grace, Ph.D.: She looks disoriented.

IO Michael Sajdak: Fucking hell, I'm getting out of here.

Tim Campbell, Ph.D.: "Uh... The goo."

SSA Mariam Helena Khoury: "You're going to deal with the bodies. I want to be sure that the fluid is completely disposed of with my own two eyes afterwards."

Tim Campbell, Ph.D.: "... Okay."

SSA Mariam Helena Khoury: "Come up with whatever bullshit you can to sort the corpses out. We'll oversee the incineration of this stew you're dealing with."

SSA Mariam Helena Khoury: "Nobody touches it."

Monique Grace, Ph.D.: "Technically we could sign off on them being a contamination hazard and send them off to the cremator ASAP."

Monique Grace, Ph.D.: "We need a write off on it though."

SSA Mariam Helena Khoury: "Excellent. From whom?"

SSA Mariam Helena Khoury: "CDC?"

Monique Grace, Ph.D.: "That would work best."

SSA Mariam Helena Khoury: "We'll think of something. You just prepare."

SSA Mariam Helena Khoury: "Be seeing you."

Tim Campbell, Ph.D.: "You should probably have one of your men take a look at the bodies before they go."

Tim Campbell, Ph.D.: "They are quite fascinating."

SSA Mariam Helena Khoury: "I'll take that under advisement."

Hunger: Darius is your man, but you also have Kerry to sort through. And where the hell is Detective anyway?

Hunger: You can move in the pre-fab as you wish, panning back to Keith.

SSA Mariam Helena Khoury: Yessir.

SSA Keith Alan Pike: Let's see if I was right about the special guest appearance.

Hunger: Keith, this is the entrance to the warehouse. The body is not here anymore, it's next to this decon trailer in the fridge truck. You know because you can see the workstation they assembled in front of it from here.

Hunger: You should go there if you're looking for it.

SSA Keith Alan Pike: The stairway is disabled

SDUSM George Elijah Jones: So true.

Hunger: Try again

Hunger: Keith.

Hunger: The body in question in fact belongs to Kerry Houghton. Her face and her family are on the corkboard.

Hunger: Looking at here...

Hunger: Pitzerelli has delayed the autopsy of Kerry Houghton, much to the annoyance of everyone involved. The corpse was originally removed to the Cecil County coroner's office. The county coroners had the task removed from them by Maryland State Police, who in turn handed it over to the FBI and their Harvard forensics "consultants." The FBI had the corpse returned to the murder scene, delaying the autopsy further. A corkboard set up by Maryland State Police displays crime scene photos of the body as it was found. FBI technicians are currently in the process of digitizing this information and displaying it on the laptops. The screen displays the fingerprints that were recently used to identify Kerry Houghton by cross-referencing her 1997 Maryland Child Protective Services background check. Other minimized tabs on the laptop screens depict the frozen playback from what looks like surveillance camera footage.

Hunger: Kerry Houghton was the victim discovered by State Trooper Vivian Sawyer during her routine follow-up on the Eckstein call. Local police identify her as an unemployed retail worker. The remains are stored on a slab in an industrial refrigeration truck adjacent to the tent. It appears no expense is being spared in the investigation.

SSA Keith Alan Pike: Keith looks at the laptop. Did the surveillance capture anything, or is it just stuck?

A Federal Agent, male: "All yours sir."

SSA Keith Alan Pike: Keith watches the violence on the display intently. Is there anything here that indicates someone's looked into where she was kidnapped from? Her home, her work, etc.

Hunger: Not here.

Hunger: Are others watching?

SDUSM George Elijah Jones: Yup.

ASAC Darius Jeremiah Cruz: I'm watching, why wouldn't I?

Hunger: The footage is exceedingly, disgustingly violent. No one should experience this kind of end.

Hunger: All 3 SANLOSS.

SSA Keith Alan Pike: Keith mutters something to the effect of Kerry being nearly blameless, at the end of it all. He has more to say when there aren't unrelated people listening.

Hunger: Parsed. Moving on.

A Federal Agent, male: "That's fucking screwed man."

SSA Keith Alan Pike: "It's impossible to tell right from wrong on that much dope." Keith offers the agents.

A Federal Agent, male: "If this "dope" hits the streets we're done for."

A Federal Agent, male: He clicks his tongue.

SSA Keith Alan Pike: Keith has seen enough out here. Is Kerry's home address available on the board?

Hunger: It's in Baltimore County. Strawberry Mills Apartments. Someone's already checked it out, though it's probably state police since there's so little detail. 40 mins north of Baltimore.

SSA Keith Alan Pike: And something here probably says she stopped working for CPS after she lost her mind.

SDUSM George Elijah Jones: Isn't that where we dumped her when we kidnapped her last time?

Hunger: This corkboard is just whatever the agents threw on there, it's not exhaustive.

SSA Keith Alan Pike: Let's head inside and see if we can make heads or tails of what's left of her.

Hunger: That's not her 2001 address.

Hunger: This is a new one.

Hunger: 2001 adress was inside of Baltimore.

Hunger: You may move on.

Hunger: Entering, George?

SDUSM George Elijah Jones: I

SDUSM George Elijah Jones: I'll study the corkboard a while longer.

Hunger: There's really jack shit on it ever since MSP was told to get the fuck out. You could look for Velasquez around.

Hunger: We're panning back to Mariam.

Hunger: What is the move?

SSA Mariam Helena Khoury: We're heading over with the others.

Hunger: Those two in there were just as clueless as grad students. Those bodies may be a liability, what if they resist fire just as they resisted staying down there for decades?

Hunger: Imagine the shitstorm then.

SSA Mariam Helena Khoury: Not to mention what they'll do with the fluid. We'll talk to them again soon, they're waiting on that signoff anyway.

Hunger: Actually, who is getting that done?

SSA Mariam Helena Khoury: Nobody. We're gonna figure out what to actually do with the bodies soon.

SSA Mariam Helena Khoury: A paper trail on that is untenable!

Hunger: CDC is not gonna call itself. Neither will you- that fake ID won't do you good.

Hunger: The kids at the resting area are gone off to the excavation, so is the cop.

Hunger: Anderson is...

Hunger: What's he even doing? Who knows?

SSA Mariam Helena Khoury: Maybe he's vaping too.

Hunger: Perhaps.

SSA Mariam Helena Khoury: The others said they were going to the fridge truck, right? We might want to go to the processing tent or the warehouse for a change.

Hunger: Pick any. Getting into the warehouse requires full hazmat suit and 30 minutes of prep.

SSA Mariam Helena Khoury: Tent first.

Hunger: As soon as you walk near the processing tent...

Hunger: "AH FUCK!"

Hunger: "GODDAMNIT! FUCK!"

SSA Mariam Helena Khoury: Someone's mad.

Hunger: Two men get out of one of the orange dig covers in a panic.

Hunger: "FFFUUUCKK!!!"

Hunger: "I CAN'T DO THIS ANYMORE!!!"

Hunger: It's a grown man.

Hunger: "THEY JUST KEEP COMING OUTTA THERE!"

SSA Mariam Helena Khoury: Is it all suited-up people onwards?

Hunger: You are watching it unfold.

Hunger: Everyone is suited up but you didn't take your disposable hazmat off fully after you left the tent. You were in a hurry to reach the others.

Hunger: Federal agents rush past you to apprehend the man.

Hunger: Dogs are around you, acting in all sorts of weird ways.

SSA Mariam Helena Khoury: Meh, we can keep it on us and take it off later. Are these guys looking at anything interesting right where we are?

Hunger: Some of them have seen to have fallen into a stupor, refusing commands.

Hunger: "COME ON BOY!"

Hunger: Some of them are straight up in a frenzy.

Hunger: You can hear the thumping of the ground penetrating radar in the nearby woods.

SSA Mariam Helena Khoury: I don't know what to make of that. I don't want to think they've been exposed to something worse just yet.

SSA Mariam Helena Khoury: Let's take a look at the dig site.

Hunger: It's what you expected it is. Archeologists are working hard to cut through roots and dismantle old plumbing. A full demolition of the nearby structures has not been authorized yet, there may be bodies under the concrete slabs.

SSA Mariam Helena Khoury: Is it a long walk to the "nearby" woods?

Hunger: You can go past and walk up there in five minutes.

Hunger: It's the edge of the current dig zone.

Hunger: Nobody is minding you.

Hunger: Everyone has their fair share of pure fucking misery here.

SSA Mariam Helena Khoury: Let's just check it out before heading back. We're interested in looking for the primary investigator with the rest of the guys.

Hunger: You and Michael walk up to the threshold of the woods. It's planted, the trees are still thin.

Hunger: Roll Search. Blind.

Hunger: You notice an animal jawbone left at the foot of a tree. It is completely dry. As soon as you turn your head, you notice a collarbone, perhaps from the same creature. Another one catches your eye, and you soon realize that something left a trail behind for you.

SSA Mariam Helena Khoury: "Mike, look alive."

SSA Mariam Helena Khoury: I'm drawing my gun and following it cautiously.

Hunger: You may proceed.

IO Michael Sajdak: "It's probably just a fuckin' fox or something...."

SSA Mariam Helena Khoury: "No chances, at this point."

Hunger: The trail dead-ends at a small culvert pipe leading under the road. The woods are deafened by the hum of the excavation's multiple generators. The trees are devoid of animal life.

Even birds and squirrels. You smell the culvert before you see it, a deep stench of rot and sickness.

Hunger: It's genuine rot and shit- not the gingerbread kind.

SSA Mariam Helena Khoury: "Look at this beckoning entrance, with most definitely no more corpses or rotten bullshit waiting for us inside."

Hunger: It's not going well with this tiredness Michael. Her shit.

IO Michael Sajdak: I have half a mind to say something but I really just want to be out of here ASAP. I whip out my light and peer inside.

SSA Mariam Helena Khoury: "You wanna head in?"

Hunger: You find unthinkable high pile of animal bones clogging the dark space. Opossums, raccoons, squirrels, the skeletons of small mammals of every type can be found torn apart, piled high, and left to rot for years, otherwise undisturbed.

Hunger: There's something else waiting for you here.

SSA Mariam Helena Khoury: "No fucking way."

Mr Throbb?: The animal is a male Rottweiler. The little fur it has left has gone white with age, the rest falling off in clumps as the skin beneath was eaten by sarcoptic mange. One eye drips a crusty line of pus and blood. It's riddled with worms, ticks, fleas, and every other parasite imaginable. Both hips are swollen from dysplasia, each barely holding up the animal's gaunt frame. Three teeth are left in the thing's rotted jaw, and the stink of it has weight. A worn leather collar bites into the flesh of the dog's neck. It reveals that the dog's name is Mr. Throbb. It is the same dog that acted so strangely at Cornucopia House 15 years earlier. The average lifespan of a Rottweiler is nine years. If he had been a newborn pup on that day in 2001 instead of a fully-grown and trained guard animal, Mr. Throbb would still be the oldest Rottweiler in recorded history.

Mr Throbb?: The rotten animal stands up and limps towards you. It brushes its dirty head against your leg one last time and lets out a whimper. He lays down at your feet, deflates with a tired sigh and stops breathing. He dies on the spot. Roll SAN.

Mr Throbb?: Condition Changes Dead

SSA Mariam Helena Khoury: "Well..."

IO Michael Sajdak: "What do we even make of this? Do we even tell anyone? What the fuck?!"

SSA Mariam Helena Khoury: "He was waiting for us to do just that, you know."

SSA Mariam Helena Khoury: "He was also waiting back at little Moscow eleven years ago."

IO Michael Sajdak: The goo seems to have some sort of healing factor. Could that be why Throbb's been kicking for this long? Any black stuff on his body?

Hunger: Despite every textbook animal malady imaginable you do not find the signature black growths.

Hunger: Doesn't take an expert since most of the fur has thinned off.

SSA Mariam Helena Khoury: "I'd almost bring him with us and put him in the ground properly if it wasn't bound to look batshit insane."

IO Michael Sajdak: "We really ought to just cover this fucking den up and get out of here. We still need to work out how we're gonna deal with the bodies, for crying out loud..."

SSA Mariam Helena Khoury: "No need to cover it up, it's just a dead mutt in a pile of shit."

SSA Mariam Helena Khoury: "Let's just go."

IO Michael Sajdak: "Right."

Hunger: You may move

SSA Mariam Helena Khoury: "Rest in peace, bud."

Hunger: Panning to Keith.

Hunger: Keith, you felt it when you first saw the mutilated body with the unhinged jaw.

Hunger: You feel something else from the footage: the thrill of the hunt, of the capture, of the predator making the kill and preparing to feed. The emotion is entirely alien, something outside you yet part of you. After you saw the girl, it was a kinship of predator to predator and a challenge for dominance like two rival lions. It is an instant of communication without words, beyond the need for words, so deep that words become meaningless noise.

Hunger: The others feel it too.

SSA Keith Alan Pike: "It's the kids."

Hunger: What an allegation. That being said, is there really anything for you to get done here?

Hunger: Darius can figure this out in 2 hours.

SSA Keith Alan Pike: Yes. Go ahead.

ASAC Darius Jeremiah Cruz: I was just about to ask if I could check out the body

Hunger: Darius, roll Surgery.

Hunger: Keith and the rest of the team can meet up in front of the decon truck.

Hunger: Everyone.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 20 (Rolling Surgery Target: 50%)

Hunger: Darius, primarily you confirm the initial findings of the county coroner. Yadda yadda. But you went above and beyond that.

Hunger: Here is your real findings.

Hunger: Everyone who wishes to go inside the warehouse may do so now as I take a leak.

SSA Keith Alan Pike: There aren't any signs of restraints used on her wrists?

Hunger: What you see is what you get. The report is exhaustive.

SSA Keith Alan Pike: Interesting.

Hunger: Moving on. I only see George and Michael inside the warehouse.

Hunger: GO IN!

IO Michael Sajdak: If and when Darius broaches these findings to the team I'll add everything I know about how dementia symptoms are a comorbidity of Skoptsy mindfuckery.

Hunger: That will look amazing on paper.

Hunger: Keith mariam do you want to go

SSA Keith Alan Pike: Yes

SSA Mariam Helena Khoury: In the truck? I was reading.

Hunger: I meant the warehouse. Are we ready?

SSA Mariam Helena Khoury: I am!

SSA Keith Alan Pike: Yes.

Hunger: Here you are. Not much evidence left to collect here.

SSA Mariam Helena Khoury: "What'd they do to her?"

Hunger: It looks as brutal as it does on camera in person

SSA Keith Alan Pike: "Teeth."

Hunger: Keith, you instinctively look at the camera that recorded the deal.

SSA Mariam Helena Khoury: "Hmm."

Hunger: You notice that it is covered in a safety shroud- it would be impossible to tell where the camera was actually looking from this side.

Hunger: Besides, it's VERY EASY to avoid or break.

Hunger: They could have done this ordeal without revealing a hint of their identities.

SSA Keith Alan Pike: Coincidences pile up as usual.

SSA Keith Alan Pike: "I don't know why they're doing this. It's the kids."

IO Michael Sajdak: "Y'think it was a revenge thing? Maybe they killed her for not working out what was going on, and brought her here to draw attention to what happened back in '01?"

Hunger: This raises multiple questions. That viewing you just did next to the truck was cursory at best.

SSA Keith Alan Pike: "No. I think it's to make a point."

SSA Mariam Helena Khoury: "I just wish there was anything else we could've done for them, I suppose."

IO Michael Sajdak: "I think we fucked up by letting them live."

SSA Mariam Helena Khoury: "Or-- maybe they were meant to end up like this. I'm starting to think we were meant to go through this all along, too."

SSA Mariam Helena Khoury: "Too late to go back on that decision now."

SSA Keith Alan Pike: Keith ignores what Michael is implying. "One of them has a car. They drove her here. She might've gone willingly - her house might have more information to help us find them."

Hunger: Six smartphones, not one call placed. Furthermore, that footage was not the end of the story.

Hunger: You feel like it's a waste of time to stay in the hunting ground after all the prey left.

Hunger: What?

SSA Mariam Helena Khoury: If we know that already then the visit to the state archives is overdue.

SSA Keith Alan Pike: That's because it is. "...There was a fingerprint return for one female. If we run it, it'll probably be a lifetime in and out of halfway houses or juvenile detention."

SSA Keith Alan Pike: Keith is resolved to go to Kerry's house next and ascertain what kind of investigation state police did there; maybe question some neighbors.

Hunger: You'll spend some more time here, you guys are not done yet.

Hunger: It will probably take up until afternoon.

Hunger: Your highest SIGINT could do well in decoding the footage.

Hunger: You got bodies and an unidentified black liquid.

Hunger: You should move.

IO Michael Sajdak: I ask the group if they have any fucking idea how we're meant to cover that stuff up.

SSA Mariam Helena Khoury: I'm gonna call Pitz... at the risk of getting my ass handed to me in insults for Asking a Question.

Hunger: Lets do one by one, who's doing what?

Hunger: Darius can place an action.

SSA Mariam Helena Khoury: I'll stay with Sajdak, I think we want to head back to the tent with the PhDs-- but not before I call Pitz in the relative privacy of this slaughter grounds.

SSA Keith Alan Pike: Keith suggests to Michael that the murder itself is the easiest part once they build a narrative from Kerry's house: That CCTV still is enough to make a headline or sway a jury. A break-in gone wrong. Troubled teens on a bad batch.

Asst. U.S. Attorney Antony Pitzerelli: "ALREADY!?"

Asst. U.S. Attorney Antony Pitzerelli: "WHAT HAPPENED?"

SSA Mariam Helena Khoury: "Yeah. Again, is this secure?"

Asst. U.S. Attorney Antony Pitzerelli: "It's as secure as Verizon gets, now bark already."

ASAC Darius Jeremiah Cruz: I'm going to meet up with the rest of the group and fill them in on what I've found.

SSA Mariam Helena Khoury: "These dickheads are talking about needing a signoff on a cremation order."

Asst. U.S. Attorney Antony Pitzerelli: "Whaa?"

Asst. U.S. Attorney Antony Pitzerelli: "I can't hear you I'm kinda driving right now."

SSA Mariam Helena Khoury: "Okay. I get it. Talk later."

Asst. U.S. Attorney Antony Pitzerelli: "DON'T HANG UP ON ME."

Asst. U.S. Attorney Antony Pitzerelli: "YOU SAID SOMETHING!"

SSA Mariam Helena Khoury: "They want CD-fuckin'-C to sign off on a cremation. Can we go around that some way?"

SSA Mariam Helena Khoury: "Besides GOING AROUND IT the way we know how."

Asst. U.S. Attorney Antony Pitzerelli: "I'LL CALL YOU BACK IN A FEW HOURS."

Asst. U.S. Attorney Antony Pitzerelli: He hangs up.

SSA Mariam Helena Khoury: Sweet.

SSA Mariam Helena Khoury: Did they say they also needed a signoff to burn the stew?

Hunger: No, that's just some fucking bullshit they found, not human remains.

Hunger: It can go ASAP if you don't want to see what it does to animals.

SSA Mariam Helena Khoury: Okay, I think we're taking that with us right out of here.

Hunger: Noted, no need to carry on with that.

Hunger: And the bodies?

SSA Keith Alan Pike: We need to account for the mummification? That's the issue with them?

Hunger: You need to make some kind of formal explanation in why they were contamination hazards.

SSA Mariam Helena Khoury: I think we'll tell them to hold off that and keep the students or anyone else from looking at them further, if Pitz got my message, he'll arrange something for that cremation order.

SSA Mariam Helena Khoury: And as for the narrative...

SSA Mariam Helena Khoury: Bubonic plague? I don't know. Maybe Darius can come up with something.

Hunger: Darius will need to actually see it before making that conclusion.

SSA Mariam Helena Khoury: oh yes. He has to check them!

ASAC Darius Jeremiah Cruz: I was just about to write that, but yeah. I'll go down and see the bodies for myself, before trying to get them cremated.

Hunger: We're going to complete the dig site today. If no one is scrutinizing the warehouse camera you may move on. As I said, your highest SIGINT might have a gander at it.

SSA Mariam Helena Khoury: Mike could get on the footage?

SDUSM George Elijah Jones: I have 0, master - so somebody else should check it.

IO Michael Sajdak: I'm 40

Hunger: Michael, move to the corkboards.

Hunger: Make a blind SIGINT roll.

Hunger: Is Mariam watching too?

IO Michael Sajdak: "I was trying to avoid seeing this shit..."

SSA Mariam Helena Khoury: I'm just standing around waiting for him, really. Sure, I'll watch passively.

Hunger: No need to roll SAN, you two are more attuned to feeling some kind of kinship with these people.

Hunger: However weird that may come off as.

SSA Mariam Helena Khoury: "Comes with the job."

Hunger: Keith, what are you doing there?

SSA Keith Alan Pike: Nothing important.

Hunger: You, George and Darius are at the rest area.

SDUSM Anderson Fowler: "So yeah, shit's messed up."

Hunger: Anderson has been chatting up Velasquez for a while it seems.

Hunger: That asshole told none of you.

Det. Sgt. Almudena Velasquez: She's fucking massive. She's like, as big as George.

Det. Sgt. Almudena Velasquez: Perhaps you have met your match?

SDUSM George Elijah Jones: A woman is no match for George regardless of the size.

Det. Sgt. Almudena Velasquez: "It's crazy because none of this shit makes sense, I just don't get it."

Hunger: The two notice you walking towards them.

SDUSM Anderson Fowler: "Yeah these are uhh, the other investigators."

SDUSM Anderson Fowler: "George. Keith. Darius."

Det. Sgt. Almudena Velasquez: "I've been looking for you, no one here is giving me a damn word about anything."

Det. Sgt. Almudena Velasquez: "Truth is I'm not even allowed to be here but here I am."

Det. Sgt. Almudena Velasquez: "So what does it look like... federales?"

SSA Keith Alan Pike: "A bad batch and a B&E, if I had to bet \$20 on it." Keith says, like he's seen this a dozen times before. "Someone wiggled out- they drove her here for some reason."

Hunger: Velasquez has a really long story to tell you.

Hunger: We don't have to recount the events of the 2001 investigation as it's already been detailed in the postsesh logs.

Hunger: You will need to succeed a Persuade roll to go over it without making any concessions.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 86 (Rolling Persuade Target: 30%)

SSA Keith Alan Pike: Talking isn't my strong suit.

SDUSM George Elijah Jones: I could go for it.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 45 (Rolling Persuade Target: 70%)

Det. Sgt. Almudena Velasquez: Velasquez requires promises of cooperation before volunteering anything but the official narrative on the 2001 case. She wants assurances that MSP remain in the loop on all investigative decisions. She wants sign-off on any press releases related to the case.

Hunger: Keith, for your initiative you may attempt an additional HUMINT roll.

SDUSM George Elijah Jones: Goddamn this bitch gets a whiff of an inch and she immediately barks for a mile.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 29 (Rolling HUMINT Target: 50%)

Hunger: There are two watermelons sitting on this sofa. County is much more willing to go the length to swipe this whole thing under the rug. Deputy Costa might be a cheaper source of information.

SSA Keith Alan Pike: That tracks.

SSA Keith Alan Pike: Is anyone opposed to agreeing to her terms? The DOJ wasn't planning to manage any press releases.

Hunger: Yet.

Hunger: There will be a press release Keith.

Hunger: There is no ending in which this wraps up without a press release.

SSA Keith Alan Pike: My plans are unaffected by agreeing to these terms.

SSA Mariam Helena Khoury: We can always just leave an anonymous envelope in the reporter's mailbox and call it a day before giving her anything to sign off on.

SSA Keith Alan Pike: Yes...

Hunger: That's a good contingency, but you're in politesse format as of now.

Hunger: What this means is that Velasquez will happily tail you until this shit ends.

Hunger: And that you consent.

SSA Mariam Helena Khoury: There's Six Of Us. We can run daycare for her in turns.

Hunger: Could be, she made significant headway in already checking out the apartment anyhow.

Hunger: Is this an agreement?

SSA Mariam Helena Khoury: I telepathically nod at Keith

Hunger: You more or less share the same interests in this, so Keith will have no trouble accepting it.

SSA Keith Alan Pike: Yes, let's proceed

Det. Sgt. Almudena Velasquez: "...To be honest, I never bought that bullshit..."

Hunger: You continue by talking about current events, and the carnage you've seen in that warehouse.

Det. Sgt. Almudena Velasquez: "I have the keys to her apartment and the security office of the complex."

Det. Sgt. Almudena Velasquez: "I'll meet you there this evening."

Det. Sgt. Almudena Velasquez: "That good?"

SSA Keith Alan Pike: "Sure thing."

Hunger: As you go over this, Darius will examine the bodies.

SSA Keith Alan Pike: Velasquez's thoughts seem to be in line with Keith's presentation - she's just drawing the wrong conclusions from the same data points. This is a Manson Murder situation where the ritual nature, random location and incidental murder weapons are precisely what points to narcotic maniac violence.

Hunger: We're wrapping this up soon- I need you to tell me if you want to do anything before moving onwards to afternoon.

SSA Keith Alan Pike: No further questions

Hunger: I believe I showed you all of the documents.

SSA Mariam Helena Khoury: I'm just thinking about the footage while looking at the 121 on the board.

Hunger: State police wrote that one before removing all the stuff on it.

Hunger: That's why the rest is empty.

Hunger: Who wrote it for what purpose... unknown.

SSA Mariam Helena Khoury: Yeah, I'm guessing these guys around us don't know it either.

SSA Mariam Helena Khoury: What of Cruz's findings?

Hunger: Who is going to be present at the autopsy other than Darius?

SSA Keith Alan Pike: Not Keith.

Hunger: Keith is already chatting it up with Velasquez next to the portapotties.

SDUSM George Elijah Jones: George is out of his depth regarding autopsies.

SSA Mariam Helena Khoury: I'll go, in case he needs to get dragged out for a coffee afterwards.

Hunger: Mariam will bear witness. Move to the prefab tent.

Hunger: The process needs no further description in its awfulness. Darius, roll SAN.

Hunger: The table, blind.

Hunger: Mariam, you're not contributing to the procedure itself.

ASAC Darius Jeremiah Cruz: What the fuck..?

Hunger: You think you had enough dead bodies for today Darius.

Hunger: Mariam.

Hunger: Roll ALERTNESS.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 32 (Rolling Alertness Target: 70%)

Owen Becker: You see him walk straight from the lab out through the main exit.

SSA Mariam Helena Khoury: I'm calmly catching up to him.

Hunger: Where did he go?

SSA Mariam Helena Khoury: Where'd he go...

ASAC Darius Jeremiah Cruz: I'm tagging along..

Hunger: You're not tagging along Darius.

Hunger: Mariam... Let's see.

Hunger: It's just you, yourself and the stretch of woodland in front of you.

Hunger: The feds are not here.

Hunger: Roll Navigate.

SSA Mariam Helena Khoury: Here goes nothing.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 50 (Rolling Navigate Target: 10%)

Hunger: The kid practically spirited away. You were too slow.

SSA Mariam Helena Khoury: I got a good look at his face, did I?

Hunger: You know his name even. His crime? Exiting a pre-fab tent.

Hunger: That's a death penalty.

SSA Mariam Helena Khoury: And he will be prosecuted to the full extent of the law.

Hunger: Not today.

Hunger: 1600R

Hunger: Everyone got what they possibly could. Make way to the parking lot.

SSA Mariam Helena Khoury: "So, is that the American version of King Tut's lair or what?"

Hunger: She's losing it...

SDUSM George Elijah Jones: "You mean tomb?"

Hunger: In any case, the elephants in the room are the prison next door and Kerry's apartment break-in.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods solemnly.

Hunger: It's time for a hotwash before you leave.

SSA Mariam Helena Khoury: There anyone around us?

Hunger: Just you.

SSA Mariam Helena Khoury: I don't want to find that reporter under Jones' truck.

Deputy Michael Costa: Actually, there is someone.

Deputy Michael Costa: "Heyyy, there you are!"

Deputy Michael Costa: "I've been lookin' all over for you people. How convenient is that you're all in one place."

Hunger: EVERYONE. ROLL ALERTNESS.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 21 (Rolling Alertness Target: 70%)

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Failure -> 69 (Rolling Alertness Target: 50%)

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 96 (Rolling Alertness Target: 50%)

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls CRITICAL FAILURE! -> 66 (Rolling Alertness Target: 50%)

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 75 (Rolling Alertness Target: 50%)

Deputy Michael Costa: He turns to shake your hand, George.

Deputy Michael Costa: As he does....

Hunger: Mariam, you notice the distant buzz of a very big mosquito. One with four rotors. In the sky, pointed straight at you.

SSA Mariam Helena Khoury: News?

Hunger: It takes a few more moments to get a nice look at your face before disengaging.

SSA Mariam Helena Khoury: Yeah. Nice.

Hunger: God's Teeth - Red Thoughts - Session 1 END.

Hunger: Thank you for playing!

God's Teeth - Red Thoughts - Session 2

April 18, 2026

Hunger: Delta Green - God's Teeth - Red Thoughts

Hunger: FRI 25 1600R AUG 16

Hunger: Zion Correctional Facility Warehouse, MD

Hunger: Afternoon sun is scorching your foreheads. Complete silence interrupted by the humming of ground penetrating radars, barks and the occasional screams.

Hunger: The bodies are going to be picked up in an hour. Sajdak is on the phone with someone.

Hunger: The black jelly on the other hand is already gone.

Hunger: Birds are chirping as usual. Nature is utterly indifferent to the evil of this place.

Deputy Michael Costa: "So."

Deputy Michael Costa: He holds up a few papers held together by a paperclip. It's the court order to dispose of the certain human remnants.

Deputy Michael Costa: "Who do I get to speak with regarding this?"

Hunger: The drone on the sky disappears from sight completely. You don't know where it landed.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury looks back at Costa. "Just go ahead and tell us what you need to know."

Hunger: Contesting CHA roll.

Hunger: Throw it.

Hunger: Use the table, blind.

Deputy Michael Costa: "Right. Two hours ago the sherriff called me and told me that he got faxed a warrant to destroy eleven human remains that had not been examined by the county examiner yet."

Deputy Michael Costa: "So, let me cut to the chase, what the fuck are you doing?"

SSA Mariam Helena Khoury: "Is that bundle of papers you're carrying all blank?"

Deputy Michael Costa: "Classy."In fact they are not.

SSA Mariam Helena Khoury: "Rest assured that the corpses have been examined. As you can see by the 'CDC' signage all over the disposal order, they comprise a biological threat vector."

Deputy Michael Costa: "This is bullshit. Never done before. Nuh uh."

Deputy Michael Costa: "The county medical examiner is going to be here in an hour."

SSA Mariam Helena Khoury: "They've never found fifty-six children's bodies and counting in a correctional facility's backyard either. It's an exceptional situation all around."

SSA Mariam Helena Khoury: "Let's just cut to the chase and tell me how exactly we can assist you, and how you may assist us in bringing this investigation to a close."

Deputy Michael Costa: "I know you know that everyones asses are red hot from the heat of this whole shit. Yours too."

Deputy Michael Costa: "What's going to happen is that the county coroner will examine the bodies you are about to ship away independently."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury crosses her arms and watches.

Hunger: Mariam, roll HUMINT. Blind.

Deputy Michael Costa: He's staring at you like he's watching a bomb being defused. You heard his voice crack before he said "independently."

SSA Mariam Helena Khoury: "Let's make a few things clear. We're giving you a hand out getting this fuck-up out of the county's hair. We're not here to swing dicks-- I think you can tell that much from seeing us here."

SSA Mariam Helena Khoury: "It'd be in your best interests to get creative about the way we might proceed about the investigation. The more you slow us down, the higher the chance the county doesn't come out on top."

Hunger: Roll PERSUADE Blind

Deputy Michael Costa: He crosses his arms and smacks his lips.

Deputy Michael Costa: "Oh yeah?"

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods.

Deputy Michael Costa: "I guess this is as far as asking nicely gets me. Don't bother calling the sherriff's office, or the county coroner. They won't be picking up."

Deputy Michael Costa: "If you excuse me I got a few calls to make."

Deputy Michael Costa: He's leaving, red in the face.

SSA Mariam Helena Khoury: "Anyone wanna catch up to him and have a word?"

Deputy Michael Costa: You have 30 seconds to interrupt him.

SDUSM George Elijah Jones: "Man, fuck it, let me get to him."

SSA Mariam Helena Khoury: "Yup."

Deputy Michael Costa: Shoot your shot.

SDUSM George Elijah Jones: "I'm going to play good cop," George says as he runs up to Costa.

Deputy Michael Costa: "So far you've been playing the asshole cop."

Deputy Michael Costa: "Are you just gonna stand at parade rest all day?"

SDUSM George Elijah Jones: "Man, listen, I know we're swinging federal dick in here, but a whole lotta hands are in this pie. My female associate there is feeling extra 'empowered' by the fact that this case came up from top, so on my behalf, apologies," George says with a hand on his chest in a hushed tone.

Hunger: An awkward silence ensues. You won't be able to try persuade on him for a second time.

SDUSM George Elijah Jones: "Now, I know you want Cecil county to come out on top - that's understandable, and we're not in the business of scapegoating out here - but well, I assume you've seen the shit in the digsite."

Deputy Michael Costa: "I know about the jelly and the children that didn't rot."

Deputy Michael Costa: "I saw them."

SDUSM George Elijah Jones: "Yeah, that's fucked. And someone, somewhere along the way, screwed the pooch and overlooked a whole lot of dead children."

Deputy Michael Costa: "Alright, let me just get you up to scoop here okay? I don't know how those fucking sickos did that fucked up shit to the orphans, but we're not on the same team here."

SDUSM George Elijah Jones: George clenches his fist in irritation at this fucko, but is keeping a friendly face.

Deputy Michael Costa: "We might get justice for those kids but for sure it won't be on the countys behalf."

Deputy Michael Costa: "Anything else?"

SDUSM George Elijah Jones: "The CDC order stands, I can't negotiate regarding that, but I don't want to leave you out to hang and dry."

Hunger: George, roll LAW.

Hunger: Law at a +20% due to you being a SDUSM and knowing very well how the chain of custody law works regarding evidence

Hunger: Try again.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 14 (Rolling Law Target: 50% (30%+20%))

Hunger: At this point all you can do is flip the threat of interfering in a federal warrant from county level.

Hunger: Costa's argument was shitty from the start, but he's being exceedingly stubborn about it. You already called his bluff.

SDUSM George Elijah Jones: Can I discern if his motivation is like a moral imperative or is he just covering him and his at Cecil sheriff?

SDUSM George Elijah Jones: By his tone, I mean

Hunger: HUMINT Blind.

Hunger: You have a gut feeling that he's trying to say your interference is driving this case to a dead end.

SDUSM George Elijah Jones: "I know that shit pisses you off but the CDC shit is a foregone conclusion - and calling the rest of Cecil Sheriff's department to stonewall us is just cutting the nose to spite the face, y'know what I'm sayin'?"

SDUSM George Elijah Jones: "However - I don't think it's in the best interests of this investigation to just say 'fuck it' and disregard each other's input."

SDUSM George Elijah Jones: "If we come across anything of interest - and vica versa - I'm thinking we can give each other a ring and check it out in a more collaborative capacity."

SDUSM George Elijah Jones: "It'd leave a bad taste in my mouth interfering with local law enforcement's duties, despite how big this shit is."

Deputy Michael Costa: "Alright mister. That's enough me being threatened under the table today. If you drop by just don't come by my office, or the Sherriff's. You're on your own with the coroner."

Deputy Michael Costa: He's leaving for real now.

SDUSM George Elijah Jones: Can't win with hick county sheriffs.

SDUSM George Elijah Jones: George kicks a rock as he heads back to the group with his hands in his pockets.

SSA Mariam Helena Khoury: "Good?"

Hunger: He's too small to have a proper fight with, like trying to box in a ring with a midget. But what is that??? EVERYONE ROLL BLIND D6 NOW

SDUSM George Elijah Jones: "No bueno."

SDUSM George Elijah Jones: "He wasn't going to acquiesce even if I tapped him in. He's pissed off at our existence, period."

SSA Mariam Helena Khoury: "Fuck him. Coroner's not getting anywhere near those bodies."

SSA Mariam Helena Khoury: "I'd better give Pitz a heads-up before they get here."

SDUSM George Elijah Jones: "Yeah, well, Velasquez seems like she don't give a damn about the county pissing contest, so I'm thinking me and Keith follow that up later on today."

Hunger: Anderson...

Hunger: You're sitting in your car.

Hunger: You're just slacking off and browsing your phone.

Hunger: You haven't done a lot besides meet Velasquez since you came here anyway. You're starting to think they called you in for nothing.

Hunger: Suddenly...

Big brown bat: A bat comes from underneath your car seat.

SDUSM Anderson Fowler: "The fuck..?"

SDUSM Anderson Fowler: Anderson jumps out of his seat, trying to get out.

Big brown bat: It crawls along the floor for a while between your legs. It's snout froths blood, blind eyes rolling back to it's skull, whole body rippling in uncontrollable spasms.

Big brown bat: You startle it. A wild seizure sends it hurling straight at you.

Big brown bat: Roll DODGE.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 26 (Rolling Dodge Target: 40%)

SDUSM Anderson Fowler: "Motherf-"

Big brown bat: The driver's seat is extra confined. You tumble around and thrash, sending a milkshake cup flying against the windshield and ripping off a connector cable from something.

Big brown bat: The panicked animal tries to claw at you but only gets its tiny claws and teeth stuck on your jacket. Eventually, it convulses so hard that...

Big brown bat: It snaps it's spine and bones in half and literally explodes into itself.

Big brown bat: Condition Changes Departed

SDUSM Anderson Fowler: "FUCK!"

Big brown bat: You're splashed with blood. It gets into your eyes.

Hunger: The thing remains dead in an unrecognizable ball of fur and flesh on your car floor.

Hunger: CONx5 TEST.

SDUSM Anderson Fowler: Anderson reaches for the door handle, practically throwing himself out of the car.

SDUSM Anderson Fowler: "My eyes!"

Hunger: ...

Hunger: You're on the gravel, tumbling around.

SSA Mariam Helena Khoury: Jogging over to help him out.

Hunger: It got into your eyes good.

SSA Mariam Helena Khoury: "The fuck happened?"

Hunger: No one but Mariam noticed this.

Hunger: Mariam calls the others over.

SDUSM George Elijah Jones: George comes over to pick him up to his feet.

SDUSM Anderson Fowler: Anderson grunts, violently rubbing his eyes with the collar of his jacket.

SSA Keith Alan Pike: Is nobody bringing him a bottle of water?

SDUSM Anderson Fowler: "A bat. It was a bat."

Hunger: More or less everyone here can pass this FIRST AID check- rabies can spread with contact through eyes.

Hunger: The thing, folded unto itself with bones sticking out of its body, is there for you to examine. If you want to touch it.

Hunger: The car needs a good detailing.

SDUSM George Elijah Jones: Can I give a cursory glance at the bat to see if it has rapetumors like the kidz?

SSA Mariam Helena Khoury: "Jesus. You're gonna have to get that checked out." We've handed him a bottle of H2O by now.

Hunger: Not this one. It's completely mushed itself.

Hunger: You don't know how that was even possible.

SDUSM Anderson Fowler: "I need to get to a hospital..."

SSA Mariam Helena Khoury: "Can you drive?"

SDUSM Anderson Fowler: Fowler tries opening his eyes.

SDUSM George Elijah Jones: Yeah, well, we gotta get Anderson a rabies shot before he starts foaming at the mouth.

ASAC Darius Jeremiah Cruz: "If you can't drive, I can take you there."

SDUSM Anderson Fowler: "Yeah."

Hunger: He washes the shit off his eyes.

Hunger: You can see fine.

Hunger: Your heart rate disagrees.

Hunger: What just happened?

Hunger: Roll SAN.

SDUSM Anderson Fowler: "How the fuck did it..."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury looks up at the sky for a few moments.

Hunger: You may proceed.

SSA Mariam Helena Khoury: "Cruz, give him a hand. Shoot me a call when you get there."

SSA Mariam Helena Khoury: "Head to the archives once you're done. If Anderson can't go on, I'll be there with you."

Hunger: Cruz, any hospital in the USA can treat rabies exposure, it's an emergency situation and shots are handed out regardless of how the test responds.

Hunger: The nearest hospital is...

Hunger: 80 minutes to Baltimore.

SSA Mariam Helena Khoury: That's gonna take all day to get there and back to the archives. Damn.

Hunger: Beats dyin'.

SDUSM Anderson Fowler: "Let's go."

ASAC Darius Jeremiah Cruz: "Yeah, lets."

SSA Mariam Helena Khoury: "City's too far. Alright-- I'll head to the archives. You guys get this done and check the DHS for any records on the kids."

Hunger: Anderson and Cruz will take 2 hours, hospital time included, to be able to act again. You'll start at Baltimore.

Hunger: We have an elephant in the room, you did not see the prison itself yet. If you wish to do so of course.

Hunger: Otherwise, we're taking to overmap.

Hunger: This is your last chance to revisit anything at the dig site. Proceeding in 60 secs.

Hunger: You can also wait to see what happens with the CDC trucks being blocked by the county-- though that's so obviously a fucking bluff.

SDUSM George Elijah Jones: He won't blow. He got the seizure orders for the fashion.

SSA Mariam Helena Khoury: I think CDC can handle themselves on this one. I'll head to the archives, Jones and Pike can check Kerry's place out with Velasquez.

SSA Mariam Helena Khoury: And the correctional facility, not interested for now.

Hunger: I need to set the tokens.

SSA Mariam Helena Khoury: I'll take a min to phone Pitzerelli about the way the county's rolling on this, just to get him up to speed.

Hunger: Michael headed to somewhere without explaining you to Baltimore. Cruz and Anderson are also there.

Hunger: My bad, you're going to Annapolis for the archives.

Hunger: The other two are going to White Hall, 60 mins from here.

Hunger: Go ahead and phone Pitzerelli.

SSA Mariam Helena Khoury: Ringing...

Asst. U.S. Attorney Antony Pitzerelli: "Yeah?"

SSA Mariam Helena Khoury: "We met a Deputy Costa with County PD. He was pissed off at the CDC order on the bodies. Just letting you know."

SSA Mariam Helena Khoury: "Might turn into a US v. Cecil County situation. We'll try to smooth it out later."

Hunger: Mariam and the hospital duo will be able to act roughly at the same time at 1800. House crime scene is 1700, Velasquez is on site, we're doing that first.

Asst. U.S. Attorney Antony Pitzerelli: "It's not turning into shit versus fart as long as you're concerned. If you know what I mean."

Asst. U.S. Attorney Antony Pitzerelli: He hangs up.

SSA Mariam Helena Khoury: Sweet.

Hunger: A mandate is not good news- another point of failure given that this time you might have to kill someone who knows how to use a gun.

Hunger: You (as a party) will probably have to smooth this out sooner or later.

Hunger: 1700R. White Hall, Baltimore County.

Hunger: You pull up to the apartment complex and Velasquez is already waiting for you there.

SSA Keith Alan Pike: Did we have her apartment number written down? I'm just curious which floor this happened on.

Hunger: 5th floor, 12121.

SSA Keith Alan Pike: Alright.

Det. Sgt. Almudena Velasquez: "Long time no see huh."

Det. Sgt. Almudena Velasquez: "Let's go in?"

SSA Keith Alan Pike: "Ladies first." Keith says without an ounce of actual deference or humor.

Det. Sgt. Almudena Velasquez: She gives you an annoyed smirk. She's twice your size.

Det. Sgt. Almudena Velasquez: You're led to "Building 12".

Hunger: You're standing at the hallway. Apartment 12121 is taped off.

SDUSM George Elijah Jones: She was with Baltimore PD, right?

Det. Sgt. Almudena Velasquez: Maryland State Police.

Det. Sgt. Almudena Velasquez: BPD has nothing to do with this.

SDUSM George Elijah Jones: State PD. Nice.

SSA Keith Alan Pike: Are there cameras out here?

Det. Sgt. Almudena Velasquez: Yes.

Det. Sgt. Almudena Velasquez: High end ones.

SSA Keith Alan Pike: "You already looked at the footage on these, didn't you? How'd they get in?" He points at the cameras.

Det. Sgt. Almudena Velasquez: "It's just..."

Det. Sgt. Almudena Velasquez: "It's so... Look, why don't we just go and watch it? You'll think I'm retarded if I describe you that video."

SSA Keith Alan Pike: Keith just nods.

Hunger: She leads you to the security office.

Det. Sgt. Almudena Velasquez: She enters credentials written in her notebook and opens up the computer.

Det. Sgt. Almudena Velasquez: "You're not gonna believe this shit..."

Det. Sgt. Almudena Velasquez: Begin watching?

SSA Keith Alan Pike: Little does she know, we probably will.

SSA Keith Alan Pike: What happens?

Det. Sgt. Almudena Velasquez: "It's all right there. Can you believe it?"

SSA Keith Alan Pike: "What about the previous days? This could've just been pattern-of-life. The timing is weird."

Det. Sgt. Almudena Velasquez: "I could barely finish watching this one before I got my ass thrown out."

Det. Sgt. Almudena Velasquez: The security camera footage is digitized and top of the line for a residential apartment complex. Unlike at the storage unit, the images have sharp resolution and

cover multiple angles. The assailants are clearly and abundantly visible for a visual identification match, but this would require real analysis. Additionally, a text document provides a link and password to an off-site server containing recordings from all PPMR-managed properties, in case detectives needed to look at multiple dates to pull footage. The permanent cache created by Velasquez holds two days worth of footage, 18–19 AUG 2016.

SSA Keith Alan Pike: "Did that trashbag make it into the car?"

Det. Sgt. Almudena Velasquez: Keith, any questions you have about this, you'll probably have to sit down and watch together with Velasquez. She gives you a confused shrug.

SSA Keith Alan Pike: We're going to circle back later; it isn't important right this second.

Hunger: Keith, right off the bat, your Milsci (Land) check tells you that this is an intensely weird way to commit a murder.

SSA Keith Alan Pike: More obnoxiously, it throws my cover theory out of a 5th-floor window.

Hunger: The assailants seem to simultaneously approach from multiple angles with zero communications equipment.

Hunger: That much you can make out for now.

Hunger: George is also watching this.

SSA Keith Alan Pike: I will stop seeking rational explanations for irrational outcomes for the time being. Let's see the apartment.

Hunger: Very well.

Det. Sgt. Almudena Velasquez: "You know what. I'm gonna go down to my car and get my mask for this."

Det. Sgt. Almudena Velasquez: She chucks you the apartment keys and quick steps it outta there before you can react.

SSA Keith Alan Pike: Keith shrugs. "Ready?"

SDUSM George Elijah Jones: "Hold your nose closed, brotha'."

SDUSM George Elijah Jones: "Let's go."

SSA Keith Alan Pike: Let's hit it.

Hunger: You enter the room.

Hunger: Houghton's apartment tells a clear story of a lifelong bachelorette with a serious hoarding problem that you're already aware of. It's unclear from the poverty on display how much longer she could afford to stay in the relatively new apartment complex. Had her corporate landlords not neglected inspections, she would have been kicked out long ago, regardless of the rent.

SDUSM George Elijah Jones: "Damn. I think I've seen this on Hoarders."

Hunger: The place reeks. Plates of rotten food can be found everywhere, not just moldering where they were left in the kitchen sink and bathtub. The sheer variety of places for food to be stashed and forgotten seems to imply senility and dementia not usually found in someone of Houghton's age.

Hunger: A carpeted path has been dug through the trash from the living room and down the hallway to the bathroom and bedroom. This narrow path is the only thing kept clear of the waist-high stacked paperbacks that dominate the rest of the hall's floorspace. In the path sits a bottle of carpet cleaner specialized for pets and a roll of paper towels. A large stain on the carpet is fresher than the others. It appears the cat threw up late at night, causing a mess that even Kerry couldn't ignore.

Hunger: BOTH OF YOU THROW CONx5 PUBLIC

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 57 (Rolling CON Target: 70%)

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 20 (Rolling CON Target: 55%)

Hunger: You hold it back in, despite literal sewage smelling like a perfume compared to this.

Hunger: No need for a roll for the following:

Hunger: The apartment also smells of a more urgent rot, and the culprit can be found above trash that blocks the sliding glass doors to the balcony. A dead British shorthair cat hangs from the blinds. It appears the cat got the cord to the venetian blinds wrapped around its neck and accidentally hanged itself while jumping from one pile of detritus to the next. The cat does not look freshly dead.

SSA Keith Alan Pike: So where's the one who puked?

Hunger: ...

Hunger: Roll Search.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 42 (Rolling Search Target: 80%)

Hunger: You search the bedroom to see if it's there. The windows of the bedroom are blacked out by piles of clothes, stacked shopping bags, and various thrift-store bric-a-brac. A thin sliver of the queen-size bed has been left empty for sleeping. Otherwise, the only other places in the apartment that aren't buried in crap are rat trails between the TV, couch, and a glass-fronted cupboard that is stuffed full of porcelain Precious Moments figurines from the Norman Rockwell collection.

Hunger: No cat.

Hunger: Houghton has a twenty-year-old computer unplugged on a desk and half-buried under detritus. She has not used it for years, but it still works. You can turn it on, but it's password protected.

SSA Keith Alan Pike: It turns on? Maybe the password is written down somewhere on the desk. Keith asks George to look for notebooks, diaries etc. while he messes with it.

Hunger: It turns on. Windows XP log-in screen greets you. Been a while since you last saw that. No password anywhere around here, but it doesn't hurt to try the first thing that comes to mind.

SDUSM George Elijah Jones: 121

Hunger: You do that George?

SDUSM George Elijah Jones: Might as well. Did Windows XP have password lockout?

Hunger: George walks over to the computer knocking over towers of books. Click, clack, click. 121. You enter the password and press Enter. The desktop reveals itself, almost as if it was waiting for you. How did you just do that? Roll SAN.

Hunger: It still has email chains from long-dead accounts that show her side of the catastrophic revelations at Cornucopia House. Houghton was overworked and demoralized before the news of the Cornucopia House children came out in 2001. She had been deteriorating for months, but she

clearly was as horrified and bewildered as anyone at what authorities found there. She reiterates over and over that she never saw anything bad, let alone children in conditions as awful as the police say. She reminds her supervisors that her predecessor, Gertrude Deropf, likewise found nothing to worry about over years of visits. None of that helped. By 2001, Deropf had already been in long-term care for years due to early-onset dementia. Houghton's communications grow more and more desperate and strident. They stop entirely when she is first suspended and then fired from her job.

SDUSM George Elijah Jones: "Man, I don't even know," George shrugs as he lets Keith fuck around in MS paint or something.

SSA Keith Alan Pike: "I think we both know. I just can't figure out how we're going to explain this to anyone outside of... This thing."

SDUSM George Elijah Jones: "You think they tried the computer?"

SDUSM George Elijah Jones: "Might as well remove the password protect to cover our tracks."

Hunger: Either of you, Computer Science.

SSA Keith Alan Pike: George? Keith has 0.

SDUSM George Elijah Jones: George knows that they're breaking the firewall and they fuckin us right in our pussies if they do that. Kidding - he knows zilch about computers.

SSA Keith Alan Pike: "No. We're digging through old shit because we still think there's going to be a reasonable, explicable answer somewhere in here." He stands and away from the computer. "We're probably thirty seconds from finding out she only had one cat."

Hunger: The computer stares back at you. You can continue searching the apartment.

SDUSM George Elijah Jones: "Well, turn down the logic and turn up the intuition, then. I don't think we can do it any other way."

Hunger: You continue to do so for the lack of objections.

Hunger: Going well in and out the stinkditch apartment eliminates possibilities for who could have closed the door when the killers departed. There's no room in the cluttered apartment for another person. There's no way for someone to secretly enter or exit without being seen scaling

the exterior of the building. The only thing that could have closed the door behind the killers was the victim's cat.

Hunger: The cat has been dead for a little under a week. It may have even died the night Houghton was abducted. There is no sign of dehydration or malnutrition.

Hunger: Roll a blind d2, both of you.

SDUSM George Elijah Jones: "You think it closed the door and hit the California collar and that's all folks?"

SDUSM George Elijah Jones: "Just closing the door and jumping into blinds to hang itself."

SSA Keith Alan Pike: Keith was operating under the assumption that the police closed it when they taped this off as a crime scene.

Hunger: The evidence suggests that the cat threw up right as the assailants closed in on the apartment from three separate directions in perfect union. As Kerry Houghton took the trash out, the assailants dragged her away. One entered, somehow found the keys amongst the mess, and left again within seconds. The cat closed the door behind her, thus delaying discovery of foul play. Then the animal appears to have hanged itself. Bad luck that this happened right as a trio of killers waited for her outside the front door.

Hunger: Or was it? Could that cat have been trained to puke at a certain time? Could the cat have been in on it? Then the killers took a car they couldn't have known about to a location they couldn't have known was unoccupied, and killed a woman with weapons they had no way of predicting would be there. It's an impossible crime, reliant on coincidences beyond belief that, nonetheless, remain the only explanation.

SDUSM George Elijah Jones: We watched the footage. Phantasmal force hit the door closed.

Hunger: There's something else. You feel a weird kinship with the dead cat. It did not die by accident. It followed a path laid down for it. It served well. But what did it serve? You don't know how you know this, you just know.

SDUSM George Elijah Jones: Or the cat.

Hunger: Roll SAN.

SSA Keith Alan Pike: Keith just grimaces. "It's all just shit compounding on shit. How are we supposed to sell this?"

SDUSM George Elijah Jones: "We don't sell this we sell a new product we made up on the spot, Keith."

SSA Keith Alan Pike: "Fuck."

Hunger: Parsed.

Hunger: George, you really feel like this is above and beyond your pay grade.

Hunger: It's not looking good.

Hunger: Same as you, Keith, but you've already grown familiar to being puzzled haven't you?

SSA Keith Alan Pike: Keith has the 'how', and only half the 'why', but that's close enough.

SDUSM George Elijah Jones: George thinks we jumped up to the CIA Black Ops paygrade the moment we hit the foster home, but with none of the pay.

Det. Sgt. Almudena Velasquez: "Mmmf. Hey guys." She lumbers in wearing a firefighters mask.

Hunger: As soon as she steps in...

Hunger: You find your mouth watering. The place smells of prey gone to ground, ready to be devoured, but some other predator already claimed it. Some alien emotion takes hold that expresses itself in the human brain as disappointment or frustration, a soul-deep need to feed on something that is not flesh or anything physical.

Det. Sgt. Almudena Velasquez: "You guys scared?"

Det. Sgt. Almudena Velasquez: "Why the long face?"

SDUSM George Elijah Jones: "I gotta take a breather," George wants to step out for a moment before this becomes Godzilla vs King Kong for no particular reason.

Det. Sgt. Almudena Velasquez: She knocks over trash as she tries to make way.

SSA Keith Alan Pike: "Cat's dead, too." Keith mutters before trying to make his way out.

Hunger: All things given, the CCTV is your best bet in finding a new lead.

Hunger: You can forward a copy to Pitzerelli within the hour.

Hunger: For the facial recognition stuff- none of you are capable of this.

SSA Keith Alan Pike: That's good. But I'm not done here.

SSA Keith Alan Pike: Keith asks Velasquez if she's questioned anyone - this is an apartment building. Someone heard something.

Det. Sgt. Almudena Velasquez: "Not one god damn eyewitness."

Det. Sgt. Almudena Velasquez: "No one heard anything."

SSA Keith Alan Pike: Did she talk to the residents immediately across the hall?

Det. Sgt. Almudena Velasquez: "And this is not the projects either. Neighbours say they genuinely have not heard a whisper of it."

Det. Sgt. Almudena Velasquez: "I walked around the block, knocked on some doors."

Det. Sgt. Almudena Velasquez: "Nothing."

SSA Keith Alan Pike: Keith nods. He's going to knock there.

Hunger: Knocking at the neighbours?

SSA Keith Alan Pike: Yes, the door that the female killer was standing outside of and for some reason observing.

A Woman: A fat and pregnant Hispanic woman answers the door.

A Woman: "Si?"

SSA Keith Alan Pike: "...Ingles?"

A Woman: "Ohhh no ingles."

A Woman: A baby is crying inside.

SSA Keith Alan Pike: "Momento." He says it with complete dryness and deliberate Americanization of the syllables.

Det. Sgt. Almudena Velasquez: "I already talked to her."

Det. Sgt. Almudena Velasquez: They exchange a few words in Spanish.

Det. Sgt. Almudena Velasquez: "Not a darn thing."

SSA Keith Alan Pike: "Let me guess: They weren't even awake."

A Woman: "Noooo I awake."

Det. Sgt. Almudena Velasquez: "They were."

Hunger: Keith, roll ALERTNESS.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 34 (Rolling Alertness Target: 50%)

Hunger: The TV inside, although you can't see it, must be playing some sort of animal documentary. A leopard is roaring and tearing apart a rare kind of hare.

Hunger: ...

Hunger: How do you know which animal is that?

SSA Keith Alan Pike: I think we're all getting into predator identification, these days.

SSA Keith Alan Pike: If this conversation isn't going anywhere, Keith is going to go make sure the Pitz is appraised of the footage.

Hunger: The focus changes. It's now a black widow cocooning a small gecko, bigger than it's size.

Hunger: It doesn't even make a noise as it does but you know it, despite being unable to see it.

Hunger: Roll SAN.

SSA Keith Alan Pike: "You're letting your kids watch that shit?"

A Woman: "No ingleees..."

SSA Keith Alan Pike: He shakes his head and starts getting far enough away to call this in.

Hunger: Call in with who?

SSA Keith Alan Pike: Pitzarelli needs the footage, doesn't he?

Hunger: You don't really have any other options besides seeing what your case officer can do with the facial recognition stuff. However- you can sit down and watch it over and over again.

Hunger: You can rewind a weeks worth of footage.

Hunger: Either 6 or 12 hours of work, call it.

SSA Keith Alan Pike: George can do whatever he needs to do. If Keith can download and send off everything needed for facial recognition, there's no use looking for clues that don't exist.

Hunger: You're fairly sure you did not have a good enough look at this (Milsco)

SSA Keith Alan Pike: I'll take twelve. Maybe I can find some foundational something to build a cover story on.

Hunger: George?

Hunger: You have appropriate Forensics to make heads and tails of it, if you work together with Keith.

SDUSM George Elijah Jones: Might as well combine our powers.

Hunger: Of course, because neither of you can actually do this on your own.

Hunger: You'll be spending the night here and can act in...

Hunger: Roll a d4, both.

SSA Keith A. Pike: 3

SDUSM George E. Jones: 3

Hunger: You'll be able to act freely at 8 AM next morning.

Hunger: Everything included.

Hunger: Velasquez has gotta jump, she's too busy for this crap. She told you to call her as soon as possible.

Hunger: There's a coffeemaker here, and you'll order takeout. You let the security provider know that this room is rented for the night and they really have no reason to disagree with you.

Hunger: 1800R. Maryland State Archives, Annapolis, MD.

Hunger: You pull up to the parking lot, Mariam.

Hunger: What now?

SSA Mariam Helena Khoury: I'm heading in with the court order in my hands of course.

Hunger: You go inside and immediately see the front desk clerk.

A Woman: "Hi, ma'am?"

SSA Mariam Helena Khoury: "Evening. I'm with the DOJ, here with a warrant. I'll spare your ear, give it a read."

SSA Mariam Helena Khoury: This is probably some teenager, she'll call a manager.

A Woman: "Sure." A warrant to search the archives is quite common. She takes it and reads it, it's not like you're invading her house.

A Woman: "..."

A Woman: "Can I see your identification and badge number?"

A Woman: This is a Caucasian woman in her 30s.

SSA Mariam Helena Khoury: I want to ask my own common sense a question. Would I be logged as having come here if I were to hand in my FBI credentials? Just gauging the options-- I'm not sure how willing to look my fake credentials up she is, and that'd raise a bigger stink.

Hunger: Your own common sense can answer it then.

Hunger: If you want a straight answer you need to go with Law Public or Bureucracy Public

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 90 (Rolling Law Target: 50%)

Hunger: You're down to your common sense.

SSA Mariam Helena Khoury: I'm going to go with my gut and show her my FBI credentials.

A Woman: Good call.

A Woman: A Woman rolls Success -> 42 (Rolling Bureaucracy Target: 80%)

A Woman: She offers you no further resistance as the warrant was issued by the FBI, although from a different office. It presents no issue.

A Woman: You made a good choice coming here alone with your legit credentials as it may have otherwise raised serious credibility questions about a multi-agency execution of one search warrant but nonetheless you are logged on your way in.

SSA Mariam Helena Khoury: It's all priced in.

Hunger: She leads you to the bookshelf where she -assumes- the stuff is held.

Hunger: You are feeling a kind of strange feeling, like it's all coming back down on you.

SSA Mariam Helena Khoury: I've been known to spend a lot of time with my own thoughts. It's not like it wasn't a traumatic event for everyone involved.

Hunger: Actually you've been known to be a bossy anal bitch around everyone but let's not digress- your thoughts are yours.

SSA Mariam Helena Khoury: Same thing. I suppose there are both public records, which are easily accessible, and the more private records the warrant mentions?

Hunger: Roll Search or Bureucracy or Computer Science.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 76 (Rolling Search Target: 70%)

Hunger: This will take you at least 4 hours.

SSA Mariam Helena Khoury: I'll be thorough.

SSA Mariam Helena Khoury: What time does this place close up, anyway?

Hunger: It doesn't, for you.

Hunger: There's a security guard around but you have unfettered access to the state archives as a LE employee executing a warrant.

Hunger: Let's see what you found... You'll be able to act at 10PM.

SSA Mariam Helena Khoury: Give me a couple minutes to read through...

Hunger: Any questions?

SSA Mariam Helena Khoury: Is this everything, including the sublevel and "any records stored outside or excluded from the Archives' public or internal catalog systems", as per the warrant?

Hunger: Roll INT, Blind.

Hunger: This is absolutely not it. There's more.

Hunger: It's not here.

Hunger: You don't have to retry rolling Search, you've exhausted the state archives.

Hunger: However, if it's not here, where can it be?

SSA Mariam Helena Khoury: No mention of an Elle Gable anywhere, right?

Hunger: What you see is what you get.

SSA Mariam Helena Khoury: Shit, I could only guess Kerry's stockpile. But considering she was fired shortly after the event...

SSA Mariam Helena Khoury: Probably jack shit.

Hunger: You have a social worker background. Let's see...

Hunger: Roll Psychology Blind.

Hunger: If there are sealed records there's not a way that there hasn't been correspondence with the Maryland DHS in Baltimore.

SSA Mariam Helena Khoury: Cruz and Anderson should be on that. Depending on how long it's taken me to draw that conclusion, I could remind them once again to check on the DHS.

SSA Mariam Helena Khoury: Though we have no warrant.

Hunger: You can remind them.

Hunger: Over the phone, right now. They are about to act.

SSA Mariam Helena Khoury: Let me ring Cruz.

Hunger: Talk it out, you have 2 minutes.

SSA Mariam Helena Khoury: "How's it going?"

SSA Mariam Helena Khoury: "More specifically, how's Anderson doing? Can he work?"

Hunger: Anderson just got a dose.

ASAC Darius Jeremiah Cruz: "Anderson's alright, if not a little shook."

SSA Mariam Helena Khoury: "Sounds right. Listen, while you're there, be sure to check on the DHS records on Cornucopia House and anything whatsoever they might have on the kids or where they ended up. Elle Gable, as we said."

SSA Mariam Helena Khoury: "If they give you any shit about a warrant I'll just have to come by tomorrow with it."

Hunger: That will be all.

SSA Mariam Helena Khoury: Click.

Hunger: Moving on.

Hunger: The Johns Hopkins Hospital, Baltimore, MD.

Hunger: You two just walked out of the hospital. But before you did...

Hunger: Cruz, roll Bureaucracy.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 31 (Rolling Bureaucracy Target: 40%)

Hunger: You signed off on some papers and obtained the rest of Anderson's rabies treatment. The staff was not reluctant at all for taking work off their hands.

Hunger: You can administer it anywhere given you two are together.

Hunger: What do you do?

SDUSM Anderson Fowler: Get the fucking shot.

Hunger: Already done.

SDUSM Anderson Fowler: Awesome.

Hunger: Your test will be in tomorrow 2PM.

SDUSM Anderson Fowler: "What did Mariam say?"

ASAC Darius Jeremiah Cruz: She told us to check for anything on the Cornucopia House, as if we weren't going to anyways.

Hunger: Are you heading to DHS?

SDUSM Anderson Fowler: Yes.

ASAC Darius Jeremiah Cruz: I don't see why we shouldn't.

Hunger: You do so. It's the same address (according to Google) but it underwent... significant renovation since the last you were here.

Hunger: It looks like this now.

SDUSM Anderson Fowler: "Looks like a bank."

SDUSM Anderson Fowler: "Let's head on in."

Hunger: You head inside. As expected, a clerk stops you.

A Woman: "How can I help you?"

SDUSM Anderson Fowler: "Good day. I'm Anderson Fowler with the Marshals' service. We'd like to check some records."

A Woman: "Which ones?" "You show your legitimate IDs."

SDUSM Anderson Fowler: "Anything on Cornucopia House and the kids' families. Work information, relatives... The whole file."

A Woman: "Cornucopia Ho-"

A Woman: She goes pale.

A Woman: "Uh..."

A Woman: "Right this way sir."

Hunger: Anderson, roll Bureaucracy.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 96 (Rolling Bureaucracy Target: 60%)

Hunger: There's not a way in hell you'd be allowed to freely browse the records of an orphanage with no warrant.

Hunger: Something is up here. She just wants to get out of this as unscathed as possible, you can tell.

Hunger: You're being led into the archives.

SDUSM Anderson Fowler: Fowler silently follows the clerk.

SDUSM Anderson Fowler: He occasionally looks behind him to make sure Darius is following.

Hunger: Throw Search, either of you.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 54 (Rolling Search Target: 50%)

Hunger: With Darius helping you I don't see why that can't be a 70%.

Hunger: You'll be done around midnight, same as Mariam.

Hunger: But to not bore you any further... let's read some paperwork.

SDUSM Anderson Fowler: "Check this."

SDUSM Anderson Fowler: Fowler traces his finger along the adress on the last page of the document.

SDUSM Anderson Fowler: "Seems like that's the only real lead we have here."

Hunger: Your only "real lead" is a demented woman who has not said a word since 2001.

Hunger: Try the first page.

SDUSM Anderson Fowler: Better than being dead. Probably some family looking after them?

Hunger: Actually, hit a Bureucracy again.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 18 (Rolling Bureaucracy Target: 60%)

Hunger: Gertrude is completely under the care of the state of Maryland. And you can absolutely confirm that she is a VEGETABLE.

SDUSM Anderson Fowler: "The other is Samuel Ball's parents."

Hunger: You do some googling. Cumberland NBCI is 2.5 hours away.

Hunger: Gulf Quality Inc. operates out of Alabama. You're likely to get information with the employer if you spell out the personal details you have on this.

SDUSM Anderson Fowler: We should start with the mother, and we'll see with the others from there.

ASAC Darius Jeremiah Cruz: I think it'll be best if we both pursue a different parent, considering how far from one another seem to be.

Hunger: You need to learn the 2nd address first.

Hunger: Who is up for a Persuade or Bureucracy or Law roll?

SDUSM Anderson Fowler: Getting the adress of the father shouldn't be too difficult.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 16 (Rolling Bureaucracy Target: 60%)

Hunger: Anderson, you manage to connect to Jim Boone of Gulf Quality Inc. Naming precise tax filing records and other details about Samuel's father easily convinces Boone that you're need-to-know. He gives you an address in Mobile, Alabama.

SDUSM Anderson Fowler: I don't think it's too bright to be going alone.

SDUSM Anderson Fowler: "We should talk with the others before we need a trip to Alabama."

Hunger: Mobile was founded as the capital of colonial French Louisiana in 1702. Now it's trailer trash shit. Man lives at a single-wide trailer in Pillans St. and his name is Clarence McLeod.

Hunger: He has no phone number to give you.

Hunger: Any questions before moving on?

SDUSM Anderson Fowler: Odd.

SDUSM Anderson Fowler: How is he at work?

Hunger: Doesn't talk much, gets shit done, hobbies are: getting drunk and saying the N word as a proud Confederate as much as possible.

ASAC Darius Jeremiah Cruz: Disregard anything I said about going alone, then.

SDUSM Anderson Fowler: Might be a more straightforward case of nutjob.

Hunger: Anything else you wish to do here?

SDUSM Anderson Fowler: Can we take copies?

Hunger: That needs a sign-off but since you're already holding your phone the camera app is right there.

Hunger: I'm assuming you do.

SDUSM Anderson Fowler: I nonchalantly take the pictures.

Hunger: You're way past closing hour now. Only you and the security guard.

Hunger: On you way out... Darius.

Hunger: You notice a TV was left on. It's showing the documentary of an orca tearing a dolphin apart.

Hunger: Roll INT.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 17 (Rolling INT Target: 55%)

Hunger: This is the exact same documentary you watched on your way out as you failed to sneak here in 2001.

Hunger: The exact same timestamp, on a TV that was left on pointing directly at where you're looking at, after closing hours.

Hunger: In fact you're pretty sure it was left in the exact same spot too. It's awkwardly situated on top of a microwave.

Hunger: Despite the remodelling.

Hunger: Roll SAN.

Hunger: Parsed.

Hunger: Moving on.

Hunger: 2400R.

Hunger: We're synchronized, Keith and George will take another stretch of work to 8AM with no rest, but the first part of their examination is done.

Hunger: Your phone rings.

SSA Keith Alan Pike: Hello?

Asst. U.S. Attorney Antony Pitzerelli: "Yeah I couldn't sleep so I called you. What are you wearing right now?"

SSA Keith Alan Pike: Keith doesn't say anything.

Asst. U.S. Attorney Antony Pitzerelli: "What a teaaase you are. I got a match on the facial recognition."

Asst. U.S. Attorney Antony Pitzerelli: "Check your e-mail."

SSA Keith Alan Pike: Do I have my government email on my phone?

Asst. U.S. Attorney Antony Pitzerelli: He sent it to your @atf address, up to you whether you check it or not. I'd check it if I were you.

SSA Keith Alan Pike: Sure.

Asst. U.S. Attorney Antony Pitzerelli: "Those fuckin' idiots couldn't even wear a rag on their faces."

Asst. U.S. Attorney Antony Pitzerelli: "Though I suppose they are smarter than you now that it looks like they are gonna get away with it."

Asst. U.S. Attorney Antony Pitzerelli: "BOLOs and APBs have been quiet so far."

SSA Keith Alan Pike: "They're probably going to stay that way. No criminal history for Perez?"

Asst. U.S. Attorney Antony Pitzerelli: "Not that I know of."

SSA Keith Alan Pike: "Thanks for the quick turnaround."

Asst. U.S. Attorney Antony Pitzerelli: "Yeah, whatever. Bye."

Asst. U.S. Attorney Antony Pitzerelli: He hangs up.

SSA Keith Alan Pike: Keith stopped letting people like that get to him a long time ago.

SSA Keith Alan Pike: He shares the email with George and points out the Florida connection.

Hunger: ADDITIONAL FOOTAGE FROM TIME OF DEATH You can safely say that the footage has not been doctored. Cloud copies match the local ones byte for byte and factually the killers did not enter the locked security office on another floor to "swap tapes". What you see is what happened. The staging of the crime was intensely odd. Male assailant #1 approached by hopping the front gate to the apartment complex, walking southbound down Liberty Avenue. The female assailant appears to have just materialized from the west near Building 9, coming into frame from seemingly nowhere in that parking lot's camera. A camera placed to view the community playground behind Building 13 catches male assailant #2 approaching from the north

by jumping the fence bordering a small set of woods. None of the assailants wait for anyone to arrive, and there is no communication equipment visible. They seem to have converged from three different directions in perfect unison.

Hunger: As for the rest...

Hunger: ADDITIONAL FOOTAGE FROM THE PAST WEEK Weeks of footage around Building 12 reveals that Kerry Houghton kept odd hours and rarely left her apartment. Lights turn on or off at unpredictable times of the night. Her trips to the grocery store seem erratic and poorly planned, as she can be seen returning from her car at least once holding nothing save what appears to be a box of Hot Pockets. Her car is the same red 1997 Toyota Corolla, confirming that the killers performed the kidnapping with her own vehicle. Any abduction so precisely planned involves a lot of research. The victim's patterns must be observed and recorded. Since the victim had no regular pattern, a surveillance device must be planted inside the apartment and retrieved to prevent its being used as evidence. Apparently, none of this occurred. All the angles necessary to case the location contain no sign of the assailants, dating back months before the crime. No one exhibited suspicious behavior along any of the sight-lines necessary to plan such a precise snatch-and-grab. Additionally, even if they were to have made the plan secretly, it makes no sense to do that much research and ignore the obvious camera placements that caught them in the act.

Hunger: 0530R.

Hunger: The sun is coming up.

SSA Keith Alan Pike: This is going to be a very hard sell.

Hunger: You'll be done in a few hours.

Hunger: What do you two think so far?

SDUSM George Elijah Jones: This is some bullshit that's what George thinks.

SSA Keith Alan Pike: Providential bullshit. The whole thing.

Hunger: You look at the faces over and over again. Thomas Perez, Elle Gable and John Doe. Though, at this point you're informed that there's a third party out there who has a history of attempted murder called Samuel Ball. You feel an inexplicable feeling looking at the faces of these killers. Roll SAN.

SSA Keith Alan Pike: No sense bothering the Cunninghams - they'll only be able to say Perez is and has been missing.

Hunger: You feel an unshakable conviction that these children are on the hunt. And that you too, with your team, are predators on the hunt, just like them—or else you would be prey. Which you are not.

SSA Keith Alan Pike: "The one with the tattoos... Do you think he's the artist? The one who talked, back then."

SDUSM George Elijah Jones: "You think?"

SDUSM George Elijah Jones: "I wouldn't be surprised if they were."

Hunger: Seeing the whole picture from this high of an angle is only making things worse for the both of you.

Hunger: You're cracking.

Hunger: It's not yet the time to crumble, though.

SSA Keith Alan Pike: Let's get a move on. We need to find Gable.

Hunger: George, roll INT.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 67 (Rolling INT Target: 55%)

Hunger: You get nothing. Moving on.

Hunger: Anderson, Cruz, Mariam, hit rest?

Hunger: Keith and George will begin the day fatigued.

SSA Mariam Helena Khoury: Yes, I turned in after the visit to the archives. I'll call Pitz when I'm ready to go next morning.

Hunger: You're crashing in a stuffy motel with vacancy. Like you've done before hundreds of times.

Hunger: 0800R

Hunger: Time is synchronized. Everyone can act.

SSA Mariam Helena Khoury: Let me make that call first, then I'll inform the guys of what I've got.

Asst. U.S. Attorney Antony Pitzerelli: "I'm eating a bagel, what do you want."

SSA Mariam Helena Khoury: "I was going to say rise and shine."

Asst. U.S. Attorney Antony Pitzerelli: "I'm not a morning person."

SSA Mariam Helena Khoury: "I could tell."

SSA Mariam Helena Khoury: "Anyway."

SSA Mariam Helena Khoury: "I've got an address from the state archives-- 7421 Fox Hollow Ridge Drive in Charlotte, NC. Listed as King Torino's Children's Refuge. At least one of our persons of interest was raised there, we'll want to check it out in person."

Asst. U.S. Attorney Antony Pitzerelli: "Not happening."

SSA Mariam Helena Khoury: "Not happening ever, or until the situation is under control in Zion?"

Asst. U.S. Attorney Antony Pitzerelli: "I'd say option two is looking like it."

SSA Mariam Helena Khoury: "Alright. Not much on my end besides that-- these kids were sent all over the country and left to hang by the system."

SSA Mariam Helena Khoury: "We're definitely looking at them for perps. As for bringing that specific matter to a legal conclusion, though?"

SSA Mariam Helena Khoury: "I don't think we can risk an honest testimony from them."

Asst. U.S. Attorney Antony Pitzerelli: "I have nothing to show besides APBs and BOLOs. If they lived for this long outside of the system god knows when we'll actually catch them."

Asst. U.S. Attorney Antony Pitzerelli: "They are probably fuckin.... commando's or something. Only homeless."

SSA Mariam Helena Khoury: "Homeless people go missing all the time. They overdose or get run over all the time, too."

SSA Mariam Helena Khoury: "Talk later."

SSA Mariam Helena Khoury: Hanging up and calling Jones.

Asst. U.S. Attorney Antony Pitzerelli: "I don't think these ones are stupid enough to be run over. See ya."

SDUSM George Elijah Jones: What's up?

SSA Mariam Helena Khoury: "This isn't news, but I've confirmed that we're most definitely dealing with our victims from back then. I've got some actionable intel on Elle Gable's background, but we'll have to chase it later."

SSA Mariam Helena Khoury: "Do you have any leads on your end?"

Hunger: No need to pour over it again, it's already long enough.

Hunger: You can freely brainstorm it.

SDUSM George Elijah Jones: "Only that this shit's making less sense by the minute."

SSA Mariam Helena Khoury: "We can't track Gable or the rest through conventional means. I think we're setting this aside for the moment and dealing with the direct fallout from the site and Kerry's thing."

SSA Mariam Helena Khoury: "Where are you heading once you're done?"

SDUSM George Elijah Jones: Where is we heading Keith?

SSA Keith Alan Pike: I'm thinking about it.

Hunger: Keith, Jones, you get a call.

SSA Keith Alan Pike: Yeah?

Det. Sgt. Almudena Velasquez: "Good morning."

Det. Sgt. Almudena Velasquez: "You wanna talk about what you got soon?"

SSA Keith Alan Pike: "It's not much."

Hunger: ROLL PERSUADE.

Hunger: AT A -20%.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 84 (Rolling Persuade Target: 30%)

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 47 (Rolling Persuade Target: 30%)

Det. Sgt. Almudena Velasquez: "... Meet me in Salisbury at lunch break."

SSA Keith Alan Pike: "Yeah."

Det. Sgt. Almudena Velasquez: "That's our barracks. Barrack E."

Det. Sgt. Almudena Velasquez: "It would be cool if you brought something to eat and share."

Det. Sgt. Almudena Velasquez: She hangs up.

Hunger: You need to be there between 12 and 2.

SSA Keith Alan Pike: Keith looks at George. It's not wise to loop her into the Florida connection.

Hunger: 2.5 hour drive through the Chesapeake bridge.

SSA Keith Alan Pike: It's scenic. Let's get something that keeps well in styrofoam boxes and try to brainstorm a spin on our facial recognition information.

Hunger: Up to you. Mariam, you're also getting a call.

Hunger: Unknown number.

SSA Mariam Helena Khoury: "Yeah?"

Deputy Michael Costa: "Hi, bitch. Also known as Supervisory Special Agent Mariam Helena Khoury."

SSA Mariam Helena Khoury: "Didn't your mommy teach you any manners?"

Deputy Michael Costa: "My office in 2 hours."

Deputy Michael Costa: He hangs up.

Hunger: Cecilton is an hour away.

SSA Mariam Helena Khoury: I'm So Angry.

SSA Mariam Helena Khoury: I think we've got time enough for Jones and Pike to join me?

SSA Mariam Helena Khoury: What'd Anderson and Cruz have on their list next?

Hunger: Mariam, roll INT.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 16 (Rolling INT Target: 70%)

Hunger: Costa did not name anyone but you. Doing so could endanger their identities.

SSA Mariam Helena Khoury: That's true. I'll get my shit together and head over. This is an opportunity to use that little thing I brought, too.

SSA Mariam Helena Khoury: I'll be there early.

Hunger: Keith and George are coming up with a story to tell to Velasquez anyways.

SSA Keith Alan Pike: It's raw but servicable.

Hunger: Let's handle the encounter with Costa and see if we can call it a sesh.

Hunger: 0900R. Cecilton, MD.

Hunger: It did not change a whole lot in the past 15 years.

Hunger: Hell, maybe not in the past 100 years.

SSA Mariam Helena Khoury: I've never been one for little towns, I guess.

SSA Mariam Helena Khoury: I want to recall very quickly whether Costa used a specific vehicle other than a standard police ride. I want to know if it was one specifically assigned to him.

Hunger: Not that you know of.

SSA Mariam Helena Khoury: So it's probably just taken from their motor pool.

Hunger: Actually...

Hunger: The license plate on his deputy SUV was BOD-121

SSA Mariam Helena Khoury: Cool. I'll park a sensible distance away and approach on foot. Maybe his car's parked out front.

SSA Mariam Helena Khoury: I'm just casing the opportunity out, I'm not risking getting seen doing this.

Hunger: It is. It's empty. He's obviously waiting for you in his office.

SSA Mariam Helena Khoury: Anyone watching?

Hunger: Sparse passerbys. Remember, this is a small town, and it's much likely someone will pry.

SSA Mariam Helena Khoury: Could I reasonably plant this tracker without being seen in plain daylight or by a camera?

Hunger: Throw a Sneak to assess the situation. Public.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 71 (Rolling Stealth Target: 30%)

Hunger: You'd have to throw a blind D2 for a yes/no.

Hunger: I'm not giving the answer- proceed or don't.

SSA Mariam Helena Khoury: This is stupid to do right here. Another time.

SSA Mariam Helena Khoury: I'm heading in early.

Deputy Michael Costa: "Well hi there."

Deputy Michael Costa: "Did you bring any flowers or chocolate?"

Hunger: He's sitting at his desk, smiling wide.

SSA Mariam Helena Khoury: "I'd have brought you some roses, but I've got shit to do today."

SSA Mariam Helena Khoury: "You managed to get on top of my schedule, though."

SSA Mariam Helena Khoury: "Say what you're going to say." I take a seat.

Deputy Michael Costa: "I sent you a timed e-mail as soon as you walked in through the door. It's set to thirty seconds and it should arrive..."

Hunger: You get a notification on your phone.

SSA Mariam Helena Khoury: Let me check it out.

Deputy Michael Costa: "Ta-da."

Hunger: It's your official photo with your name on it.

SSA Mariam Helena Khoury: "I've to say I wasn't expecting this from a small town cop."

Deputy Michael Costa: "Anything is possible when you got good friends."

Deputy Michael Costa: "But you'd know that better, given that you're friends with a certain assistant attorney."

Hunger: Your fake ID references Pitzerelli's office.

SSA Mariam Helena Khoury: "What about it? Do you want to make friends with me as well?"

Deputy Michael Costa: "Pfff- fuck no. I'd rather have your old ass stay one mile away from me at all times, but you do have something I want."

SSA Mariam Helena Khoury: "Go ahead and ask away."

Hunger: First of all, roll POWx5.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls CRITICAL FAILURE! -> 100 (Rolling POW Target: 65%)

Hunger: You're freaking out hard.

Hunger: And he can see it.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury wipes a drop of sweat off her brow.

Deputy Michael Costa: "You're going to show me the whole length and breadth of the Cornucopia House adoption records and what you found from the state archives." He has a faxed copy of the search warrant that you got on your briefing document on his desk.

Deputy Michael Costa: "I can't just let the federales cover up their own mess at the expense of some poor kids."

SSA Mariam Helena Khoury: I want to use Psychic Excision to get in his head and find out if there's any way for me to get on top of him here.

Hunger: Blind Unnatural roll.

Hunger: You recite the alien words and raise an impossible sign of the Orthodox cross. It looks wrong- too wrong.

Deputy Michael Costa: Costa is having a mini seizure on his chair.

Hunger: What do you wish to learn?

SSA Mariam Helena Khoury: First, I want to know whether he only knows of myself, or if he's started looking into my associates as well.

Hunger: Costa is pretending to have a stronger hand than he does. He has no backing context for having your picture other than having your fake ID made. This could potentially be swept under the rug under post-9/11 law enforcement shenanigans but he's just heading the direction of least resistance.

Hunger: There is more.

Hunger: You do know that it's not an ironclad gotcha, but you'll have to go DEEPER to find out more.

SSA Mariam Helena Khoury: Shit, I'll do it if it won't make me just pass out here. Before that, though, I'd like to know if there's any indication of dirt he's got on himself. Something worth looking into for blackmail.

Hunger: He's had a few gay stints in high school that he regrets but is that really blackmail in 2016? He's not a bad cop. You can tell that he's trying to save his & the sherriff's ass, but he's absolutely not corrupt enough to stand up for murderer pedophiles.

SSA Mariam Helena Khoury: Not even a current gay lover he's committing adultery with? What a bore.

Hunger: He hasn't done it since high school.

SSA Mariam Helena Khoury: What will it take for me to go DEEPER as you said?

Hunger: 1d3.

SSA Mariam H. Khoury: 1

Deputy Michael Costa: He begins foaming at the mouth and his chair is rattling.

Hunger: He's been in discussions with Vivian Sawyer, the officer that drove by the Maryland Corrections Storage Unit 3 on a lark and found the body. Sawyer checked the area based on a call from the Hendry County Sheriff in Florida. In addition to asking about any past criminal activity at the area, the deputy wanted to know about a list of names. Costa managed to pull one name out of the trooper. He scoured online and found a picture tagged with one of those names.

Hunger: He knows you and only you as a faker, and this is how he got to you.

Hunger: He beat you to it pure and simple at talking to the actual person who discovered the bodies.

SSA Mariam Helena Khoury: Blindsided me, for sure.

SSA Mariam Helena Khoury: This ritual's too degraded to actually modify his memories while I'm here, right?

Hunger: Yes. Wonder how that happened... anyway

Hunger: He genuinely intends to delete your blackmail if you let him into the adoption records.

Hunger: If you do not, it's not going to look good on paper.

Hunger: A member of the FBI operating under a false DOJ identity could be a real fracasse if framed within the context of Cornucopia House.

Hunger: That's with all the TS/SCI crap included. The public would crucify you, and the rest of FBI.

Hunger: One more thing, he fully intends to disclose all of this to Velasquez if you don't let him into it.

SSA Mariam Helena Khoury: This is unfortunate.

SSA Mariam Helena Khoury: I'll blink and let him out of his trance.

SSA Mariam Helena Khoury: "Are you okay?"

Hunger: He comes out... but he...

Hunger: 2

Hunger: Falls fast asleep on his desk.

Deputy Michael Costa: Condition Changes Unconscious

SSA Mariam Helena Khoury: SSA Mariam H. Khoury rubs her face.

SSA Mariam Helena Khoury: This is his personal, enclosed office, correct?

Hunger: Correct.

SSA Mariam Helena Khoury: I want to look through his phone for Vivian Sawyer's contact info and address so I can save myself some time.

Hunger: You unlock his phone by entering his PIN code. 12121. You already know it.

Hunger: You note it down.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods to herself.

Hunger: The way he put it, you going to talk to Vivian Sawyer could be utterly catastrophic if she already knows your name.

SSA Mariam Helena Khoury: I'll have to leave him the documents and take his personal number too. I'll call him soon.

SSA Mariam Helena Khoury: Yeah, I only wanted the info.

SSA Mariam Helena Khoury: A COPY of the documents. But wait.

SSA Mariam Helena Khoury: I'm not adding the bit about the 07 case.

Hunger: Is that all?

SSA Mariam Helena Khoury: That'll be all for now. This will have to be followed up on... but I need a drink.

Hunger: He's peacefully snoring on his desk, face planted against hardwood.

Hunger: A few cars pass you by as you walk outside. The sun hurts your eyes.

Hunger: You are about to get back in the car... except...

SSA Mariam Helena Khoury: Should've brought my shades.

Cottontail rabbit: You see a cottontail rabbit cradled underneath your drivers side door.

SSA Mariam Helena Khoury: That's cute. I'll clap a few times to startle it away as I approach.

Cottontail rabbit: The rabbit is a native of Maryland but is unusually calm around people. A few people stop to look at it.

Cottontail rabbit: The creature is lively, huge and... Pregnant.

Cottontail rabbit: As soon as you walk up to it and clap your hands it starts giving birth as on command.

SSA Mariam Helena Khoury: I'm really just scratching my head at the theatrics right now. I glance up at the sky.

SSA Mariam Helena Khoury: "What's with all this bullshit?"

Hunger: You can stay and watch until it's done.

Hunger: Or do something horrible and evict a rabbit giving birth from underneath your car.

SSA Mariam Helena Khoury: I'll just go get some breakfast and a beer.

SSA Mariam Helena Khoury: It'll be gone within the hour.

Hunger: As soon as you turn around to leave, it's done birthing. Six little rabbits come out.

Cottontail rabbit: It begins nursing them. You head for the nearest bar.

SSA Mariam Helena Khoury: Just as expected.

Hunger: God's Teeth - Red Thoughts - Session 2 END.

Hunger: Thanks for playing!

God's Teeth - Red Thoughts - Session 3

April 25, 2026

Hunger: Delta Green - God's Teeth - Red Thoughts

Hunger: 26 AUG 16 1000R, Zion Correctional Facility MD

Hunger: Michael. You arrive on foot to the prison complex. Do you present your fake or real (fake) cover ID to get inside?

IO Michael Sajdak: The latter. It's probably worth asking now who runs this place seeing as the county-state-feds triangle is so important in this case.

Hunger: Michael Sajdak - Department of Corrections.

Hunger: The gate and reception give you zero trouble.

Hunger: You're lead to the minimum security block as the inmates head outside for yard time. How convenient.

Hunger: The interior is eerily silent with no one banging things up.

Hunger: The handyman finally shows up, led by a guard. The guard leaves immediately after.

Kim Sun Hu: "Hello sir."

IO Michael Sajdak: So to be clear, the murder weapons in the Houghton case were somehow taken out of this prison. Right?

IO Michael Sajdak: Before I ask questions.

Hunger: Indeed. The tools are signed off on by this man.

Hunger: It's the prison inventory- not his personal belongings.

IO Michael Sajdak: Then I'm looking at him like I'm ready to bust balls.

IO Michael Sajdak: "Hey there. They tell you what I'm here for?"

Kim Sun Hu: He shrinks at your imposing sight. He's already given up to the police, and it's obvious he wants nothing to do with this whole shitshow.

Kim Sun Hu: "Yes. I talk police."

Kim Sun Hu: "Why you here?"

IO Michael Sajdak: I'll spare him the details and get to the important question: "How the hell'd did they manage to get anything out of here?"

Kim Sun Hu: The man can barely speak English.

Kim Sun Hu: "I don't fucking know biiiiiitch."

Kim Sun Hu: Does he realize that's an inappropriate thing to say?

IO Michael Sajdak: Oh, c'mon. "You'll be in a cell in here getting your asshole torn up if you don't gimme something useful."

Kim Sun Hu: He's clearly irritated at your prying questions."....laka..."

IO Michael Sajdak: It was a mattock, right? And pliers? Why the hell did they even need those out of a prison of all places?

Hunger: Groundskeeping.

IO Michael Sajdak: I wanna slap this guy in the face if I'm alone.

Hunger: Sajdak. Roll HUMINT. Public.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 84 (Rolling HUMINT Target: 50%)

Kim Sun Hu: You slap him. Only, after you realize this guy might know another language to communicate in.

Hunger: He's taken aback, more compliant than shocked. It's uncharacteristic for anyone American or Western, really.

IO Michael Sajdak: It's not like I speak Chinese or whatever. Nor do I know anyone who does. "There was a murder? You understand! M-U-R-D-E-R! You speak English?!"

Kim Sun Hu: Kim Sun Hu rolls Success -> 24 (Rolling POW Target: 40%)

IO Michael Sajdak: I'm tempted at this point to go elsewhere if there's anything else worth investigating.

Kim Sun Hu: "Γαμήσου μαλάκα"

Hunger: He just called you a fucking asshole in Greek.

IO Michael Sajdak: And I'll reply in Greek that this is very serious and I'm acting in his best interest by grilling the shit out of him right now lest he gets implicated in Kerry Houghton's death.

Kim Sun Hu: "How do you know Greek? I lived there for 15 years before I came to USA. And why did you slap me?"

Kim Sun Hu: He continues speaking in Greek.

IO Michael Sajdak: "You know what 'bitch' means in English?"

Kim Sun Hu: "I just say it when I get annoyed."

Hunger: It's been a good ice breaker. Sajdak, roll Persuade.

Hunger: Blind.

IO Michael Sajdak: "Now imagine me calling you poustis because I'm annoyed." With that out of the way...

Kim Sun Hu: "I'll tell you everything. That interpreter they had didn't know shit."

Kim Sun Hu: "They did it because I'm stuck on permanent residency. Fucking raaacists man."

IO Michael Sajdak: "Then it's a good thing I showed up." I say, like there isn't a decent chance the poor bastard ends up getting framed by the end of this.

IO Michael Sajdak: Anything else to do here?

Hunger: Unlikely. He was recorded inside of the prison at the time of the murder.

Hunger: As for anything else...

Hunger: You have enough criminology to be able to tell that yep- this is a fucking prison after all. Any inmate is extremely unlikely to have seen or have been involved in a violent crime a forest away in which a woman from another city was killed.

Hunger: One last thing you notice is the distinct lack of the gingerbread cookie smell since you came here. It was banished by the time you killed the old hag, but it was stronger towards the dig site.

IO Michael Sajdak: I suppose there's no chance we actually get a hold of this security footage. I wonder if we can't spin the very odd coincidence being described here - which doesn't seem all that odd at this point - into a story about the murder weapon being intentionally planted as part of that plot to wack Kerry that Mariam wants to fabricate.

Hunger: You have all the rights reserved to make a copy of the footage that the police has already inspected- but you have bigger fish to fry. You can take it on your way out if you really want to.

IO Michael Sajdak: Sure, why not.

Hunger: It will be e-mailed to you tomorrow.

Hunger: Now what?

IO Michael Sajdak: I don't suppose there's anything else here for me.

Hunger: You're leaving the prison.

Hunger: It's about 10:45. The inmates are five minutes past done- and the outside is peaceful again.

Hunger: The fresh air is very welcome after the long and high stank of the wing.

Hunger: As you leave the prison and begin walking towards Zion where you left your car, you notice something on the sidewalk.

IO Michael Sajdak: Oh fuck.

Timber rattlesnake: It's a rattlesnake.

Timber rattlesnake: It seems to be in the process of shedding its skin.

IO Michael Sajdak: I'm done with this evil-animal bullshit! If that thing comes anywhere near me I'm shooting it dead.

Timber rattlesnake: He doesn't come anywhere near you. You remain at a safe distance... However...

Hunger: The birds around you stop chirping. Cold, dead silence.

Timber rattlesnake: As the snake unfolds its skin, it somehow pins one end of it down with its tail and puts its neck around it.

Timber rattlesnake: It extends its tail with the slack of skin underneath it and loops it around the other end of the shedded skin, through the mouth where the "face" is.

Timber rattlesnake: With another move it tightens its own dead skin around itself and pulls it fastened. It trashes a little as it suffocates.

Timber rattlesnake: Condition Changes Dead

Timber rattlesnake: Eventually, it stops moving.

IO Michael Sajdak: "What's that supposed to mean, huh?" I scoff. I don't like the idea of something telling me to - what, kill myself?

Hunger: You sound completely nuts.

Hunger: Roll SAN. Blind.

Hunger: The birds return to their routine singing.

Hunger: Check out the new landmarks.

Hunger: We're moving on with Mariam.

Hunger: Mariam, decide how you want to confront the journo and what you actually plan to do, I'll be back.

SSA Mariam Helena Khoury: I know Sajdak's at the prison, so I could give him a call now that I'm done meeting Costa and tell him to tag along for this.

SSA Mariam Helena Khoury: As for confronting her-- I first want to see if I can spot her and her vehicle, out of view. Ideally I'll plant the tracker and move on. If she happens to be nearby and spots me, I'll improvise.

Hunger: If you do this with Sajdak we're moving on to 11AM.

SSA Mariam Helena Khoury: That's alright. There'll be time to rest later.

Hunger: 1100R. Dig site.

Hunger: You're back in the hell of this place. They seem to be moving in excavation equipment now, although you can't hear them working.

IO Michael Sajdak: I'll have naturally told her about what I got from the prison on the way there.

Hunger: That's a given. Now what?

SSA Mariam Helena Khoury: Condition Changes Exhausted

SSA Mariam Helena Khoury: "It's unlikely that putting that dipshit Korean on the line will hold. Happenstance, I think."

SSA Mariam Helena Khoury: "And you know what, Mike? I think you're the only one I can speak to about all this shit that won't look at me like we're insane."

SSA Mariam Helena Khoury: "I've started to think that we're here for a reason. 2001. 2006. Everything."

IO Michael Sajdak: "I'm not saying it's airtight but it's something. If the goal's to make a narrative here I'm hoping you've got something up your sleeve too." I'm not interested in thinking about fatalism right now so I ask Mariam to lead us to this journalist.

Hunger: You don't know where the journalist is, you just came here because you have no idea where else she would be.

IO Michael Sajdak: Ahh.

SSA Mariam Helena Khoury: "Yeah, I've got something in mind." I take a moment to look around. "I still have to talk with our buddies in the tent about something else. Might as well, while we're here."

SSA Mariam Helena Khoury: "Come on."

SSA Mariam Helena Khoury: We're moving to the Harvard Lair

Hunger: Go ahead.

SSA Mariam Helena Khoury: Do we still have to put on the suits?

A Federal Agent, geared up, male: He just nods towards the "changing room".

A Federal Agent, geared up, male: An ad-hoc airlock.

SSA Mariam Helena Khoury: We'll hurry up and get it done then head inside.

Hunger: Go ahead. 11:50.

Melinda Ruiz, M.D.: She's crouched in a corner drinking something out of a hip flask.

SSA Mariam Helena Khoury: "What's that?"

Melinda Ruiz, M.D.: "It's just something to take the edge off."

SSA Mariam Helena Khoury: "Having a hard time? Come on, get a fucking grip."

SSA Mariam Helena Khoury: "Where are the bosses?"

Melinda Ruiz, M.D.: You notice two more empty Jim Bean bottles in the same corner.

Melinda Ruiz, M.D.: She nods towards the lab.

SSA Mariam Helena Khoury: "I'll leave you to it."

SSA Mariam Helena Khoury: "Hello again."

Monique Grace, Ph.D.: "Hello. Wasn't expecting to see you here so soon."

Monique Grace, Ph.D.: "We're just doing routine stuff. Thanks for all your help. We would be fucked without it."

Tim Campbell, Ph.D.: "As if we're doing so great right now."

SSA Mariam Helena Khoury: "You bet. I'm here to ask about this one kid that should be working with you. Tall, black hair, I think."

Tim Campbell, Ph.D.: "Owen, right?"

SSA Mariam Helena Khoury: "Empty look in his face. Ring a bell?"

SSA Mariam Helena Khoury: "Must be right. I need to know his contact details and wherever he's staying."

Tim Campbell, Ph.D.: "He's a biology grad student. Apartment a few blocks away from the faculty in Boston."

IO Michael Sajdak: Where the hell is she going with this?

Tim Campbell, Ph.D.: "It's on the computer."

Tim Campbell, Ph.D.: "He's a damn good one too."

Tim Campbell, Ph.D.: "I shouldn't have recommended him for this."

SSA Mariam Helena Khoury: "Good one? He left the lab, right here, while our in-house performed the analysis on those special samples you told us about."

SSA Mariam Helena Khoury: "Seemed to be in quite the rush too."

Tim Campbell, Ph.D.: "He said he needed to go see to a family emergency in Boston."

Tim Campbell, Ph.D.: "I couldn't really say no."

Monique Grace, Ph.D.: She nods in agreement.

SSA Mariam Helena Khoury: How far a drive is that?

Hunger: 6 hour 30 mins

SSA Mariam Helena Khoury: JESUS!

SSA Mariam Helena Khoury: "Alright. Ring me if he shows up around here."

Tim Campbell, Ph.D.: "I doubt he will. He's probably thinking of what to make up just to not return to this place. And he would be totally right in doing so."

Tim Campbell, Ph.D.: "His poor grandma. She'll have to be dead so many times for the rest of this semester."

Monique Grace, Ph.D.: She exhales a laughter.

SSA Mariam Helena Khoury: "I'll let you know if you need to take some of that extra credit off his record for dereliction of his duties."

SSA Mariam Helena Khoury: "We'll talk later. Anything pops up, you know how to reach us."

Tim Campbell, Ph.D.: "The hard parts already done. It's just documenting now. Don't go too hard on them, they are all working the best they can."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods idly.

Monique Grace, Ph.D.: She gives you a sticky note with his address on it.

SSA Mariam Helena Khoury: "Cheers. Toodles."

SSA Mariam Helena Khoury: Is there still a crowd outside?

Hunger: Yeah.

Hunger: It still hasn't calmed down.

Hunger: Did you ditch the disposables?

SSA Mariam Helena Khoury: Hail Mary trying to spot her here, I guess?

Hunger: 11:20. Continue.

SSA Mariam Helena Khoury: The suits? We'll have taken them off, yeah.

IO Michael Sajdak: Don't we remember her car or something if she was here yesterday?

SSA Mariam Helena Khoury: I saw her face briefly, and then we saw the drone. Not much else.

Hunger: Mariam, Search. Public.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 14 (Rolling Search Target: 70%)

Hunger: You see a drone descending rapidly.

SSA Mariam Helena Khoury: Our way, or is she picking it back up?

Hunger: It's away from you.

SSA Mariam Helena Khoury: We'll head over and try to get a mark on her without her seeing us.

Hunger: The conditions look extremely unfavorable to get the drop on her. You're automatically noticed as you run towards where the drone landed.

Olivia C. Toomey: "Wasn't expecting to see you here."

SSA Mariam Helena Khoury: "Y'know this is federal airspace, right?"

Olivia C. Toomey: "It's not. I'm not entering in the crime scene."

Hunger: Roll LAW.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 96 (Rolling Law Target: 50%)

SSA Mariam Helena Khoury: "I'm just pulling your chain. Take a load off."

Olivia C. Toomey: "What, did you decide to become a whistleblower?"

SSA Mariam Helena Khoury: "Whistleblower on what, precisely? Do you know something I don't?"

Hunger: Contested CHA roll.

Hunger: Use the table blind.

Olivia C. Toomey: "I know this is a coverup. Everyone with half a brain does. Alex Jones came down here yesterday."

Olivia C. Toomey: "You just missed him."

SSA Mariam Helena Khoury: "Thank God."

Olivia C. Toomey: "He's a cool guy in person. Better than you, now that he's going to prove the federal government bats for pedophiles with 70 dead bodies and counting."

Hunger: Roll ALERTNESS.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 76 (Rolling Alertness Target: 70%)

Hunger: Continue.

IO Michael Sajdak: Can I?

Hunger: Why not.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 63 (Rolling Alertness Target: 50%)

SSA Mariam Helena Khoury: "That's quite the accusation against the federal government you've got going on there."

Olivia C. Toomey: "Once this ends you'll be against the federal government too. I hope you will."

SSA Mariam Helena Khoury: "We're here to make things right. And we are, in fact, interested in transparency with the public regarding this matter."

SSA Mariam Helena Khoury: "Do you have a card?"

Olivia C. Toomey: She is indeed a journalist.

SSA Mariam Helena Khoury: I meant like a business card with her number and whatnot on it.

Olivia C. Toomey: She sighs and hands you a business card for the Baltimore Sun. OLIVIA C. TOOMEY, JOURNALIST.

SSA Mariam Helena Khoury: "Toomey." I examine the card. "Thank you. We'll be in contact."

IO Michael Sajdak: "You talk like such a fuckin' pantsuit fed, Mariam, c'mon. Personally, I'd love to know what Olivia's got if she thinks something stinks here because I'm about as stumped as the next guy."

Olivia C. Toomey: "Oh wow. Is he single?"

IO Michael Sajdak: I laugh.

SSA Mariam Helena Khoury: "Happily taken at times, I'm afraid."

SSA Mariam Helena Khoury: "But following that thought-- what do you think here, besides your initial impression?"

Olivia C. Toomey: "What I think you'll read it on the Batimore Sun. Maybe the extended commentary on New York Times once this breaks out."

SSA Mariam Helena Khoury: "I'll be looking forward to the article. Keep your phone handy." I raise up her business card.

SSA Mariam Helena Khoury: We're gonna walk away a bit, I'll ring Pitz for a checkup on her car now that I've got her number.

Olivia C. Toomey: Does Michael follow you or continue asking questions?

SSA Mariam Helena Khoury: If he can get anything out of her! I'll do this one thing.

IO Michael Sajdak: Not like there's much to ask. "Where's the conspiracy angle on this anyway? I mean-- something nasty clearly happened, but Alex Jones'd only care if he can spin this into deep state adrenochrome farms or something."

IO Michael Sajdak: I'm mostly biding time until Mariam plants that GPS, or whatever it is she's trying.

SSA Mariam Helena Khoury: I'm speaking into my phone. "Hello, sunshine. I need a quick check on this number, I'm looking for her car. It's urgent."

Hunger: This is either a Persuade or Charisma or Disguise roll, the 2nd one applies because you're just trying to be gentle. Hit it blind.

Asst. U.S. Attorney Antony Pitzerelli: "Nobody has called me that in years. I think I'm in love with you."

Asst. U.S. Attorney Antony Pitzerelli: "I'm writing it down."

Olivia C. Toomey: She twirls her hair. "They are pulling... things out of the ground."

Olivia C. Toomey: "I don't know exactly what but I'll learn soon. I have a source."

SSA Mariam Helena Khoury: "Cheers. Window's a few minutes, maybe up to half an hour. We'll sit tight."

Asst. U.S. Attorney Antony Pitzerelli: "Ok. Bye."

IO Michael Sajdak: "Oh yeah? Like, statues to Moloch?"

Olivia C. Toomey: "Not exactly."

Olivia C. Toomey: "I shouldn't even be telling you this."

IO Michael Sajdak: "Why not? The worst that can happen is that I become just as convinced as you that this is some cover-up."

Hunger: Mariam you can hit Stealth to plant the thing at a +20%. Blind.

SSA Mariam Helena Khoury: Here goes nothing.

Olivia C. Toomey: "How about I tell it to you over lunch? Right now."

Hunger: Mariam, you click the device behind her wheel. It's seated properly.

IO Michael Sajdak: "Hell, that sounds great. I've been so caught up in this mess I haven't ate a square meal since yesterday."

SSA Mariam Helena Khoury: Wonderful. I'll leave the lovebirds alone and sit in my car waiting for Sajdak to tell me what he's into next.

Hunger: It looks like you're seperating.

Hunger: Where are you taking her Sajdak?

Hunger: Baltimore is pretty ideal.

IO Michael Sajdak: Surely I know of a tasteful cafe or two in the big city.

Hunger: Right on. 45 minutes. You'll be seated and eating by 1 PM.

Hunger: As for Mariam, what's next?

SSA Mariam Helena Khoury: I might pick up Cruz and Anderson and head out to Boston to check on that student, if that's not too long a drive for me right now. Should be able to sort that out, then be ready to call Costa.

Hunger: So you're tailing them to Baltimore. Alright

Hunger: I'm preparing the next scene. George, you're up, decide what you want to break to Velasquez. It's about 11 for you.

SDUSM George Elijah Jones: I'll probably break it to her that we don't think she's retarded and that the CCTV footage looks insane and can't really be explained.

SDUSM George Elijah Jones: Comrades in ignorance sort of thing.

Hunger: 1100R. Salisbury, MD.

Hunger: Moment of truth. You've been rehearsing to yourself all night how to make heads and tails of this nonsense to that detective.

Hunger: You drive up to "Barrack E".

Det. Sgt. Almudena Velasquez: She's waiting for you at her office.

Det. Sgt. Almudena Velasquez: "Take a seat."

Det. Sgt. Almudena Velasquez: It's the largest office in the building.

SDUSM George Elijah Jones: "Good morning," George tries to get comfortable in a chair that's probably too small for him.

Det. Sgt. Almudena Velasquez: "What did you bring me?"

SDUSM George Elijah Jones: "Confirmation of your sanity - that shit does look insane - also, a theory, as far fetched as it sounds, on the 'door poltergeist'."

Hunger: So, George.

Hunger: It looks like you didn't bring any snacks, plus, no explanations too.

Hunger: Contested CHA roll.

Det. Sgt. Almudena Velasquez: "Go on."

SDUSM George Elijah Jones: "The only humanly possible explanation for the door closing at all was the expired cat found in the apartment."

SDUSM George Elijah Jones: Condition Changes Exhausted

SDUSM George Elijah Jones: "There was no sign of forced entry from the outside or within the building - likewise, no sign of any parties within the apartment at the time of the kidnapping. The apartment looking like an episode of 'Hoarders' doesn't help either."

SDUSM George Elijah Jones: "Now - there's three variants and all of them sound retarded in order of most retarded to less retarded - a 'poltergeist' closed the door OR there was a localized gust of wind that somehow managed to seal the door shut OR the cat was fucking around in the apartment and brushed the door shut."

Det. Sgt. Almudena Velasquez: "Well that's great, it's pretty convenient that you can read minds. Now tell me the part that I don't know."

SDUSM George Elijah Jones: How likely is this chick the roll out on her own to investigate the kids if I tell about the face ID?

Det. Sgt. Almudena Velasquez: 100 percent to 100 percent

SDUSM George Elijah Jones: Is it a likely possibility that 'private investigators' have access to face ID in year 2k16 at all?

Det. Sgt. Almudena Velasquez: If you're contracted by DoJ then yes.

SDUSM George Elijah Jones: "We're getting face IDs on the culprits and it's coming along in.... about four hours or so and we'll get confirmation on a running theory me and the crew have regarding this."

SDUSM George Elijah Jones: "However - from our side we have questions about the Baswell and Dale investigation in 2001 and were wondering if there was a possibility to check records on that."

Det. Sgt. Almudena Velasquez: "I'd like to hear it now." She nods to a sticky note on her monitor which shows her e-mail address.

Det. Sgt. Almudena Velasquez: "You wanna see the old boys' notes?"

Det. Sgt. Almudena Velasquez: "It's in paper. Old fashioned."

SDUSM George Elijah Jones: "Nobody's bothered to digitize pre-9/11 records yet, huh?"

Det. Sgt. Almudena Velasquez: "Not worth the effort."

Det. Sgt. Almudena Velasquez: "Now go on!"

SDUSM George Elijah Jones: "We have a working theory that they're related to her work."

Det. Sgt. Almudena Velasquez: Her attention turns fully towards you.

Det. Sgt. Almudena Velasquez: "Who would wanna kill a social worker? Addicts?"

Det. Sgt. Almudena Velasquez: She shakes her head, "No way, not possible."

SDUSM George Elijah Jones: "You think so? Social workers got a lot of power over people in the system."

Det. Sgt. Almudena Velasquez: "No. Addicts are fucking stupid and can not plan anything close to this. Besides, the killing itself. They left her crucified to a garage door."

Det. Sgt. Almudena Velasquez: "I'm not sold. Keep talking."

SDUSM George Elijah Jones: "You think? How did they know when she was leaving the apartment in spite of the fact that she was basically a hermit with lights on and off at practically random hours."

Det. Sgt. Almudena Velasquez: She puts her stumpy elbows on the desk and places her fists underneath her chin, "You think it was one of the orphans?"

Hunger: Uh oh...

SDUSM George Elijah Jones: "I don't think anything yet until the face IDs pull through and we get confirmation on who exactly those guys were - did the room get checked for any sort of surveillance, by the by?"

Hunger: Roll PERSUADE. Blind.

Det. Sgt. Almudena Velasquez: Det. Sgt. Almudena Velasquez rolls Success -> 34 (Rolling HUMINT Target: 60%)

Det. Sgt. Almudena Velasquez: "I can see it in you. You have no other or better connection to make for a motive than it being one or several of the orphans."

Det. Sgt. Almudena Velasquez: "Stop throwing us off the track here. What are you trying to hide?"

Det. Sgt. Almudena Velasquez: "We're already off the case, it's not like I can steal your spotlight."

Det. Sgt. Almudena Velasquez: "Come ooon, we've all been there."

Det. Sgt. Almudena Velasquez: She waves low at you.

SDUSM George Elijah Jones: "Personally I don't think anybody wants the spotlight on this shit at all and I'd have preferred to not touch this case with a ten foot pole having seen what I have seen, but I'll give you a little of the rope and say that we're serving warrants at the state archives and DHS today. I'm not comfortable with saying anything yet given that face ID is ongoing and if I'm wrong I'm dead wrong and that's that regarding our little theory."

Det. Sgt. Almudena Velasquez: "Well alright then. Looks like I got some work of my own to do."

Det. Sgt. Almudena Velasquez: She grins.

SDUSM George Elijah Jones: "Now - about those records..."

Det. Sgt. Almudena Velasquez: "You can keep the rest of your secrets. Ask around for the old files."

Det. Sgt. Almudena Velasquez: "I don't have time for that crap."

SDUSM George Elijah Jones: "I'll tap you in when we get the ID in the... how many minutes has it been? Whatever - you can call me in like three and a half hours or so."

Hunger: She really is a busy kind, so far she's been dipping ASAP out of everything.

Hunger: Maybe you shouldn't have let go of that lead.

Det. Sgt. Almudena Velasquez: "Okay. But I think I can beat you to it."

SDUSM George Elijah Jones: "Well if you beat us to it call me anyways."

Det. Sgt. Almudena Velasquez: "Next time bring some banana bread. It's my favorite." She points you at the door.

SDUSM George Elijah Jones: She looks like she'd fit right in with us. Type A personality all the way. We need another large-person in the group.

SDUSM George Elijah Jones: I'll see myself to the records, then.

Hunger: Perhaps.

Hunger: You leave her office and close the door behind you.

SDUSM George Elijah Jones: "If I wasn't taken I'd consider bringing a gift basket and flowers, bye!"

Hunger: You don't have to make any rolls to figure out how a police station works. You go to the archives and ask for it.

SDUSM George Elijah Jones: I also want to inform Maryam that I'm here and we were talking just so she has a timeline of what's up.

Hunger: This will take a Law or Bureucracy roll to avoid signing off on it.

SDUSM George Elijah Jones: I'll roll Bur and if it doesn't go through whatever.

SDUSM George Elijah Jones: Public?

Hunger: Send it

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 14 (Rolling Bureaucracy Target: 40%)

Hunger: Even with your fatigue -20%, you still succeed.

Hunger: The officer at the archives is convinced that you can just walk inside to take a look regarding a case. He's not gonna challenge you this time.

SDUSM George Elijah Jones: I'm a Samoan in a suit I belong in law-enforcement or the NFL.

Hunger: You're inside. It's a cramped, dusty room with rows of shelves, sorted by year from 90s to early 2000s.

Hunger: Anything earlier should be at the town hall. Anything later on a computer.

SDUSM George E. Jones: You autofail on search. This will take at least an hour.

Hunger: Proceed?

SDUSM George Elijah Jones: While I'm still here, sure.

Hunger: 12:00.

Hunger: You finally find it. Notes of Dale and Baswell, in their bulk.

Hunger: It's nothing new or interesting, but this is the last statement the dead men can make. Against a court.

Hunger: They stop as soon as the case goes cold.

SDUSM George Elijah Jones: Anything juicy?

Hunger: "Juicy" as in nothing to the man who killed one of the pedophiles in Cornucopia House. However, this file will be scrutinized to hell and back should things face court action.

Hunger: ...

Hunger: You know what must be done.

SDUSM George Elijah Jones: How big is this shit? I can either shred it and then trash the paper or just sneak it out.

Hunger: No shredders in this room proper. It will take a Sneak roll. +20% for your bulk can somewhat hide this thing, another +20% for the disinterested clerk. Hit it blind.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 27 (Rolling Stealth Target: 70% (30%+40%))

Hunger: You walk out with it.

Hunger: The guy doesn't even turn to question the extra five pounds of fat you gained in an hour.

SDUSM George Elijah Jones: It makes little difference past 300 pounds.

Hunger: Velasquez isn't in her office by the time you swing by. Leave?

SDUSM George Elijah Jones: And she isn't going to be back until she's done scouring the DHS. Let's skedaddle.

Hunger: You exit the barracks. Your car is right up front.

Crow: On your hood, a crow has made it's nest.

Crow: It has six little eggs in it. The creature looks you in the eye.

Hunger: You notice that the birds aren't chirping and the wind is not blowing.

SDUSM George Elijah Jones: I gotta get this thing off the hood. I'll shoo the crow a little then pick up the nest and put it in a bush or something.

Crow: It does not react to your shooing. It begins cracking the eggs one by one, stopping to look at you.

Crow: Pop, pop, pop. The whites slurry across your hood and drip on the hot asphalt, where they cook in small lumps.

Crow: It breaks the other three eggs and stares back at you.

SDUSM George Elijah Jones: Crow abortions are not my problem, then. I sweep the nest off the hood and get in the car.

Crow: "BAAAAWK!!"

Crow: It flies away.

Crow: So does the nest, off your hood. It's all slimy.

SDUSM George Elijah Jones: Maybe it carried some other bird's nest or something.

SDUSM George Elijah Jones: Greedy fucker.

Hunger: Where are you headed to? Mariam says she is waiting for the others at Baltimore.

SDUSM George Elijah Jones: If she's waiting for us I'm headed to her.

Hunger: As you think of how long the drive will take, it dawns on you that it's impossible for the crow to have stolen a nest the size of a basketball hoop with 6 identical eggs in it.

Hunger: It made that on the spot. And that was it's eggs.

Hunger: Roll SAN.

SSA Mariam Helena Khoury: Knowing that Velasquez is about to make the connection, I need to call Costa sooner, right about now.

Hunger: 1 PM. You meet with George in person.

Hunger: We're going to continue with Michael, and then you can make the Costa call. And then, the party decides what's up next.

Hunger: Before that, 10 min break.

SSA Mariam Helena Khoury: Right on.

Hunger: Resuming in 60.

Hunger: 1300R. Baltimore, MD.

Hunger: First things first, what has Darius been doing for the past 3 hours?

ASAC Darius Jeremiah Cruz: Not much, I've been waiting on a chance to chase up the two leads from earlier.

Hunger: The other lead has been sitting in a cell in NBCI Maryland.

Hunger: You can retroactively decide to go there. The drive is...

Hunger: You should be around there right now.

ASAC Darius Jeremiah Cruz: Well I can't exactly be in two spots at once, can I? I'd like to head there retroactively, then.

Hunger: We'll pan to you later.

Olivia C. Toomey: "This crab cake is something else. I don't know how I managed to miss this spot all my life."

Olivia C. Toomey: She says that sipping on a glass of sparkling. You don't see a ring on it.

IO Michael Sajdak: Sorta feels weird eating animal flesh after all the stuff I've seen but I also didn't want Olivia to think I'm a homosexual. Which is why I ordered steamed bass.

Hunger: You're utterly indifferent to it on the inside. Strange.

Olivia C. Toomey: "So anyway. What were you asking me about again?"

IO Michael Sajdak: "Well, I don't wanna ruin your appetite, talking about this stuff..." But I do. I ask about the cover-up, the stuff supposedly being dug up from the burial site. And I also present the case we've been trying to construct over these past couple days - that Houghton was killed because she broke the cosa nostra on whatever atrocities went down in that orphanage twenty years ago - just to see how convincing it sounds, really.

Hunger: As you continue yapping... you notice that her fragrance does not actually smell like gingerbread, nor does this place serve that.

Hunger: Roll Unnatural, blind.

Hunger: The hell of that place distracted you with scent within scent. She has the faint whiff of gingerbread turning into rotten cheese coming out of her. Thinking back on it, Pitzerelli had it too. Just like this, very low, slow and subtle. Nothing on the level of the monsters you put an end to, but it's there.

Hunger: On a scale of ten this would be between .5 and 1.

Hunger: If that's even accurate. That's what you think.

IO Michael Sajdak: How the hell would that even work? Fuck, I hope this isn't a sign we've all got brain lesions thanks to that black tar shit.

Olivia C. Toomey: "You look distracted."

IO Michael Sajdak: "Ehe. Y'know, my mom never wanted me going out with white-collar types..."

Olivia C. Toomey: She bursts into laughter.

Olivia C. Toomey: "I never heard of that one before!"

Hunger: That would have been extraordinarily awkward if you were a bit uglier.

Hunger: Matter of fact- you have been distracted. The bass in front of you is about 80% finished.

Hunger: When did you even eat all that?

Hunger: The dead, white eyes of the fish stare back at you.

IO Michael Sajdak: "Y'ever wonder why the fancy thing is to serve these with the bones, head and stuff? Must have been a freak who thought of that." And other such attempts at breaking the ice and not looking like a psychopath to this potential contact.

Olivia C. Toomey: She reaches for her bag and pulls out a pack of paper mint candy. She eats one and offers you another.

IO Michael Sajdak: I take and eat one with a smile.

Olivia C. Toomey: "I have an idea. How about we get coffee at my place? I got four hours until I need to go pick the kids up from practice so... yeah."

IO Michael Sajdak: I can't tell if I'm better at this than I thought or if this chick is an axe-murderer but I go along with it and tell her that sounds awesome.

Olivia C. Toomey: "Alright. We're not splitting the bill though."

Hunger: That's fine, you got more than enough cash to throw.

Hunger: You finish up and drive to her place. It doesn't take long for the fun to begin. You could say it was bottled up for both sides.

Hunger: We're panning to Mariam.

SSA Mariam Helena Khoury: Let's ring younger Mike.

Deputy Michael Costa: He picks up.

Deputy Michael Costa: "What did you do to me?"

SSA Mariam Helena Khoury: "What? You rushed me out of the office after I handed you the papers."

Deputy Michael Costa: "I-..."

SSA Mariam Helena Khoury: "How's that headache? You looked beat."

Deputy Michael Costa: "..."

Deputy Michael Costa: Roll Persuade. Blind.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls CRITICAL SUCCESS! -> 11
(Rolling Persuade Target: 50%)

Deputy Michael Costa: "This is a fucking weird day..."

Deputy Michael Costa: "Listen. I-"

SSA Mariam Helena Khoury: "No, wait."

SSA Mariam Helena Khoury: "I know we went completely over you by ordering that disposal with CDC. You were right."

SSA Mariam Helena Khoury: "I want you in the loop on this. You've shown me that you can do whatever needs doing. Did I get that right?"

Deputy Michael Costa: "..."

Deputy Michael Costa: You can hear him breathing.

SSA Mariam Helena Khoury: "I'll point you the right way now that you've got those records in your possession. Kerry Houghton, the woman found brutalized at the dump, used to work for Maryland DHS up to 2001."

Hunger: Be very careful with the next few words

SSA Mariam Helena Khoury: "I'll connect the dots for you. We ran the footage of her abduction from her residence for facial ID, and it turns out that at least one of our killers is in those files you're holding. We're looking at a targeted, retaliatory murder."

SSA Mariam Helena Khoury: "Seeing as Houghton worked for the state, my impression is that MSP will try to muddy this all up and toss the shit in your backyard."

SSA Mariam Helena Khoury: "I'm with you on this. Do you understand?"

Deputy Michael Costa: "...Okay."

Deputy Michael Costa: "So you can pour this whole thing over MSP? Somehow?"

SSA Mariam Helena Khoury: "That's some way to put it, Michael. We're still compiling our report. I can tell you this much; Cecil County won't catch any flak the way this is going."

Deputy Michael Costa: "Alright... look. I gotta go. Fuck, I need another coffee."

Deputy Michael Costa: "Can we go over this again tomorrow? Or the other day?"

SSA Mariam Helena Khoury: "Give me a call. There should be an update by then."

SSA Mariam Helena Khoury: "Also."

SSA Mariam Helena Khoury: "Keep a lid on it for now, capisce?"

Deputy Michael Costa: "...Yeah."He sounds like he's in pain as he hangs up.

SSA Mariam Helena Khoury: That went great.

Hunger: Will that be all?

SSA Mariam Helena Khoury: Until we head out to Boston, yes.

Hunger: Who said you can go to MA?

SSA Mariam Helena Khoury: Ohhh... I'll check in with Pitz.

Asst. U.S. Attorney Antony Pitzerelli: "I have 40 seconds for you I'm about to go in a meeting."

SSA Mariam Helena Khoury: "Some fucker at the lab snuck out while we were performing the autopsy on those CDC corpses we talked about. I've got his address."

SSA Mariam Helena Khoury: "Boston, MA. Are we good to go?"

Asst. U.S. Attorney Antony Pitzerelli: "No. Call the lab. Ask them to run an inventory check."He hangs up.

Hunger: You can do this, by the way.

SSA Mariam Helena Khoury: I'll do that, we can skip over the convo for quickness!

Hunger: Dr. Grace says they'll do it close to the end of today's shift (starting around 5 PM).

Hunger: And that nothing has been reported stolen so far.

SSA Mariam Helena Khoury: Works... I've got nothing on my mind for now. I think we can let Velasquez draw her own conclusions on what she finds at DHS.

Hunger: We're panning to Darius.

Hunger: Cumberland, MD.

Hunger: You arrive in the small town of Cumberland, MD. Not a whole lot for you to do here besides head towards the nearby prison.

Hunger: It could reasonably be called a "hidden gem" but it's a bit... eeh... too white for you Darius.

Hunger: 1300R. Cumberland NBCI.

Hunger: Out one prison, into another. When will this nightmare end?

Hunger: How do you present yourself at the entrance?

ASAC Darius Jeremiah Cruz: I can just show my ID to get in, right?

Hunger: Either one works. Fake or real?

ASAC Darius Jeremiah Cruz: Real? I don't think risking getting busted for using a fake ID here is the best idea...

Hunger: Reasonable. You're logged and waved past inside without your gun. You're heading to see Becky Marshall.

Hunger: This is medium security. You're made to wait fifteen minutes and then led inside of a "meeting cell".

Inmate 47283121 (Becky Marshall): "Who the fuck is this?"

Inmate 47283121 (Becky Marshall): "I WANT MY LAWYER!"

ASAC Darius Jeremiah Cruz: "Woaah, woah... Easy, I'm only here to ask you a couple of questions, then I'll be out of your hair."

Inmate 47283121 (Becky Marshall): "I don't know who the fuck you are. I've never seen you before."

ASAC Darius Jeremiah Cruz: "Look, ma'am, this will only take us a few minutes. If it makes you feel much better, I don't really know you, either."

Inmate 47283121 (Becky Marshall): "..."

Hunger: Showing your badge might be useful.

ASAC Darius Jeremiah Cruz: I'll show her my badge, then, if it'll get her to stop wiggling out.

Hunger: Contested CHA roll. Blind, table.

Inmate 47283121 (Becky Marshall): "The DEA huh. I heard you like to make deals."

Inmate 47283121 (Becky Marshall): "I'll propose you one. I'll tell you everything I know and then you'll transfer me to protective custody."

Hunger: No need to roll for Law or Bureucracy. There's no fucking way you can get this done on feet.

Hunger: You can attempt to lie, or deflect, if you want.

ASAC Darius Jeremiah Cruz: "I'll see about pulling some strings if you cooperate, but only if you do so. Don't bullshit me now."(I am ABSOLUTELY going to try lying to her)

Hunger: Persuade, blind.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls CRITICAL SUCCESS! -> 11 (Rolling Persuade Target: 50%)

Inmate 47283121 (Becky Marshall): "Ask away."

ASAC Darius Jeremiah Cruz: "I need to ask about your son, Samuel. More specifically, the home in which you adopted him from."

Inmate 47283121 (Becky Marshall): "Oh my fucking god... That's why the DEA is here..."

Inmate 47283121 (Becky Marshall): She sinks into the chair.

Inmate 47283121 (Becky Marshall): "Just... What did he do?"

Hunger: No need to bullshit her for a 2nd time, you already got a critical success.

Hunger: Let's just get into the meat and potatoes of it.

Hunger: She is a broken shell of a parent. She recounts life with Samuel Ball with a mixture of deep shame and recalled trauma. His intellectual disabilities, the doctor blamed his inability to decode or form language as the result of infant malnutrition, hinted at nothing of the behavioral or emotional struggles the child suffered.

Hunger: Samuel's constant outbursts strained the marriage terribly. When the Mcleods had their biological daughter in 2003, Becky thought things were beginning to improve, but Samuel's reactions to the child grew increasingly violent. The family exhausted itself financially trying to

find therapists capable of improving Samuel's behavior. By the time they found him with a knife in their daughter's room, they were at a breaking point. They "returned" Samuel out of fear for their daughter's safety, fully willing to accept the punishment for their actions.

Hunger: Their daughter is now in the permanent custody of her biological grandmother, as Becky has been in and out of Maryland jails since her release on neglect charges in 2007. Becky Marshall hasn't heard from her ex-husband in years.

Inmate 47283121 (Becky Marshall): "I had enough of this. I just want to go back to my cell and fucking sleep now."

Inmate 47283121 (Becky Marshall): "Are we done?"

Hunger: She is genuinely and extremely distressed recounting her life with Samuel. It's not acting or overplaying.

ASAC Darius Jeremiah Cruz: "Almost, I just need to ask one last thing. What do you know of the people who you adopted him from?"

Inmate 47283121 (Becky Marshall): "Nothing. We were mailed a list of 121 children with brief descriptions to pick from and decided to go with Satan. 'Playful and cat-like', my ass."

Hunger: Adopting a person is not like adopting an animal.

ASAC Darius Jeremiah Cruz: "You wouldn't happen to know the whereabouts of said list, would you?"

Inmate 47283121 (Becky Marshall): "Fuck I look like, a social worker?"

Inmate 47283121 (Becky Marshall): "Come on cop, I did my thing. Now go do yours."

Hunger: In all likelihood that list was probably misplaced or not made copies out of, if the original was returned to DHS.

ASAC Darius Jeremiah Cruz: "Alright, alright. I'm sorry for taking up your time, I'll go and see about getting you transferred."

Inmate 47283121 (Becky Marshall): You can see her softly crying as you leave the room.

ASAC Darius Jeremiah Cruz: I'm of half a mind to join her.

Hunger: 1500R.

Olivia C. Toomey: "Not bad at all."

Hunger: She's smoking a cigarette. You too, since you're so concerned about not coming off as gay.

Hunger: Now what?

IO Michael Sajdak: Shit, I almost forgot what I'm actually here for. I'll ask her what she's got on the Cornucopia case and who that contact of hers is, real smooth like.

Olivia C. Toomey: "I got the scoop on some grad student. He said he'd go test it at the university lab and mail some of it back to me for safe keeping. I didn't get the package tracking code yet, so..."

Olivia C. Toomey: "...Ah, shit."

Olivia C. Toomey: "Yeah, the black thing."

Olivia C. Toomey: "Apparently some of them were..." *she puts her fingers together extended making a weird noise.

Olivia C. Toomey: "It's freaky."

IO Michael Sajdak: I'm gonna have to kill this chick, aren't I?

Hunger: On the way you're making up some of your own orders, it looks like.

Hunger: Roll SAN.

Hunger: Parsed. Continue.

Olivia C. Toomey: "What the fuck is your malfunction, are you this spaced out the whole time?"

Olivia C. Toomey: "Jeez. You're turning me off."

Olivia C. Toomey: She gets up and starts dressing.

IO Michael Sajdak: "That story of yours sounds like a load of bullshit." I say, heading out.

Olivia C. Toomey: On your way out, you knock over a stack of journals from the night stand.

Olivia C. Toomey: This is, a journalists' apartment, after all. It's an assortment of various local publishings.

Hunger: This brochure falls out from one of them.

IO Michael Sajdak: "Aha. That's funny." I say on my way out.

Hunger: You're back outside. The time is 1600R.

Hunger: Darius, where are you headed after the meeting? Back to Baltimore?

IO Michael Sajdak: In the meantime I'm telling Mariam that that dude in Boston is about to snitch on us if we don't put him down ASAP.

ASAC Darius Jeremiah Cruz: I don't see why I shouldn't

Hunger: You'll be at Baltimore by 6.

SSA Mariam Helena Khoury: Can we clue Pitz in about this? Hate to insist but I think this warrants paying him a visit.

Hunger: Anderson's rabies results are here. Negative. He's still feeling a bit too shook and sick in the stomach so he will rest it off.

Hunger: You dial Pitz.

Hunger: He doesn't pick up.

Hunger: Meeting at the worst fucking time.

SSA Mariam Helena Khoury: FUUUCK!!

SDUSM George Elijah Jones: Yeah Sajdak probably should've killed xer.

IO Michael Sajdak: Seeing as I'm the moron who didn't just kill that chick right there and then I volunteer to drive over to the student's house in Boston on my own. Only the one person so we're not wasting time.

SDUSM George Elijah Jones: She's going to know it's you.

Hunger: Antony said no. However...

SSA Mariam Helena Khoury: I think we've chased the leads we had laid out for today and we have pertinent enough information that warrants heading out to Boston-- and yeah, someone staying in MD is optimal.

Hunger: Sajdak, roll Drive.

IO Michael Sajdak: Fuck Antony.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 40 (Rolling Drive Target: 20%)

Hunger: You notice a device at the wheel hub of your car and instinctively pull it out.

Hunger: Immediately afterwards, all of you get an e-mail.

Hunger: "This is an automated message. Don't do that.-Pitzerelli"

SSA Mariam Helena Khoury: Great minds think alike, I suppose.

Hunger: If no one has ideas, we are skipping to 6 PM.

SSA Mariam Helena Khoury: Sure.

Hunger: I'll need a yes from everyone. Pee break also.

SDUSM George Elijah Jones: Yea

ASAC Darius Jeremiah Cruz: Go for it man

IO Michael Sajdak: Surely doing nothing is a bad idea if this chick is about to get the evil CP substance mailed to her

Hunger: Orders are orders. Anyway, 6PM.

SSA Mariam Helena Khoury: We know the transaction is happening sooner or later, but the big man doesn't want us out of the premises. Best wait for the call.

Hunger: Mariam. Your phone rings.

SSA Mariam Helena Khoury: "Yello."

Hunger: "Hi it's Grace. We're missing two borosilicate vials."

Hunger: "That's all."

SSA Mariam Helena Khoury: "I'm sorry, I'm a Humanities sort of person. Is that related to the substance CDC disposed of?"

Hunger: "Unless you can fit an entire human body inside of a vial, no."

Hunger: "They may be lost."

Hunger: "I don't know."

SSA Mariam Helena Khoury: "Alright, understood. Let me know if Owen contacts you."

Hunger: "...Bye!"

Hunger: Well?

SSA Mariam Helena Khoury: My federal drone instincts are telling me that I don't want to head to Boston without prior authorization. I'll monitor Toomey's tracker while we wait.

Hunger: Your instincts tell you to DIAL PITZ RIGHT NOW AHHHHH!!! Besides, Toomey's tracker has been between her house and some football field.

SSA Mariam Helena Khoury: Bring the call up...!

Hunger: Adds up with what Michael's seen.

SSA Mariam Helena Khoury: Longest Meeting In History?

Asst. U.S. Attorney Antony Pitzerelli: "When they said that humans descended from Adam and Eve and lawyers descended from the Serpent they weren't lying."

SSA Mariam Helena Khoury: "Yeah, cool. Owen Beckett, Becker, whatever the fuck. He's got a sample. He took it back to Boston."

Asst. U.S. Attorney Antony Pitzerelli: "..."

Asst. U.S. Attorney Antony Pitzerelli: "Take care of it. Call me once you do."

SSA Mariam Helena Khoury: "Might have to, eh..."

SSA Mariam Helena Khoury: "You know."

Hunger: He already hung up.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury looks at her phone, doe-eyed.

Hunger: You should be at Owen's doorstep at around 1AM.

Hunger: 0100R. Boston, MA.

Hunger: His address is a few blocks down Harvard.

Hunger: Seeing that you don't want to stop for donuts, you're going right in.

Hunger: Objections?

SSA Mariam Helena Khoury: None from me.

IO Michael Sajdak: Nope.

SDUSM George Elijah Jones: Nope.

ASAC Darius Jeremiah Cruz: Nah

Hunger: George and Mariam, roll POWx5 each.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 4 (Rolling POW Target: 65%)

Hunger: George?

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 10 (Rolling POW Target: 50%)

Hunger: Very good, You suffer a regular -20% from fatigue, not a -30% from being very exhausted.

Hunger: You totally need rest after this.

Hunger: Loading...

ASAC Darius J. Cruz: 12

SSA Mariam H. Khoury: 12

SDUSM George E. Jones: 13

IO Michael Sajdak: 15

Hunger: Enable your weapon states (would be Secondary for all of you.)

Hunger: The front door was surprisingly unlocked. You're at floor one.

Hunger: It should be Room 121.

Hunger: Michael.

IO Michael Sajdak: I'll head on over there and gesture for Georgie, who I remember was able to pick locks, to follow my lead.

Hunger: Do so.

Hunger: Roll ALERTNESS.

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 47 (Rolling Alertness Target: 50%)

Hunger: This is room 121. The hallway is clear. You're covering for George.

SDUSM George E. Jones: Active Conditions Exhausted

Hunger: You can smash the shit in or lockpick it kindly, take your pick.

SDUSM George Elijah Jones: Lockpicking nicely.

Hunger: Hit the roll at -20%.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 50 (Rolling Craft (Locksmithing) Target: 20% (40%-20%))

Hunger: It will take another round.

SSA Mariam H. Khoury: Active Conditions Exhausted

Hunger: I already get what you're trying to do. Aim?

SSA Mariam Helena Khoury: Yessir.

SSA Mariam Helena Khoury: Condition Changes Aiming

ASAC Darius Jeremiah Cruz: I don't think I'd be able to lockpick it, but if you lot don't mind, I feel like I could probably break through the door.

Hunger: George is already working on it.

Hunger: Wait instead?

ASAC Darius Jeremiah Cruz: Yeah, I'll aim towards the door instead I guess.

ASAC Darius Jeremiah Cruz: Condition Changes Aiming

Hunger: The door unlocks.

IO Michael Sajdak: Opening up and heading in.

Hunger: Door swings inwards.

Hunger: The OWs see nothing.

Hunger: You make the turn.

Hunger: You also see nothing.

SDUSM George E. Jones: Active Conditions Exhausted

SDUSM George Elijah Jones: I'm going in towards the door furthest.

Hunger: Here?

SDUSM George Elijah Jones: yes

Hunger: On your way there, you see the television...

SDUSM George Elijah Jones: Let me guess. Predators ripping apart prey.

Hunger: It's playing a re-run of Captain & Tenille Show.

Hunger: They are singing Muskrat Love live.

ASAC Darius Jeremiah Cruz: Not this shit again...

SDUSM George Elijah Jones: Ain't nobody watching this shit in 2016.

Hunger: "And this is for you Henry..."

SDUSM George Elijah Jones: He should have Youtube open on his TV like a normal person.

Hunger: She is talking about Henry Kissinger ignoring the song when it was played for the White House ballet.

Hunger: Continue to the door?

SDUSM George Elijah Jones: Yes.

Hunger: You try the handle once. It's jammed.

SSA Mariam H. Khoury: Active Conditions Aiming Exhausted Aiming

ASAC Darius Jeremiah Cruz: Condition Changes Aiming

SSA Mariam Helena Khoury: Stacking up behind Jones, aiming down the door.

SSA Mariam Helena Khoury: Condition Changes Aiming

SSA Mariam Helena Khoury: I've grown fond of this song.

SDUSM George Elijah Jones: It's kitsch.

ASAC Darius Jeremiah Cruz: I'm running in, too.

Hunger: Is that it?

ASAC Darius Jeremiah Cruz: And I'm aiming at the door, of course.

ASAC Darius Jeremiah Cruz: Condition Changes Aiming

IO Michael Sajdak: I'll take the closer door since I'm not exactly scared of getting swiss cheesed by some pimply STEM kid.

Hunger: It's the bathroom. You clear the room, for a change the toilet is clean as you breach a house.

SDUSM George E. Jones: Active Conditions Exhausted

SDUSM George Elijah Jones: Is it blocked by an object from the other side?

SDUSM George Elijah Jones: Can I push through?

Hunger: You don't know. The lights flicker and the TV turns itself off.

SDUSM George Elijah Jones: I'll try using my girth to push through.

Hunger: STRx5.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 90 (Rolling STR Target: 80%)

Hunger: You shoulder the door once. It does not open.

SSA Mariam H. Khoury: Active Conditions Aiming Exhausted

SDUSM George Elijah Jones: Wow.

ASAC Darius Jeremiah Cruz: You're kidding

SSA Mariam Helena Khoury: Jesus. Talk about sending in the Samoan.

SSA Mariam Helena Khoury: I'm keeping my aim up.

ASAC Darius J. Cruz: Active Conditions Aiming

SSA Mariam Helena Khoury: Also, what's this over here?

Hunger: Window.

Hunger: Blinds down.

SSA Mariam Helena Khoury: What floor is this again?

Hunger: 1.

SSA Mariam Helena Khoury: How tall's the fall?

ASAC Darius Jeremiah Cruz: Fuck it, if George can't get it open, I'm going to try my hand at barging my way through.

Hunger: About 7 meters give or take.

Hunger: Darius, send it.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 8 (Rolling STR Target: 75%)

Hunger: After a few thumps...

Hunger: The door flies open.

ASAC Darius Jeremiah Cruz: It's all in the wrist, baby.

Owen Becker: The young man is splayed out on his own bed, covered in his own blood.

Owen Becker: Condition Changes Departed

Hunger: On top of it...

Unnatural Daughter: The thing is chewing on the poor kids guts.

SDUSM George Elijah Jones: NOPE.

Unnatural Daughter: It looks back at you.

Hunger: Michael.

IO Michael Sajdak: Surely we can't leave this in a fucking dorm block as Delta Green agents.

Hunger: The smell is OVERWHELMING. All of you.

Hunger: Gingerbread, turning into sewage.

Hunger: It's the good old smell of hell.

Hunger: EVERYONE, SANLOSS.

IO Michael Sajdak: I'm closing the door so no students walk in on us.

SDUSM George E. Jones: Active Conditions Exhausted

Hunger: Target is large.

SDUSM George Elijah Jones: Man, fuck you, I'm outta here.

SSA Mariam Helena Khoury: "THE STOVE! LET THE FUCKING GAS RUN!"

Unnatural Daughter: "Where... going...?"

SDUSM George Elijah Jones: Yeah, I'll run and do that and then proceed to skeddadle.

SDUSM George E. Jones: You flip the gas switch on... and then...

SDUSM George Elijah Jones: All burners gas on.

Hunger: On your way out ROLL DODGE to not trample Sajdak.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 27 (Rolling Dodge Target: 30%)

Hunger: Your target was 10%.

SDUSM George Elijah Jones: Lucky. That could be a serious injury with me.

SDUSM George Elijah Jones: Unlucky.

Hunger: Roll 1d4 damage to deal to Sajdak.

SDUSM George E. Jones: 4

IO Michael Sajdak: Condition Changes Stunned Prone

IO Michael Sajdak: FUCKING HELL

Hunger: THAT'S A WOUND.

Hunger: ROLL.

Hunger: My bad, that's my roll

Hunger: Hunger rolls 1d10 -> 6 (Draws a result from the Random Hit Location d10 table)

Hunger: Hunger rolls 1d6 -> 2 (Draws a result from the Torso Minor Wounds (3, 4 Dmg) table)

Hunger: Your gut doesn't start bleeding, but you get hit with a nasty elbow to the stomach.

Hunger: You're already stunned, roll Conx5 for another round of stun.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 81 (Rolling CON Target: 70%)

Hunger: 2 rounds!

SSA Mariam H. Khoury: Active Conditions Aiming Exhausted

SSA Mariam Helena Khoury: How long do we think it'll take for the room to be full of gas?

Hunger: Several turns.

SSA Mariam Helena Khoury: How many turns do we think it'll be until shooting a gun here'll be dangerous for us?

Hunger: YOU CAN FIRE IT NOW IF YOU WANT!

SSA Mariam Helena Khoury: Good idea. That's what I'm doing.

Hunger: Roll your rolls

SSA Mariam Helena Khoury: Just damage from the size of the target, right?

Hunger: Not with this shit, you have a glock.

Hunger: Roll as usual.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 71 (Rolling Firearms Target: 40%)

Hunger: You don't miss, it's a huge target.

Hunger: Roll Damage. No bodypart- does this thing even has bodyparts?

SSA Mariam Helena Khoury: 7

Hunger: Bullets sink into it.

Unnatural Daughter: It cries out in a sick scream between pain and an orgasm.

SSA Mariam Helena Khoury: Jesus help us.

ASAC Darius Jeremiah Cruz: As much as I'd rather not let my viscera paint the room, I don't think I'd be able to live with myself if I didn't SHOOT THE MOTHERFUCKER

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 40 (Rolling Firearms Target: 40%)

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Failure -> 51 (Rolling Firearms Target: 40%)

Hunger: You unload, likewise.

Hunger: Roll damage.

ASAC Darius Jeremiah Cruz: 2

Unnatural Daughter: "sSS--SSS"

ASAC Darius Jeremiah Cruz: DIE, DAMN YOU!!

Unnatural Daughter: It's his turn now.

Unnatural Daughter: Or her. It is walking towards you, Darius.

Unnatural Daughter: 27

IO Michael Sajdak: Darius really is a magnet for these things isn't he?

Hunger: It shoots out a probioscis at your torso.

Hunger: 4

ASAC Darius J. Cruz: It hits the blunt of the kevlar vest. You're fine.

IO Michael Sajdak: Active Conditions Stunned Prone

Hunger: World spins around you...

SDUSM George E. Jones: Active Conditions Exhausted

Hunger: Is George escaping the scene?

SDUSM George Elijah Jones: I noticed I knocked the fuck out of Anderson so I'm going to 180 and pick his ass up.

Hunger: You mean Sajdak.

SDUSM George Elijah Jones: oh yeah

Hunger: Okay then, that would be a STRx5.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 79 (Rolling STR Target: 80%)

SDUSM George Elijah Jones: That's crazy.

Hunger: You holster your gun and fireman carry him.

Hunger: Next turn you will escape the scene.

SSA Mariam H. Khoury: Active Conditions Aiming Exhausted Aiming

SSA Mariam Helena Khoury: I'm shooting THEN moving (with movement debuff) as I retreat in the doorway's direction.

Hunger: From this angle if you shoot carelessly you might accidentally strike Darius.

Hunger: Especially if youre headed to the doorway.

Hunger: He's standing right up in front of you.

SSA Mariam Helena Khoury: What if I stay put where I am?

Hunger: Your choice.

SSA Mariam Helena Khoury: Dammit. It's not smelling like gas yet, is it?

Hunger: You don't want to be around when it starts smelling like gas.

SSA Mariam Helena Khoury: I'm moving over this way, giving Darius room to get out.

Hunger: Mariam, as you turn around...

ASAC Darius Jeremiah Cruz: Can I shoot and then haul ass? I want this thing dead almost as much as I'd like to keep my limbs attached.

Hunger: Roll ALERTNESS.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 35 (Rolling Alertness Target: 70%)

Hunger: There's a toaster plugged into the outlet. All you'd have to do it set it to maximum.

SSA Mariam Helena Khoury: I'll do that now if it doesn't risk Darius getting caught in the eventual blast zone.

Hunger: Honestly you have no way to tell if this will even work unless you close the door behind you and pray for it.

Hunger: That being said, wait your turn.

Hunger: Darius?

ASAC Darius Jeremiah Cruz: As I said earlier, if possible. I'm firing off then getting outta here!

Hunger: Move as far as you wish and deal damage dice.

ASAC Darius Jeremiah Cruz: 9

Unnatural Daughter: "Aaa--aa--aa"

Unnatural Daughter: It's moving slower now...

IO Michael Sajdak: Active Conditions Stunned Prone

SDUSM George E. Jones: Active Conditions Exhausted

ASAC Darius Jeremiah Cruz: " 'A- A- A-' ASSHOLE!!!"

Hunger: George? Leaving?

Hunger: I don't think you have in mind to do anything else. You escape the scene with Michael.

SSA Mariam H. Khoury: Active Conditions Exhausted

SSA Mariam Helena Khoury: I'm running over to the toaster, cranking it on, and getting past the door, ready to close it behind Darius.

Hunger: Roll DEXx5.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 35 (Rolling DEX Target: 60%)

Hunger: You'll be able to swivel past him and exit the room in the same turn.

ASAC Darius Jeremiah Cruz: I'm shooting that /thing/ one last time, before finally getting the hell out of the room myself.

ASAC Darius Jeremiah Cruz: 8

Hunger: Damage.

Unnatural Daughter: It flops on its... ???... and then starts crawling on the floor.

Unnatural Daughter: "It's been like a real game of cat and mouse... My toy..."

Hunger: You close the door behind you.

SSA Mariam Helena Khoury: "What the FUCK?!"

SSA Mariam Helena Khoury: "Help me hold this shit shut!"

ASAC Darius Jeremiah Cruz: "You ain't gotta tell me twice!"

Hunger: You really don't want to be holding it shut.

Hunger: Escaping the scene is trivial now.

SSA Mariam Helena Khoury: Yeah, thought about that after saying it. It's crawling, so we're safe to assume... yes.

Hunger: You're escaping...

Hunger: Almost no bystanders are around at this hour- and to the noise of gunshots, no one even dares to peek their head out.

Hunger: This is not the hood or the projects.

Hunger: After a few minutes...

Hunger: The night sky lights up and a fire plume begins rising to the sky.

Hunger: You're driving away.

Hunger: Windows shatter down the block.

SSA Mariam Helena Khoury: Good thing he didn't have a vitroceramic...

SSA Mariam Helena Khoury: We're uh. Calling Pitz.

Hunger: He's not picking up his phone. As you drive out of the city, you see helicopters circling above the residential neighbourhood...

Hunger: God's Teeth - Red Thoughts - Session 3 END.

Hunger: Thanks for playing!

God's Teeth - Red Thoughts - Session 4

May 2, 2026

Hunger: Delta Green - God's Teeth - Red Thoughts

Hunger: 0830R. George H. Fallon Building, Baltimore, MD.

Hunger: You're gathered in front of the building, near the main entrance. Some of you are sitting on a granite slab of a bench, while the others are idling with their phones.

Hunger: The meeting is in 30 minutes, but Pitzerelli is nowhere to be seen. What are you thinking, now that you are at the end of the line?

IO Michael Sajdak: That this is gonna happen all over again if one of those kids does something stupid enough.

SSA Mariam Helena Khoury: Not much besides those three loose ends we've yet to tie up.

Hunger: Which ones?

SSA Mariam Helena Khoury: Gable, Perez Cunningham, Ball.

Hunger: Of course.

IO Michael Sajdak: I still can't believe that someone could get a new lease on life like they did and just... piss it all away. It makes me angry.

Hunger: It can't be worse than being born into whatever the hell that is, surely.

SSA Mariam Helena Khoury: I don't think they had much choice in the matter, seeing the situation we're in ourselves.

SSA Mariam Helena Khoury: They're not at all unlike us!

Hunger: Perhaps. Even at this hour, it's getting warm.

Hunger: After a few moments, you see Pitzerelli walk towards the plaza in a totally graceless stride, in a suit that looks like it was crumpled into a ball and then straightened out again.

Asst. U.S. Attorney Antony Pitzerelli: "Hi. Are you guys ready?"

SSA Mariam Helena Khoury: "What happened to your ironing board?"

Asst. U.S. Attorney Antony Pitzerelli: "Kinda pawned it off for some speed, you know. Jared Leto style."

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury nods knowingly.

SSA Mariam Helena Khoury: "I think we're ready."

Hunger: He might as well have been. It's not normal to put off sleep for this long.

Hunger: You're moving to one of the entrances, if there are no objections.

IO Michael Sajdak: Nope.

Hunger: You enter through a small sliding door and walk down a ramp for a while. This entrance leads directly to a sub-basement.

Asst. U.S. Attorney Antony Pitzerelli: Pitzerelli goes through first, putting his bag in the X-ray. The cop pats him down and lets him thru.

A Police Officer, male: "Weapons and electronics into the box please."

Hunger: Is everyone obliging?

SSA Mariam Helena Khoury: Complying.

SSA Keith Alan Pike: I guess so.

SDUSM George Elijah Jones: Yep.

A Police Officer, female: The female officer pats Mariam down.

Hunger: Michael?

IO Michael Sajdak: Yeah.

A Police Officer, male: He collects all of your weapons and electronic stuff and brings them over to the security checkpoint, locking them in a large safe box.

Hunger: You hear nothing but footsteps down the corridor. Once you're done, you notice that Costa and Velasquez are tailing you, at the checkpoint.

Hunger: You enter a conference room. The seats are arranged U-style and there is a big TV mounted on the wall.

Asst. U.S. Attorney Antony Pitzerelli: Pitzerelli is setting his stuff on the table.

Hunger: You take your seats, one by one.

Hunger: The sheer silence of it is chilling. Only Pitzerelli's bag clacking against the table is heard.

Hunger: Up next, the two familiar faces show up.

Det. Sgt. Almudena Velasquez: "Oh, okay."

Det. Sgt. Almudena Velasquez: "Alright."

Det. Sgt. Almudena Velasquez: She nods to all of you.

Deputy Michael Costa: Costa trails behind her, looking anxious.

Deputy Michael Costa: He doesn't say anything and simply takes a seat, holding his hands together.

Asst. U.S. Attorney Antony Pitzerelli: You remember what Pitzerelli said to you on your way in here.

Asst. U.S. Attorney Antony Pitzerelli: "Ostensibly you are providing state and local authorities a progress report of the investigation and outlining DOJ procedures for continued work on the case. Privately, this is not a discussion, you are Uncle Sam, telling the kiddos how things are going to be."

Asst. U.S. Attorney Antony Pitzerelli: Any of you, roll HUMINT. George gets a bonus.

Asst. U.S. Attorney Antony Pitzerelli: You see cracks in the lawyer's practiced facade. He's sweating despite the blasting AC. His eyes stay fixed on the faces of Velasquez and Costa like a man watching a bomb countdown. It's clear that Pitzerelli's purpose in the meeting is to judge the two officer's reactions to the new version of events.

Asst. U.S. Attorney Antony Pitzerelli: You hold Velasquez's and Costa's lives in your hands, and you will be the ones to snuff them out if they fail. The stakes are up in the space.

Asst. U.S. Attorney Antony Pitzerelli: Mariam, roll SANLOSS.

Asst. U.S. Attorney Antony Pitzerelli: "So, are we all set?"

SSA Mariam Helena Khoury: "Looks like it."

Asst. U.S. Attorney Antony Pitzerelli: Pitzerelli is staring at his watch.

Asst. U.S. Attorney Antony Pitzerelli: As soon as he lifts his head up from it...

Man in a suit: The door opens, and a man enters the room.

Man in a suit: He looks at your faces, and then finds a nice place to recline against. He doesn't seem interested in sitting.

Man in a suit: He takes a pack of cigarettes out of his pocket, but then shoves it back in. Instead, he pulls out a cigar tube and proceeds to take it out of it and cut a hole at the business end.

Man in a suit: "Oh, don't mind me. Just here to watch a show." "...And I do have an eye for the moment." He is talking about the cigar.

Man in a suit: Despite the fire alarm detectors, he lights it. They don't go off.

Man in a suit: "Do continue."

Hunger: EVERYONE, ROLL BLIND UNNATURAL

Hunger: All of you can clearly sense the scent coming from this man.

Hunger: Gingerbread cookies, slowly eroding into a disgusting slurry of rotten meat, cheese and sewage.

Hunger: It has been coming out of Pitzerelli too. But Pitzerelli smells like he had a dab of this odor on him. This man smells like a can of room spray.

Asst. U.S. Attorney Antony Pitzerelli: "Alright. Opening arguments."

Hunger: Any of you can begin.

SSA Mariam Helena Khoury: "Alright-- we've got plenty to cut through. Let's start with the 2001 investigation of the Cornucopia House site in Zion, Cecil County." I look into Costa's eyes for a moment.

SSA Mariam Helena Khoury: "As we all know, Detectives Dale and Baswell with MSP were in charge of the operation, with -at the time- State Trooper Velasquez." I nod in her direction. "We've poured effort into discerning their findings regarding the incident, and we came up with a distinct lack of documentation."

Det. Sgt. Almudena Velasquez: "You came up with a what?"

Asst. U.S. Attorney Antony Pitzerelli: You hear him say under his breath: "Oh boy..."

IO Michael Sajdak: Michael grimaces for a second.

SSA Mariam Helena Khoury: "That's right. We learned over the past few days that Families Without Frontiers, the DHS-associated organization linked to the site, maintained operations in Zion for a number of years."

SSA Mariam Helena Khoury: "The original incident did not beget a full investigation into the organization, nor the site. The fact that... how many was it?" I look around the room. "Sixty-one and counting bodies were found, fifteen years after the initial incident..."

SSA Mariam Helena Khoury: "It's a clear sign of a major dereliction of duty from Maryland State Police's part at the time."

Det. Sgt. Almudena Velasquez: "...We had 9/11 afterwards."

Det. Sgt. Almudena Velasquez: "We couldn't spare the manpower."

SSA Mariam Helena Khoury: "We're familiar with the effects of that particular tragedy, yes... still, we're talking about months lost by Dale and Baswell."

Det. Sgt. Almudena Velasquez: "The months- what the fuck are you talking about?"

SSA Mariam Helena Khoury: "It happened in February, did it not? 9/11 has nothing to do with the initial investigation, which ended up wrapping it all up under the 'drug hit' catch-all umbrella."

Det. Sgt. Almudena Velasquez: "We did our best, it's all there."

SSA Mariam Helena Khoury: "And we're here to tell you that Dale and Baswell's best was not enough." I pause. "As for Cecil County, they only had custody of the site for some two days. None of the facts suggest wrongdoing from their part at the time."

Deputy Michael Costa: He gulps and corrects his shirt, and keeps playing with his moustache.

SSA Mariam Helena Khoury: "I think that's all we have to say, preliminarily, about the 2001 incident."

SSA Mariam Helena Khoury: "And the following investigation, of course." I'm looking at my guys for a second for Some Assistance.

IO Michael Sajdak: "I think we owe the detective a proper explanation of our position. All this sidestepping is a little undignified..."

IO Michael Sajdak: "We believe that the Cornucopia House case was the fruit of long-standing negligence on the part of Maryland state. The problem lied, as we see it, with the relationship between the Cornucopia operation and the Russian Mafia - to which the state had a sort of... Edgar Hoover relationship until things became impossible to ignore in 2006. If it's all Russians hurting other Russians - and public resources were scarce - it'd make sense that things have taken so long to come to light."

Det. Sgt. Almudena Velasquez: "Oh yeah?"

Det. Sgt. Almudena Velasquez: She reclines and crosses her arms.

Man in a suit: The smell of the cigar permeates the room. A nutty smell with notes of truffle and oak. Who knew tobacco could have such depth? It does not even match the sourness coming from him, begging you to destroy it.

Det. Sgt. Almudena Velasquez: "Tell me about it."

SSA Mariam Helena Khoury: Can I look intently in the guy in the corner's direction while Sajdak grabs Velasquez's attention?

Hunger: You look intently. It's an old guy smoking a cigar.

Hunger: He looks back and grins.

SSA Mariam Helena Khoury: I breathe in deeply, trying to ignore the smell, even for a moment.

Hunger: Impossible.

IO Michael Sajdak: "Kerry Houghton, whose murder sparked this whole fiasco, had been visiting that orphanage for about a decade until it was destroyed in 2001. Among other things, she found out that the orphanage had served as a sort of legal mechanism to procure children, invisible to the state, out of Russia and vice versa. We believe the purpose of the operation must have been known by that point at the latest, and that it was only left alone due to a cosa nostra on Russian crime in particular. That's our angle, in short."

Det. Sgt. Almudena Velasquez: Michael, roll HUMINT Blind.

Hunger: She just seemed to grin like a chimp who is too threatened, the way they bear their teeth at what they are afraid of.

Deputy Michael Costa: "Well I know for one we did our jobs right."

Det. Sgt. Almudena Velasquez: "Huh?"

SSA Mariam Helena Khoury: SSA Mariam H. Khoury raises her hand subtly at Costa in a "shut the fuck up" gesture.

Deputy Michael Costa: "That's right. We ain't got no say over no association-"

Deputy Michael Costa: He stops abruptly.

Det. Sgt. Almudena Velasquez: She deflates.

Det. Sgt. Almudena Velasquez: "So then, what are you gonna tell the media? That we fucked up?"

Det. Sgt. Almudena Velasquez: "We got a mountain of writing to back that up. We did our jobs too."

SSA Mariam Helena Khoury: "That's a very simplistic way to go about a very long chain of events, some of which the State Police had no involvement in."

SSA Mariam Helena Khoury: "But the very, very short version of it is that MSP must and will take responsibility for the mishandling of their 2001 investigation. It's been fifteen years those bodies have been lying there, undisturbed."

SSA Mariam Helena Khoury: "In a number of cases, even more, as shown by forensics work."

IO Michael Sajdak: I'm struggling to keep a straight face and very glad that Mariam is shameless enough to do what I don't have the balls to. Telling some poor woman that we're sticking the blame for a bunch of dead children on her, fucking hell...

Det. Sgt. Almudena Velasquez: "Nah you won't. The old men had no clue about the possibility of that many graves down beneath the land. It's a non-starter."

Det. Sgt. Almudena Velasquez: "What happens instead is that the county will be held responsible for two whole days of putting it off before the kids and the owner disappeared."

Deputy Michael Costa: He balls his fist but stays quiet.

SSA Mariam Helena Khoury: "And just how'll you go about that, Sergeant?"

Det. Sgt. Almudena Velasquez: "I've been there, I've read all the records."

SSA Mariam Helena Khoury: "Certainly, we'll be glad to peruse any documentation you might come up with that we might've missed."

Det. Sgt. Almudena Velasquez: "Is there a fax machine here? Matter of ten minutes."

SSA Mariam Helena Khoury: I look in Pitz's direction.

Asst. U.S. Attorney Antony Pitzerelli: Antony shakes his head in disapproval.

Det. Sgt. Almudena Velasquez: "Well then 30 minute recess or something."

SSA Mariam Helena Khoury: I don't know why I'm hesitating, it's up to Pitz. We know those records are missing, and how she'll react when she makes the call. I'm just looking at him again.

SDUSM George Elijah Jones: Probably not a good idea if we're trying to save her ass to have MSP know that they're missing.

SSA Mariam Helena Khoury: Speak up, then!

Asst. U.S. Attorney Antony Pitzerelli: "You can make a call. It's not like this is prison."

Asst. U.S. Attorney Antony Pitzerelli: "We have landline... here."

SDUSM George Elijah Jones: Do I got them in hand?

Asst. U.S. Attorney Antony Pitzerelli: He goes to the back of the room and returns with a landline phone, extending to its limit.

Det. Sgt. Almudena Velasquez: "Thanks."

Asst. U.S. Attorney Antony Pitzerelli: Pitzerelli is sweating profusely.

Det. Sgt. Almudena Velasquez: She dials a number and the phone rings.

SDUSM George Elijah Jones: "You might want to hold off on that call,"

Det. Sgt. Almudena Velasquez: "Hey, Charlie, it's me, Velasquez."

Det. Sgt. Almudena Velasquez: "I need you to look up a file, now."

Det. Sgt. Almudena Velasquez: "Yes, in the archives."

SDUSM George Elijah Jones: George is taking out something from his bag.

Det. Sgt. Almudena Velasquez: "It's zero one, MSP, CIB, zero four, one two one."

Det. Sgt. Almudena Velasquez: "Okay."

Det. Sgt. Almudena Velasquez: She turns her head to you.

SDUSM George Elijah Jones: And he drops the Dale & Baswell record stack on the table with a thud.

Hunger: "Hellooo- He-"

SSA Mariam Helena Khoury: That's the edited originals, right?

Det. Sgt. Almudena Velasquez: Velasquez slams the phone shut.

Hunger: Those are, matter of fact, the unedited originals.

Det. Sgt. Almudena Velasquez: She bangs on the table and gets up."YOU MOTHERFUCKER!"

Deputy Michael Costa: Costa recoils in fear.

Det. Sgt. Almudena Velasquez: Det. Sgt. Almudena Velasquez rolls Success -> 71 (Rolling STR Target: 80%)

Hunger: One side of the table legs bend outward, inclining the table permanently.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury rolls her chair a couple of feet back.

Det. Sgt. Almudena Velasquez: "YOU CAN'T DO THIS!"

SSA Mariam Helena Khoury: I thought the originals had turned into the Edited Originals, but we'll deal with it as it comes, I guess.

SDUSM George Elijah Jones: We'll place them after we explain the sitch.

SDUSM George Elijah Jones: "Sit down - this is a lifeline, you just don't know it yet."

Det. Sgt. Almudena Velasquez: She looks around the room.

Asst. U.S. Attorney Antony Pitzerelli: Pitzerelli nods her to take a seat again.

Det. Sgt. Almudena Velasquez: "You wanna go pound for pound? Okay, let's do it."

SDUSM George Elijah Jones: "If you think I'd take the files to fuck with you specifically you're way in over your head and frankly, that's kinda self-aggrandizing."

Det. Sgt. Almudena Velasquez: "Not at all, no. It's starting to make PERFECT sense actually."

Det. Sgt. Almudena Velasquez: "The crime angle never made sense to me from the start. When George told me about the suspects, I immediately ran them back. I did some visits. All of them were victims of the orphanage fire. But why come back to kill the social worker if your home got shot up by the Mafia? Why not become a regular vigilante instead?"

SDUSM George Elijah Jones: "That's it - keep it coming."

SSA Mariam Helena Khoury: "Because the bitch had full knowledge of the operation and didn't do anything to stop it, that's why."

Det. Sgt. Almudena Velasquez: "We thought we got it clear in 2006. The Russians earnestly fucked up Yelena and co for some reason. Money, drugs, whatever. After that apocalyptic fuckfest, it looked like they could do anything if they wanted to. But it didn't go that way. Russian organized crime in Maryland is non-existent now. It's filled in by the cartel. MS-13 and the bunch. Once they pulled out Natalia Chermeninko's body out of the wreckage in Moscow-on-Chesapeake, for us it was like they killed Superman and got away with it. Together with all her aides too. An entire generation of criminal masterminds reduced to charcoal. I still remember Baswell's face watching the news. There's a memorial there now."

SDUSM George Elijah Jones: "Go on."

Det. Sgt. Almudena Velasquez: "Oh you're gonna love what's coming."

SSA Mariam Helena Khoury: I don't think this is a conversation Costa should be here for, if we're getting into this shit.

Det. Sgt. Almudena Velasquez: "Ryan's drug priors involve no kind of gang activity, and he has no record from the moment he moved to Maryland. There's no way he was not recruited and made to stay clear while getting his supply directly from the source. His profile disagrees, that freak would have absolutely gotten into low level trouble at some point. Nobody they arrested for the affair shows up on any law enforcement database MSP has access to. One of the bodies in Cornucopia House was cross-referenced. These ones, not even a speeding ticket. They said that guy was the new kingpin? They didn't even find him. What a joke."

Det. Sgt. Almudena Velasquez: "And the dead kids. Why put so many of them in the ground in the first place if you're so honorable as to let them go after you kill their abusers? The Russians never gave a shit about them. They didn't just 'let them go', they escaped. I kept my own photographs of some of the bodies they dug up before you came around. I matched two to missing childrens cases in 2000. Polyester clothing, huh? The Russians were running the whole thing, and were in on it."

Det. Sgt. Almudena Velasquez: "There was no gang shootout. There are no split-off gangs. No witnesses, no confessions. And most importantly, no follow-ups to what they have been building. It's like the Russian mafia in Northeastern US was erased from existence overnight. What that means is, someone else did this. All of this."

SDUSM George Elijah Jones: "And why?"

Det. Sgt. Almudena Velasquez: "But now that I know you took the files from the barracks, I know for a fact that something is up. I did my own digging too you know. The annex for the 2006 incident says effectively nothing on it. You sent 11 of the bodies into the incinerator while I was gone. One of the kids they called in for the excavation is dead in his own apartment. Something big is up. And I will not fucking stand for it."

Det. Sgt. Almudena Velasquez: "I couldn't talk to the trooper who discovered the body yet, but that's the first fucking thing I will do once I walk outta here. The second will be to send your asses to the prison for theft and lying. You shouldn't have fucked with me."

SDUSM George Elijah Jones: George looks over at Maryam: "You know, I think it's time to quit it with the theatrics."

SSA Mariam Helena Khoury: I'm looking at Pitz and gesturing towards Costa with my head.

Deputy Michael Costa: "Uh... Whaa-?"

Asst. U.S. Attorney Antony Pitzerelli: Pitz is buried in his desk, fingers rubbing temples hard.

Asst. U.S. Attorney Antony Pitzerelli: "Jesus Christ..."

SDUSM George Elijah Jones: George looks at Costa and says: "You might want to go to a water cooler and have a nice cold cup of water for like... until we call you back in, man."

SDUSM George Elijah Jones: And he shrugs

Asst. U.S. Attorney Antony Pitzerelli: He looks up at Costa.

Asst. U.S. Attorney Antony Pitzerelli: "Go ahead."

SSA Mariam Helena Khoury: "Just give us a few minutes, Michael." I nod at him, as reassuringly as I can.

Deputy Michael Costa: He leaves the room and waits outside without saying another word.

Man in a suit: "I have to say, it has been like a real game of cat and mouse."

SDUSM George Elijah Jones: George grins at Pitzarelli: "Told you she was a good fit, huh? Good head on her shoulders. Type A to the max."

Man in a suit: He takes another big puff.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury looks at the man in a suit like she'd just seen a ghost.

Det. Sgt. Almudena Velasquez: "What the fuck does that mean you big fat mother fucker?"

SDUSM George Elijah Jones: "Right back at you She-Hulk," George looks at Maryam: "Enough with the theatrics - fill her in and present the ultimatum. She's clearly invested in a personal way and that's the worst kind of enemy we can have,"

SSA Mariam Helena Khoury: I don't even know if it should be ME doing this instead of the case officer! Oh Shit!

Asst. U.S. Attorney Antony Pitzerelli: "Another agent will do the hard part... just go on."

SDUSM George Elijah Jones: I can assist with sweet-talking, don't worry about it.

Asst. U.S. Attorney Antony Pitzerelli: "She should be here soon."

SSA Mariam Helena Khoury: "Bear with us for a few minutes. 2001, Families Without Frontiers, Yelena Kalimatiano, Ryan Innonekty."

SSA Mariam Helena Khoury: "Ryan Innokenty was a nobody. You've got that right."

SSA Mariam Helena Khoury: "You'll think I'm insane by saying this, as you probably did when Dale and Baswell said the same." I point at the stack of files.

SSA Mariam Helena Khoury: "There is a certainty... that the children were being methodically kidnapped, abused, and killed... not for pleasure, not for trafficking, but for worship."

SSA Mariam Helena Khoury: "The strike in February 2001. That was retribution."

SSA Mariam Helena Khoury: "Can you bring yourself to resent the executors, faceless as they are, even with how little you know?"

SSA Mariam Helena Khoury: "A cadre of pedophiles and child-killers was snuffed out that night. How does that make you feel?"

Man in a suit: His cigar is finished, it's just a butt hanging off his lips now. He puts it out on an ashtray he brought in.

SDUSM George Elijah Jones: "Keep in mind that what's been going on at Cornucopia house had been going on for years, under the radar."

Man in a suit: He looks at Pitzerelli.

SDUSM George Elijah Jones: "Until 2001."

Man in a suit: "Well, it's been too long since you've been up. The fault is partly mine. My attentions, elsewhere. My thoughts, divided. There is more fuel for my tiny fires in this strange place. Perhaps we may play again soon. I do so miss the games we played..."

Asst. U.S. Attorney Antony Pitzerelli: He nods respectfully.

Man in a suit: The man leaves the room, after speaking in tongues.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury rubs her neck, anxiously watching the guy's departure.

IO Michael Sajdak: "Who the fuck is he?"

SDUSM George Elijah Jones: George leans into Sajdak to whisper: "Someone who's in too deep. Deeper than us."

SSA Mariam Helena Khoury: "Not the moment." I look back at Velasquez, gauging her reaction.

Det. Sgt. Almudena Velasquez: "So you're telling me they are all dead?"

Det. Sgt. Almudena Velasquez: "We already know that."

SSA Mariam Helena Khoury: "They're all dead. They weren't made to go through the fanfare of judicial punishment."

Det. Sgt. Almudena Velasquez: "Jesus can you stop beating around the bush for five seconds?"

SSA Mariam Helena Khoury: "Do you want me to spell it out?"

Det. Sgt. Almudena Velasquez: "Spell out WHAT?"

SDUSM George Elijah Jones: "Think, woman - if the motive wasn't drugs or gangs - why burn an entire orphanage down?"

SSA Mariam Helena Khoury: "We killed every single one of them at Cornucopia House in 2001. We killed every single one of them at Moscow on Chesapeake in 2006."

SSA Mariam Helena Khoury: "I'm asking you again; how does that make you feel?"

Det. Sgt. Almudena Velasquez: She sinks back in her chair and rolls backwards.

Det. Sgt. Almudena Velasquez: "And that's why we are all here. To swipe it under the rug."

SDUSM George Elijah Jones: George, as much as it pains him to think this - really wishes that they still had the pink folder.

Asst. U.S. Attorney Antony Pitzerelli: Antony is on his 6th "disassembling and reassembling the pen" since this started.

SSA Mariam Helena Khoury: "That's just it. And you may yet have a career in MSP provided you do exactly as we say."

SDUSM George Elijah Jones: "No, wait."

SDUSM George Elijah Jones: "She's still on that gang shit - she thinks the US Gov illegally killed a bunch of people to stop the 'mafia'."

Det. Sgt. Almudena Velasquez: She laughs to herself. "How could I have been stupid. Ahhaha, of COURSE it's the feds!"

SDUSM George Elijah Jones: "There we go."

Det. Sgt. Almudena Velasquez: She wipes off tears.

SDUSM George Elijah Jones: "Tell her 2001. The way we saw it."

SSA Mariam Helena Khoury: "What else do you want me to tell her, George? They were worshipping. That's enough for now."

SDUSM George Elijah Jones: "You make them sound like hippies."

Det. Sgt. Almudena Velasquez: She's ecstatic at the fact that the case is already solved with everyone at the business end executed.

Det. Sgt. Almudena Velasquez: "This must be like, suppper classified."

Det. Sgt. Almudena Velasquez: "I can't believe you're even disclosing this to me."

SDUSM George Elijah Jones: "Someone here doesn't want you to commit suicide by shooting yourself in the back of the head six times."

SSA Mariam Helena Khoury: I'm just nodding at that comment.

SSA Mariam Helena Khoury: Hopefully she'll get it.

Asst. U.S. Attorney Antony Pitzerelli: "Alright I think that's enough."

Asst. U.S. Attorney Antony Pitzerelli: He turns at the door.

SA Elena Rachel Douglas: A woman enters.

SA Elena Rachel Douglas: She walks up to Velasquez.

SA Elena Rachel Douglas: "I'm Special Agent Elena Rachel Douglas from the FBI. I need you to come with me."

Asst. U.S. Attorney Antony Pitzerelli: Antony nods in approval.

Det. Sgt. Almudena Velasquez: "Alright, now is the part where I sign an NDA I guess."

Det. Sgt. Almudena Velasquez: She dusts off and leaves the room with the lady.

Hunger: EVERYONE, roll INT.

Hunger: BLIND

Hunger: Impressively, all of you manage to clock the name. This is the woman who requested your search warrant at the Maryland archives building.

Hunger: She came here from Florida? It's possible via plane.

Asst. U.S. Attorney Antony Pitzerelli: He says something to Rachel.

Asst. U.S. Attorney Antony Pitzerelli: "Elephants eat trunks black orchard vector eats black orchards."

SA Elena Rachel Douglas: "Black orchard stormy eats away the rain."

Hunger: They leave.

Asst. U.S. Attorney Antony Pitzerelli: "Oh and call the boy back inside."

Hunger: "Alright!"

Deputy Michael Costa: Costa returns and take a seat.

Deputy Michael Costa: "I'm ready to pretend that I did not hear a single sentence of that shit, please."

SSA Mariam Helena Khoury: "Sorry, what?"

Asst. U.S. Attorney Antony Pitzerelli: "I wouldn't worry about it."

Asst. U.S. Attorney Antony Pitzerelli: "Anyway, she agreed to let MSP take the blame. County makes no additional comment on the press release."

Asst. U.S. Attorney Antony Pitzerelli: "Capiche?"

Deputy Michael Costa: "Y-yeah. Of course."

Asst. U.S. Attorney Antony Pitzerelli: "Well I think that brings us to closing."

Asst. U.S. Attorney Antony Pitzerelli: "Anyone would like to add anything extra?"

SSA Mariam Helena Khoury: "I need to wash my face." I'm standing up and heading to the closest restroom to splash the coldest water I can.

SDUSM George Elijah Jones: "Can we not have that creepy fucker here next time?"

Asst. U.S. Attorney Antony Pitzerelli: "She's alright."

IO Michael Sajdak: "My thanks to everyone that we were able to settle this amicably. Fucking hell, my heart..."

SDUSM George Elijah Jones: "The other one."

Asst. U.S. Attorney Antony Pitzerelli: "Deputy Costa, you're dismissed."

Asst. U.S. Attorney Antony Pitzerelli: "Let the sherrif know."

Deputy Michael Costa: "Ok- okay."

Deputy Michael Costa: He's leaving. This is likely the last time you'll ever see him again.

Deputy Michael Costa: And off he goes.

SDUSM George Elijah Jones: "Glad to know that you had the guillotine sharp and ready for us in advance, Pitz."

Asst. U.S. Attorney Antony Pitzerelli: "My pleasure. I need you all to come with me to the furnace. It's not a literal furnace but that's what it's called."

SSA Keith Alan Pike: Keith neatly pushes his chair back into place, glad to leave the room without a single word spoken the entire time.

Hunger: It's almost like the goal of this meeting was to speak the least amount of lines as possible, when you think about it.

Asst. U.S. Attorney Antony Pitzerelli: Pitzerelli is finished packing. Anyone have an objection for moving on?

SSA Mariam Helena Khoury: None, I'm back from splashing by now.

SDUSM George Elijah Jones: Nope, I'm getting the fuck outta here. Velasquez managed to reach the right conclusion - for her. She didn't go too deep.

IO Michael Sajdak: None.

Hunger: "Now that's dealt with, I need you to hand over any notes, false IDs, paperwork, and evidence related to Cornucopia House. Electronics too."The attorney escorts you to a room with a quality archival scanner of images into a 60 TB attached SSD. Everything is to be digitized and encrypted in the Program's records. Once scanning is complete, Pitzerelli himself removes the scanner's computer memory and places it with any gathered electronics into a Faraday bag.

SDUSM George Elijah Jones: "Not one to tell you how to do your jobs - but probably best to get the edited copy of the Dale & Bawhatever case into the MSP archives."

Hunger: The comment is ignored by Pitzerelli.

Hunger: "Your next order, get rid of all this shit. I'm chuting it down to the shredder. Just follow the signs.""Oh, and before you go, be careful out there. You're not done, you're just resting. Go make an excuse to the wifey, soon, you're going hunting."

SDUSM George Elijah Jones: Oh boy.

Hunger: The subbasement of the G.H. Fallon Federal Building contains a Formax 8906CC high-capacity paper shredder, located at the edge of the loading dock leading to the service elevator. It serves all the confidentiality needs of the various departments above. The machine can cut 650-page binders into ribbons in seconds. The hundred-gallon industrial baler at the bottom of the machine is padlocked until off-loaded by a waste service and transported to an incinerator. Pitzerelli warned you that he ordered an early pickup to ensure the minced evidence heads directly into a furnace. The dump truck sits parked on the other side of the basement parking lot, the clueless driver playing on his phone. Who is doing the shredding and who is slacking off?

SSA Mariam Helena Khoury: I'm gonna shred. Who's that guy?

Hunger: That's the disposal truck driver.

IO Michael Sajdak: I've been spooked enough by the past week that I'm helping shred every last page, lest we all enjoy a repeat of this week when we're in our 70s.

SDUSM George Elijah Jones: George is using his bulk to help with shredding.

SSA Keith Alan Pike: Keith watches. It looks like they have it covered.

IO Michael Sajdak: When you have normal people investigating Program affairs it kinda shines a light on how batshit crazy it all is, I've realized. It feels kinda like getting caught with porn as a kid.

Hunger: The squealing whine as the teeth of the machine whirr into motion scratches your eardrums. As the engine of the shredder starts, the brake lights of the dump truck flash. The driver has seen the last document being shredded and backs up to load the bale. Powerless to signal over the truck's beeping indicator and screaming engine of the machine, it becomes clear too late that the truck is riding too high: it doesn't have full clearance.

Hunger: EVERYONE, ROLL DODGE, PUBLIC.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 49 (Rolling Dodge Target: 30%)

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 19 (Rolling Dodge Target: 30%)

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 35 (Rolling Dodge Target: 30%)

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 50 (Rolling Dodge Target: 50%)

Hunger: The top of the dumper clips the big metal sign reading “LOADING DOCK. “ A chain breaks free, sending one end of the sign scything through a rusting pipe of the overhead sprinkler system. High-pressure iron-oxidized water sprays reddish-brown stink all over the basement. The other mooring on the sign snaps, bounces off the braking dump truck, and slams on top of the Formax. The weight of the debris tips the shredder over the lip of the loading dock and sends the entire apparatus slipping over the side. Before anyone can say, “stop,” you witness the two-ton machine slip over the edge and explode against the concrete below. The still-running engine sends a spray of confetti into the air. Paper weaves through the hissing red sprinklers like streamers in a maelstrom.

SSA Mariam Helena Khoury: "HOLY FUCK!"

Hunger: The shower of papers land all over you in clumps. All of you get an itch on the scars where an animal bit you in 2001. Mariam, a clump lands on your scar. Three scraps of shredded paper have landed on it, with splotches of red water on certain words: "...defendants ASK that the state acknowledge..." "...authorities wish to KNOW the providen..." "...BECOME the point-of-contact for..."

Hunger: The rest of you extend your hands out by reflex. In the snowfall of the paper, you all find the same three words, cut from different paper, written in different fonts. The oblivious driver exits the vehicle, looking for a shut-off valve and cursing about getting fired. The back of his jumpsuit reads “Cat’s Paws Shredding Services.” The cartoon cat logo is eerily familiar. The misaligned, damaged teeth of the broken machine continue to spark and scream, grinding themselves to shrapnel against the concrete.

A Man: "FUCK! DAMNIT!"

SDUSM George Elijah Jones: "Is this why they call it the furnace?"

SSA Mariam Helena Khoury: I'm just standing in place, looking over the cutouts in my hands.

Hunger: All of you have an intrusive, and unhinged thought. Whatever question you may have towards what's making this happen, you have until the last piece of paper falls onto the ground to seek answers. Everyone, ask away, and roll SANLOSS BLIND as you do so.

SSA Mariam Helena Khoury: WHO ARE YOU...?

SDUSM George Elijah Jones: What are we supposed to become?

IO Michael Sajdak: What's the endgame for all this shit?

SSA Keith Alan Pike: How long has this been going on?

Hunger: Mariam, you reach out: "...ever growing HUNGRY for the demands..." "...the biggest nonsense in the UNIVERSE..." "...a roadmap has been PLANNED for..."

Hunger: George, "...tells of a PREDATOR ring in..." "...will know that it will SERVE..." "...see them as PREY animals..."

Hunger: Michael, "...the ever-ending CYCLE is..." "...not any of them, NONE of which are..." "...will likely continue FOREVER as we..."

Hunger: Keith, "...ever since it's INCEPTION the..." "...wants a new BEGINNING for..." "...it indicates a fresh START as..."

Hunger: As you reach for the snowflake clumps, the last of them meet the cold concrete and the machine finally seizes up.

Hunger: Delta Green - God's Teeth - Red Thoughts END.

Hunger: Thanks for playing!

God's Teeth - White Teeth - Session 1

May 16, 2026

Hunger: Delta Green - God's Teeth - White Teeth

Hunger: A game about providence

Hunger: Unknown place and time.

Hunger: The young man is perched against the corner, back feeling some relief from the humid air from the cold of the earth.

Hunger: His eyes are on the floor. He doesn't need to look up.

Hunger: Another young man enters the room, not unlike him in his degeneration.

Hunger: He hands him a sharp and thin boning knife. They agree to what comes next without even nodding.

Hunger: It will happen, it was always meant to be.

Hunger: 03 SUN OCT 16 1000R.

Hunger: Chesapeake Bay Bridge, Annapolis, MD.

Hunger: The crew is heading to Charlotte Hall in a red streak of a convoy.

Hunger: Everyone brought their own cars, again. It's American culture. What do you think so far?

SSA Mariam Helena Khoury: I'm thinking this is corny and we look suspicious as hell. I'm speeding up.

SDUSM Anderson Fowler: I just think we look gay.

Hunger: Roll Drive.

SDUSM Anderson Fowler: Promo shoot gay.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 62 (Rolling Drive Target: 60%)

IO Michael Sajdak: After what happened last month I'm almost having misgivings about going through with this in the first place. My mindset, as I explained it to the others, is that if this whole hunt is a part of some occult conspiracy then it might genuinely make sense to simply let the little fuckers from Maryland run rampant. Hell, they have every right to be angry, with what they went through and all...

Hunger: A car honks back hard at you as you fail to gap it in rush hour traffic.

SDUSM George Elijah Jones: George has the thought that maybe he should re-paint his Toyota black.

Hunger: 1030R.

Hunger: Charlotte's Rest Veterans Home stands just outside Charlotte Hall, Maryland. It is entered through a large parking lot that adjoins the main complex. The facility offers living apartments, a nursing home, and outbuildings used for family meals and musical guests. Expansive courtyards encourage spins in the wheel-chair and quiet reading under shady trees. Gertrude, Kerry Houghton's fellow survivor of Maryland's failed oversight of Cornucopia House, has lived in room 121 for almost twenty years.

Hunger: There seems to be a small gathering up front.

SDUSM George Elijah Jones: George will walk to the gathering and try to push past people to see what's up.

SSA Mariam Helena Khoury: I'll walk in his wake as he opens up room...

Hunger: As you get closer, you notice a woman crying hysterically.

Hunger: It seems that a loved one was lost today.

Hunger: None of your business, but the whole staff is busy with the affair.

SDUSM George Elijah Jones: That's a bummer - it would be even more of a bummer if it's the person we're looking for.

Hunger: You could pull the nearest staff-looking person and ask. You'll need their permission to enter anyway.

Hunger: This place doesn't allow unscheduled visitors, just like King Torino.

SDUSM George Elijah Jones: This will be done. I will be informing her that we're on an investigative capacity and we need to visit the resident of room 121.

SDUSM George Elijah Jones: Or him.

SDUSM George Elijah Jones: Depends on the staff.

An EMT, female: "Excuse me? Director Kaufield is busy signing paperwork."

An EMT, female: She herself looks busy with trying to collect details.

SDUSM George Elijah Jones: Can we enter reception?

SDUSM George Elijah Jones: Oh - well - "Who passed?"

An EMT, female: "Ms. Williamson. Natural causes. What did you say you want again?"

An EMT, female: Go ahead and hit a Persuade.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 8 (Rolling Persuade Target: 70%)

An EMT, female: "Alright look, jeez lady calm down... Just go past and pretend we never spoke okay? You got a badge."

SDUSM George Elijah Jones: We've got some questions to ask and we've been empowered by the federal govt. and yada-yada-yada. We're in.

Hunger: You can proceed.

SSA Mariam Helena Khoury: "Well that bit of chatting could've been skipped."

SDUSM George Elijah Jones: "If we start abusing our badges questions will be asked sooner rather than later."

Hunger: As soon as you enter, you hear a familiar melody.

SDUSM George Elijah Jones: Muskrat mothafuckin' love.

Hunger: The dusty halls echo with the creepy song that Henry Kissinger hates.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury starts quietly whistling along with the tune.

Hunger: Are the others just standing outside?

Hunger: I don't know why he is not moving

Hunger: Use arrow keys

SDUSM George Elijah Jones: George wants to raid the ABC studios archives and burn every copy of the Captain & Tennille show. He's had it with this song.

Hunger: You can continue.

SDUSM George Elijah Jones: Any sign pointing to RECEPTION?

Hunger: Down the hall to north.

Hunger: That door is just a frame, it looks like the real thing is removed.

Hunger: Your footsteps clack.

SDUSM Anderson Fowler: "Fucking maze in here."

SDUSM Anderson Fowler: "Who puts the reception up their ass?"

SDUSM George Elijah Jones: "You think they make it like this so dementia patients get stuck in the maze and don't wander off?"

Hunger: Nurses station is right up north.

Hunger: George, you're actually bullseye.

SSA Mariam Helena Khoury: "Right. Where's Mike and Darius?"

Hunger: You don't know how you can tell.

IO Michael Sajdak: "Isn't this guy meant to be a vegetable anyway."

SDUSM Anderson Fowler: Fowler shrugs.

SDUSM Anderson Fowler: "I waited for them."

Hunger: Mike and Darius are a little behind you.

SDUSM Anderson Fowler: "Talk of the devil."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods.

SDUSM Anderson Fowler: "Let's go."

SDUSM George Elijah Jones: "You better pray he's a mammal and not a vegetable."

Hunger: GEORGE. ROLL ALERTNESS.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 15 (Rolling Alertness Target: 50%)

Hunger: As soon as you approach the nurse station, you see a thin trail of red beneath the table.

A Woman: There is a body, tucked beneath the desk. Fresh blood. Very fresh.

SDUSM George Elijah Jones: Hand on hip.

Hunger: Combat states!

SDUSM George Elijah Jones: He's holding at his holster as he moves up and looks over the desk.

Hunger: Michael, roll SIGINT.

Hunger: Combat states to secondary, all of you only have sidearms.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 72 (Rolling SIGINT Target: 40%)

Hunger: Michael, if you're really fast, you can watch the last few seconds of the CCTV footage.

Hunger: You need to hop the desk and start working NOW.

SSA Mariam Helena Khoury: I'm leaving room for him to head over.

SDUSM George Elijah Jones: "Mariam, we gotta get to 121 and quick!"

Hunger: Room 121 is down the hall.

IO Michael Sajdak: I rush over to see.

Hunger: Let's parse.

Hunger: Michael.

SDUSM George Elijah Jones: George is kicking the door in.

Hunger: The footage shows the paramedics arriving, rushing through the door to get Ms. Williamson in 122.

IO Michael Sajdak: Wait, is the receptionist fucking DEAD?!

Hunger: Before the front door can close, a young girl enters and flourishes her homeless rags. She has a knife.

Hunger: Dogs follow her.

Hunger: She gets into a cabinet- THAT cabinet.

IO Michael Sajdak: Wait, is the receptionist fucking DEAD?!

Hunger: Once the paramedics are finished and heading towards the garage, she comes out and heads inside 121.

SDUSM Anderson Fowler: Yes.

Hunger: George.

SDUSM Anderson Fowler: Well, seemingly dead.

Hunger: Time freezes before you act. You have one more chance to go through this, and wait for people to stack up on you. You do not know what the interior looks like.

Hunger: Michael will be at the rearmost as he is lagging.

Hunger: Physically, he just left the CCTV station.

SDUSM George Elijah Jones: I wait up for people to stack for a moment.

SDUSM George Elijah Jones: Then I'm kicking it in.

ASAC Darius J. Cruz: Take position.

Hunger: If you feel ready, hit a STR.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls CRITICAL SUCCESS! -> 11
(Rolling STR Target: 80%)

Hunger: You plant your big boot on the door and with the adrenaline rush of it, the thing literally flies off the hinges and lands flat on the ground.

Hunger: Immediately you see a dog, waiting there as if on command.

Hunger: You'll have to close in to see more. The dog is not doing anything.

SDUSM George Elijah Jones: I shoot that motherfucker post-haste.

SDUSM George Elijah Jones: ATF style.

Gertrude Deropf: "SHE- SHE'S ONE OF THE QUIET CHILDREN NOW! AARRGH--!"

Hunger: You kill the dog with a clean shot in the skull.

Lamaroo: Condition Changes Departed

SDUSM George Elijah Jones: Pushing in.

SSA Mariam Helena Khoury: I'm trailing.

Hunger: Before you even think of it, two more dogs come out from the back of the room and charge at you. You already used your initiative to act a dog that was standing perfectly still.

Hunger: They are going to retaliate.

Birk: Birk rolls Success -> 26 (Rolling Custom Target: 50%)

Birk: This giant schnauzer pounces on you.

SDUSM George Elijah Jones: I attempt to get it biting on my arm and not my neck as I will use my other arm to start slamming it repeatedly at the wall if it doesn't knock me down.

Birk: No need to roll opposing strength, the dog is much more determined and stronger than you. You're knocked down while trying to protect your face and eyes with your free arm.

SDUSM George Elijah Jones: Damn.

SDUSM George Elijah Jones: Condition Changes Prone

Birk: Condition Changes Prone

Birk: It's thrashing you.

Birk: 3

Birk: You take 3 damage to your LEFT ARM.

SSA Mariam Helena Khoury: Are they rolling over each other and shit or can I walk up and shoot the dog across the torso right now?

Birk: Birk rolls 1d6 -> 4 (Draws a result from the Arm Minor Wounds (3,4 Dmg) table)

Birk: It broke the skin in your forearm, but it's not serious.

Birk: They are matter of fact rolling over eachother and BLOCKING YOU TOO.

SDUSM George Elijah Jones: Does it have my gun arm?

Birk: Now it's the OTHER DOGs turn.

Birk: It caught your free arm.

This Gal: This Gal rolls CRITICAL SUCCESS! -> 22 (Rolling Custom Target: 50%)

This Gal: 1: Mariam2: Fowler

This Gal: 2

SDUSM George Elijah Jones: When the other dogs do their thing I'll try to smack it's skull with the butt of the pistol.

This Gal: This standard poodle is going to leap over George like a dark streak of ink and go straight for Fowler's throat, just like it did with the receptionist nurse.

This Gal: Not aimed, therefore..

This Gal: This Gal rolls 1d10 -> 9 (Draws a result from the Random Hit Location d10 table)

This Gal: It got your gun hand!

This Gal: 5

SDUSM Anderson Fowler: "FUCK!"

This Gal: This Gal rolls 1d6 -> 5 (Draws a result from the Arm Serious Wounds (5,6,7 Dmg) table)

SDUSM Anderson Fowler: "HEY!"

This Gal: It clamps down hard enough to knock you down and give you a nice hairline fracture.

This Gal: Condition Changes Prone

SDUSM Anderson Fowler: Condition Changes Prone

SSA Mariam Helena Khoury: Aye Who Turn It Is

Elle Gable: Her turn is spent. She executes Gertrude.

Gertrude Deropf: Condition Changes Departed

Elle Gable: She comes outside of the room and absolutely SCREAMS her vocal cords out, more baboon than woman.

Elle Gable: "HYAAAAAAAAEEEEEEEEEEEEEEEEE---"

Elle Gable: She's going to tackle, pin and execute you with a knife.

Elle Gable: Tackle will be unarmed.

Elle Gable: Elle Gable rolls Failure -> 95 (Rolling Unarmed Combat Target: 60%)

Elle Gable: She trips over George and Mariam stops her at Range 1. Not grappling range, but this is still very dangerous with a knife.

Elle Gable: Mariam can dodge or riposte with a pistol whip.

Elle Gable: The other two can see you in the corridor now.

SSA Mariam Helena Khoury: Like, before my turn comes up?

Hunger: Yes, NOW!

SSA Mariam Helena Khoury: Yeah I'll whip it.

SSA Mariam Helena Khoury: Unarmed?

Hunger: Pistol whip is melee, Unarmed if you wanna punch her, either is valids.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 31 (Rolling Unarmed Combat Target: 40%)

Hunger: You could also DODGE but you successfully land a riposte attack.

Hunger: Now, roll the relevant dice.

SSA Mariam Helena Khoury: 2

SSA Mariam Helena Khoury: That it?

Hunger: NO! Bodypart

SSA Mariam H. Khoury: SSA Mariam H. Khoury rolls 1d10 -> 4 (Draws a result from the Random Hit Location d10 table)

Elle Gable: Elle Gable rolls 1d6 -> 4 (Draws a result from the Torso Minor Wounds (3, 4 Dmg) table)

Elle Gable: Elle Gable rolls Success -> 54 (Rolling CON Target: 70%)

Elle Gable: You deck her straight in one of the kidneys but she seems to be a MANIC IMMUNE TO PAIN!

SDUSM Anderson Fowler: Active Conditions Prone

SDUSM Anderson Fowler: He got my gun arm. Well.

Hunger: With a succesful DEX you can get your knife instantly.

SDUSM Anderson Fowler: Might as well.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 14 (Rolling DEX Target: 80%)

Hunger: You extend your knife. It's ready to be used on the dog.

SDUSM Anderson Fowler: Can I do it on the same turn?

Hunger: YES!

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls CRITICAL FAILURE! -> 66 (Rolling Melee Weapons Target: 20%)

SDUSM Anderson Fowler: Shit.

Hunger: You whiff it and hit...

Hunger: 1: Mariam2: Elle

Hunger: 1

Hunger: MARIAM in the leg.

Hunger: Roll Damage.

SDUSM Anderson Fowler: 1

SSA Mariam Helena Khoury: I don't give a Fuck. I'm locked in on my prey, I can't feel it.

Hunger: He accidentally cuts you in the leg.

Hunger: Michael, you actually have a clear shot on Elle.

IO Michael Sajdak: I SHOOT HER!

Hunger: Dice.

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 5 (Rolling Firearms Target: 50%)

Elle Gable: Damage & bodypart

IO Michael Sajdak: 5

IO Michael Sajdak: IO Michael Sajdak rolls 1d10 -> 4 (Draws a result from the Random Hit Location d10 table)

Elle Gable: Elle Gable rolls 1d6 -> 3 (Draws a result from the Torso Serious Wounds (5, 6, 7 Dmg) table)

Elle Gable: Elle Gable rolls Success -> 41 (Rolling CON Target: 70%)

Elle Gable: She is a MANIC IMMUNE TO PAIN! But she still has a burst lung.

SDUSM George E. Jones: Active Conditions Prone

SDUSM George Elijah Jones: I'm going to pistol whip this thing at it's neck so I can get up and slam it until dead.

Hunger: You can freely do so. Melee.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 46 (Rolling Melee Weapons Target: 50%)

Hunger: Don't wait for me to greenlight you to roll the other dice just do it

SDUSM George Elijah Jones: 7

Birk: Birk rolls 1d6 -> 2 (Draws a result from the Head Critical Wounds (8+ Dmg) table)

Birk: You hit the thing in the head for 8 damage. The grip of your Glock caves it's eye in and it...

Birk: Birk rolls Failure -> 89 (Rolling CON Target: 40%)

Birk: It dies instantly.

Birk: Condition Changes Departed

SSA Mariam Helena Khoury: Do I have a 10% malus to my pistol while at this range?

SDUSM George Elijah Jones: If I can get up I get up and then turn to help Maryam with psycho bitch on my turn later.

Hunger: Firing?

SSA Mariam Helena Khoury: That's right.

Hunger: Then yes.

SSA Mariam Helena Khoury: I'll deck her again instead then.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 28 (Rolling Unarmed Combat Target: 40%)

SSA Mariam Helena Khoury: ROLL NOT GOING THROUGH...

Hunger: That one went through, you hit her.

SSA Mariam H. Khoury: SSA Mariam H. Khoury rolls 1d10 -> 1 (Draws a result from the Random Hit Location d10 table)

SSA Mariam Helena Khoury: 0

Elle Gable: She takes a slight bruise to the knee. It's not looking good.

ASAC Darius Jeremiah Cruz: Do I have any semblance of a shot from here?

Hunger: You do, actually.

ASAC Darius Jeremiah Cruz: Well then I take it and shoot at her, then!

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Failure -> 95 (Rolling Firearms Target: 40%)

Hunger: MISS!

Gertrude Deropf: Active Conditions Departed

This Gal: Active Conditions Prone

This Gal: It's going to keep clamping down on your arm.

This Gal: 2

This Gal: It fucking hurts, but the brunt of the damage is already done.

A Woman: Active Conditions Departed

SDUSM Anderson Fowler: Anderson shouts in pain. "SHOOT IT!"

Elle Gable: Her tackle is interrupted. She's going to stab you instead.

Elle Gable: Elle Gable rolls Failure -> 76 (Rolling Melee Weapons Target: 60%)

Elle Gable: She misses a lunge at your heart. You can riposte or take another melee action without the need to dodge.

SSA Mariam Helena Khoury: Can I try shooting at her instead now?

Elle Gable: I don't see why not.

SSA Mariam Helena Khoury: This is with a -10%.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 73 (Rolling Firearms Target: 40%)

Hunger: Your gun-fu is incredibly lacking- and incredibly dangerous. You miss and hit the wall.

SDUSM Anderson Fowler: Active Conditions Prone

SDUSM Anderson Fowler: Can I try to strangle it?

Hunger: You're still holding onto the knife, as for the strangling, not from where you are.

Hunger: It has the upper hand on you.

SDUSM Anderson Fowler: Then I go for another stab.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 12 (Rolling Melee Weapons Target: 20%)

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls 1d10 -> 2 (Draws a result from the Random Hit Location d10 table)

SDUSM Anderson Fowler: 3

This Gal: You stick your knife in its leg, and it whimpers helplessly as it lets go.

This Gal: Condition Changes Prone Terrified

IO Michael Sajdak: "FUCKING DIIIIIIIIIIIIE AAAAAAAHHH!!!!"

IO Michael Sajdak: I say, shooting at Elle again.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 98 (Rolling Firearms Target: 50%)

SSA Mariam Helena Khoury: "OH MY GOD-"

Hunger: Almost as if it's not meant to be, all of your bullets hit the brick and mortar and lose their usefulness.

SDUSM George E. Jones: Active Conditions Prone

Hunger: George. You don't need to get up to act, just so you know.

SDUSM George Elijah Jones: I'm going to be getting on my knees and grabbing this bitch by the ankle and pulling HARD so she goes down faceplant first.

SDUSM George Elijah Jones: Ankles

Hunger: You can totally do that with Unarmed.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 40 (Rolling Unarmed Combat Target: 70%)

Elle Gable: "EEK!!"

Elle Gable: Your dirty trick works. You yank her off her balance and her skull slams down onto the hard floor.

Elle Gable: Condition Changes Departed

Elle Gable: She stops breathing as soon as she touches down.

SSA Mariam Helena Khoury: She's fucking dead?

IO Michael Sajdak: "FUUUUUUCK!!!"

Elle Gable: The skull splits open at the side from Mariam's shot. She was dead before that.

SDUSM George Elijah Jones: Condition Changes Prone

SDUSM Anderson Fowler: Condition Changes Prone

IO Michael Sajdak: "How the fuck are we meant to explain this one?!"

SSA Mariam Helena Khoury: "She assaulted us."

This Gal: The dog loses interests in you and tries to limp away on three legs.

SSA Mariam Helena Khoury: I take it this woman's got a hole in her chest.

Hunger: Actually, not exactly.

Hunger: Let's take a minute breather here, I need to go to the bathroom and info dump.

SDUSM Anderson Fowler: Fowler just looks at and holds his arm.

SDUSM Anderson Fowler: "Shit just keeps biting me."

IO Michael Sajdak: "We save their lives only for them to pull THIS SHIT..."

SDUSM George Elijah Jones: George huffs and puffs and dusts himself off as he stands up:
"We gotta take the initiative on this - I don't think we're going to be taking any prisoners."

Hunger: Anderson's wound first. Darius, roll First Aid.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 52 (Rolling First Aid Target: 70%)

Hunger: Roll Medicine.

SDUSM Anderson Fowler: "Thanks Cruz."

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Failure -> 61 (Rolling Medicine Target: 40%)

Hunger: Throw a d4 as well.

ASAC Darius J. Cruz: 2

Hunger: You bandage and splint his arm. The symptoms are consistent with hairline fracture, although you can't say the extent of the damage. Bad things might happen if he decides to put weight on this one, at least for a while.

Hunger: He'll live.

ASAC Darius Jeremiah Cruz: "I'd say "any time," but I'd quite like it if we /didn't/ cut it close like that again."

Hunger: As for Elle.

Elle Gable: Without an inch of doubt she's no longer with us in this world. However, she has a quaint expression on her face.

Hunger: Michael, roll History.

SDUSM Anderson Fowler: "We just beat a bunch of dogs and a crazy bitch."

SDUSM Anderson Fowler: "It's gonna get much uglier than this."

Hunger: Actually, do that again blind. My bad for not calling that out.

SDUSM George Elijah Jones: "Boy, you sure are a walking jinx, aren't you?"

Hunger: You have a quaint thought at the sight.

Elle Gable: It looks like she died smiling with a wide, pleasant grin. It's common for people to urinate when they die for all the muscles relax at once, but this is not a spillage. You notice that she was extremely sexually aroused at the sight of the forced entry, at the people waiting on the other end of the door. You read something about Joan of Arc being in a similar state when she was executed, due to what's widely assumed to be pure religious ecstasy.

Elle Gable: As for the scream itself- it came out with the same flat affect rictus smile as here. Like it was more rehearsed, rather than something out of instinct or fear.

Elle Gable: You have never seen anything like this before in your career of occasionally taking lives. SANLOSS.

SDUSM Anderson Fowler: "Who'd get a single neck tattoo?"

SDUSM George Elijah Jones: Everyone?

SDUSM Anderson Fowler: "That's the real psycho shit right there."

Elle Gable: Just Michael.

Elle Gable: As for the tattoos, she only has one visible. Dozens, maybe hundreds underneath, scribbles of homeless drug addict bullshit. The usual fracasse.

Elle Gable: No letters or numbers anywhere.

Gertrude Deropf: Mariam, let's see to Gertrude.

SSA Mariam Helena Khoury: Let's gaze upon her.

Gertrude Deropf: First of all, she is holding something in her fist.

Gertrude Deropf: It's still rigid, despite the recent passing.

SSA Mariam Helena Khoury: I'll reach for her hand to see what she's got in it.

Gertrude Deropf: It's a pamphlet for St. Laurence Church and homeless shelter.

Gertrude Deropf: It seems to be drawn on.

SDUSM George Elijah Jones: Probably Conradin on that last page.

Gertrude Deropf: You take a look around the room. You can already hear hurried footsteps down the hall.

SSA Mariam Helena Khoury: I'll tuck the paper in my pocket, yeah. The guys can look at it later.

Gertrude Deropf: From her medication, you can tell that indeed, her brain is completely vestigial besides breathing and eating at this point. It's an incredible amount of medication for one person to be taking.

SSA Mariam Helena Khoury: Anything else of interest here before witnesses roll through?

Gertrude Deropf: Elle stabbed Gertrude in the abdomen first, on the guts.

SSA Mariam Helena Khoury: Does she smell gingerbread?

SSA Mariam Helena Khoury: Do I feel anything inside, looking at her dead as she is?

Gertrude Deropf: A stab usually moves bowels out of the way. This one perforated its way through. A knife, nine times out of ten, does not have the surface tension to damage intestines.

Gertrude Deropf: It must have been an extraordinarily powerful blow.

Gertrude Deropf: As for the smell...

SSA Mariam Helena Khoury: Condition Changes Stunned

Hunger: Your mind goes back to 2001.

Hunger: Kerry Houghton bore some of the smell, but not to this degree. Her flesh is saturated with the acrid stink. The room feels hot with miasma rising up from the floor.

Hunger: The smell of freshly baked chocolate chip cookies well up. Somewhere in the odor lurks a chemical corruption, something urgently caustic that warns against taking a bite.

Hunger: Your mind races through what happened that faithful night.

Hunger: Her face..

Yelena Kalamatiano?: "Would you like some cookies and tea my dear?"

Hunger: ROLL SANLOSS.

Hunger: EVERYONE.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury snorts a chuckle, covering her mouth and nose.

Hunger: Mariam, inside all of this trauma, you have a revelation. Something was developmentally unique in the young woman's demeanor. Most humans verbalize in the presence of an adrenaline response or great pain, even if only subconsciously and unintelligibly. She seemed totally alien to the concept. As she charged you and as she died.

Hunger: It's too much for you to take. Roll Panic Reaction, secret roll.

Hunger: Something breaks inside of you, and it's any sense of mercy you had towards these fools.

SSA Mariam Helena Khoury: Condition Changes Stunned

Hunger: Your head is pounding, but you can otherwise act. All of your actions will be at a -20% today.

SSA Mariam Helena Khoury: I'll kick the bed repeatedly until it tips over, Gertrude and all.

SSA Mariam H. Khoury: ...

SSA Mariam H. Khoury: You do so.

SSA Mariam Helena Khoury: Now I'm walking out, hand still over my nose and mouth.

Hunger: As you walk out...

Hunger: You've attracted quite the audience.

SSA Mariam Helena Khoury: Any cops?

Hunger: You're not thinking about that right now.

Hunger: Yelena Kalamatiano's sorceries kept her disgusting nightmare farm from detection. Gertrude Deropf and Kerry Houghton suffered long-term cognitive defects as a result of experiencing Yelena's sorcery over extended periods. But how long is "extended"? Who is to say how "ensorcelled" you were in 2001? How much is too much?

Hunger: You look at Keith trying to hold people back. He drank some of the disgusting black milk. What's going to happen to him?

SSA Keith A. Pike: "STAY BACK EVERYONE!"

SSA Mariam Helena Khoury: I can take a guess or two...

SSA Mariam Helena Khoury: Still, someone's got to clean this shit up. I'm in no shape to be doing any thinking, but cops'll have to be called.

SSA Mariam Helena Khoury: I think I'm just walking out through the crowd and heading over to the cars to wait this out.

Hunger: You killed, well, executed a murder suspect with overwhelming evidence towards her involvement.

Hunger: Mariam, roll Alertness.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 6 (Rolling Alertness Target: 70%)

Hunger: For some reason, it looks like someone took out Gertrude Deropf's file and left it on the nurse station.

Hunger: Almost as if for you to come pick it up.

SSA Mariam Helena Khoury: I can look over it.

Hunger: It reveals a long and heart wrenching decline into senility. Six-month file updates depict a nice and well dedicated woman slipping into confused rage, then defeated silence, then child-like wisps of thought as her brain hollowed itself out with scar tissue.

Hunger: For a long while, she was nonverbal. One last bright spot of resurgence was in 2011 when a novel drug regimen was attempted.

SSA Mariam Helena Khoury: I'm sporadically looking up at Keith inbetween lines.

Hunger: Therapists notes indicate that she had a brief period of lucidity in which she expressed a desire to visit her adopted daughter, Nika Chilikov, whom she heard has been sent to King Torino Children's Refuge.

Hunger: She claims to have taken custody of her after encountering her in Cornucopia House. "We were eachothers favorites", it underlines.

Hunger: Later notes indicate that his attempt to renew contact with Nika did not go well. Caretakers in North Carolina eventually admitted to reposessing custody of Nika due to what happened to her foster mother, but they insisted that she had no relationship to her.

Hunger: Adopted or otherwise, despite what the records say.

Hunger: Her pleading to see her was sundowned later that year despite much protest. Nika Chilikov is one of the children that you rescued in 2001, and has been seen in the DHS case files.

SSA Keith A. Pike: As you look at Keith, you realize that he has fits of coughing between screaming at the crowd to stay back.

SSA Mariam Helena Khoury: King Torino's our next stop. Kerry's car was also abandoned in Charlotte.

Hunger: You're likely not gonna be on the move for a while. You just killed someone with dozens of witnesses.

Hunger: Darius, as the medical expert, would you like to inspect Elle?

SDUSM Anderson Fowler: What's the dog doing?

Hunger: Its slumped against the wall pathetically, slowly bleeding out.

ASAC Darius Jeremiah Cruz: Against my better judgement, sure.

Hunger: Anderson, you notice the dogs tag.

Hunger: This is a therapy animal.

SDUSM Anderson Fowler: Man.

Hunger: It, and the other two, are owned by Palliative Pooch, a private pet company. These are some of the best animals money can buy. It's extraordinary that they would attack, let alone kill someone.

Hunger: This dog killed the nurse over there.

Hunger: As you look the sad thing in the eyes, you feel an inexplicable kinship with it. Both of you had to play the role you were assigned to.

Hunger: Roll SANLOSS.

SDUSM Anderson Fowler: I wanna patch it up.

SDUSM Anderson Fowler: Surely there are medical supplies around for the animals.

Hunger: You did more damage than you could possibly fix here. The knife is still lodged in the poor thing. It needs a vet, or to be put out of its misery.

SDUSM Anderson Fowler: I'm not killing the dog.

Hunger: Darius.

Hunger: Gable has signs of methamphetamine abuse. Must be why she felt nothing at all.

Hunger: She has every kind of scar you can think of, to ever grace a police training video.

SSA Mariam Helena Khoury: I think we have to do our homework before LEOs get here, can we check the footage from before we arrived? How'd Gable just walk on in?

Hunger: It's a miracle she's still alive, not to mention being in arguably superior physical shape.

Hunger: One last thing- as you search her person, you find nothing whatsoever. No phone, no money to buy drugs with. The knife must be taken from McGaren Outdoor Outfitters. A methhead usually has something to pay for it with.

Hunger: As for the footage- no need to roll again to watch it once more. It's rather simple.

Hunger: Elle walks in, dogs follow, she hides and waits for Williams to die, comes out, goes inside and lays in ambush.

Hunger: She does it openly with zero intent to hide besides that one moment of getting into the locker.

Hunger: It's not like anyone was there to see her.

SSA Mariam Helena Khoury: I see... I don't suppose there's anything else we can learn that can help us get our story straight before we have to explain this.

SSA Mariam Helena Khoury: Seems straightforward enough, Gable came here to violently kill this woman, we happened to be around, she attacked us with the dogs and a large knife. She was shot to death.

Hunger: If that's how you view it.

SSA Keith A. Pike: "Hey- augh-" Cough cough He doesn't have the stamina for it anymore. The crowd just breaks through, full of demented old people trying to see what's going on.

IO Michael Sajdak: "Is anyone even still alive now that the kids would wanna--"

IO Michael Sajdak: I notice the sudden onrush of geriatrics and do my best to stem the tide, pushing them back and yelling to move, you old bags, this is a crime scene.

Hunger: Michael, you have an intrusive thought.

Hunger: You killed five innocents in 2001. Then six pedophiles, as a team of six. These kids did in Kerry to make it six.

Hunger: Now they made one.

Hunger: What comes next?

Hunger: The radio seems to go back to Muskrat Love again.

SSA Mariam Helena Khoury: I have to call 911 and get this shit moving, we're gonna get bogged down already.

SDUSM George Elijah Jones: Muskrat love Triple Platinum Rated Billboard Top 100 for decades running.

SDUSM George Elijah Jones: Fuck you.

IO Michael Sajdak: I have no idea what to make of the fact that five, six and then one people died unless I am missing something

Hunger: Michael, roll Unnatural.

Hunger: Blind.

Hunger: Kerry Houghton made the sixth. Thus continues the cycle. It's starting all over again.

Hunger: SANLOSS.

Hunger: The time is 1100R. Highest Bureucracy or Law rolls. 10 minute break.

SDUSM George Elijah Jones: Probably not me.

IO Michael Sajdak: my shyt is 40

SSA Mariam Helena Khoury: That's ANDERSON with 60 Bureaucracy.

ASAC Darius Jeremiah Cruz: I got a 50 in law

Hunger: Anderson, throw it.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 43 (Rolling Bureaucracy Target: 60%)

Hunger: You'll be finished with signing off on this with your respective offices in 2 days.

SSA Mariam Helena Khoury: Does that mean we're delayed that long?

Hunger: Sure is.

Hunger: At this point, your cover identities are irrelevant. Everyone knows and it's official.

SDUSM Anderson Fowler: The whole team needs to be held up?

Hunger: Reporters arrive to the scene.

Hunger: YES, as all of you are involved.

Hunger: About Pitzerelli, you will give a status report whether you'd like it or not.

Hunger: Who dials?

SSA Mariam Helena Khoury: Yeah I'll do it, it was on my mind already.

Hunger: Shoot.

SSA Mariam Helena Khoury: "Hello."

Asst. U.S. Attorney Antony Pitzerelli: "..."

SSA Mariam Helena Khoury: "Gable's dead."

Asst. U.S. Attorney Antony Pitzerelli: "I know I'm watching it on the fucking TV right now."

SSA Mariam Helena Khoury: "Well, she didn't give us the opportunity to seize it do have it done somewhere else more discreet."

Asst. U.S. Attorney Antony Pitzerelli: He will roll HUMINT against you.

Asst. U.S. Attorney Antony Pitzerelli: Asst. U.S. Attorney Antony Pitzerelli rolls Success -> 50 (Rolling HUMINT Target: 60%)

Asst. U.S. Attorney Antony Pitzerelli: "You're lying, you just fucked it up. I can tell it, your voice is cracking."

Asst. U.S. Attorney Antony Pitzerelli: "Any of us dead?"

SDUSM George Elijah Jones: "We really screwed the pooch with this one, huh?"

SSA Mariam Helena Khoury: "Okay, Mr. Mindread. No, we're good. We caught a few bites, I almost got ran through the heart."

SSA Mariam Helena Khoury: "This is going to hold us up a little while, but I know we're stopping at Charlotte next."

Asst. U.S. Attorney Antony Pitzerelli: "How while?"

SSA Mariam Helena Khoury: "Well, we have to file it in with our respective agencies, there's sure to be an investigation by local PD, they're bound to take statements..."

SSA Mariam Helena Khoury: "I know you're not a magician, but is there anything you can do here?"

Asst. U.S. Attorney Antony Pitzerelli: He yawns. "Well, I'm glad I'm not the one doing what you gotta do here."

Asst. U.S. Attorney Antony Pitzerelli: "I'll try to see to it."

Asst. U.S. Attorney Antony Pitzerelli: "I'll call you back."

SSA Mariam Helena Khoury: "Thank you."

Hunger: He's actually completely uninterested in fishing your ass out of this so he will roll Bureucracy at -20%.

Asst. U.S. Attorney Antony Pitzerelli: Asst. U.S. Attorney Antony Pitzerelli rolls Failure -> 54 (Rolling Bureaucracy Target: 40%)

Asst. U.S. Attorney Antony Pitzerelli: He doesn't call you back.

SDUSM George Elijah Jones: "Well - we'll work it like all good cops do. Lie through our teeth in the reports as is custom."

Asst. U.S. Attorney Antony Pitzerelli: The timetable for the investigation has already extended into months. What's a few weeks more?

SSA Mariam Helena Khoury: OKAY... WHAT'S NEXT?

Hunger: The time is...

Hunger: TUE 04 OCT 16 1200R

SSA Mariam Helena Khoury: I suppose we'll give statements, submit reports, and deal with the rest of it later as it comes?

Hunger: That was ample rest between filling in forms and talking to people who may or may not have the same kind of badge as you.

Hunger: All of you are back to full Health.

Hunger: Do you proceed to North Carolina?

SSA Mariam Helena Khoury: What're they doing with Gable's body?

Hunger: McDonalds patties. Actually, cremation, as is default for unclaimed bodies.

IO Michael Sajdak: No fucking shit and I personally am raring to go, considering we know now that they're going for anyone who was part of the childcare system.

SSA Mariam Helena Khoury: Good. Gertrude didn't have any family left alive, right?

Hunger: The Deropf bloodline is over.

SSA Mariam Helena Khoury: We're Off then...

Hunger: First leg of your trip will be to Richmond VA. 2 hours.

Hunger: It's noon, so you can't exactly speed past anything without risking your life or career.

Hunger: From here, I85 to Durham.

Hunger: 3 hours.

Hunger: From Durham to Charlotte will be another 3 hours, 2 if you succeed Drive. However, once you arrive, all of you will be Fatigued from eight hours of constant driving.

Hunger: You can spend the night in Charlotte, NC.

Hunger: Highest drive rolls Mariam.

SSA Mariam Helena Khoury: I think it'd be best to wait and pull up at Charlotte at the break of dawn after getting some sleep.

Hunger: Throw?

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 94 (Rolling Drive Target: 60%)

Hunger: Everyone protests to the idea of stopping at this shithole while Charlotte is just a few hours away.

Hunger: 3 hours go by.

Hunger: 2000R.

Hunger: You enter the city and head straight to Ritz-Carlton Charlotte.

Hunger: You're all grown ups with the dollar bills now, and an overnight stay won't exactly dent your budget.

Hunger: Any other plans in Charlotte besides leaving for King Torino at 7AM? The drive there will be an hour.

SSA Mariam Helena Khoury: I have to drink myself to sleep. Nothing besides that.

SDUSM George Elijah Jones: Nope.

ASAC Darius Jeremiah Cruz: Nothing that I can think of.

SSA Mariam Helena Khoury: Wait, can we call King Torino?

Hunger: Not at this hour.

SSA Mariam Helena Khoury: Alrighto. Guess we'll have to show up without an appointment.

SSA Mariam Helena Khoury: Missed me earlier.

Hunger: Roll COMPSCI.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 83 (Rolling Computer Science Target: 50%)

Hunger: They just so happen to have a website, with a boilerplate About Us section and all. You'll read it on your way there.

Hunger: They show you to your rooms and it doesn't take for you to fall asleep in your suit shirts. You don't even bother calling room service.

Hunger: God's Teeth - White Teeth - Session 1 END.

God's Teeth - White Teeth - Session 2

May 23, 2026

Hunger: Delta Green - God's Teeth - White Teeth

Hunger: WED 5 OCT 16 0800R, King Torino Children's Refuge, Charlotte, NC.

Hunger: You're all pulling up to the parking lot a good walk away from the children's home. It's still buried within the trees.

Hunger: Charlotte, North Carolina. The mansion and five acres that became King-Torino Children's Refuge was willed to Busby Behavioral Hygiene in 1995 by the late Dr. Elaine Fitzsimmons. The doctor had been an activist against the militarization of mental health interventions since the Reagan administration, especially with regard to children. The gift was contingent upon the property's use as a mental health facility for adolescents and the continued use as an alternative to juvenile incarceration. Owing to the tendency of many ODD, conduct disorder, and callous/unemotional children to receive their initial diagnosis through interactions with the law, King-Torino began specializing in adolescent disorders with extreme behavioral components. Four of the most troubled children of Cornucopia House were sent to King-Torino Children's Refuge in 2001: Nika Chilikov, Elle Gable, Conrad Hopko, and Jennifer Wills.

Hunger: Now, Mariam, let's handle the information you got a little bit late due to your failed Compsci roll last session. King-Torino Children's Refuge occupies a once-swanky three-story home that has been run down by decades of institutionalized living. The area around the refuge has become a bustling suburb since the once-secluded house was built, but the land around King-Torino remains undeveloped despite being sold off by Busby Behavioral Hygiene down to its final acre. Frequent screaming from children in psychotic meltdowns and the need for staff to restrain them physically, often dragging them back inside as they scream for help, makes neighboring the King-Torino house undesirable. Dormitories take up the top floor of the building, separated by gender and joined by a hallway with a central staff station for a night watch. The main floor contains the kitchen, bathrooms, living room, and classrooms added to the home as an extension in the mid-2000s. Among the school rooms are three padded isolation cells for

residents in crisis. The ground floor contains staff lockers and two therapists' offices. That portion of the building remains off-limits to children, though they pass through it escorted to the backyard through the exterior door.

Hunger: A large, well-manicured lawn slopes down from the house's rear as the play and recreation area. It is fenced in and surrounded by thick woods. All this information is listed on the "About Us" webpage of the facility, which appears to have taken a policy of total transparency as a form of protection from accusations of wrongdoing. The faces of children, for purposes of confidentiality, are blurred out in the photographs.(PSYCHOTHERAPY) King-Torino does not allow visitors without permission from the house psychologists, especially considering the history of abuse and neglect perpetrated by many of the residents' relatives. The one exception is law enforcement. Children in King-Torino, much like in every child and teen treatment facility in the United States and the rest of the world, often make false reports of abuse against the facility while attending local public school in hopes of being sent back to their families. Mandated reporter check-ins are routine, though federal credentials must be a rare sight.

Hunger: As you approach the building proper, you get sight of the inner courtyard.

A Boy: Unexpectedly, you caught a kid in the middle of a massive freakout.

An orderly, male: "CALM DOWN!"

An orderly, male: "JESUS!"

Hunger: Two grown men in white scrubs are trying to restrain the screaming and flailing child.

SDUSM George Elijah Jones: Anything resembling the baboon scream from last time?

Hunger: (You may move.)

Hunger: George, roll HUMINT.

Hunger: Blind.

Hunger: You realize, that it's surprisingly difficult to differentiate the insane screams of a troubled young kid than one of a simian.

Hunger: However, you're reminded that everyone from Cornucopia House are grown adults now- so this is not it.

SSA Mariam Helena Khoury: Anything I can do to help calm the kid down?

An orderly, male: "HEY- Who are you?!"

An orderly, male: "No visitors allowed!"

SSA Mariam Helena Khoury: "FBI." I flash my badge.

An orderly, male: "Wuh-"

An orderly, male: An orderly, male rolls Failure -> 61 (Rolling DEX Target: 55%)

SSA Mariam Helena Khoury: "Don't you have a better way to treat the kids--"

An orderly, male: They both stagger at the sight, and the boy just slips away.

An orderly, male: "FUCK!"

An orderly, male: "There he goes again."

SSA Mariam Helena Khoury: "Better if you let him tire himself out. Reception's that way, right?"

An orderly, male: "Tire himself out? Jesus lady, you don't know jack shit about kids."

An orderly, male: "We don't have a 'reception'."

An orderly, male: "I can get you who you are looking for."

SSA Mariam Helena Khoury: "Anyone I can talk to who isn't a dickhead?"

An orderly, male: "Uh no, not here."

SSA Mariam Helena Khoury: "We're looking for a woman. Nika is her name, I believe."

An orderly, male: "Oh, you mean Miss Nika?"

SSA Mariam Helena Khoury: "That's right."

An orderly, male: "She should be out and about..."

An orderly, male: He looks at his watch.

SSA Mariam Helena Khoury: "That's literally what I just said."

Hunger: Both of the doors from the north end open.

Nika Chilikov: A woman walks out, leading a herd of kids.

A Crowd: As soon as they come outside, they start playing with a ball and some toys.

Hunger: Mariam, roll Psychotherapy, blind.

SDUSM George Elijah Jones: Slavic woman with a herd of kids - deja vu.

Hunger: Even after a few moments of observation, you can tell that Nika Chilikov is one of the most effortlessly skilled childcare workers you have ever seen. She radiates pleasant certitude. Prolonged observation of her supervision of the playground makes it clear she can redirect the children with no more than a glance or head nod. The children rush to confide in her. When they grow rash and too violent in play, she calmly redirects them. If they screw up, she comforts them after their punishments, forgiving them as they cry. The rest of the playground seems stressfully chaotic, but she runs the area assigned to the smallest residents as if directing the dance of a flock of birds. You have never had this much confidence that someone is a master of their craft before. Is this person really cut of the same cloth that Elle Gable and rest of the murderers are?

IO Michael Sajdak: Wait, does she work here..?

An orderly, male: "Well, we gotta go now."

An orderly, male: "Anything else, just... scream I guess."

SSA Mariam Helena Khoury: I'm just waving over at her as we approach yup.

SSA Keith Alan Pike: "Is this how they treat everyone who shows up?"

Nika Chilikov: She sees you, and the rest of your crew. When you approach her, the pleasant aura disappears. Her posture visibly closes, wilting in your presence. Her breath takes on the rhythmic uncertainty of a barely contained panic attack. She is reluctant to speak.

Nika Chilikov: "Uh- uhh-"

IO Michael Sajdak: I do not like the idea that one of the Cornucopia kids is working with children for a living.

SSA Mariam Helena Khoury: "Hello."

Nika Chilikov: "H-hi."

Nika Chilikov: "What can I d-do for you?"

Hunger: ROLL HUMINT, BLIND.

SDUSM George Elijah Jones: Yeah that's a fucking problem.

Hunger: She has an Ukranian accent.

Hunger: It's awkward.

SSA Mariam Helena Khoury: "We're here with the FBI. We wanted to ask you a few questions, if that's alright."

SSA Mariam Helena Khoury: "Though I don't want to interrupt. Looks like you've got your hands full."

Nika Chilikov: "S-sure." "She doesn't ever bring her eyes off the kids as you speak."

SSA Mariam Helena Khoury: I'm waving over at the rest of the guys so they can Listen In

SSA Mariam Helena Khoury: And Participate.

Hunger: THROW BLIND: CONTESTED CHARISMA, PERSUASION, 1D10

SDUSM George Elijah Jones: Let's maximize the panic attack by surrounding her.

Hunger: Just Mariam.

SSA Mariam Helena Khoury: "So, Nika Chilikov is your name, correct?"

Nika Chilikov: "That's r-right."

Nika Chilikov: "Did something b-bad happen?"

IO Michael Sajdak: "Yeah."

SSA Mariam Helena Khoury: "Bad things have been happening."

A Crowd: Keith, as you come right in the middle of the kids, one of them tries to hand you a flower.

SSA Keith Alan Pike: Keith accepts the flower with a smile, turning back to watch Nika's reaction.

SSA Mariam Helena Khoury: "Firstly, we want to ask about you, personally. Your background before working here, if you don't mind."

Nika Chilikov: Everyone can ask questions, not just Mariam. If you have one, now is the time.

IO Michael Sajdak: "You recognize us at all?"

Nika Chilikov: She hesitates for a bit, and then turns to Mariam.

Nika Chilikov: "I was seven, sometime in 2001, though I do not remember it clearly. I wet myself every night. I bit and clawed anyone who came near. I had lost the will to speak and convinced myself I could not. Feral, people would say. "But Dr. Brice came to work here. Sarah Brice. She saw what was in me. She got me through school. We got through the pain of my trauma. She was more mother than anyone I've ever known. She adopted me after I aged out. "I lost her in 2012. Brain tumor. But I'm still getting my degree. I'm continuing Dr. Brice's work, and it's all because of King-Torino's Children's Refuge. 'If you would like to donate to this cause...blah, blah, blah.' They always trot me out for the big donors. The big success story. It's true, in part. Dr. Brice ruled. But I get tired of my canned little speech." "Anyways, that's basically my whole story about how I came to be here."

SSA Mariam Helena Khoury: "Does the name Elle Gable ring a bell?" I'm looking her over for a reaction.

Hunger: That's... a pretty weird way to talk, you think.

SSA Mariam Helena Khoury: "Thomas Perez Cunningham. Samuel Ball."

Nika Chilikov: "Yes. Elle stabbed me with a pair of scissors in 2009."

IO Michael Sajdak: What the fuck?

IO Michael Sajdak: They were still in touch?

IO Michael Sajdak: "So you know about the others."

SSA Mariam Helena Khoury: I think when all of them got thrown all over the country, some of them must've stayed together and been assigned to the same place.

Nika Chilikov: "Elle and the others..." She shudders. "One of them left after only a week. A blond boy. I don't remember his name. The others-I was not one of them by the time Elle was sent away. Jennifer ran not long after that. They were younger than me. And I was dead to them the second I began speaking to Dr. Brice. They were the Quiet Children, and I rejected their silence. You either spoke or you were part of the tribe. There was no middle ground. You knew it in your bones." "I don't think I was ever really the same as them. I think I was suppressing

something so I wouldn't be alone. Something that had been cut out of them. They never forgave me. I spiraled really hard after that. I tried to go back, but they were so cruel. They would have made me a slave to their cruelty. To their silence. I'm lucky I survived long enough to see them go. Thomas, Elle, Samuel, Conrad..."

Hunger: She turns to Michael.

SSA Mariam Helena Khoury: "How about Conradin? Do you know him?"

Nika Chilikov: "I don't know you. If this is about what happened at the orphanage, I don't remember a lot, and when I do it makes me miss too much work. So please, no. I suffered as a child. Things were bad, but I don't know if they were more bad than what any of these suffered. People came and stopped them. And then I was here. That is all I care to remember of it."

Nika Chilikov: Michael, roll HUMINT, Blind.

SSA Mariam Helena Khoury: Oh, does she smell of gingerbread?

Hunger: Michael, she gets extremely uncomfortable when you mention "the past". This is not a good angle to keep prying her on.

Nika Chilikov: As for the smell, none.

Nika Chilikov: None whatsoever.

IO Michael Sajdak: "I think we should cut to the chase now."

Hunger: Mariam, throw a SAN loss table. It's not loss, it's a test. Blind

Hunger: It's gnawing at you, that if you have any real questions about what's going on, now is the time to ask them. Not just who did what and were, but what's happening.

IO Michael Sajdak: "Those 'quiet children' from the orphanage are going around and killing, from what we can tell, anyone and everyone related to their upbringing. Yesterday that same Elle Gable went to the Veteran's House a lady called Gertrude Dropf was sectioned at and murdered her."

Nika Chilikov: "Oh my god... Well, it was only inevitable."

IO Michael Sajdak: "I'm worried they'll come here. For you."

SDUSM George Elijah Jones: "Why did they take an oath of silence? Why are they quiet?"

SSA Mariam Helena Khoury: "But she doesn't smell... hm." I stroke my jaw after pondering that aloud.

Nika Chilikov: "Me? I'm not sure. I don't know. I don't know... They don't know, either. They just... act. I remember being with them. We saw the world as something hungry. Hateful. A predator. And everyone else served it. People who smiled wanted to feed you to it. But even at our angriest, there was no 'why.' No choice. Only instinct. I sometimes wonder if it is still like that for the others. And if they are right. If imagining control is its own form of madness."

Nika Chilikov: George, she turns to you.

IO Michael Sajdak: "You ever smell gingerbread on people?"

Nika Chilikov: "They don't think like you or me. They don't see things. Or rather, they only see things. But nothing means anything. Language, the way we talk and even think, is alien. Things have no names. Things just happen. As they must. There is a kind of comfort. Knowing there is no other way. Knowing that dreams of anything better are always lies. That only nightmares are real. It is how we survive the pain. It is how many of these little ones here learned to survive: to give yourself over to it." "When you are like that and go out in the world, you know something else is moving you. But I was only pretending to be one of them. Pretending it did not hurt. Pretending I had no hope. When I stopped pretending, they stopped loving me. There is only the actual, to them. Things are or they are not."

Nika Chilikov: Michael, she's really confused at what you just said and wants you to repeat yourself.

IO Michael Sajdak: "Don't worry about it."

SDUSM George Elijah Jones: "Things just happen," George shrugs "That checks out..."

SSA Mariam Helena Khoury: "Why're they on a spree, and you're not, if you went through the same, and felt the same at a point?"

SDUSM George Elijah Jones: "So what's the motive? Revenge? I know the situation with the case workers and everything - but going on a vow of silence just to get getback is a bit... y'know."

Nika Chilikov: "Clinically, I suffer developmental impairments as a result of poor infant nutrition and late-stage language acquisition." "The others suffer from what many call selective mutism, but their silence is not a choice or physical impairment. They never learned to speak." "In classes, they would scream and claw during the lesson. During any speech. I joined them, at first. We resisted the call to join the monsters in adulthood. Their words were poison. A flag of evil armies." "I met Dr. Brice. I weakened. I was older, and words came back. I no longer feared them. I listened to the lessons."

Nika Chilikov: She turns to George: "There is no motive. There is no planning. They do not know the idea of a plan. They do not know the future. They do not understand the idea of a future. There is only now."

SSA Mariam Helena Khoury: "For what it's worth, I'm sorry for what happened to you. The lot of you."

Hunger: You feel the pamphlet you got from the nursing home inside of your jacket pocket.

SSA Mariam Helena Khoury: "Oh, right. Can you look this over?" I dig in my pocket and hand it to her.

IO Michael Sajdak: "The lady at Charlotte's Rest, Gertrude, seemed to remember you specifically. Funnily enough it's how we thought to come here in the first place - we had no clue you were working here..."

Nika Chilikov: "Oh, this. I've seen stuff like this before, but I can't understand this. They made new signs when I betrayed them. Signs I can no longer read." "They hate human communication. But sometimes they need it. Sometimes they have to leave messages for each other. Symbols that mean feelings." "But I have a feeling after having seen it so many times. It's danger. A threat."

Nika Chilikov: "An enemy."

SSA Mariam Helena Khoury: "To whom, do you think?"

Nika Chilikov: "Honestly? If they had to meet somewhere, they would use the pictures. That would be enough. Everything is always just enough. In that way, nothing they ever do is random. Just like this drawing. Nothing on it is there as mere decoration. It's enough to make sure that what must happen, will happen, at the exact time."

SSA Keith Alan Pike: Keith raises his eyes to the windows dotting the side of the building facing them, looking for anyone watching them.

IO Michael Sajdak: Then we have to go there as soon as possible! Fuck, I even had a feeling they were gunning for someone in St. Lawrence - if we weren't held up after that shooting I'd have drove over there ages ago.

IO Michael Sajdak: "We should probably hurry up."

Nika Chilikov: "Oh why hurry? It will happen exactly when it's meant to. It always does."

SSA Mariam Helena Khoury: It might be her on the drawings, judging by the small figures around the main victim?

Nika Chilikov: She positively can't identify anything on the sign. She just told you it's purposely alien to her.

IO Michael Sajdak: "You sound very complacent about what these people are doing," I say, glaring at her.

Nika Chilikov: "They do not 'do'. Things happen, and they facilitate it."

IO Michael Sajdak: "And how can you be so sure of that?"

SSA Mariam Helena Khoury: "What she's saying is that what's going to happen was determined to happen before any of us were around. We've had this feeling already, you know."

Nika Chilikov: "I could not say this in therapy or I would not have this job...but there is no 'why.' There is no why for me or you, either. A 'why' is a story. I choose to believe in it. They have never heard this fable of 'why.' Never believed the lie of choice. They only act."

Nika Chilikov: She turns at you, Mariam.

Nika Chilikov: Roll Persuade. Blind.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls CRITICAL SUCCESS! -> 33 (Rolling Persuade Target: 50%)

Nika Chilikov: "Whatever is happening to you is what is happening to me, what is happening to them. What is supposed to happen. What will always happen, because there is no other way. No other time. We talk and talk and talk ourselves out of it, but it cannot be changed. We drown out

the screams with our talk, but it does not make the truth go away. They see the actual. We are all inside it."

SDUSM George Elijah Jones: George gets the sinking feeling that the best move is to fly to some Latinamerican shithole and to not do anything at all.

Hunger: KEITH.

SSA Mariam Helena Khoury: "I understand my part in this play. Thank you, Nika."

Hunger: As you're watching the windows and the entrance, a piece of paper flies through the air and slaps you on the face.

Hunger: Once you take it off, you see something move at the edge of your vision.

Samuel Ball: A thin white man wearing only cargo pants that barely hang on his wasting hips emerges from the emerald-green arborvitae that hedge off the tall fence around the front entrance. His flesh is pocked with sores and improvised tattoos. His crazed eyes dart wildly. His left hand drags a pair of bolt-cutters. The cutters look too heavy for him until he whips around in a wide, dangerous arc with his sinewy, almost double-jointed arm. He's holding a revolver in the other hand. No sooner does Ball appear than some huge, loping, four-legged shape comes through the same gap.

Black bear: The animal poses as if it's a trained guard dog, before leaping forth.

Hunger: The deranged man twists at the waist to survey his surroundings, unable to turn his neck due to some rictus in the tendons. The drug-use, announced by the dirty track marks on his arm, makes him forget who or where he is and how to turn his head and any number of other things. The man seems disoriented and uncertain until he sees the team, at which point he loses some barbaric "yawp" of joy. Chilikov bursts into tears of recognition from those terrible years at Cornucopia House. She remembers his name: Samuel Ball.

SSA Mariam Helena Khoury: Holy shit.

ASAC Darius Jeremiah Cruz: Oh you've got to be shittin' me...

Hunger: SURPRISE ATTACK!

SDUSM George Elijah Jones: The quiet child is target numero uno.

Nika Chilikov: 12

A Crowd: 10

Samuel Ball: 14

Black bear: 10

ASAC Darius J. Cruz: 12

IO Michael Sajdak: 15

SDUSM George E. Jones: 13

SDUSM Anderson Fowler: 16

SSA Keith A. Pike: 13

SSA Mariam H. Khoury: 12

SDUSM George Elijah Jones: Bear fucks off when the child is dead - and it's a black bear too so it's a pussy when not mind-controlled.

Hunger: Samuel acts first.

SSA Keith Alan Pike: "He's got a gun-!"

Samuel Ball: He's indeed got a gun!

Samuel Ball: He's holding it in his left hand, while he's waving a REVOLVER on the right.

Samuel Ball: He empties it towards your general direction...

Samuel Ball: Samuel Ball rolls Success -> 16 (Rolling Firearms Target: 20%)

SDUSM Anderson Fowler: "SHIT!"

Samuel Ball: HE HITS SOMEONE!

Samuel Ball: TOP TO BOTTOM, LEFT TO RIGHT, 10 IS A MISS

Samuel Ball: 8

A Crowd: Miraculously, it misses the kids entirely and hits Keith in the chest, on the vest.

Samuel Ball: 5

Samuel Ball: That's 3 to chest.

Samuel Ball: Samuel Ball rolls 1d6 -> 2 (Draws a result from the Torso Minor Wounds (3, 4 Dmg) table)

Samuel Ball: The vest stops the bullet, but it hits you center of the abdomen.

Samuel Ball: CONx5 for stun!

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 67 (Rolling CON Target: 55%)

SSA Keith Alan Pike: Condition Changes Stunned

SSA Keith A. Pike: It feels like you just got kneed in the stomach.

Samuel Ball: He is going to run towards the building.

Samuel Ball: And smash in one of the doors.

Samuel Ball: Samuel Ball rolls Success -> 21 (Rolling STR Target: 90%)

Samuel Ball: He's inside.

Black bear: BEAR'S TURN!

Black bear: "GROOOOAAAAAAAAAA---!!!"

SSA Keith Alan Pike: Keith buckles, barely managing to remain standing, a hand over where he was hit in the gut.

Black bear: Black bear rolls Failure -> 79 (Rolling DEX Target: 50%)

Black bear: It's going to charge directly towards Nika.

Black bear: DOES ANYONE DARE TO STOP IT? It failed DEX.

SDUSM George Elijah Jones: George is a match for a bear for sure.

Black bear: George, roll LUCK.

SDUSM George E. Jones: 51

Black bear: LEGENDARY!

Black bear: Before you realize, you click open your telescopic baton and are already telegraphing a swing... MELEE WEAPONS at +20%.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls CRITICAL SUCCESS! -> 55
(Rolling Melee Weapons Target: 70% (50%+20%))

Black bear: DOUBLE DAMAGE!

Black bear: Roll hit zone and damage.

SDUSM George E. Jones: SDUSM George E. Jones rolls 1d10 -> 6 (Draws a result from the Random Hit Location d10 table)

SDUSM George Elijah Jones: 7

Black bear: That's 12 damage to chest.

Black bear: Black bear rolls 1d6 -> 3 (Draws a result from the Torso Critical Wounds (8+ Dmg) table)

SDUSM George Elijah Jones: "GET BACK YOU BIG FUCKER!"

SDUSM George Elijah Jones: "ANIMAL CONTROL IS IN TOWN!"

Black bear: As you swing it in down to him, you manage to connect the nasty hit to somewhere near his crotch.

Black bear: Black bear rolls Success -> 39 (Rolling CON Target: 80%)

SDUSM George Elijah Jones: "TWO OF YOU, GET NIKA TO SAFETY - THE REST OF YOU GET THAT FUCKER!"

Black bear: Condition Changes Stunned

Hunger: MARIAM, ROLL PSYCHOTHERAPY, BLIND.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls CRITICAL SUCCESS! -> 1
(Rolling Psychotherapy Target: 50%)

SDUSM George Elijah Jones: "AND GET THE KIDS TO THE PARKING LOT!"

Hunger: Mariam, you have a feeling that you can comander these kids just as well as Nika does. Matter of fact, at this moment, you can comander Nika too.

Hunger: What now?

SDUSM Anderson Fowler: Are we on the carousel yet?

Hunger: Wait.

SSA Mariam Helena Khoury: I had a mind to grab Nika by the arm and fling her through the double doors to the north, but if I can just point her that way, that's better.

Hunger: Inside of the building? You'll get there when it's your turn.

ASAC Darius Jeremiah Cruz: I was gonna try and hoist her over the shoulder and get her outta here myself.

Hunger: Turn order starts.

SDUSM Anderson Fowler: I pull my weapon out and aim at Sam, I should be able to see him through the window from here.

SDUSM Anderson Fowler: Condition Changes Aiming

IO Michael Sajdak: I'm sprinting straight to that room the quiet child broke into Bionic Woman opening style

Hunger: Athletics.

IO Michael Sajdak: IO Michael Sajdak rolls CRITICAL SUCCESS! -> 66 (Rolling Athletics Target: 70%)

Hunger: You can do 30 meters. Map is to scale.

Samuel Ball: "EEEEEEEEK-!"

Samuel Ball: He command grabs one of the orderlies and dashes him against the window, obscuring Anderson.

An orderly, male: The man takes 1d8 damage from being dashed against an untempered window so harshly.

An orderly, male: 5

An orderly, male: An orderly, male rolls 1d6 -> 2 (Draws a result from the Torso Serious Wounds (5, 6, 7 Dmg) table)

An orderly, male: "OUGH-!"

An orderly, male: Condition Changes Stunned

Samuel Ball: He's going to act again on a DEX success.

Samuel Ball: Samuel Ball rolls Success -> 3 (Rolling DEX Target: 70%)

Samuel Ball: He sprints down the hallway...

SSA Keith A. Pike: Active Conditions Stunned

Hunger: You're still reeling from the hit.

SSA Keith Alan Pike: Condition Changes Stunned

SDUSM George Elijah Jones: Is OC spray enough for a bear or is it a bear spray only type of sitch.

Hunger: This is not bear spray.

SDUSM George Elijah Jones: Theoretically the ingredient concentration should be the same it's just the range.

Hunger: Theoretically this thing is about to get up and kill you.

SDUSM George Elijah Jones: Practically I'm going to switch to the pistol and try to brain it.

Hunger: Target is helpless. You execute the animal with a clean shot.

SDUSM George Elijah Jones: At this range and it being stunned it should be fine, probably.

Black bear: Condition Changes Dead Departed Unconscious

SDUSM George Elijah Jones: Animal control calling to pick up Yoggy Boo-Boo's corpse.

ASAC Darius Jeremiah Cruz: I'm gonna get up and haul ass, try and give chase to Samuel myself.

Hunger: Down the same way or?

IO Michael Sajdak: "CUT HIM OFF!"

ASAC Darius Jeremiah Cruz: I'll try and cut him off by taking the other entrance.

Hunger: Athletics.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls CRITICAL SUCCESS! -> 33 (Rolling Alertness Target: 50%)

IO Michael Sajdak: BRO

Hunger: You're still moving through and past the children like Michael so 30 meters.

SSA Mariam Helena Khoury: Bastet is in the house.

Hunger: Would have been further if not for the obstacle.

SDUSM George Elijah Jones: "Get the kids and the woman out!"

SSA Mariam Helena Khoury: I'm looking at Nika, and point her over north so that she gets herself and the kids in. I'll stay with them.

Hunger: Assume they are following you. I'm taking them out of the rotation.

SSA Mariam Helena Khoury: How far'd we say we could move by default?

SSA Mariam Helena Khoury: Aye Unlock Dem

Hunger: Can't really roll with a crowd this big so let's say 15 meters.

SSA Mariam Helena Khoury: This one actually locked?

SSA Keith Alan Pike: It's a miracle the children are following you so easily.

SDUSM Anderson Fowler: Active Conditions Aiming

Hunger: Anderson, you're aiming at the impaled man.

SDUSM Anderson Fowler: Condition Changes Aiming

SDUSM Anderson Fowler: I shoot the bear

Hunger: You may as well do so. It's positively dead.

IO Michael Sajdak: I am completely IGNORING the guy who just got stabbed by a window and smashing these two double doors open!

Hunger: They are already open you can move freely.

IO Michael Sajdak: Can I see this fucker here?

Samuel Ball: No.

Samuel Ball: He didn't even go there.

IO Michael Sajdak: WHERE DID HE GO?!

Hunger: That room over there is locked.

IO Michael Sajdak: Well I'm sprinting through whichever doors are slammed open and making chase.

Hunger: You realize that he did not open the one ahead of you.

Hunger: Must be one of these two.

IO Michael Sajdak: Can I get my glock out and open the one on the left with this action?

IO Michael Sajdak: If not I'm getting the gun ready first...

Hunger: You already have it out. One on the left is womens restroom.

IO Michael Sajdak: Then I'm going through the one on my right!

Hunger: Okay, that's for your movement.

Hunger: Anything else?

IO Michael Sajdak: Since he's got a gun himself I'll stand at its side and try the door first.

Hunger: What do you mean by that.

IO Michael Sajdak: I'll open it from here so I don't get immediately blasted.

Hunger: YOU ALREADY OPENED THE MEN'S RESTROOM THAT'S YOUR MOVEMENT DONE.

Hunger: ANYTHING ELSE?

IO Michael Sajdak: No move and aim

Hunger: Skipping in 30

IO Michael Sajdak: ???

IO Michael Sajdak: CAN I AIM HERE OR NO

Hunger: I just said that you can not move and aim at the same turn.

Samuel Ball: In any case, since he already knows where you are, he's going to wallbang you through the stall he is inside.

Samuel Ball: I didn't mention that he's shooting at an unmodified 30% since he isn't dual wielding.

Samuel Ball: Samuel Ball rolls Success -> 8 (Rolling Firearms Target: 20%)

Samuel Ball: It goes through 2 points of "stall" and hits...

Samuel Ball: Samuel Ball rolls 1d10 -> 2 (Draws a result from the Random Hit Location d10 table)

Samuel Ball: 8

Samuel Ball: Samuel Ball rolls 1d6 -> 5 (Draws a result from the Leg Serious Wounds (5, 6, 7 Dmg) table)

IO Michael Sajdak: You're hit for 6 in the leg. It doesn't look good.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 85 (Rolling CON Target: 70%)

IO Michael Sajdak: Condition Changes Serious Bleeding Stunned

Hunger: Keith's turn.

SSA Keith Alan Pike: Keith takes off straight towards the shots.

SSA Keith Alan Pike: How far can I go?

Hunger: Roll will tell.

SSA Keith Alan Pike: Remind me what I need to roll for that if you could

Hunger: Athletics.

SSA Keith Alan Pike: Do I still have the gut shot effect?

Hunger: No it's cleared.

SSA Keith Alan Pike: This is at -10 I think

SSA Keith Alan Pike: Ah

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 63 (Rolling Athletics Target: 70%)

Hunger: You can do 45 meters now that the kids are gone.

SSA Keith Alan Pike: Opening doors, too?

Hunger: Yeah.

SSA Keith Alan Pike: Done

Hunger: Turn finished?

SSA Keith Alan Pike: I can't aim, can I?

Hunger: No, no move and aim.

ASAC Darius Jeremiah Cruz: No aim and move

SSA Keith Alan Pike: Then I'm done

Hunger: I'd like to address the elephant in the room that he's on the floor in front of you.

IO Michael Sajdak: Condition Changes Prone

SSA Keith Alan Pike: There's nothing I can do about that, is there? Unless I can pull him?

IO Michael Sajdak: Screaming "AAAAAAAAAAAAAAAAAAAH OH MY GOD" considering I was hit i the SHIN!

SSA Keith Alan Pike: I can do that and move all in the same turn?

Hunger: You have enough leeway from your athletics to either pull him back or peek out and start BLASTING.

Hunger: Firearms to suppress with a semi-auto.

SSA Keith Alan Pike: I'll pull him back.

Hunger: He's out of immediate danger of execution.

SSA Keith Alan Pike: Safety is my number one priority.

SDUSM George Elijah Jones: George is going with Maryam to cover the kids and Nika - he'll take the window watch.

Hunger: You have your gun out by the way.

ASAC Darius Jeremiah Cruz: I'm going to rush in, can I spend my turn trying to heal up Sajdak with a medkit? Can't have one of our members bleeding to death, can I?

Hunger: That's an extremely dangerous idea while the suspect still has a gun, is active and is literally next door.

SDUSM George Elijah Jones: Blast the stall man.

ASAC Darius Jeremiah Cruz: I figured Keith could keep cover, but you're probably right. I don't wanna get shot myself. I'm running in, guns blazing.

SSA Keith Alan Pike: Getting your little boo boo kit out is a bad idea right now.

Hunger: Guns blazing? Are you peeking the restroom.

ASAC Darius Jeremiah Cruz: I'm peeking the restroom.

Hunger: Firearms roll for either semi-auto suppression or single shot.

Hunger: You're partial cover from where you stand.

ASAC Darius Jeremiah Cruz: I'll take a single shot, there's a good chance I hit something with it...

Hunger: Dice.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 10 (Rolling Firearms Target: 40%)

ASAC Darius J. Cruz: ASAC Darius J. Cruz rolls 1d10 -> 5 (Draws a result from the Random Hit Location d10 table)

Samuel Ball: Samuel Ball rolls 1d6 -> 3 (Draws a result from the Torso Serious Wounds (5, 6, 7 Dmg) table)

Samuel Ball: Samuel Ball rolls Success -> 39 (Rolling CON Target: 70%)

Samuel Ball: MANIC IMMUNE TO PAIN! Stun ignored, but next action is at -20%.

Samuel Ball: Condition Changes Serious Bleeding

SSA Mariam Helena Khoury: Just for clarity: Nika and the kids should be lying on the floor for cover so they can't get shot through the windows, not sitting on the chairs. That being said, I think two of us in here is too many. I'm rushing over across the yard.

Hunger: They are gonna be fine, you think.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 42 (Rolling Athletics Target: 50%)

Hunger: 45 meters is good. You can see the restroom from where you stand.

Hunger: That's all?

SSA Mariam Helena Khoury: Yeah.

An orderly, male: This guy is dying.

An orderly, male: Condition Changes Dead

SDUSM Anderson Fowler: I'll run over to where Darius came in from.

Hunger: 45 meters.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls CRITICAL SUCCESS! -> 44 (Rolling Athletics Target: 50%)

Hunger: Okay, you can just go up there and confront him.

SDUSM Anderson Fowler: Can I get a clear shot with it being this packed?

Hunger: No, you'd have to peek towards where you have no cover.

Hunger: Too tight.

Hunger: Then so, you shall.

SDUSM Anderson Fowler: Fuck it. I'll peek and shoot.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 34 (Rolling Firearms Target: 50%)

SDUSM Anderson Fowler: 10

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls 1d10 -> 2 (Draws a result from the Random Hit Location d10 table)

Samuel Ball: Samuel Ball rolls 1d6 -> 2 (Draws a result from the Leg Critical Wounds (8+ Dmg) table)

Samuel Ball: Target is effectively helpless. He looks at you one last time before letting out an unhinged laugh, or at least that's what it would sound like if a chimpanzee was taunting you.

Samuel Ball: Condition Changes Dead Departed

SSA Mariam Helena Khoury: "IS HE DEAD?!"

Hunger: He has several holes in his forehead now so you'd reckon.

ASAC Darius Jeremiah Cruz: I'm gone, then! There's still urgent matters at hand.

Hunger: Free movement, take off your weapon states.

Hunger: Darius, throw first aid, then medicine.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Failure -> 71 (Rolling First Aid Target: 70%)

SSA Mariam Helena Khoury: Someone must've called 911 by now, so I'm gonna make the important call to Pitz as I look at this dead man.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 20 (Rolling Medicine Target: 40%)

Hunger: As you're in a panic trying to wrap his shit back together, you realize...

Hunger: He's overreacting.

Hunger: It's a flesh wound.

IO Michael Sajdak: Condition Changes Serious Bleeding Prone Stunned

ASAC Darius Jeremiah Cruz: I swear to god, man! I was /this/ close to diving in there /medkits/ blazing...

Hunger: Roll Surgery.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 3 (Rolling Surgery Target: 50%)

Hunger: He's gonna need a nice sew and it will take a bit to fully close up, but you're looking at at least 24 hours of elevating the foot.

SDUSM George Elijah Jones: I'm going to hurry the kids and the woman to the parking lot in the meantime and call an ambulance + animal control to collect this thing. And cops, probably.

SSA Mariam Helena Khoury: Allow me to call my connection.

Hunger: Actually, let's have a pause here.

Hunger: 10 minute break, everyone is disoriented, plan the next move.

Hunger: After the confrontation and the shootout, Nika completely shuts off. She has gone psychotic.

Hunger: On the other hand, there's no one to say no to you rummaging through the files now.

Hunger: Roll Search at a +20%.

SSA Mariam Helena Khoury: Can I try and help her settle down a little phaps?

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 80 (Rolling Search Target: 80%)

Hunger: Let's say that your Psychotherapy concludes that it's "bad bad".

Hunger: Blood, children in danger and two dead bodies.

Hunger: As for your findings... we'll handle it shortly.

Hunger: Michael, when you come to, you realize that something is entirely wrong and the difference between the pain you felt and what happened to you was entirely divorced. SANLOSS.

Hunger: You have this intrusive thought in the back of the head that now was not the time for such a debilitating injury. You won't get away with it this close the next time. You can't shake it off.

Hunger: 1000R.

Hunger: You manage to get a look at the files amidst the chaos. You find three therapy reports belonging to Chilikov, Gable and Wills. The other two are severely contradictory in their progress, but Chilikov's is somewhat of a success story.

Hunger: You find Nika Chilikov's masters thesis draft among the pile.

SSA Mariam Helena Khoury: Wow, she could've turned out just like me.

Hunger: Elle Amanda Gable was transferred to Hamilton Youth Home in Raleigh, North Carolina, after assaulting Nika Chilikov with a pair of scissors in 2009. She ran away from that facility in 2010 and has not been heard from since. Jennifer Leah Wills fled in early 2010 at age 14. Her file includes a note that she was arrested eight months later after assaulting another teen at St. Laurence Church in Miami, Florida. Miami police found a scrap with King-Torino's number forgotten in a pocket and called King-Torino for information. She quickly escaped custody and vanished into the lethal ocean of American homelessness.

Hunger: The fourth file, for Conrad Danilovich Hopko, is entirely empty but for a Post-it note with the scrawl, "FBI Case 07-195121." Hopko appears in no other pertinent documents.

Hunger: The thesis will take roughly a day to make sense of- and that's not counting your sign-offs.

SDUSM George Elijah Jones: How quick can we get that Conradin file?

SSA Mariam Helena Khoury: We're waiting on it to get declassified.

Hunger: You can call Pitzerelli now, then we measure the breadth of your punishment.

SSA Mariam Helena Khoury: I'll do that.

Asst. U.S. Attorney Antony Pitzerelli: "Hi. Are you here to ruin my breakfast?"

SSA Mariam Helena Khoury: "Darling. No."

SSA Mariam Helena Khoury: "Samuel Ball is not going to be a problem anymore."

Asst. U.S. Attorney Antony Pitzerelli: "Is he dead? Any witnesses?"

SSA Mariam Helena Khoury: "Well. A few."

Asst. U.S. Attorney Antony Pitzerelli: "Ah jesus fucking christ-"

SSA Mariam Helena Khoury: "He rushed us in King Torino, with a bear like a K-9 unit."

Asst. U.S. Attorney Antony Pitzerelli: He slams his desk, you can hear it.

SSA Mariam Helena Khoury: "It could've gone better, but he clearly intended to kill... the kids."

Asst. U.S. Attorney Antony Pitzerelli: "WHAT HAPPENED TO THE THING WE CALLED NO MEDIA COVERAGE?"

SSA Mariam Helena Khoury: "I can't help a maniac walking into an orphanage with a bear and a pistol, Antony."

SSA Mariam Helena Khoury: "We'll get the drop on Cunningham and the rest. I promise."

Hunger: It was one pistol and a pair of boltcutters.

Hunger: That pistol, matter of fact, still had a number on it.

SSA Mariam Helena Khoury: Serial?

Asst. U.S. Attorney Antony Pitzerelli: "And how do I know you'll keep that promise? By the end of this shit you'll star in your own podcast."

SSA Mariam Helena Khoury: "Maybe I'll get a following on Twitter."

SSA Mariam Helena Khoury: "Listen, his gun has a serial number, I can recite it back for you to see where he got it from. I also wanted to ask for a police detail on one of the staff members here, just to keep her safe."

SSA Mariam Helena Khoury: "I think they're going after her."

Asst. U.S. Attorney Antony Pitzerelli: "I'll see what I can do with the Marshals for the girl. As for the serial number, what the fuck do they pay you for?"

Asst. U.S. Attorney Antony Pitzerelli: He hangs up.

Asst. U.S. Attorney Antony Pitzerelli: Asst. U.S. Attorney Antony Pitzerelli rolls Success -> 29 (Rolling Bureaucracy Target: 40%)

Hunger: Anderson and George, guys from North Carolina office arrive later that day to take custody of Nika for until the end of this month.

SDUSM George Elijah Jones: It is what it is.

Hunger: They are keeping her in one of the many safehouses, it's not exactly prison but not freedom either.

Hunger: As for the serial...

Hunger: No roll.

Hunger: Your stay in Charlotte will take...

Hunger: Highest Bureucracy rolls (Anderson).

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 37 (Rolling Bureaucracy Target: 60%)

Hunger: You'll be on the move by next Monday. On the bright side, you have enough time to digest everything you just got, and for Michael to get back on his feet again.

SSA Mariam Helena Khoury: I wanna see if I can get anything on ScribeLife420 from the closest Bureau office, an address or contact info ideally.

Hunger: Apart from doing these everyone is allowed ONE preparatory action before moving onto Florida.

SSA Keith Alan Pike: Did I receive any lasting injuries from that encounter, or did my vest save me?

Hunger: Your vest saved you.

Hunger: You just got a big round bruise.

SSA Keith Alan Pike: ScribeLife420's email should be in the correspondence, shouldn't it?

SSA Keith Alan Pike: That's a start.

SDUSM George Elijah Jones: I need a shotgun that's what I need.

SSA Mariam Helena Khoury: Yup, should be easy to track through channels.

ASAC Darius Jeremiah Cruz: I thought we were explicitly barred from buying firearms.

Hunger: Good call.

SDUSM George Elijah Jones: Sad.

Hunger: Criminology to find a source.

SDUSM Anderson Fowler: I got 50.

Hunger: Or some other shit if you want to steal it out of Marshals custody.

ASAC Darius Jeremiah Cruz: Shit, I'd like a real gun, too.

Hunger: That would be bureucracy or Stealth.

Hunger: Depends on which one.

SDUSM George Elijah Jones: If hoodrat gangbangers can get their hands on dracos I can get my hands on a Mossberg 500.

Hunger: Pick your approach and throw publically.

SDUSM Anderson Fowler: I'll try getting a shotgun too.

SDUSM Anderson Fowler: Two separate rolls?

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 90 (Rolling Criminology Target: 70%)

Hunger: Mariam, your search for ScribeLife420 is not very fruitful at this moment.

Hunger: Everyone rolls for their own gun.

SDUSM Anderson Fowler: I'll try to sneak one from the Marshals using Bureaucracy.

SSA Keith Alan Pike: I already have one, don't I?

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls CRITICAL FAILURE! -> 77 (Rolling Bureaucracy Target: 60%)

SDUSM Anderson Fowler: Fuck.

SSA Mariam Helena Khoury: I wanna try to find a suppressor for my service pistol, I guess. An off-the-book supplier like that family killer Keith met in 2001 type of thing.

SSA Mariam Helena Khoury: If I can that is.

ASAC Darius Jeremiah Cruz: I'll see about trying to buy an assault rifle of sorts, if that's on the table.

Hunger: Anderson, you get caught on your way out and only get away with it due to the fact that you are not from here. You're still on camera.

Hunger: Roll Luck, blind.

Hunger: You think it's not serious.

SSA Keith Alan Pike: Do it for the Vine

SDUSM Anderson Fowler: We'll see in a week or two.

Hunger: Okay can we take this in one at a time- who else needs what done

SSA Mariam Helena Khoury: Suppressy

IO Michael Sajdak: This bitch was in touch with someone 'Conradin'? She sure stayed quiet about that one when we were talking to her huh.

ASAC Darius Jeremiah Cruz: I'm rolling crim now to see if I can buy a gun myself or not.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Failure -> 51 (Rolling Criminology Target: 50%)

Hunger: Darius and George, both of you are upsold and will need to pay a higher expense level for a gun that's otherwise completely legal to own with no paperwork.

Hunger: Optional.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 74 (Rolling Criminology Target: 50%)

Hunger: Mariam, you outright fail to find anyone in this business.

SDUSM George Elijah Jones: I'll pay the money.

ASAC Darius Jeremiah Cruz: Firepower is firepower, I'll take what I can get.

Hunger: What gun do you have in mind?

SDUSM George Elijah Jones: Mossberg 500.

SSA Keith Alan Pike: Where am I keeping my tricked out AR? Is it in my car?

Hunger: Yes.

ASAC Darius Jeremiah Cruz: I'll get a shotgun, the Remington 870 if that's legal.

Hunger: Both of you hit Accounting.

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Failure -> 74 (Rolling Accounting Target: 10%)

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 52 (Rolling Accounting Target: 10%)

SDUSM Anderson Fowler: Did I manage to get away with or without the shotgun?

Hunger: Parsed.

Hunger: You didn't Anderson. You got away with your job though.

IO Michael Sajdak: Considering I spent a fuckton forging those documents during the Cornucopia fiasco I'm not gonna bother buying anything. In fact I'm thinking about using my stealth to rob some suburb home on the way out of here so I have some cash on hand the next time we get an opportunity like this.

Hunger: You're doing what?

IO Michael Sajdak: I want to buy a crowbar and hit a jugg

ASAC Darius Jeremiah Cruz: Eloquently put.

Hunger: ...

Hunger: Throw Stealth.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 97 (Rolling Stealth Target: 70%)

Hunger: Your incredibly stupid idea makes you realize how utterly inexperienced you are at robbing peoples homes. You drive around for a bit and leave once they start staring at you too hard at the suburbs.

Hunger: You maybe shouldn't have done this in your personal vehicle.

Hunger: Moving on.

Hunger: Did I miss anything?

SSA Mariam Helena Khoury: No, but I'm a little mad that the local Bureau office can't get anywhere with this guy's email.

Hunger: This will be a home pursuit action.

SSA Keith Alan Pike: He's probably some Malaysian anyway.

Hunger: As for the Bureau, the gun was stolen from a break-in a week before it was used on Keith and Michael. It happened in Atlanta.

Hunger: That being said...

Hunger: EVERYONE, 1D2 LUCK.

SSA Mariam Helena Khoury: 1

ASAC Darius Jeremiah Cruz: 1

IO Michael Sajdak: 2

SDUSM Anderson Fowler: 2

SSA Keith Alan Pike: 2

SDUSM George Elijah Jones: 1

Hunger: Anderson, Michael and Keith.

Hunger: The date is...

Hunger: MON 10 OCT 16, 0700R.

Hunger: All three of you are watching the same TV. Where are you? A hotel lobby? A 24 hour diner?

SDUSM Anderson Fowler: A diner makes sense.

SSA Keith Alan Pike: We're human, we have to eat sometime...

Hunger: You're digging into your pancakes. That bitch of a puppy did a number on you, as your arm stings just a little bit when you put pressure on the knife.

Hunger: The TV is not muted, but barely audible.

SDUSM Anderson Fowler: Fowler eagerly eats some bacon.

Hunger: "...Caretakers in Zoo Atlanta woke up to shock today, as one of the Sumatran tigers, named Kiva, went missing. The police found grafitti inside of the tiger enclosure, but could not implicate any of the environmentalist groups that are possibly responsible for the incident."

Hunger: A female caretaker comes on, "It's utterly insane. What is the point of stealing a tiger? You think you're doing it a favor?"

Hunger: The grafitti...

Hunger: A weird tree, two horns, alligators and the constellation of stars...

Hunger: "The police are yet to identify the masked suspect, but they believe it's a young adult Black male."

Hunger: "A tip line has been established on any possible leads. The suspect is considered armed and dangerous, as he is seen with a firearm."

Hunger: Weather.

SDUSM Anderson Fowler: "What are the chances we see that tiger around, huh?"

Hunger: Anderson, roll Alertness.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 79 (Rolling Alertness Target: 50%)

Hunger: No result. Other 2 may throw.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 98 (Rolling Alertness Target: 50%)

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 64 (Rolling Alertness Target: 50%)

SSA Keith Alan Pike: Keith is barely paying any attention to the TV, or really anything besides his food.

Hunger: No result. It's on your own initiative.

Hunger: One last glimpse of the grafitti, and it's the sky over North Carolina.

IO Michael Sajdak: Did we even save a black kid from Cornucopia? Not that we'd be able to remember, but it doesn't seem to fit with the people we've been chasing after so far.

Hunger: You saved one sole black kid.

IO Michael Sajdak: And of course the grafitti matches what we found in Nika's thesis.

Hunger: More or less.

IO Michael Sajdak: "Shit, let them throw a tiger at us. Can't be worse than a bear."

SDUSM Anderson Fowler: "I doubt that."

Hunger: Just to remind you- driving to Atlanta is entirely within the realm of possibilities. It's just down south.

SSA Keith Alan Pike: "He's just on the loose down there, isn't he?"

SDUSM Anderson Fowler: "If he runs rampant someone's gonna work hard to get their hands on him."

SSA Keith Alan Pike: "If we don't beat him to whoever he's after, and it's probably not us, more people are going to die..."

Hunger: Roll INT. Keith.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 76 (Rolling INT Target: 50%)

SSA Mariam Helena Khoury: Okay, quick thinking, were there any African-American sounding names in all the DHS and other files I've looked through in the last couple of months?

Hunger: There is one.

Hunger: Tory Vladimir - this is the bullshit that Babushka invented for him, just like the rest. A later version shows up as YShawn Tory Cunningham.

Hunger: How creative.

SSA Mariam Helena Khoury: How long would just the drive to Atlanta add to our trip down south?

Hunger: Keith, if you get on the road now you might be able to reach the zoo before tomorrow - it's closed for visitors today due to the incident.

SSA Mariam Helena Khoury: Looks like it's on the way, we can drive past and see if we can sniff any gingerbread cookies out.

SSA Keith Alan Pike: Was the perpetrator's face on the newscast?

SSA Mariam Helena Khoury: Masked!

Hunger: No face, but you do know he's black.

Hunger: Proceed?

SSA Mariam Helena Khoury: Yes Sir.

SSA Keith Alan Pike: I doubt we'll find any clues at the zoo, but it's a place to start when we've got no other options.

Hunger: You're saying goodbye to Charlotte as the skyline is lost behind the woods.

Hunger: Charlotte -> Greenville, South Carolina is 2 hours.

Hunger: 1000R. Greenville to Atlanta is 3.5 hours.

Hunger: It's 1400R by the time you reach Atlanta. Zoo will be another 30.

Hunger: Traffic...

Hunger: Atlanta, GA.

Hunger: Anyone would like to do something in the city before moving ahead to the zoo?

SDUSM George Elijah Jones: Also known as the Gayest city in the South.

SSA Mariam Helena Khoury: I want to drink a Starbucks Frappuccino (venti).

SSA Mariam Helena Khoury: Actually I'll take it to go.

SDUSM George Elijah Jones: I want to check the Bass Pro Shops pyramid.

SDUSM George Elijah Jones: And take a selfie to send to my family.

Hunger: Your bullshit altogether eats 30 more minutes of your time- you'll arrive in 3PM.

SDUSM Anderson Fowler: I'm getting a big chocolate dip from Dairy Queen.

SSA Keith Alan Pike: Check YouTube for reactions to the news story about the stolen tiger.

Hunger: Keith, there's a dozen of them by now at least, but what do you plan to find out beyond what you heard on the news?

Hunger: Environmentalists are angry as hell- no doubt.

SSA Keith Alan Pike: Scratch that actually, what about news coverage of the Fucked Up Kids House shooting?

Hunger: Federal agents shoot and kill one of the suspects in the Cornucopia House affair, one orderly working at the home in critical condition at the hospital. No statements.

SSA Keith Alan Pike: No mention of the bear?

IO Michael Sajdak: Me AND Darius are trying some lemon pepper wings from JR Cricket.

Hunger: No mention of the bear- it didn't do much of anything before George beat the fucking daylights out of it.

Hunger: You enjoy your wings, ice cream, coffee, selfies, whatever.

Hunger: Zoo Atlanta, Atlanta, GA.

Hunger: It's closed for visitors, and the police seem to have departed after collecting "evidence", if any.

SDUSM Anderson Fowler: It feels good to be American.

SSA Mariam Helena Khoury: I'm heading in with my caramel frappuccino in my hand.

Hunger: It was reported before opening so you gather they are already done here.

SDUSM George Elijah Jones: Let's go see the graffiti and see if it does any mindfuck shit on us.

SDUSM George Elijah Jones: Maybe we can glean insight when we're there physically.

A Man: A guy wearing an uniform with ZOO ATLANTA on it interrupts you.

A Man: "Sorry ma'am, we're closed."

SDUSM George Elijah Jones: Badge.

SDUSM George Elijah Jones: Out the way, big boys in town.

SSA Mariam Helena Khoury: I sip as he does.

A Man: "Wh-"

A Man: "What the fuck are federal agents doing here?"

SSA Mariam Helena Khoury: "We're here to check on the enclosure, sir."

SDUSM George Elijah Jones: "Don't worry about it and don't sign it in or it's your funeral."

A Man: A Man rolls Failure -> 70 (Rolling POW Target: 50%)

A Man: "You know what, fuck it." He just presses a button and the turngate comes loose, everyone can just slip past it.

A Man: "All yours."

A Man: He's going back to his iPhone.

SDUSM George Elijah Jones: "Thank you kindly."

SDUSM George Elijah Jones: We step on in.

SSA Keith Alan Pike: Can we see the animals?

Hunger: It's eerily empty inside. The first exhibit is the elephant enclosure.

Hunger: "PRÖÖÖÖÖH!!-"

Hunger: They seem happy at the lack of loud human noises.

Hunger: Two are playing with the water and mud.

SDUSM George Elijah Jones: They must've gotten a break from sweating bullets wondering if some black kid is going to fall in and they'll get done like Harambe.

SSA Mariam Helena Khoury: I like them.

Hunger: Zoo breakouts are not all that uncommon- Harambe situation was entirely different.

Hunger: I digress.

ASAC Darius Jeremiah Cruz: I'm going to try not to get sidetracked looking at the other animals.

Hunger: You head towards the tiger enclosure...

Hunger: The tigers are actually under lockdown.

Hunger: No wonder.

Hunger: The enclosure is empty, but no one is around.

Hunger: No need for an INT roll, you may be about to win the Darwin awards for trying to hop in.

SSA Keith Alan Pike: "We should check with the keepers to see if the tigers are locked up properly before going in there."

SSA Mariam Helena Khoury: "Good idea."

SDUSM George Elijah Jones: "Yep."

A Woman: "Hi, are you the federal agents? My coworker just radio'd in."

SDUSM George Elijah Jones: "Yeah we want to see the vandalism."

A Woman: "I assumed you're here for... all this, so I've been waiting for you."

A Woman: "You wanna go inside?"

SDUSM George Elijah Jones: "Yeah, sure."

SSA Mariam Helena Khoury: "No other way to get a proper look."

Hunger: EVERYONE, ROLL BLIND LUCK.

Hunger: Mariam, as you're walking out past the iron bar cage...

Hunger: Someone doesn't appreciate your presence, but can't really do anything about it.

SSA Mariam Helena Khoury: I blanked out-- they're not rattled otherwise, are they?

SSA Mariam Helena Khoury: Just typical behavior?

SSA Keith Alan Pike: Are you a tiger expert?

Hunger: You look him in the eyes. He seems to calm down after that.

SSA Mariam Helena Khoury: I am.

Hunger: It does a spin and goes back to laying wherever it was.

SSA Mariam Helena Khoury: Well, let's check the graffiti and its surroundings.

SSA Mariam Helena Khoury: Seeing the full cut of the footage from this woman's phone might give us some better context, too.

SDUSM George Elijah Jones: George is just thinking that he wants to add a tiger to the collection of animals beaten so it's added to his legacy after he dies or goes to an asylum or prison.

SSA Mariam Helena Khoury: We do want that guide in here with us.

Hunger: You descend down into the enclosure, where the water regulation is. Tigers are great swimmers, and they spend a good deal making use of that skill.

Hunger: The guide is standing across the ledge.

Hunger: "It's over there."

Hunger: There's a grafitti at the top of these doors.

Hunger: It's exactly what you saw on the news.

SSA Mariam Helena Khoury: Figure with a red blotch where the brain should be?

SDUSM George Elijah Jones: Anything different looking at it from this angle?

Hunger: Two things-

SDUSM George Elijah Jones: Like a magic eye picture?

Hunger: One, this is half out of reach. You need to stand taut on something to spray this on.

SSA Keith Alan Pike: Keith takes out his Samsung Galaxy S5 and aims the 16 Megapixel rear camera at the graffiti, snapping photos.

Hunger: Two, even on stable footing, manipulating graffiti to this precision is an incredible feat.

Hunger: Spray paint cans are fickle, and the paint goes everywhere.

Hunger: No corrections or mistake strokes, this looks like a well-practiced gang sign.

SDUSM George Elijah Jones: Let me guess? It just happened to spray on perfectly in spite of the difficulty.

Hunger: Except it's significantly more detailed and verbose than a gang sign.

Hunger: Exactly, George.

SSA Mariam Helena Khoury: "What's supposed to be past these doors?" I'm asking the guide.

Hunger: "Our little sewer system. Fluid regulator for this enclosure and a couple others."

Hunger: "Have fun."

SSA Mariam Helena Khoury: I'll just crack them open and confirm, frappuccino still in my off hand.

SSA Mariam Helena Khoury: "Who's first?"

SSA Mariam Helena Khoury: "Or are we sticking with that 'ladies first' BS?"

Hunger: Mariam.

Hunger: Roll CONx5.

SSA Keith Alan Pike: "...Are all the tigers accounted for? Silly question, I know..."

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 61 (Rolling CON Target: 65%)

Hunger: You don't throw up immediately, but that's wraps for your appetite.

Hunger: You don't think it's of any use to carry this thing until later today.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury covers her mouth and nose with her sleeve.

SSA Mariam Helena Khoury: It's really dark over here, isn't it?

Hunger: Even after covering your mouth...

Hunger: Gingerbread cookies.

SSA Mariam Helena Khoury: "Come in here."

SSA Mariam Helena Khoury: I'm setting the frapp on this rock.

SSA Mariam Helena Khoury: AND drawing my pistol.

Hunger: Everyone that takes a step through the door starts smelling it.

Hunger: Gingerbread cookies and warmth, rotting into disgust and hatred.

SDUSM George Elijah Jones: "That shit's liquid diabetes anyways - good riddance."

Hunger: Combat states if you're drawing your gun.

SSA Mariam Helena Khoury: Turning my flashlight on.

ASAC Darius Jeremiah Cruz: I'm pulling my gun out too, gingerbread cookies are never a good sign, it seems.

Hunger: NOTE: Those who have the light on are tac-wielding it with the pistol.

SSA Mariam Helena Khoury: "Hope you guys brought a spare change of pants and pair of shoes."

Hunger: It's not clipped to your body.

SSA Mariam Helena Khoury: I'm peeking.

Hunger: This tunnel narrows down enough to only let one person in at a time. Nothing on the other end.

SSA Keith Alan Pike: Is the zookeeper coming with us?

Hunger: The zookeeper went back inside.

Hunger: She's not here anymore.

SDUSM George Elijah Jones: "Keith, get our six."

SSA Keith Alan Pike: "I got you."

Hunger: All 4 of you in that corridor hit swimming now.

SSA Mariam Helena Khoury: Oh my god.

Hunger: And the rest, weapon states!

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 26 (Rolling Swim Target: 20%)

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 84 (Rolling Swim Target: 20%)

Hunger: Anderson.

Hunger: Roll and gun state.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 2 (Rolling Swim Target: 50%)

Hunger: roll darius

ASAC Darius Jeremiah Cruz: Still not working, I'll just roll a D100

ASAC Darius J. Cruz: 74

ASAC Darius Jeremiah Cruz: I have a swim of 20, so that fails miserably.

Hunger: In any case, all of you get splashed by a nice backwash and get drenched by sewage.

SSA Keith Alan Pike: "Everything okay over there?"

SDUSM George Elijah Jones: "Stinks like a motherfucker!"

SSA Mariam Helena Khoury: "It's fucking disgusting, Keith."

ASAC Darius Jeremiah Cruz: "I'm covered in shit!"

Hunger: You ignored the perfectly alright looking platform and went into the asshole tunnel, so.

SDUSM George Elijah Jones: "Tiger shit!"

Hunger: MOVE ON!

SSA Mariam Helena Khoury: "Fucking dammit."

SSA Keith Alan Pike: "... We'll watch the rear, alright?"

SSA Mariam Helena Khoury: Jumping onto the platform.

IO Michael Sajdak: "Yeah I think we'll leave this one to them."

Hunger: Are those two just not going in?

SDUSM George Elijah Jones: "Naw, go up and to the platform!" He shouts.

SDUSM George Elijah Jones: George climbs up and shakes sludge off himself.

IO Michael Sajdak: I'd do that but I can't see what you're talking about

SSA Mariam Helena Khoury: "Split. Cruz, Fowler, check the north."

ASAC Darius Jeremiah Cruz: I can't fucking move, I'm reconnecting again.

SSA Keith Alan Pike: "I'm not going into that fucking water."

SSA Mariam Helena Khoury: Do we wait for Cruz to get back?

Hunger: Move along, we'll handle it.

SSA Mariam Helena Khoury: "Gate here."

Hunger: It's unlocked, you can go past.

SSA Mariam Helena Khoury: "Boy, get your ass over here."

SSA Mariam Helena Khoury: Let's assume he's behind me.

Hunger: You can hear echoing machinery behind those doors.

Hunger: And a constant rasping noise.

Hunger: Like someone is sawing down wood.

SSA Mariam Helena Khoury: I'll discreetly call the other two who're in the shit to get down south with us.

SSA Mariam Helena Khoury: Aiming at the double doors while they get here.

Hunger: You can stack up at the door.

ASAC Darius Jeremiah Cruz: Why can't I see shit??

SSA Mariam Helena Khoury: It be dark.

Hunger: Flashlighth.

SSA Keith Alan Pike: "Everything good down there?" Keith calls out into the tunnel.

SSA Mariam Helena Khoury: Using my radio, low voice. "I think there's someone in here, come in and follow the yellow platform south."

SSA Mariam Helena Khoury: "Snappy, we're waiting at the doors."

Hunger: Mariam, roll Alertness.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls CRITICAL SUCCESS! -> 1
(Rolling Alertness Target: 70%)

IO Michael Sajdak: I still can't see no yellow platform i think the LoS is bugging out

SSA Keith Alan Pike: Keith radios back. "Do we have to go through that shit-water?"

Hunger: The rasping gets louder. You realize this is a hacksaw.

IO Michael Sajdak: I'm going to go that way then.

SDUSM George Elijah Jones: This could be some fucko carpenter there.

SSA Mariam Helena Khoury: "We're about to kill someone, just get here. I'll pay for your pants."

Hunger: Michael, Keith, this platform leads to a tiny grate you can't fit through.

Hunger: You'll have to take the asshole canal.

SDUSM George Elijah Jones: Can we peek this?

Hunger: Keith, assign yourself "Secondary" status effect if you have your gun out.

Hunger: George, the door is locked.

SDUSM George Elijah Jones: How loud will jimmying it with the lockpicks be?

SSA Mariam Helena Khoury: And do they look kickable?

Hunger: Everything looks kickable.

SDUSM George Elijah Jones: Boy I'll blast this fucking thing off the hinges don't even try me, woman.

SSA Keith Alan Pike: "Fuck..."

IO Michael Sajdak: I guess I'll just wade through the poop water then.

Hunger: You make it past with no incident unlike the four gunslingers.

SSA Keith Alan Pike: "Watch out for broken glass and shit."

SSA Mariam Helena Khoury: "And Shit" especially.

Hunger: Are you all just standing still?

SDUSM George Elijah Jones: Response on the lockpick question?

IO Michael Sajdak: "I'm already covering my gunshot wound in sewage, who the fuck cares."

Hunger: You try to jimmy the locks- and then you realize this thing isn't fucking "locked", it's blocked.

ASAC Darius Jeremiah Cruz: Fuck this, I'm kicking my way through.

SDUSM George Elijah Jones: And the other door?

SDUSM George Elijah Jones: You aren't kicking it - we have to push it together if we even want to make a move.

Hunger: The rasping stops.

SSA Mariam Helena Khoury: There's gotta be a way out through the north. I'm gonna double back and cut off this guy's escape at the junction northeast.

SSA Keith Alan Pike: "Where are you going?"

SDUSM George Elijah Jones: One of you should go with her - the rest should help me push this damn thing in.

Hunger: George, roll STR.

SSA Keith Alan Pike: Keith follows Mariam.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 26 (Rolling STR Target: 80%)

SSA Mariam Helena Khoury: "He's coming through here if he runs."

Hunger: Mariam, that's as far as you get before the confrontation, Keith is following you.

Hunger: BANG!

Hunger: Another kick.

Hunger: BANG!

Hunger: On the third, it's finally thrown open.

Hunger: At first, you see the stripes of the tiger.

Hunger: No more than a moment later, it just vanishes into the darkness.

SDUSM George Elijah Jones: The rasping might've been a tiger breathing but hindsight is 20/20.

YShawn Tory Cunningham: Behind him, a man.

Hunger: There's a hacksaw on the floor.

SDUSM George Elijah Jones: Damn!

Black panther: There's a second animal here.

Black panther: It almost sneers at you, baring its teeth.

YShawn Tory Cunningham: He will wildly shoot towards the entrance to suppress you.

YShawn Tory Cunningham: He's wearing a plate carrier and carrying a Draco. On a critical success, someone is hit.

YShawn Tory Cunningham: YShawn Tory Cunningham rolls Success -> 10 (Rolling Firearms Target: 35%)

YShawn Tory Cunningham: Not a critical.

YShawn Tory Cunningham: He shoots once, and then starts bump firing it.

YShawn Tory Cunningham: Everyone in that cone, roll POW.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 67 (Rolling POW Target: 50%)

SDUSM George Elijah Jones: "Motherfuck-!"

SDUSM George Elijah Jones: George ducks!

IO Michael Sajdak: Am I in 'getting suppressed' range here?

Hunger: YES, EVERYONE IN THAT CONE I SAID.

Hunger: IMPORTANCE OF SPREADING OUT MADE CLEAR ONCE AGAIN.

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 15 (Rolling POW Target: 60%)

SDUSM George Elijah Jones: The drac is firing wildly at the door brother - roll that shit.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 74 (Rolling POW Target: 65%)

Hunger: Darius

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 42 (Rolling POW Target: 80%)

IO Michael Sajdak: he can't roll

SDUSM George Elijah Jones: Condition Changes Suppressed

SDUSM Anderson Fowler: Condition Changes Suppressed

Hunger: If you can't roll just hit the d100 again.

Black panther: Panther's ambush attack.

ASAC Darius Jeremiah Cruz: Did that go through I see a roll

Black panther: Darius seems to not flinch at the attack, so its going for the knockdown.

Black panther: Black panther rolls Success -> 21 (Rolling Custom Target: 50%)

Black panther: The thing leaps in a hop and a skip, before lurching at you in a straight line.

Black panther: It's going to wrestle you on the floor- then roll a d4 damage dice for its claws are sharp.

Black panther: Black panther rolls Success -> 14 (Rolling STR Target: 95%)

Black panther: You need to roll lower than 14.

Hunger: Man I can't even begin to conceptualize how fucked your game is that you cant click on rolls so I'm just gonna go ahead and let your brother do it.

IO Michael Sajdak: 13

SDUSM George Elijah Jones: Holy fuck.

ASAC Darius J. Cruz: In a massive burst of adrenaline, you actually manage to lock the animal in a wrestling position. It's claws mercilessly cut you, and this is absolutely not a good spot to be. You're about to lose a fight you should have never started.

Hunger: 4

Hunger: Hunger rolls 1d10 -> 10 (Draws a result from the Random Hit Location d10 table)

Hunger: No double damage, it's away enough from your head.

Hunger: Hunger rolls 1d6 -> 4 (Draws a result from the Head Minor Wounds (3, 4 Dmg) table)

Hunger: It parts you with a nice gash in your ear.

Sumatran tiger: 10

Black panther: 10

YShawn Tory Cunningham: 12

ASAC Darius J. Cruz: 12

IO Michael Sajdak: 15

SDUSM Anderson Fowler: 16

SDUSM George E. Jones: 13

SSA Mariam H. Khoury: 12

SSA Keith A. Pike: 13

SDUSM Anderson Fowler: Active Conditions Suppressed

Hunger: POWx5 to break the suppression. Then, you can either engage the animal or scream at George to snap out of it.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 69 (Rolling POW Target: 65%)

Hunger: Not today.

SDUSM Anderson Fowler: Condition Changes Suppressed

IO Michael Sajdak: Figuring the panther will fuck off when he dies I'm gonna aim at the Quiet Child this turn.

Hunger: Aiming consumes your action- do you mean FIRE at him or?

IO Michael Sajdak: Okay fuck it I'll shoot

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 58 (Rolling Firearms Target: 50%)

Hunger: Miss.

SDUSM George E. Jones: Active Conditions Suppressed

SDUSM George Elijah Jones: I'm trying to snap out of it.

Hunger: POWx5.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Failure -> 95 (Rolling POW Target: 50%)

SDUSM George Elijah Jones: No dice - I'm still terrified by the Las Vegas shooting Draco.

SDUSM George Elijah Jones: Is it possible to spend wp?

Hunger: No, but you can maybe distract the animal.

SDUSM George Elijah Jones: Does OC spray count as a distraction?

Hunger: Sure. You spray OC towards the animal and Darius.

SDUSM George Elijah Jones: My bad brother.

Hunger: Now here's the problem.

Hunger: The animal just got angrier- but Darius is stunned.

ASAC Darius Jeremiah Cruz: Condition Changes Stunned

Hunger: The animal is VERY pissed off at you.

ASAC Darius Jeremiah Cruz: What the fuck??

SDUSM George Elijah Jones: That's fine. His pelt has my name written on it.

SSA Keith A. Pike: You're actually tailing Mariam.

Hunger: You can act from here.

SSA Mariam Helena Khoury: "Take point. Wish you brought your gun."

SSA Keith Alan Pike: "Fuck, they're shooting? Do we go back?"

SSA Mariam Helena Khoury: "We take them from the back."

SSA Keith Alan Pike: "Alright, I'll take the point."

SSA Keith Alan Pike: How far can I move, again?

SSA Mariam Helena Khoury: "Think it's further down."

Hunger: Wading through this shit will be Swimming, otherwise you're capped at walk speed.

Hunger: So like, you can maybe round that one corner and thats it.

SSA Keith Alan Pike: Over to here?

Hunger: That seems to lead to a dead end.

SSA Mariam Helena Khoury: Taking the fork southwest, then.

Hunger: Mariam, it's leading nowhere.

SSA Mariam Helena Khoury: Ou shii

Hunger: You need to pass Swimming to not waste your move here.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 80 (Rolling Swim Target: 20%)

Hunger: I literally just told him it's a dead end.

Hunger: You're here now.

Hunger: He slips through the grate and disappears into the dark.

ASAC Darius J. Cruz: Active Conditions Stunned

Hunger: You're no longer locked in a fight with the panther.

ASAC Darius Jeremiah Cruz: But I'm still stunned, so I can't do shit, right?

ASAC Darius Jeremiah Cruz: Condition Changes Light Bleeding

Hunger: You didn't roll CONx5... If you pass that you could act at a disadvantage.

IO Michael Sajdak: 97

ASAC Darius J. Cruz: You manage to move out of harms way.

Hunger: George, you're about to find out why spraying wildlife with capcaisin is a bad idea.

Black panther: Black panther rolls Success -> 47 (Rolling Custom Target: 50%)

Black panther: Hit Dodge or Unarmed for a block. If you block, you'll take half of the damage.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 70 (Rolling Unarmed Combat Target: 70%)

Black panther: 4

SDUSM George E. Jones: You take 2 damage to your... 1 right 2 left

SDUSM George E. Jones: 2

SDUSM George E. Jones: Your offhand gets a nasty laceration.

Hunger: You're in grappling range.

Sumatran tiger: Sumatran tiger rolls Success -> 65 (Rolling Swim Target: 95%)

Sumatran tiger: The tiger, almost as if it knows where to go, shoots past you like an orange bullet, splashing sewage all over.

Sumatran tiger: It doesn't seem interested in fighting.

SSA Mariam Helena Khoury: "HOLY FUCK."

SSA Keith Alan Pike: "HUH?!"

SDUSM Anderson Fowler: Can I get a clear shot on the tiger?

SDUSM Anderson Fowler: Sorry.

SDUSM Anderson Fowler: Panther.

Hunger: Yes, George managed to brush it off.

Hunger: Whether your 9mm will take it down is a dice question.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 81 (Rolling Firearms Target: 50%)

Hunger: Miss.

IO Michael Sajdak: I too will shoot the panther provided I can get a hit off without murdering George.

Hunger: Go ahead, you're not at risk of FF.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 81 (Rolling Firearms Target: 50%)

Hunger: MISS!

Hunger: George, you're still holding onto your pistol.

Hunger: -10% for gun-fu.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 6 (Rolling Firearms Target: 40% (50%-10%))

SDUSM George Elijah Jones: Rolling areas and damage?

SDUSM George E. Jones: SDUSM George E. Jones rolls 1d10 -> 7 (Draws a result from the Random Hit Location d10 table)

SDUSM George Elijah Jones: 8

Black panther: Black panther rolls 1d6 -> 5 (Draws a result from the Torso Critical Wounds (8+ Dmg) table)

Black panther: Black panther rolls Success -> 74 (Rolling CON Target: 80%)

Black panther: He's writhing in pain on the floor.

Black panther: Condition Changes Prone Heavy Bleeding Terrified

Hunger: You then realize, it's completely helpless. Executing this one will not have the same consequences as the wild bear.

SDUSM George Elijah Jones: No point - let the vet handle this clusterfuck later.

SSA Mariam Helena Khoury: "Careful at the turn, Keith, it went to your right."

Hunger: Would you be so dumb as to run after a Sumatran tiger- that's another question.

SSA Keith Alan Pike: "...Do we really have to fucking chase it?"

SSA Mariam Helena Khoury: "Just make sure he's not gonna pounce you and turn left. Guy's probably running."

Hunger: Tell me if youre gonna make the turn to the right or to the left.

SSA Keith Alan Pike: To the left.

SSA Keith Alan Pike: "Watch my back..."

YShawn Tory Cunningham: You can see a figure moving and sloshing in the dark. It must be him.

Hunger: -20% for firing at darkness.

SSA Keith Alan Pike: Busting.

Hunger: dice buddy

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 9 (Rolling Firearms Target: 60%)

Hunger: random hit and damage too

SSA Keith Alan Pike: Fuck, where is that

SDUSM George Elijah Jones: Macros

SDUSM George Elijah Jones: And firearm in inv

Hunger: THROW DAMAGE AND THEN A D10

SSA Keith A. Pike: 3

SSA Keith A. Pike: 8

Hunger: I'm gonna assume you followed that order, 3 damage to left arm.

YShawn Tory Cunningham: YShawn Tory Cunningham rolls 1d6 -> 2 (Draws a result from the Arm Minor Wounds (3,4 Dmg) table)

YShawn Tory Cunningham: "UUWAARRGHHH!!!"

YShawn Tory Cunningham: A strange cry echoes through the sewers. He lost a finger, certainly.

YShawn Tory Cunningham: Condition Changes Light Bleeding

SSA Mariam Helena Khoury: Following behind.

SSA Mariam Helena Khoury: Can I squeeze past behind him?

Hunger: This is a tight corridor- you can be a target.

Hunger: You're at a really shitty situation.

SSA Mariam Helena Khoury: Who Dares Wins

SSA Mariam Helena Khoury: Can I hit that shooting roll at the silhouette?

Hunger: If you're standing where you are you can.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls CRITICAL SUCCESS! -> 33
(Rolling Firearms Target: 40%)

SSA Mariam H. Khoury: SSA Mariam H. Khoury rolls 1d10 -> 5 (Draws a result from the
Random Hit Location d10 table)

SSA Mariam Helena Khoury: 8

Hunger: Actually that's a critical failure.

Hunger: -20%.

Hunger: Misfire!

SSA Mariam Helena Khoury: "FUCK!"

SDUSM George Elijah Jones: She

Hunger: I don't see how that's relevant, landing double digits at a target of 20% is a critfail.

YShawn Tory Cunningham: Active Conditions Light Bleeding

SDUSM George Elijah Jones: Roger.

Hunger: He's just going to shoot blind and keep moving on.

Hunger: He'll bump fire, only hits on a 1 this time.

YShawn Tory Cunningham: YShawn Tory Cunningham rolls CRITICAL FAILURE! -> 88
(Rolling Firearms Target: 35%)

YShawn Tory Cunningham: His gun jams halfway- though he lets off enough shots to suppress that tight hall.

YShawn Tory Cunningham: Both of you, POWx5.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 94 (Rolling CON Target: 65%)

YShawn Tory Cunningham: Keith, skip the POWx5, youre in cover.

YShawn Tory Cunningham: It's just Mariam.

ASAC Darius J. Cruz: Active Conditions Stunned Light Bleeding

ASAC Darius Jeremiah Cruz: I'll try and roll CON, see if I can get un-stunned any time soon

Hunger: Hit it, since you got pepper sprayed.

IO Michael Sajdak: 20

Hunger: You're gonna be fine.

ASAC Darius Jeremiah Cruz: Condition Changes Stunned

ASAC Darius Jeremiah Cruz: Nice, nice.

Hunger: It stings like a motherfucker though- minus 20.

ASAC Darius Jeremiah Cruz: I'm just gonna head in, see if I can figure out where Mr. Cunningham has gotten to.

Hunger: He escaped long ago past that hatch.

Hunger: Really head in?

ASAC Darius Jeremiah Cruz: It's probably quicker than taking the long route

Hunger: It's not- you're most certainly outranged.

Hunger: There's no chance you'll catch up to him.

ASAC Darius Jeremiah Cruz: Then I'll head back? Not really much else to do here, the panther seems pretty much dealt with after all.

Hunger: Move freely up to 30 meters on solid ground.

Hunger: Actually this map is not to scale I'll tell you when to stop.

Hunger: Beyond this it will take athletics.

ASAC Darius Jeremiah Cruz: I don't see why I shouldn't try.

IO Michael Sajdak: 78

Black panther: Active Conditions Prone Terrified Heavy Bleeding

Black panther: The poor thing is rolling around the floor in pain. It's wet, satin black fur glimmers.

Black panther: It seems to have snapped out of whatever was holding it in its grip.

Sumatran tiger: Sumatran tiger rolls Success -> 72 (Rolling Swim Target: 95%)

Sumatran tiger: Keith, Mariam, you hear labored and violent sloshing across you. Then, patters against hard floor.

Sumatran tiger: It escapes on the next turn.

SDUSM Anderson Fowler: Can I hop over to the other side without an Athletics roll?

Hunger: Sure, you're not exactly in danger.

SDUSM Anderson Fowler: I'll pull further ahead then.

Hunger: Where are you actually going?

SDUSM Anderson Fowler: I'm going to end up going back and to the right I think.

Hunger: Very well, you can reach about as far as Darius with no athletics.

SDUSM Anderson Fowler: That's it.

IO Michael Sajdak: Do I have a shot at catching up to Keith and Mariam?

Hunger: Athletics

IO Michael Sajdak: I can't roll either tf

IO Michael Sajdak: 8

Hunger: Success, even with a fucked up leg.

Hunger: You can make it to the corridor they are in.

Hunger: This is it.

SDUSM George Elijah Jones: I can't do anything for the panther over here so I'm fucking off - let's hope they can salvage this thing in animal surgery.

Hunger: George, roll POWx5.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 49 (Rolling POW Target: 50%)

Hunger: You feel an incredible sense of kinship and connection with the animal, despite the fact that it was trying to tear your face off a moment ago. It's like you're two travellers of the same path, having played the appropriate role.

Hunger: You can stop the bleeding for free and at no risk.

Hunger: This will end your turn.

SDUSM George Elijah Jones: So be it, I'll staunch it. The rest is up to the vets.

Black panther: Condition Changes Terrified Heavy Bleeding

SDUSM George Elijah Jones: "You just sit tight, buddy - we're gonna get someone to look at you."

Black panther: The big cat purrs slightly as you put a quikclot bandage over the hole.

SDUSM George Elijah Jones: I pat it's head.

Black panther: It brushes against your hand.

SSA Keith Alan Pike: Did I hear the black guy wading through the water, or is he still in the same area?

Hunger: He's sloshing away, you reckon, to escape.

SSA Keith Alan Pike: Do I have a shot?

Hunger: You'd have to slosh through and hit north to that door.

SSA Keith Alan Pike: I'll slosh through, then.

SSA Keith Alan Pike: How far can I go?

Hunger: We can do this with a succesful swimming roll, or if it fails, he gains partial cover against you due to being far enough.

Hunger: You can round that corner.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 62 (Rolling Swim Target: 20%)

Hunger: He's in your sight. Roll normally, but he's in cover now.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls CRITICAL SUCCESS! -> 1 (Rolling Firearms Target: 60%)

SSA Keith Alan Pike: 9

Hunger: you can call the body part

SSA Keith A. Pike: SSA Keith A. Pike rolls 1d10 -> 2 (Draws a result from the Random Hit Location d10 table)

Hunger: Your shot goes clean through his kneecap, permanently obliterating it.

YShawn Tory Cunningham: Manic immune to pain!

SSA Mariam H. Khoury: Active Conditions Suppressed

SSA Mariam Helena Khoury: Getting my bearings. POW roll?

SSA Mariam H. Khoury: 4

SSA Mariam Helena Khoury: Condition Changes Suppressed

Hunger: You can act immediately.

SSA Mariam Helena Khoury: I don't give a shit about exposing myself, I wanna step right in. Can I go past without tumbling Keith over?

Hunger: Sure.

SSA Mariam Helena Khoury: Would it take a DEX roll to draw my knife?

YShawn Tory Cunningham: Condition Changes Prone

YShawn Tory Cunningham: You can drop the pistol to do it instantly.

SSA Mariam Helena Khoury: And I can try to put it up through his jaw on the same turn?

YShawn Tory Cunningham: Sure- at a +20% as he's on the floor.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 32 (Rolling Melee Weapons Target: 30%)

Hunger: Success, target is 50

SSA Mariam Helena Khoury: 2

SSA Mariam Helena Khoury: I'm going straight under his chin.

YShawn Tory Cunningham: "EEEE- EEEE- EEAAAAAAA-!!!"He screams like a spider monkey having an orgasm as you dissect his jugular.

YShawn Tory Cunningham: Condition Changes Dead Departed

SSA Mariam Helena Khoury: I'm stabbing through his neck again and again until someone stops me, really.

SDUSM George Elijah Jones: George is staying with the panther.

Hunger: Your small knife is not doing a great job here. In fact, what stops you is the fact that it eventually breaks in half.

Hunger: He's positively gone.

SSA Mariam Helena Khoury: I put what's left of it in my pocket and pant, wiping the blood off my hands on my clothes before looking at his carcass.

SSA Mariam Helena Khoury: I can see the spider tat, I guess.

Hunger: So- you have a wounded exotic animal and a dead, very human, body.

Hunger: Before we're finished tell me how you deal with this.

SSA Mariam Helena Khoury: Does this sewer system lead to the main city sewage lines?

Hunger: No, it is entirely self contained, but tracking to where the tiger got out from it seems like a water pump station next to the parking lot.

Hunger: It connects massive water mains, but no alleys into the "city" sewage.

SSA Keith Alan Pike: Chucking this body in the municipal sewer isn't going to be an option...

SSA Mariam Helena Khoury: Would it be possible to wait with it here until sundown, then get the corpse out and into one of our cars?

SSA Mariam Helena Khoury: Out through the parking lot, that is.

SDUSM George Elijah Jones: George wants this panther fixed ASAP.

Hunger: Hit a search for me, real quick.

Hunger: 42

Hunger: The room northwest of you contains dozens and dozens of barrels of lye and other harsh treatment chemicals.

SSA Mariam Helena Khoury: I'm not looking this up on my phone, but could those dissolve the body?

Hunger: You're fairly sure it could.

SSA Mariam Helena Khoury: We can undress him and shove him into a barrel naked then.

SSA Mariam Helena Khoury: Then shut it down.

Hunger: This is particularly gruesome.

SDUSM Anderson Fowler: I can help out.

Hunger: Anyone not adapted to violence, blind SANLOSS.

SSA Mariam Helena Khoury: I'm made for this.

ASAC Darius Jeremiah Cruz: I want absolutely no part in this.

Hunger: The whole travail is long, tiresome and probably cancerous too.

SDUSM George Elijah Jones: Would I be a witness to this if I was just chilling with the panther?

Hunger: Too late, everyone's in on it.

SDUSM George Elijah Jones: Sad!

Hunger: As for the animal- you're sure he'll make it.

Hunger: Delta Green - White Teeth - Session 2 END.

Hunger: Thanks for playing!

God's Teeth - White Teeth - Session 3

May 30, 2026

Hunger: Delta Green - God's Teeth - White Teeth

Hunger: WED 12 OCT 16 0800R, La Belle, FL.

Hunger: Mariam, you're done with your business call. You didn't catch any sleep last night, but it looks like everyone is ready to move.

Hunger: George called in a rain check today, he wasn't feeling so great after spending time in that sewage and next to harsh chemicals. He's just going to arrange the excavator.

Hunger: Where to?

IO Michael Sajdak: Where are our leads taking us again.

SSA Mariam Helena Khoury: There'll just have to be a lot of yawning today. Before we move on with the obvious destinations, is there anything relevant for us in LaBelle?

Hunger: Check your bookmarks- you got three next to Lake Okeechobee.

Hunger: The trailer park is in LaBelle.

Hunger: Thirty minutes from it.

SSA Mariam Helena Khoury: What's in Ft. Myers?

Hunger: Ft. Myers is where the Lee County medical examiner is.

Hunger: The sheriff's department is in LaBelle, just so you know.

SSA Mariam Helena Khoury: I think the first logical step is visiting the trailer park after breakfast.

Hunger: 0830R.

Hunger: You pull up to the front gate. It's unlocked. It's about what you expect it to be.

IO Michael Sajdak: "They got us in Maryland over whoever it is that died here, right? How the fuck did that happen?"

SSA Mariam Helena Khoury: "Dutiful Sheriff's Deputy Casey Eckstein is what happened."

SSA Mariam Helena Khoury: "Well, he just happened to be there."

Hunger: Elevated above the sprawling wetland of Okaloacoochee Slough State Forest, the manmade rise falls steeply into groves of longleaf pines, palms, and pond cypresses. The trailer park consists of a single gravel road with rows of trailers off either side. The raised row of boxy homes jut into bog like a decaying fortification. The earthwork is old and eroded. The backyards of many lots crumble away into the lowlands. Were it not for the chicken wire and rotting supports hastily girding the tiny isthmus, the entire property would have long ago fallen into the swamp.

Hunger: Going in?

SSA Keith Alan Pike: Keith looks off into the forest. "Looks like a great place to ditch a body."

SSA Mariam Helena Khoury: I suppose we'll need someone to open it up for us, so we'll speak with the manager.

Hunger: You walk up to the trailer that has a piece of A4 paper stuck to it that says "MANAGEMENT" in Arial.

A Man: An old man gets the door.

A Man: "Who the fuck are you? I'm not buying no tupperware or joining no jehovahs witnesses so get the fuck out."

IO Michael Sajdak: I'm guessing the body of our murder victim was moved to a morgue weeks ago.

SSA Mariam Helena Khoury: "Would you like to know about our Lord and Savior Jesus Christ?"

SSA Mariam Helena Khoury: I flash my FBI badge. "We're with the Bureau, here to take a look into the far trailer."

IO Michael Sajdak: "The one where someone died."

A Man: "This is private property and you look an awful lot like an example of castle law-"He stops after seeing the badge.

A Man: "Okay."

A Man: "What do you want?"

A Man: He's about late fifties, for reference.

IO Michael Sajdak: "You to move out of our way."

SSA Keith Alan Pike: "Just to look around a little. Do our job. Say we did, at least."

A Man: "What the hell does that mean? I'm not standing in your way."

SSA Mariam Helena Khoury: "Yes... we'll get out of your hair if you'll let us have the keys for an hour or so, sorry."

SSA Mariam Helena Khoury: "We'll handle it."

A Man: "The keys? Oh, you mean the lady who got aten by her cats."

A Man: "Ugh."

A Man: "My contractor will show up tomorrow to start refurbishing the trailer so you're just in time."

A Man: "By the way, the sherrif DID let me do that."

SSA Mariam Helena Khoury: "No complaints here."

SSA Keith Alan Pike: "Yeah, we're not accusing you of anything. It's just routine shit."

A Man: He limps back inside towards the desk and fetches the spare pair of keys from a large safe, after obscuring the combination with his fat body.

A Man: "Hereyougo."

A Man: "Anythang else?"

SSA Mariam Helena Khoury: "We'll come by to return these when we're done. We'll let you know if anything pops up."

A Man: "Just drop em in the mail box, I'll do my best to not talk to you without a lawyer."

SSA Mariam Helena Khoury: "Actually, there is something else."

A Man: "What?"

SSA Mariam Helena Khoury: "Are you familiar with any of the policemen who came down here after they found her?"

A Man: "Uh, I know the sheriff. The new kid came in first though- not so new anymore now that's he's fuckin' fired... ahahaha..."

SSA Mariam Helena Khoury: "I see. Very well, thank you."

SSA Mariam Helena Khoury: We're heading on forward.

Hunger: The man goes back inside to his bowl of cereal and TV.

Hunger: You move towards the end of the trailer park.

Hunger: The only walls there are denotes Killian's trailer- the rest, you obviously have no (legal) access to.

SSA Mariam Helena Khoury: "Let's."

SSA Keith Alan Pike: "Wonder who that new kid was?"

Hunger: Mariam, roll Alertness.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 71 (Rolling Alertness Target: 70%)

IO Michael Sajdak: "How do you suppose we'd go about seeing the vic's body? If they fired some guy for treating this like a murder case I doubt they'll let us poke around in their shit."

Hunger: No results from that roll.

IO Michael Sajdak: "He was talking about Eckstein."

SSA Mariam Helena Khoury: "Well, the sheriff isn't likely to meet us, Pitz said as much."

ASAC Darius Jeremiah Cruz: "No harm in trying though, is there?"

Hunger: Just so you know- you're a pecking order above the sheriff.

SSA Mariam Helena Khoury: "We don't have a warrant but I'm sure we could worm our way into the ME's office."

Hunger: Although he's an elected official and you're not, you still have legal superiority over him.

IO Michael Sajdak: "Couldn't we just head into the morgue on our own in a pinch?"

Hunger: Mariam, you arrive at the BonnaVilla trailer on 21 Myers St. You didn't need any keys- the door is completely annihilated and discarded on the side of the home.

SSA Mariam Helena Khoury: Damn.

Hunger: The top of the door holds a small but well-made grafitti.

Hunger: A black paint outline of a head in profile with a splotch of red spray in the shape of a brain.

SSA Mariam Helena Khoury: "It certainly looks like a crime scene."

Hunger: From here you can immediately see something- the backdoor remains intact. The smell is atrocious.

Hunger: As you step in, you immediately realize that the furniture has been rearranged into a form that's easier for the movers to pick up and move out.

Hunger: The crime scene is not just "tampered" but completely altered in preparation for the refurbishing.

Hunger: And the blood...

SDUSM Anderson Fowler: "Jesus christ."

IO Michael Sajdak: "That's one of those codes the Quiet Kids use, right? Not that there was any doubt about this being a murder."

Hunger: There is a large pile of trash right outside full of small items, possibly destined for the incinerator.

SSA Mariam Helena Khoury: "I'm just glad there wasn't an alligator waiting for us in here."

SSA Keith Alan Pike: "We're gonna be searching through some old hoarder's trash all day, aren't we?"

IO Michael Sajdak: Do I have the stomach to rummage through for anything interesting?

SSA Mariam Helena Khoury: "What I'm struggling to comprehend is why Crystal Killian might've been a target. They marked her with the graffiti."

Hunger: Indentations in the carpet in the bedroom facing the exterior of the trailer park indicate that was where Crystal kept her bed. The carpet and furnishings in the other bedroom have been completely removed, but outlines of a desk and filing cabinet against the cheap wood paneling indicate it was a makeshift office. Killian was found dead there.

Hunger: Michael, roll Forensics.

IO Michael Sajdak: do i have that even

SDUSM Anderson Fowler: "I'd rather shoot an alligator than smell this shit."

Hunger: If you don't, hit Search.

Hunger: Someone else can roll Forensics.

IO Michael Sajdak: IO Michael Sajdak rolls Failure -> 57 (Rolling Search Target: 20%)

SSA Keith Alan Pike: Can I hit a search?

Hunger: Go ahead.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 82 (Rolling Search Target: 80%)

SSA Mariam Helena Khoury: I can assist him with that for a bonus, right?

Hunger: The place is just a fucking mess... that much you can tell.

Hunger: Keep hitting Search and Forensics.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 79 (Rolling Search Target: 70%)

SSA Mariam Helena Khoury: Wow.

Hunger: Darius and Anderson?

ASAC Darius Jeremiah Cruz: Let me have a look...

SSA Keith Alan Pike: "All of this shit smells like piss."

Hunger: Roll Forensics or Search, Darius & Anderson

Hunger: Other of you, try to make sense of what actually happened in here.

IO Michael Sajdak: "By the way, I might have just missed a name but-- do we know who this was?"

SSA Mariam Helena Khoury: "Crystal Killian, total... nobody."

IO Michael Sajdak: "I just figured this must be a Kerry Houghton situation with someone from 2001. Did they adopt one of them or something?"

Hunger: one of these days they will click on the roll button

SSA Mariam Helena Khoury: Wasn't she working at some Florida university? Does it have a webpage?

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 3 (Rolling Search Target: 50%)

Hunger: Darius, as the last one in, you notice a shine in the pile of trash outside. It catches your attention.

Hunger: Walk up to it?

ASAC Darius Jeremiah Cruz: I don't see why I shouldn't have a look

Hunger: You pick it up, it's a small photo in a frame.

SSA Mariam Helena Khoury: "What's that?"

Hunger: Everyone takes a look. Mariam, no need to beat the bush. You instantly recognize this woman- it's Dr. Marie Noella. Agent Clove. Crystal Killian.

SSA Mariam Helena Khoury: "My word. This is incredible."

SSA Mariam Helena Khoury: "Were any of you familiar with Noella?"

SSA Mariam Helena Khoury: "How were you each contacted before we met back in 2001, anyway?"

SSA Mariam Helena Khoury: "Doesn't matter. Holy."

Hunger: They weren't contacted directly- it was a series of e-mails that do not name Clove. Only you know her.

IO Michael Sajdak: "Wait, what? Then where the fuck did the name 'Crystal' come from?"

SSA Mariam Helena Khoury: "How should I put this-- this was C-cell's last surviving member. Gary Hall was the one who found the HK folder back in the day, he was with her."

SSA Mariam Helena Khoury: "She must've gotten back from China at some point."

SSA Mariam Helena Khoury: "I tried to track her down."

SSA Mariam Helena Khoury: "Remember her telling us to kill the kids?"

Hunger: You figure- she probably secured that disenfranchised social security number through her Delta Green contacts. It happens with spies a lot.

IO Michael Sajdak: "Of course I fucking do, that was the albatross around my neck for this past decade. Isn't that the mystery solved, though? They killed her because she was involved in 2001, like everyone they've been killing."

SSA Keith Alan Pike: "Nice place she had here."

SSA Mariam Helena Khoury: "Yeah, nice fucking place compared to an academic post in the University of Chongqing or wherever it was she was."

Hunger: Keith, as you think about that, you stumble upon a loose floor slat in the office.

SSA Mariam Helena Khoury: "I figure this is why they found our names written down somewhere here."

SSA Mariam Helena Khoury: "Eckstein, I mean. She must've wanted to leave a trace for us to pick up."

SSA Keith Alan Pike: "Think I found something."

IO Michael Sajdak: "Well, okay, the other thing is why she moved across the Pacific to slum it in this grief-hole, but seeing as she was probably fucking mad I don't think that's a biggie."

SSA Mariam Helena Khoury: "Or maybe a final 'fuck you' to us."

Hunger: You can pry it open with your hands. In fact- it looks like it's been dislodged with that specific purpose.

SSA Keith Alan Pike: Can I check it for traps? Could be some fucking razor blades hidden under it.

ASAC Darius Jeremiah Cruz: "Christ, what on /earth/ is back there?"

Hunger: No need for a roll- you see the pink glitter shine of a womans nail, broken off from the bed, stuck against it.

IO Michael Sajdak: "Hidden gun? She was in The Program after all."

SSA Mariam Helena Khoury: "Always seemed to me like more of a Mike Ying associate type."

Hunger: As for the rest of you, for someone who allegedly got eaten by her own pets after perishing to a heart attack, it's immediately obvious that there is nothing in this trailer that looks anything like it was meant for a pet. No litterbox, no food dispenser, no animal toy.

SSA Mariam Helena Khoury: "Considering she broke every conceivable rule to contact me in 2001."

SSA Mariam Helena Khoury: Does the (disturbed) scene say ANYTHING beyond someone was brutally killed here?

IO Michael Sajdak: Of course we know very well that the eaten-by-cats thing might not be a lie and might literally be what happened.

SDUSM Anderson Fowler: I wouldn't expect someone living in a trailer park to have a house only pet.

Hunger: You lift the floor slat open. Inside is a school ID for Crystal Killian working at the Rush Library at Florida SouthWestern College. A scanner type that opens doors. Below it is a lump wrapped in white cloth. A Sig Sauer P938 with unidentifiable serial numbers.

SSA Keith Alan Pike: I'll leave the pistol out so someone else can look at it. What's the picture on the ID look like?

Hunger: Seeing that her nail is literally stuck to the loose board, it seems like she was trying to fight back in the process of being invaded. Something pinned the floor slat down, as if it already knew where it was and left her helpless.

Hunger: It's her, again.

SSA Mariam Helena Khoury: Any claw marks around? That might indicate whether this was a strictly Kerry Houghton-style human-only hit or whether they were assisted by a big cat or bear.

IO Michael Sajdak: "I guess if she was investigating something out here the question is whether we can pick up her trail."

IO Michael Sajdak: "Hell, we may as well talk to some people in that college she was working at while we're down here."

SSA Mariam Helena Khoury: "H'yup."

Hunger: The place is littered with claw marks of different sizes. Blood splatter indicates struggle as she was still alive, with huge arterial streaks all over the place.

ASAC Darius Jeremiah Cruz: "Easier said than done, I doubt she was keeping a diary about..."

SSA Keith Alan Pike: "That college library. You think any of the kids are smart enough to get into college?"

Hunger: As for the tiger- she died weeks ago.

Hunger: A big cat or a big bear would have certainly been seen by the locals.

Hunger: On that matter...

Hunger: Roll Alertness, again.

SSA Mariam Helena Khoury: "Well, add FSW to the checklist."

Hunger: +20%

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 86 (Rolling Alertness Target: 70%)

Hunger: Ever since you came here you did not hear a single animal noise besides the birds. In a shithole like this, it's unthinkable that at least someone doesn't have a guard dog who would be furiously barking at you as you made your way down here. Complete and utter silence, as if it's a rich neighbourhood and not a trailer park in Florida.

IO Michael Sajdak: "I mean if one of them managed to kinda-write a PhD I don't think making it into some community college is a huge stretch."

SSA Mariam Helena Khoury: "Eerily quiet here, isn't it?"

ASAC Darius Jeremiah Cruz: "Cats must have got everyone."

SSA Keith Alan Pike: "Nika was one of the least fucked up, wasn't she? And look at how messed up she still was. Did you go through her thesis?"

SSA Mariam Helena Khoury: "Oh yes."

Hunger: There's another room that no one went into.

SSA Mariam Helena Khoury: "I'll tell you about it soon."

Hunger: There's blood here as well. It's all over the fucking place.

SSA Keith Alan Pike: "I doubt any others actually got into the college. Maybe working there as a janitor, or something."

SSA Mariam Helena Khoury: Really did a number on poor Marie.

Hunger: The old and stinking mattress is torn apart.

Hunger: You can attempt Forensics again.

IO Michael Sajdak: "There were more people there than the five or so Quiet Kids we currently know about so it's really anyone's guess."

Hunger: It's just George and he's on vacation. Mariam, hit it again blind, with a +20% from help

Hunger: The crime scene is starting to take shape.

Hunger: Something smashed in the door with incredible force and chased her to the bedroom, landing some slashes in the process and getting blood around the door. Some of it spilled into the bathroom.

Hunger: The bed was tumbled around, for some reason she couldn't get out the window, so she appears to have thrown some objects at whatever that thing was and slipped away to the office.

Hunger: Some more violence happened in the main room, and as soon as she got in she was already on the floor frantically trying to reach the gun.

Hunger: That's where she was killed.

SSA Mariam Helena Khoury: Would my National Geographic Gore hobby maybe help me out with a stroke of insight into what animal might've left the claw marks?

Hunger: Roll Survival with a +10%.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 5 (Rolling Survival Target: 20% (10%+10%))

Hunger: Every single one of these claw marks belong to a domestic animal, however, there are more than one specimen.

Hunger: They are not big enough for a big cat or dangerous game.

SSA Mariam Helena Khoury: "She really got mauled by pet animals."

SSA Mariam Helena Khoury: "A whole lot of them."

SSA Mariam Helena Khoury: "Must've been terrifying."

IO Michael Sajdak: "So the eaten by cats thing was totally plausible."

SSA Keith Alan Pike: "They just weren't her cats."

Hunger: Michael, this is no cardiac arrest. It's impossible to say that after witnessing this shit.

SSA Mariam Helena Khoury: "Okay, maybe that lady's report about the cats going missing shines light into this."

IO Michael Sajdak: "Maybe Deputy Eckstein was just a retard. Hahaha."

SDUSM Anderson Fowler: "Seriously?"

SSA Mariam Helena Khoury: "They gathered up a shitton of animals to kill her."

Hunger: Furthermore there are no signs of any animals staying around after the kill. They would have crawled and slept in their comfort spots, or at least have left some kind of mark of having spent the night. No droppings or pee either.

SSA Mariam Helena Khoury: "No, well, he was smart enough to see the oddity in this and find the paper scrap our names were written into."

IO Michael Sajdak: Anyone checked the bathroom yet?

SSA Mariam Helena Khoury: "And then he took it upon himself to investigate. A real cop."

Hunger: There isn't much to see in the bathroom. Just some blood spill, and the cramped facilities of whatever a trailer has to offer.

SSA Mariam Helena Khoury: "I need a bit of air. Someone grab the pistol on their way out once you're done."

Hunger: What's certain to you now that the woman who dragged all of you into this mess was brutally murdered by highly aggressive small animals in a nightmarish process.

IO Michael Sajdak: "Hey, that's a good point. Where did that piece of paper go? Because I'm guessing those were the notes for her-- I dunno, whatever investigation brought her here."

Hunger: Everyone, SANLOSS.

IO Michael Sajdak: "Did Deputy Roger Ebert or whatever keep a hold of them?"

Hunger: Parsed. There are the neighbours left, and the trailer doesn't seem to have a lot to discover.

SSA Mariam Helena Khoury: "He obviously did, Sajdak, he phoned the FBI about us."

SSA Mariam Helena Khoury: "He knows who we are. He just doesn't know we're coming."

Hunger: Michael- you make a pretty good point with her notes. What was she studying in that office? And the slat seemed to be able to hold more than the gun.

Hunger: She certainly must have left behind some kind of cookbook.

Hunger: Though it's positively not in there.

IO Michael Sajdak: "Then we should get him to hand whatever he has over."

SSA Mariam Helena Khoury: "We have to split here. Two of you have to pick up that excavator from Home Depot then head to Eckstein's parents' backyard to dig our goods up with some Mexican's help."

IO Michael Sajdak: "I don't know why we didn't do that to begin with."

SSA Mariam Helena Khoury: "Make sure to document where you found them, how you found them, and what exactly is in the hole."

Hunger: As you talk in a group...

SSA Mariam Helena Khoury: "Then you phone me with the pictures, we'll be speaking with Eckstein by then. We'll have something to show him if he doesn't cooperate by then."

Glenda Pollack: This old lady seems to be perturbed by the noise.

Glenda Pollack: "A-are you the cops?"

Glenda Pollack: "Do you know where my cats went?"

SSA Mariam Helena Khoury: I turn about.

SSA Mariam Helena Khoury: "How many cats did you have, ma'am?"

SSA Mariam Helena Khoury: "Were you the one who phoned the police before the incident with your neighbor?"

SDUSM Anderson Fowler: Fowler stares at the grandma in disbelief.

Glenda Pollack: "Well, first of all, my name is Glenda. Glenda Pollack." She smiles at you with the banal stupidity of a retiree.

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods.

Glenda Pollack: "It's been the first time in decades I've been without cats. I had 12 of them. The snatchers took them away."

Glenda Pollack: "They come from Orlando. They snatch the animals and take them away to do tests on them."

IO Michael Sajdak: Also I mention that the Quiet Kids obviously knew about Clove's stash so one of them might be holding onto whatever she was investigating, I say all this before the old bag starts talking.

SSA Mariam Helena Khoury: "How'd you know they come from Orlando, Mrs. Pollack?"

Glenda Pollack: "They have cosmetic laboratories there. They do animal experiments on the poor creatures. They took my damn cats!"

Glenda Pollack: She waves a fist.

SSA Mariam Helena Khoury: "We'll try to do right by your twelve cats."

SSA Mariam Helena Khoury: "They weren't the violent kind, were they?"

Glenda Pollack: "Oh they are just cowards. They pull up with a van at night, they watch you, and if you don't watch them back they take your animal and speed off with it. They've been doing it for years."

Hunger: Mariam, blind INT.

ASAC Darius Jeremiah Cruz: "For years, you say?"

Hunger: It is extraordinarily unlikely that routine pet theft happens here to the level where everyones animal was gone overnight. At the very least, someone would have fought back.

Hunger: This is the trailer park.

Glenda Pollack: "For yeeears."

Glenda Pollack: She turns somber. "My poor little boys and girls..."

SSA Mariam Helena Khoury: "They're very smart animals. I'm sure they'll find their way back home in no time."

Hunger: Michael.

Hunger: You're a bit aways from the crowd, and you see a figure towards where you came from. It seems to beckon you.

Hunger: It's telling you to come closer.

IO Michael Sajdak: What the hell? I guess I'll see what they want.

Hunger: Everyone else seems to ignore you as you veer off to the side.

Hunger: You start walking and pick up the pace. Soon, you realize the figure seems to be on a bike.

Hunger: It's a powerful sportsbike in yellow, a MV Agusta F4CC.

White cat: Two cats, one black and one white, seem to circle him in a 8-pattern.

Hunger: He's beckoning you closer.

IO Michael Sajdak: Hand goes for the steel as soon as I spot the cats.

IO Michael Sajdak: I'll head over though.

Hunger: The cats aren't really doing anything. You're ready to draw.

Hunger: Do you say anything?

IO Michael Sajdak: "You need something?" I'm very confused because if this was a Quiet Child he'd be a homeless tweaker not this.

Hunger: As soon as you open your mouth, you realize neither words nor air is coming out. Instead, it's filled with the acrid stench of gingerbread cookies and death.

The Yellow Rider: "It has been too long since you've been up, my pet. I've missed you. I admit, the fault is partly mine. My attentions... elsewhere. My thoughts ...divided. But my affections, forever with you. You must be so hungry. There was more fuel for your tiny fires in other climes, more willing flesh to carry your majesty on a palanquin tour of this strange place. Perhaps we may play again before you recede beneath and between. I can always spare some of myself to feed so interesting a machine. I do so miss the games we played nejem nee eer-nen em henoo kheredoo en pa ee-wat aa em khenoo wadj-wer..."

The Yellow Rider: His hands go to his helmet visor and he lifts it up...

The Yellow Rider: A large tongue licks you across your face.

IO Michael Sajdak: I'm going crazy right now and if I open fire it'll turn out I just killed a random old guy. So I'll let him lick me.

Hunger: Before you realize what's going on, he's gone like he was never there.

Hunger: When you came to be, a large streak of blood is all over your face, and you're holding onto a notepad with his words on it. When did you learn how to write hieroglyphs?

Hunger: Roll SANLOSS.

Hunger: Parsed.

Hunger: Everyone can act.

SSA Mariam Helena Khoury: "Well, thank you, Mrs Pollack. I think we're about done here."

SSA Mariam Helena Khoury: "Again, I'm sure your cats'll be back..."

Glenda Pollack: "Now you go get them assholes!"

Glenda Pollack: She walks back to her trailer.

ASAC Darius Jeremiah Cruz: "We'll see this snatcher put to justice, don't you worry."

IO Michael Sajdak: I am smart enough to keep this to myself, so I'll just sneak away to clean my face up and put the note in my pocket for now.

Hunger: Mariam, roll Alertness.

Hunger: -20%.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 63 (Rolling Alertness Target: 50% (70%-20%))

Hunger: He's disappeared, but you don't know where.

SSA Mariam Helena Khoury: Well I'm not his babysitter. We can meet up back at the cars.

SSA Mariam Helena Khoury: Just a little strange that he'd walk off on his own, the way he is.

Hunger: So- are you finished at the trailer park?

SSA Mariam Helena Khoury: Nothing else for us to do here, I'm assuming someone's picked up the Sig and the card, yup.

Hunger: You have them in your possession.

SSA Keith Alan Pike: There's no animals here, so whoever did it probably took off.

Hunger: Michael- you manage to wipe the blood off your face. It's not coming from a wound.

Hunger: Everyone, throw a public 1d2. If you have more than 3 successes on Luck...

SDUSM Anderson Fowler: 2

SSA Keith A. Pike: 1

SSA Mariam H. Khoury: 2

ASAC Darius J. Cruz: 1

IO Michael Sajdak: 2

Hunger: You're just short by one. You can leave the trailer park by moving your tokens towards the exist.

IO Michael Sajdak: It's fine. Now I know my suspicions about this whole affair were correct. It's for the better really.

Hunger: Do you mind sharing.

IO Michael Sajdak: Well, I'm guessing I just saw something of the thing causing animals to freak out and homeless people to go on killing sprees so I know I wasn't mad to think there's been somebody guiding the past 15 years.

Hunger: If that's how you see it... Moving on.

Hunger: Where to now? It's...

Hunger: 0915R.

SSA Mariam Helena Khoury: So we have three places to go immediately from here:- Eckstein's place (talk to him)- His parents' place (dig up the guns and cocaine with the excavator)- Florida SW College (see what we can get with Clove's ID)

SSA Mariam Helena Khoury: I'm thinking the first two can happen simultaneously, and when the ones sent to pick up the guns are done, they can swing by FSWC.

IO Michael Sajdak: I wanna chat to Eckstein if that's okay.

Hunger: Separating Eckstein and the legally gray dig on his parents property is matter of fact a good idea.

Hunger: The question is who does which.

ASAC Darius Jeremiah Cruz: If we're doing both at the same time, I'm down to get to digging.

SSA Mariam Helena Khoury: It should be a simple affair, we've got that excavator waiting to get picked up (along with a Mexican operator).

SSA Mariam Helena Khoury: They key is that Mike and I hold Eckstein's attention while this happens!

Hunger: BULLET LIST OF NAMES

SSA Mariam Helena Khoury: Fowler and Pike can choose where to go, Cruz is heading to the dig and Mike and I are chatting with Eckstein.

Hunger: We're going to handle the dig first. The team is now at Clewiston.

SSA Mariam Helena Khoury: Can't go wrong with these two heading for the dig, I don't think Eckstein's going to draw a gun on us.

Hunger: 1000R.

Hunger: Loading...

Hunger: Clewiston, Hendry County, Florida.

Hunger: You're split up, with two heading towards Eckstein's house and George agreeing to meet you at his parents property.

Hunger: The parents are currently on a cruise. Retirees...

Hunger: Darius. You pulled up to their driveway, looking around for the cavalry to arrive.

Hunger: What do you do as you wait?

ASAC Darius Jeremiah Cruz: I'm at least going to knock, there's probably nobody in but I'd at least be able to say I checked. Would be rude to rip up their back garden without at least trying to let them know, y'know?

Hunger: Knock knock knock... No answers.

Hunger: You realize how broiling hot Florida is, even at this time of the year.

Hunger: After a couple more minutes, George pulls up with his enormous SUV. A flatbed is trailing him.

SDUSM George E. Jones: "Hey man..." Cough"I got something for you."

SDUSM George E. Jones: He nods towards the flatbed. It has a small boom crane on it.

Hunger: A man descends from it.

Jose Hernandez: He doesn't really look at you, and he immediately gets to work.

Jose Hernandez: BWRRRRMMMMMThe boom crane makes a noise that is sure to wake the entire neighbourhood up. You wonder what the digging will sound like.

SDUSM George E. Jones: "You think he knows how to do it?"

ASAC Darius Jeremiah Cruz: "I'd like to! Can't be that hard, can it?"

Jose Hernandez: He slowly lowers the mini excavator from the back of the flatbed.

Jose Hernandez: "I work now?"

Jose Hernandez: "Yeeah..."He wonders why he even asked that.

Jose Hernandez: He turns on ignition and backs the fucking thing up straight over some bushes.

SDUSM George E. Jones: "Oh my god..."

ASAC Darius Jeremiah Cruz: Wait-

Jose Hernandez: "HEEEH?"

Jose Hernandez: He isn't wearing any earpros.

ASAC Darius Jeremiah Cruz: "What the fuck have we gotten ourselves into..."

Jose Hernandez: He backs the thing up towards the backyard.

Bobcat E25 Mini Excavator: On a d2 he knocks over that pole.

Bobcat E25 Mini Excavator: 2

Bobcat E25 Mini Excavator: CRUSH

SDUSM George E. Jones: "Oh my fucking god..."

Jose Hernandez: "WHERE I DIG?"

ASAC Darius Jeremiah Cruz: Quit breaking shit! We're digging the YARD, not demolishing the place!

Hunger: You know where to dig, Pitzerelli said something about it right being next to the mini fountain.

Hunger: Indeed there is a bump there that looks recent.

Hunger: He gets to work with it.

Jose Hernandez: Jose Hernandez rolls Success -> 26 (Rolling Heavy Machinery Target: 45%)

Jose Hernandez: You finally reach the barrel. It's a blue drum.

Jose Hernandez: He runs back to the truck to get a length of chain and runs it through the attachment point.

Jose Hernandez: He's going to bring it out.

SDUSM George E. Jones: "This shit doesn't look safe man!"

Jose Hernandez: "EEH?"

ASAC Darius Jeremiah Cruz: "He said it doesn't look safe! No good!"

A Man: A man walks up from behind you.

A Man: "HEY WHAT THE FUCK ARE YOU DOING IN THE ECKSTEINS PROPERTY?"

Jose Hernandez: He couldn't care less.

ASAC Darius Jeremiah Cruz: "We have reason to believe illicit goods are being stored on this property, sir."

Jose Hernandez: On any result but a critical success he tips the fucking thing over.

Jose Hernandez: Jose Hernandez rolls Success -> 45 (Rolling Heavy Machinery Target: 45%)

Jose Hernandez: The blue drum tips over and its contents are all over the ground.

Jose Hernandez: A machine gun, a grenade launcher and a brick of cocaine.

A Man: "HOLY SHIT!"

ASAC Darius Jeremiah Cruz: "Err- Speaking of..."

A Man: "WOW! I DIDN'T KNEW THEY WERE ALL THAT!"

Jose Hernandez: "Ahhh..."

Jose Hernandez: He yawns.

A Man: You have 10 seconds to react before he starts recording this shit with his phone.

ASAC Darius Jeremiah Cruz: "I suppose they are. Now get outta here, this is federal business!"

A Man: "Freedom of information bitch!"

A Man: Only a few seconds left.

ASAC Darius Jeremiah Cruz: I'm tackling this guy

A Man: "Hey- okay- don't fucking touch me."

A Man: "Don't touch me buddy."

A Man: He seems to be taken aback by your escalation.

ASAC Darius Jeremiah Cruz: "Then scram! Final warning!"

A Man: "Fucking feds!"

A Man: He ups and leaves.

Jose Hernandez: "This is seerious."

Jose Hernandez: He's holding onto the brick.

Jose Hernandez: "I didn't see none."

Jose Hernandez: He throws it back onto the grass and gets up on the excavator.

SDUSM George E. Jones: He's rubbing his temples in pure stress.

ASAC Darius Jeremiah Cruz: "Dude we gotta get out of here like right fucking now"

SDUSM George E. Jones: "Give me a hand with this shit." "You two can load it in the back of his car."

ASAC Darius Jeremiah Cruz: "You don't have to tell me twice!"

Hunger: At the same time, Mariam and Michael are at Eckstein's house.

Hunger: It's a duplex.

SSA Mariam Helena Khoury: "Thin blue line. Love it."

Hunger: He's not ashamed whatsoever.

Hunger: Keith wasn't coming right?

IO Michael Sajdak: "Hell, I'm impressed he still feels that way after losing his job."

SSA Mariam Helena Khoury: He and Fowler could choose where they were going, since they weren't with Cruz I guess they could've gone off to Florida SWC by now.

IO Michael Sajdak: "You think he hates us right now?"

Hunger: Either of you throw HUMINT.

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 8 (Rolling HUMINT Target: 50%)

SSA Mariam Helena Khoury: "He probably knows he's in way over his head and is especially mad at the Sheriff's reaction. You sympathize with him, I'll lay on the heat if he isn't cooperative."

Hunger: Michael- with a guy like this, if you're introducing yourself as LE you could go far if you just play it cool.

SSA Mariam Helena Khoury: "Classic good cop, bad cop."

IO Michael Sajdak: "Whatever man, it's not like this is a Maryland situation, if this guy doesn't trust me or whatever I really don't give a shit." I knock on the door.

SSA Mariam Helena Khoury: "Also, no need for either of us to do that Kalamatiano shit unless he draws on us."

Casey Eckstein: A huge guy, built like a brick shit house, opens the door.

Casey Eckstein: He gasps.

Casey Eckstein: "Oh my god."

Casey Eckstein: He's looking at Mariam.

IO Michael Sajdak: "You recognize her?"

Casey Eckstein: "Matter of fact I do. Is this your partner?"

SSA Mariam Helena Khoury: I cross my arms.

IO Michael Sajdak: "Yeeeeeep, I'm the Mulder to her Scully. Haha."

Casey Eckstein: He ignores you entirely. "I e-mailed you. You didn't reply to me."

SSA Mariam Helena Khoury: "Is that right?"

Casey Eckstein: "I was this close to finding your number."

SSA Mariam Helena Khoury: I'll check my phone real quick.

SSA Mariam Helena Khoury: Did he really?

Hunger: It is right. Though, it went to your official @fbi email and immediately to spam, as it's not in-house.

IO Michael Sajdak: I have never seen a more corn-fed looking American in my life.

SSA Mariam Helena Khoury: "No need to introduce ourselves, then. We should speak inside."

SSA Mariam Helena Khoury: "We've got a few questions for you."

Casey Eckstein: "Look, we can't talk here. My roommate. Hell, someone's probably watching us right now."

Casey Eckstein: "I know a place. We could drive there."

IO Michael Sajdak: "Okay sure, but before we go--"

IO Michael Sajdak: "Do you still have whatever papers the chick from the trailer park had on her? Or what, are they in a police lockup somewhere?"

Casey Eckstein: "Look, we really can't do this here."

Casey Eckstein: "I'll meet you at this address in an hour. It's a car wash, abandoned."

Casey Eckstein: "You gotta go right now, so do I."

SSA Mariam Helena Khoury: "I'd rather we went there right away." I look at my wristwatch.

SSA Mariam Helena Khoury: "Riiight now."

IO Michael Sajdak: "Right." I feel like if this guy wasn't a weirdo we'd be done in all of two minutes but whatever.

Hunger: Michael, no need for another HUMINT, you can immediately tell that he has actual concern for surveillance.

Hunger: That being said, moving on...

Hunger: Correction: it's in an hour, it's an address in Ft. Myers.

SSA Mariam Helena Khoury: We'll go, I think it's best to shadow him to make sure he's not getting any calls from some neighbor about his parents' place.

SSA Mariam Helena Khoury: Just a precaution.

Hunger: 1015R.

Hunger: When you get there, he's already waiting for you.

Hunger: It looks like he took a shortcut you were unaware of.

SSA Mariam Helena Khoury: "Alright, so..."

Casey Eckstein: "Look, this whole shit cost me my job. I know you're here because of the call I made."

Casey Eckstein: "I know you have something to do with what happened in 2001 and 2006."

Casey Eckstein: "The vigilantes are dying one by one."

SSA Mariam Helena Khoury: "We were quite angry about that call. You did what you had to, still."

Casey Eckstein: "That woman did NOT die to a heart attack."

Casey Eckstein: "I can swear on that in court."

Casey Eckstein: "The goddamn sheriff... he's in on it."

IO Michael Sajdak: "Vigilantes? Like, plural?"

Casey Eckstein: "It's all over the news man."

Casey Eckstein: "It's the fucking deep state."

IO Michael Sajdak: "I'm trying to think who else other than Clove would fit that description."

SSA Mariam Helena Khoury: "Okay, the sheriff's in on what? On Crystal's killing?"

Casey Eckstein: "Yes, he dismissed it like it was a fucking speeding ticket. He's doing everything to not miss the election."

Casey Eckstein: "It was a murder, a mauling."

SSA Mariam Helena Khoury: "Can we start by having you tell us everything you've got so far? Then we can see about filling in the blanks."

Casey Eckstein: "How about you start by telling me if you're with them or against them?"

SSA Mariam Helena Khoury: "Aside from the fact that we're feds, Casey, you'll just have to trust me. I'll tell you this much-- we did have something to do with 2001."

Casey Eckstein: "In what way?"

Casey Eckstein: "You have got to tell me."

SSA Mariam Helena Khoury: "Oh, to be young and spry."

Casey Eckstein: "This could prove everything. It's a conspiracy against patriots."

SSA Mariam Helena Khoury: "It's a conspiracy, but not the type you're thinking of..."

Casey Eckstein: "Alright, you really need to stop beating around the bush and tell me if you're a part of the Israeli deep state or not."

SSA Mariam Helena Khoury: "Jesus."

SSA Mariam Helena Khoury: I'm trying to read him. Does he sound somewhat like Velasquez when she suspected we'd done something in MD back in 2001 and 2006?

Hunger: HUMINT. Blind.

Hunger: You can tell he is convinced that there is an "us" versus "them" and if your instincts are true the "them" is the disembodied idea of right-wing paranoia boogeymen, the whole shabang. It indicates his extreme lack of context.

Hunger: I mean frankly, after what happened to him...

Hunger: Can you tell him he's really wrong?

IO Michael Sajdak: "Okay man, listen, if this was what you think it is we'd have shot your dog by now. We-- hell, I just wanna know what the hell happened to this chick that prompted this whole cover-up. Hell, there must be SOMETHING there if it cost you a job, right?"

Casey Eckstein: "What happened is that I placed a call regarding the most disgusting affair of 21st century and next thing I know I'm forced to resign for doing my god damn job."

SSA Mariam Helena Khoury: "Yeah. Cornucopia House was a training facility for Russian infiltrator cadre components. The illegal spy and terrorist sort."

Casey Eckstein: "What?"

IO Michael Sajdak: Yeah fuck it let's roll with that. Oh my god...

Hunger: Blind Charisma and Persuade.

Hunger: Now.

Hunger: Mariam throws.

SSA Mariam Helena Khoury: "What happened back then, and then again in 2006, were actions coordinated by Bush's hardliner administration. Our office played... a hand."

Casey Eckstein: "And what kinda fucking hand was that?"

Casey Eckstein: "They pulled out 121 dead kids."

SSA Mariam Helena Khoury: "The ones doing that to the kids in 2001 were killed, off the books. Then, a couple of hundred of Russians were taken out of the picture in 2006."

SSA Mariam Helena Khoury: "You can see the rabbit hole. And now that we're in election year, with claims of Trump's collusion with the Russians-- it's a bad look."

SSA Mariam Helena Khoury: "Someone's setting him up."

Casey Eckstein: He rubs his chin. It looks like the first time he's actually using his brain ever since you met him.

Casey Eckstein: "You mean they were setting him up ten years in advance or what?"

IO Michael Sajdak: I hold back a smile.

SSA Mariam Helena Khoury: "Whoever's setting him up simply happened to come across what happened and decided that revealing a late KGB and continuing FSB operation to the public would tip the scales against the Russians... because it should, you know."

SSA Mariam Helena Khoury: "Trump is just coincidentally in the blast zone, with these claims of collusion."

SSA Mariam Helena Khoury: "Listen, Casey, we're really short on fucking time here and we need your help to drain the swamp."

Casey Eckstein: Before you finish your sentence...

IO Michael Sajdak: "Wait a few months if you don't believe us, they're gonna be putting out stories about Jeff Sessions meeting up with the KGB and shit."

Casey Eckstein: "Fuck!" He puts his hands on his head and turns around in awe.

Casey Eckstein: "I never saw that coming!"

IO Michael Sajdak: I say, recalling what Pitz said.

Casey Eckstein: "It's the fucking deep state!"

Casey Eckstein: "I can't believe they did this shit to me!"

Casey Eckstein: No need for a HUMINT, he's in genuine and honest bafflement.

SSA Mariam Helena Khoury: "You play your card rights, you might get your badge back by the time we're done."

Casey Eckstein: "Man screw the badge, I need to go federal."

SSA Mariam Helena Khoury: "Now that's a man after my own heart."

Casey Eckstein: "We need to get to work right now."

SSA Mariam Helena Khoury: "Yes we do."

Casey Eckstein: "Okay... So what do you want me to do?"

SSA Mariam Helena Khoury: "Tell us what you got from Killian's trailer, and anything else you've managed to dig up until now."

Casey Eckstein: "So..."

Casey Eckstein: "I found her journal."

Casey Eckstein: "I didn't log it into evidence because I honestly couldn't fucking believe what it said."

Casey Eckstein: "I had to snap a photo of the page where your names were on, though."

Casey Eckstein: "I'm guessing your friend here is... Keith?"

IO Michael Sajdak: "Nope, I'm Michael."

IO Michael Sajdak: "You were close though."

Casey Eckstein: "Fuck... dude..."

Casey Eckstein: "I thought I just saw some random names until I placed that call."

Casey Eckstein: "I hid it in the drywall in my floor. The other half of the duplex."

Casey Eckstein: "Anyway, the murder. The door was kicked in before that woman died. She died to countless immensely powerful bites with severe blood loss and trauma. It was disgusting. I still see it in my nightmares."

IO Michael Sajdak: For fuck sake that's why I wanted to settle this in his house.

Casey Eckstein: "I googled some of the stuff I found in her journal. It's not her real name. Crystal Killian I mean."

SSA Mariam Helena Khoury: Just listening attentively.

Casey Eckstein: "I couldn't find it but that was not a real person."

Casey Eckstein: "She is somehow connected to the 2001 affair and FBI Special Agent Gary Hall, and the Skop... shit..."

Casey Eckstein: "Skop-see."

Casey Eckstein: "She was investigating them!"

Casey Eckstein: "They had the 'C-cell' going after them."

Casey Eckstein: "I knew this shit was true. All of it. They were investigating deep state pedophiles."

SSA Mariam Helena Khoury: "I'll level with you. She gave NYFO the intel on Cornucopia House, then it just went up the ladder to the real patriots at the time."

Casey Eckstein: "I feel like I'm in a dream right now."

SSA Mariam Helena Khoury: "That's why she knew our names."

SSA Mariam Helena Khoury: "We'll want to have a look at that journal ourselves, but I'll be clear. These 'vigilantes' you've been seeing in the news, they're the byproduct of Cornucopia House as an illegal spy training facility."

Casey Eckstein: His phone rings.

Casey Eckstein: He picks it up.

Casey Eckstein: "Hello?"

Casey Eckstein: "..."

Casey Eckstein: "THEY'RE DOING WHAT?!"

SSA Mariam Helena Khoury: "Hey, Casey."

Casey Eckstein: "TELL THOSE ASSHOLES TO GET THE FUCK OFF MY PARENTS PROPERTY RIGHT NOOOOW!!!"

Casey Eckstein: "I'm gonna get my fucking gun and end them. I'm driving there."

SSA Mariam Helena Khoury: I should be getting pictures of the barrel's content in a little bit, I hope.

SSA Mariam Helena Khoury: "HOLD ON."

SSA Mariam Helena Khoury: "Settle the hell down."

Casey Eckstein: "Neighbour said they are digging up a barrel full of cocaine from my parents backyard!"

IO Michael Sajdak: Oh my fucking god those retards.

SSA Mariam Helena Khoury: "We're going to make things clearer than they've ever been for you, Casey, but you'll have to trust us on this."

SSA Mariam Helena Khoury: "That was us. We needed a guarantee."

Casey Eckstein: "Did you hear what I just said-"

Casey Eckstein: "What?"

IO Michael Sajdak: I nudge Mariam. "Let him go, man, that sounds serious." We may as well keep him on the level and tell Darius to hurry the fuck up outta there instead of trying to stop him.

Casey Eckstein: On a 2 on a d2, he didn't actually hear that last line.

Casey Eckstein: 2

SSA Mariam Helena Khoury: Okay, I was going to double down, but that works.

Casey Eckstein: "Man I'm really going to fucking do it this time."

Casey Eckstein: "I'll meet you there."

IO Michael Sajdak: "You got it."

SSA Mariam Helena Khoury: We can go with him. We still need the journal, and I think he can help us going forward too.

Casey Eckstein: Very well.

IO Michael Sajdak: I'm going to be looking at Mariam like a fucking imbecile for the whole ride there.

Hunger: 1100R.

Casey Eckstein: He comes out of the car with an AR-15.

Casey Eckstein: "YOU BETTER HAVE THOSE BADGES READY!"

Casey Eckstein: He notices the trailing mound towards the backyard.

SSA Mariam Helena Khoury: Our guys aren't here anymore, right?

Hunger: They are long gone.

Casey Eckstein: He looks at the giant pit in the backyard like it's a dead relative.

Casey Eckstein: "They are already gone."

Casey Eckstein: "Fuck!"

Casey Eckstein: "My life is over!"

Casey Eckstein: He tosses the AR-15 against the ground.

SSA Mariam Helena Khoury: I look over the pit. "I think we can still salvage this."

Casey Eckstein: He's pacing around in circles.

SSA Mariam Helena Khoury: "Don't start looking like a stray dog, Casey. If they want to blackmail you, you'll know."

SSA Mariam Helena Khoury: "You can still help us, and we can keep you and yours safe. Understand?"

Casey Eckstein: Casey Eckstein rolls Success -> 24 (Rolling POW Target: 50%)

Casey Eckstein: He seems to calm down.

Casey Eckstein: "Let's go to my place."

Casey Eckstein: "I need a coffee or ten."

Casey Eckstein: He's powerwalking back to his F150.

SSA Mariam Helena Khoury: Very nice...

Hunger: In ten minutes you're back at his duplex. He shares the journal with you as he tries to calm himself down.

Hunger: 1130R.

Hunger: His roommate seems to be away on an errand. You take your time and lounge on his couch as you go through the journal. Actually studying this will take days, but you have a fairly good idea of what was in it.

Hunger: This could yield important clues for those who participated in 2001 raid- coincidentally all of you, but you don't really have to share it with others.

Hunger: As for the elephant in the room...

Hunger: The page your names are on is completely unscathed save for one little paw print in red. A cat's paw. In blood.

Casey Eckstein: "That's how I found it on the floor dude. I knew it was a keeper."

Hunger: The rest of it is totally smeared in red.

SSA Mariam Helena Khoury: "So disheartening to see what became of, uh, Crystal."

SSA Mariam Helena Khoury: "She was a soldier in this hidden war. Now you are, too, Casey."

Casey Eckstein: "Come on now, we can stop fucking around."

Casey Eckstein: "What was her real name?"

SSA Mariam Helena Khoury: "Dr. Marie Noelle. She spent a few years in China after the 2001 situation, she was paranoid, rightly so."

Casey Eckstein: "Jesus..."

SSA Mariam Helena Khoury: SSA Mariam H. Khoury nods.

Casey Eckstein: He takes another sip.

IO Michael Sajdak: And unfortunately there isn't much new in here, at least as far as Michael could tell. He already roughly knew about the chain of events that led to C-Cell being killed by Russian mafiosos and he probably knows more about the Skoptsi than she ever did. Well, apart from one thing..."The hell is a GARI?"

Casey Eckstein: "Gang Automatic Recognition and Interpretation Database."

Casey Eckstein: "It's funded by the DHS. You take a photo of a grafitti and it tells you all you need to know."

Casey Eckstein: "As for that matter..."

Casey Eckstein: He seems to remember something.

Casey Eckstein: "Nevermind... It's stupid."

SSA Mariam Helena Khoury: "No, go ahead."

Casey Eckstein: "There was this weird tag on the door. Black head, red brain. I saw it elsewhere."

Casey Eckstein: "Alligators, weird tree..."

Casey Eckstein: "I don't fucking know."

SSA Mariam Helena Khoury: "I think it marks a potential victim. They've been killing people, you know-- as I was saying."

Casey Eckstein: "I don't know what they mean. You have more examples?"

SSA Mariam Helena Khoury: "These vigilantes, you called them. They're simply murderers, and they're working for them."

SSA Mariam Helena Khoury: "Look." I'll show him Nika's thesis.

SSA Mariam Helena Khoury: "Recognize anything here?"

Casey Eckstein: "Wait a minute..."

Casey Eckstein: "This is Miccosukee service plaza!"

Casey Eckstein: "It's right before Alligator Alley, on I75."

Casey Eckstein: "The last civilization you're gonna get before the Keys."

Casey Eckstein: "Those stupid fucking alligators..."

SSA Mariam Helena Khoury: "You're a hero. They're going to have a gathering there."

Casey Eckstein: "There?"

SSA Mariam Helena Khoury: "See the stars? I correlated them to actual constellations."

Casey Eckstein: "There's a tribal police station right across that place."

Casey Eckstein: "If they did something it would take seconds before they got shot."

Casey Eckstein: Casey Eckstein rolls Success -> 29 (Rolling INT Target: 45%)

SSA Mariam Helena Khoury: "Hmm. It's our best lead so far."

Casey Eckstein: "Uh, so..."

Casey Eckstein: "That pole with the horns. I think it's the uhh, steakhouse."

Casey Eckstein: "There's a steakhouse right before the exit towards South."

Casey Eckstein: "I have this feeling I have seen this exact thing before, like, if you're driving towards there..."

Casey Eckstein: "Any other approach you wouldn't see it this clear."

SSA Mariam Helena Khoury: "Might be a gathering spot. What I can't tell is whether that sun is setting or dawning."

SSA Mariam Helena Khoury: "Looks like we've got our work cut out for ourselves."

Casey Eckstein: "Here is really close to the Tropic of Cancer. If these stars appear around this time, there's no way it's not sunset twilight. Dawn twilight is usually too bright and sudden."

Casey Eckstein: "I don't really see anything but night transitioning into day during that time."

IO Michael Sajdak: He can't believe how lucky they were to get all this out of him...

Casey Eckstein: "I've been out on night patrol more than a couple times, heh."

Casey Eckstein: "The tree though... I'm really not sure. I guess you'll have to find out."

Casey Eckstein: "It doesn't look tropical."

SSA Mariam Helena Khoury: "We'll need all the manpower we can get on this one. You're already in the shit, are you in for hunting them down?"

Casey Eckstein: "It looks like some fucked up shit a witch would have in her backyard."

Casey Eckstein: "You want me to come with you?"

Casey Eckstein: "Hell yeah."

SSA Mariam Helena Khoury: "Got your own gear, I assume?" I gaze at the AR-15.

Casey Eckstein: "Plenty."

Casey Eckstein: Invigorated by the proposal...

Casey Eckstein: Casey Eckstein rolls Failure -> 89 (Rolling INT Target: 45%)

Casey Eckstein: Not this time.

SSA Mariam Helena Khoury: "Let's trade numbers and stay in touch. I'm certain they're going to be gathering at one of these places, for real, by midnight on the 16th."

SSA Mariam Helena Khoury: "We'll have to check that plaza and that steakhouse on the days coming up to that date, though."

Casey Eckstein: "Of course. But just so you know, these other drawings are all over the place. Lee County and Miami too. I happened to see one while I was out for some... destressing."

Casey Eckstein: "What's the date?"

SSA Mariam Helena Khoury: "Have you seen the silhouette with the red blotch for brains anywhere?"

SSA Mariam Helena Khoury: "Sixteenth."

Casey Eckstein: "Yeah, actually, just don't know what it fucking means. It's not the scrawl of any known gang."

Casey Eckstein: "I uploaded a few myself to GARI."

SSA Mariam Helena Khoury: "I think that one means 'WE'RE KILLING THIS PERSON'."

Casey Eckstein: "Fair enough."

SSA Mariam Helena Khoury: "This is pretty much guesswork at this point. They've been running us around all over the east coast."

Casey Eckstein: "You're pretty close. That shit right there is super specific."

Casey Eckstein: "It's gotta be nearby- at least where the tribal police is uninterested in going."

Casey Eckstein: "Alligator Alley is no fucking joke, though."

SSA Mariam Helena Khoury: "And I'm sure we'll be seeing much more than alligators."

SSA Mariam Helena Khoury: "Anyway, we're off to check that steakhouse or the plaza right now, get the lay of the ground. Which one's closest?"

Casey Eckstein: "They are within eachother, the steakhouse is just at the tail end of it towards the exit."

Casey Eckstein: "South exit."

Casey Eckstein: "Keep going and you're deep into the Everglades."

Casey Eckstein: "Hard to miss, really."

SSA Mariam Helena Khoury: "You can tag along right away. Doesn't look like you're up to much else today."

Hunger: Before you decide on that, are you really heading down straight to I75?

Hunger: Miami is a roadstop on the way there.

SSA Mariam Helena Khoury: St. Laurence's Church could be it, yes...

Hunger: He's gonna roll luck.

Casey Eckstein: "Shit, actually, today won't work. You said this Sunday, so."

SSA Mariam Helena Khoury: "Right. Don't be a stranger."

SSA Mariam Helena Khoury: We're gonna stop by Miami with Cruz, assuming he's got the goods tucked away already.

Hunger: Let's resolve what's going on at the library- keep in mind you didnt stop by the sheriffs and the medical examiner.

Hunger: He did say he had to log that page with your names on it.

SSA Mariam Helena Khoury: Ohhh true that.

Hunger: You know what that means!

Hunger: About the same time as Keith and Anderson start getting to work...

Hunger: Anderson and Keith go to the library.

Hunger: It's a tranquil little campus. One might even say it's a party college, but some departments must be serious.

Hunger: How do you approach?

SSA Keith Alan Pike: Is there any need to sneak up on it? I don't think so.

Hunger: A silly question to begin with- you're federal agents after all.

Laura Corduroy: "Hi, are you checking in a book?"

SSA Keith Alan Pike: Do I know when this place was built?

Hunger: Roll History.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 35 (Rolling History Target: 10%)

Hunger: No.

Hunger: Continue.

SSA Keith Alan Pike: "Oh-... No, no... Just looking around." He smiles at her.

Laura Corduroy: You get a chance to see her name tag, she's actually the director.

SSA Keith Alan Pike: "...Actually, there is one thing you can help me with."

SSA Keith Alan Pike: What was the name on the ID?

Laura Corduroy: Laura Corduroy.

SSA Keith Alan Pike: No, the one under the floorboards.

Laura Corduroy: Crystal Killian.

SSA Keith Alan Pike: "I'm looking for a Crystal, she used to work here? She asked me to pick up some of her stuff a while ago and I only just got the time to do it now."

Laura Corduroy: "Oh..."

Laura Corduroy: "Well, I'm afraid she won't be showing up any time soon."

SSA Keith Alan Pike: "She told me she left some old things behind that she wanted me to have."

Laura Corduroy: "Heart attack."

SSA Keith Alan Pike: "...Heart attack?" Keith feigns shock.

SDUSM Anderson Fowler: "My condolences."

Hunger: Roll Charisma, blind.

SSA Keith Alan Pike: "Are we talking about the same Crystal? Crystal Killian?"

Laura Corduroy: "Yup, the one and only. Black lady, autodidact occultist into genealogy and linguistics. One hell of a character."

Laura Corduroy: "Did you know she taught herself Mandarin?"

SSA Keith Alan Pike: "Yeah, I did... Uh... Wow... When did she die?"

Laura Corduroy: "It's been a couple weeks. Anyway, if you really are here for her stuff there isn't much left. Just some doo-dads."

Laura Corduroy: "You're practically her only relative or friend I have ever heard of so, treat yourself."

Laura Corduroy: "And you too, kind gentleman." She addresses Anderson.

SDUSM Anderson Fowler: Fowler nods.

SDUSM Anderson Fowler: "Even if it seems insignificant, we'd like to see what she left please."

Laura Corduroy: "I'm a little busy here, Jay!" She yells in a whisper.

Jay Oliviera: "Yeah?"

Laura Corduroy: "These two gentlemen are here for Killian's stuff. Take them to the storage room."

Jay Oliviera: "Oh..."

Laura Corduroy: She steps away.

Jay Oliviera: "You know her?"

Jay Oliviera: This kid is also wearing a name tag, working here.

SDUSM Anderson Fowler: "Yeah."

SDUSM Anderson Fowler: Fowler does his best to sound serious. A little passive aggressive.

Jay Oliviera: "Why don't you tell me something about her and I tell you something back. She's probably the biggest weirdo this place has ever seen."

Jay Oliviera: You're being led to a small room.

SSA Keith Alan Pike: "She lived in China for a while... You probably already knew that."

Jay Oliviera: "Lived? She read Chinese."

SSA Keith Alan Pike: "That's why she taught herself Mandarin, yeah."

Jay Oliviera: Nothing new to him.

SSA Keith Alan Pike: "She loved animals... Cats especially. Did she ever tell you about her cats?"

Jay Oliviera: "Well, I could only expect that she was a huge cat lady but I never got to confirm it."

Jay Oliviera: "She used to hang around in Joe Mama's Swamp Shack near the trailer park. I went there twice and on both occasions she pretended she didn't know me."

Jay Oliviera: "Shitty dive bar, don't recommend."

SSA Keith Alan Pike: "She was drinking...?"

Jay Oliviera: "Like a damn fish."

SSA Keith Alan Pike: "Well, maybe I shouldn't say this... But that's actually what I know her from. We had AA meetings together. She was clean and sober. Or so I thought."

Jay Oliviera: He stops and turns his head at you.

Jay Oliviera: "Oh..."

SDUSM Anderson Fowler: "That's probably why she was ashamed."

Jay Oliviera: "Well, that's awfully personal."

Jay Oliviera: "I'm sorry."

SSA Keith Alan Pike: "Yeah. Well. It happens to the best of us." He glances towards the floor with a dejected look.

Jay Oliviera: "Here we are."

Jay Oliviera: You're handed a box of gizmos and doodads. A computer mouse, a stubby little cactus, etc.

Jay Oliviera: It contains nothing of interest.

SDUSM Anderson Fowler: "There really wasn't much left, huh."

Jay Oliviera: "Nope. Look, I gotta go."

Jay Oliviera: "Anything else?"

SDUSM Anderson Fowler: "No, thanks."

Jay Oliviera: He disappears between the shelves.

SDUSM Anderson Fowler: Fowler picks up the mouse and examines it.

Hunger: It's... a computer mouse. With a ball in it. Old, old fashioned.

SDUSM Anderson Fowler: "Who still uses one of these?"

Hunger: It looks like you completely whiffed the whole visit.

Hunger: You're leaving in a minute.

SSA Keith Alan Pike: "Bunch of old junk... What do you think she did here? Maybe it was just a regular job for her." He speaks in a low voice to Anderson.

SSA Keith Alan Pike: I guess it's time to leave. What a bust.

Hunger: You're back outside. You're actually pretty close to the medical examiner from here.

SDUSM Anderson Fowler: Didn't have any better ideas than just breaking that mouse open.

Hunger: In any case that was no way to collect intelligence as a federal agent and you feel stupid.

Hunger: WHAT NEXT?

SSA Keith Alan Pike: Is the card the magnetic type, for scanning?

SSA Keith Alan Pike: Or is it just an ID?

Hunger: It opens doors, but you really didn't see any "secret" doors to open besides archives which any employee would be able to enter and exit.

Hunger: It was probably for that purpose, beside some other utility rooms.

Hunger: In any case it's the middle of the day and it's packed with students, so good luck sneaking into anything.

Hunger: That is if the card is still active- which is probably not as it's been weeks since she died.

SDUSM Anderson Fowler: We could try to gain access to whatever organization account she had here.

SSA Keith Alan Pike: We could come back when the next shift is here and everyone who has seen us isn't.

Hunger: Interesting proposal when the director has already seen you. You're really faltering.

SSA Keith Alan Pike: Is the director here all day, every day?

Hunger: No, but when she is not it's just random students who have no fucking idea.

SSA Keith Alan Pike: Shit...

SSA Keith Alan Pike: I'm not good at this gumshoe shit. What could she reasonably be hiding here? Research?

Hunger: You don't know. Either way you fucked up totally and it's up to the next guy. Moving out of campus.

Hunger: If you're not going to the medical examiner we're just skipping ahead because it looks like either of you aren't in the mood of trying.

SSA Keith Alan Pike: We can visit the medical examiner?

Hunger: About an hour later... Ft. Myers Medical Examiner's office.

SSA Keith Alan Pike: Sure, why not? I thought she was already dead and buried. It's been weeks.

Dr. Govidna Chaudhuri: It doesn't take long for you to find the medical examiner as there isn't really anyone else here.

Dr. Govidna Chaudhuri: "Hi, how can I help you?"

Dr. Govidna Chaudhuri: It's half morgue half laboratory, fully grim.

Dr. Govidna Chaudhuri: It's not a good place to be working at.

SSA Keith Alan Pike: Keith flashes his badge. "Need to see a body. It's been here a few weeks. One 'Crystal Killian', African-American, older woman?"

Dr. Govidna Chaudhuri: He can't really refuse you. "Too bad, you'll probably find her scattered into a million flecks of ash in some biohazard dumpster."

Dr. Govidna Chaudhuri: "No next of kin, no burial."

SSA Keith Alan Pike: "Can I see the documentation made on it?"

Dr. Govidna Chaudhuri: "The documentation? What's this about?"

Dr. Govidna Chaudhuri: "She died to a heart attack and got eaten by her cats. Why are you even here?"

SSA Keith Alan Pike: Keith sighs, feigning frustration and boredom. "Just following up, like we have to. It was reported to the police, and that pinged off an old case, and we have to look into it just in case there's any connection. Our unenviable duty."

Dr. Govidna Chaudhuri: "Like you have to? What the actual fuck are you talking about right now?"

Dr. Govidna Chaudhuri: "The body wasn't even autopsied."

SSA Keith Alan Pike: "...Shit, really? Was ANYTHING about it documented?"

Dr. Govidna Chaudhuri: "Uhh. I got the photos."

SDUSM Anderson Fowler: "Why didn't you start with that?"

SSA Keith Alan Pike: "If that's the best you got, then that's what we'll have to take."

Dr. Govidna Chaudhuri: He stands up. "First of all, don't tell me how to do my fucking job. Second of all, we're not going to waste time bisecting a heart attack victim, half rotten and half eaten."

Dr. Govidna Chaudhuri: He turns his back to a filing cabinet and unlocks it. After some shuffling, he throws a few photos on the desk.

SDUSM Anderson Fowler: "You've never heard of a closed case being reopened?"

Dr. Govidna Chaudhuri: He's just staring you in the eyes right now.

SSA Keith Alan Pike: Keith raises a hand, his other reflexively resting on his sidearm, cop-style. "There's no need to get upset. We're just doing our jobs."

Dr. Govidna Chaudhuri: "I'm doing my job too. I'm doing more of 'my job' than you are doing 'my job'. I haven't slept properly in years."

Dr. Govidna Chaudhuri: You take a look at the photos...

Dr. Govidna Chaudhuri: It's fucked up. Completely fucked up. The horrified rictus grimace of the face tells you the whole story. She's half eaten too.

Dr. Govidna Chaudhuri: Ripped apart in places, torn, mauled...

Hunger: Anderson, roll SANLOSS. Keith is adapted.

SDUSM Anderson Fowler: "I'm not touching another motherfucking cat again."

Hunger: Roll Panic Reaction, secret roll.

SDUSM Anderson Fowler: Fowler stares at the pictures with wide open eyes.

Dr. Govidna Chaudhuri: "What, straw that broke the camels back?"

Dr. Govidna Chaudhuri: "Try being in my shoes."

SDUSM Anderson Fowler: Fowler doesn't react at all.

SSA Keith Alan Pike: "It's just a picture, Anderson. It's not gonna jump out and bite you. Doesn't smell as bad, either."

Dr. Govidna Chaudhuri: "Are you done? Your friend looks like he needs a coffee or ten."

SDUSM Anderson Fowler: Anderson just stands there. He's gripping a particularly gruesome picture tightly.

SSA Keith Alan Pike: "He might need to have a little throw-up later." He pats Anderson's back.

Dr. Govidna Chaudhuri: "I'm politely asking you to leave now. You caught me in the middle of my work for this... bullshit."

SSA Keith Alan Pike: "No problem. We've seen all we needed to see, anyway." Another bust.

Hunger: 1200R.

Hunger: The team comes back together in LaBelle.

Hunger: Presumably to talk to the sheriff first, and then head out to Miami.

Hunger: The sheriff isn't going to come out to say hi.

SSA Mariam Helena Khoury: We're going inside to say hi to the receptionist.

Hunger: A deputy receives you. What do you actually want?

SSA Mariam Helena Khoury: Let's see... I have an inkling as to the Sheriff's motivation for burying the case, but Pitz wouldn't confirm it. I don't think I can dig through that path.

Hunger: The sheriff wants to see you in his office.

Hunger: Who walks up?

SSA Keith Alan Pike: All of us, maybe?

SSA Mariam Helena Khoury: Can we all head over? Who gives a shit?

SDUSM Anderson Fowler: Surround him.

Hunger: All of you enter his office. No need for tokens- speak at will.

Sheriff Deacon Benson: "Well well well."

SSA Mariam Helena Khoury: "Afternoon."

Sheriff Deacon Benson: "Looks like that young buck got not one but the whole Bureau of Investigation up on our asses with his... BICKERING."

SSA Mariam Helena Khoury: "Nobody's in trouble aside from that 'young buck', Sheriff..." I look at the nameplate on his desk. "Benson."

SSA Mariam Helena Khoury: "We're simply ticking off the checkboxes, if you'd humor us."

Sheriff Deacon Benson: "Maybe, but I'll go ahead and apologize on his and the rest of Hendry County's department for wasting your precious time."

Sheriff Deacon Benson: "He was severely inexperienced, hamperingly so."

Sheriff Deacon Benson: "We decided to... walk our separate ways."

SSA Mariam Helena Khoury: "No time's wasted in the pursuit of putting a woman to rightful rest. Would you let us see what was recovered from her belongings?"

Sheriff Deacon Benson: "You want your hands on that nonsense? Hell no, not on my conscience."

SSA Mariam Helena Khoury: "I'll let you in on a little fact. Crystal Killian was a long-time FBI informant, and we're trying to do right by her."

Sheriff Deacon Benson: "I can't let it get worse than it already is--"

SSA Mariam Helena Khoury: "I worked with her personally."

Sheriff Deacon Benson: He corrects his glasses.

Sheriff Deacon Benson: "Now, what did you just say?"

SSA Mariam Helena Khoury: "She'd grown on me. This is a personal matter, you see, she introduced me to my first few opera nights early in my career."

Sheriff Deacon Benson: "Ma'am, you're really confusing me right now."

Sheriff Deacon Benson: "You said she was an informant correct?"

SSA Mariam Helena Khoury: "Confidential informant, and under the witness protection program after the Bureau brought matters to a close with her."

Sheriff Deacon Benson: "Alright." He slams both hands on the table, in a folding motion. "As long as you cut this ulcer clean off my crotch and bump it to federal level without mentioning our names, it's all yours."

SSA Mariam Helena Khoury: "You've got it. Thank you for this."

SSA Mariam Helena Khoury: "I'm curious, though--"

Sheriff Deacon Benson: He reaches out for a handshake.

SSA Mariam Helena Khoury: I shake his hand firmly as I speak. "About young Eckstein. I'm not particularly informed about the situation, but what was the reason for his overreaction, would you say?"

Sheriff Deacon Benson: "He's a young, dumb, ugly meathead stud."

Sheriff Deacon Benson: "Now if you would leave my office."

SSA Mariam Helena Khoury: "Cheers."

SSA Mariam Helena Khoury: We're checking what they have.

Hunger: This will consume the rest of your day, and you'll set for Miami the next day.

Hunger: At this point- you're not just "checking" what they have, you "have" what they have.

Hunger: Let's go through this before we call it a sesh.

SSA Keith Alan Pike: I assume it won't require any special feats to go through the entirety of it, since it's organized and given to us.

Hunger: Of course, you're all cops save for one, so let me lay it out. The long part is signing off on the right stuff before you leave.

Hunger: Sheriff Benson kept the casefiles despite his disagreeing with it, he's got an easy cause of death and no living relatives, meaning this won't turn into a slam dunk right before the election.

Hunger: Eckstein took photos of the trailer in the position he found it, alongside the journal. Your names are clearly visible on it. It's a single photo.

Hunger: Besides that, it confirms the chaos you encountered earlier today at the trailer itself.

Hunger: The whole place was trashed, blood everywhere, signs of struggle and violence. It's nothing short of miracle or extreme incompetence that this was legally filed off as a heart attack death.

SSA Mariam Helena Khoury: Do we think there're any digital records of this specific picture which shows our names in it? And Casey kept the diary, right?

Hunger: They went with the only rational explanation. A lonely woman died by herself, and her hungry pets ate the body to survive. Vandals broke into her home afterwards, got scared, and ran. They left behind red-herring evidence of forced entry, allowing the animals to escape and letting other scavengers inside. What is the alternative? That an army of housepets kicked in the door and consumed the woman like a swarm of fire ants?

Hunger: As for digital recordkeeping, it seems that this whole thing was conveniently delayed to be entered into the system. However, you'll have to do it, now that it's federal.

Hunger: You'll also have to report to Pitzerelli.

SSA Mariam Helena Khoury: Not much of an issue with that, we're tossing anything that leads back to us and filing it with the specific intent to make it look like an inconclusive case.

Hunger: The classic- no need for a roll since you'll have to take your sweet time and there really isn't much to go over.

Hunger: You'll be in Miami by tomorrow, 10AM.

Hunger: Before that, one last thing to do.

Hunger: I marked Alligator Alley on the map.

SSA Keith Alan Pike: We need to check out that 'Swamp Shack' place soon.

Hunger: You specifically can do so as the rest are busy at LaBelle. Throw any social skill of your choosing.

SSA Mariam Helena Khoury: We've learned of several places to check out on our way down south, too. I'm keeping track of the objectives for tomorrow.

Hunger: Are you dialing Pitz?

SSA Mariam Helena Khoury: Sure, we can do that for an update.

SSA Mariam Helena Khoury: "Greetings."

Asst. U.S. Attorney Antony Pitzerelli: "Hi, who did you kill this time?"

SSA Mariam Helena Khoury: "Do you know the name Dr. Marie Noella?"

SSA Mariam Helena Khoury: "Gary Hall?"

Asst. U.S. Attorney Antony Pitzerelli: "Yes, you fucking told me."

SSA Mariam Helena Khoury: "You should stop drinking so much coffee. Anyhow-- Crystal Killian's a hit for Noella."

Asst. U.S. Attorney Antony Pitzerelli: "No way."

SSA Mariam Helena Khoury: "Yes way. Fifteen years since I last saw her and she led us to Cornucopia House. They tracked her down and killed her."

SSA Mariam Helena Khoury: "What's funny, though?"

SSA Mariam Helena Khoury: "And do I have some things to tell you. But this is only part of it."

SSA Mariam Helena Khoury: "She was killed by a pack of pet animals."

Asst. U.S. Attorney Antony Pitzerelli: "..."

Asst. U.S. Attorney Antony Pitzerelli: "Okay I actually need a tl;dr [sic] on what the fuck you just said."

SSA Mariam Helena Khoury: "Antony, have you ever smelled gingerbread whenever we're in your presence?"

Asst. U.S. Attorney Antony Pitzerelli: "Gingerbread?"

Asst. U.S. Attorney Antony Pitzerelli: "No, but I smelled a bunch of shitty perfumes."

SSA Mariam Helena Khoury: "Long story short, our commando orphans have been gathering animals of all sizes for a time, and seem to be able to command them to kill while they hold influence over them. All the shootouts we've gotten into on our way down here have involved dogs, a fucking bear, as you know, and a puma."

SSA Mariam Helena Khoury: "Some tiger, too."

Asst. U.S. Attorney Antony Pitzerelli: "What was that about the gingerbread again?"

SSA Mariam Helena Khoury: "You smell of gingerbread. That old man who spoke at you in tongues back at the GHF? He smelled the worst. It reminded me of Yelena Kalamatiano."

Asst. U.S. Attorney Antony Pitzerelli: "The old man who what?"

SSA Mariam Helena Khoury: "Jermija Bogdaskavich. That was very, very strong."

Asst. U.S. Attorney Antony Pitzerelli: "You mean g-"

Asst. U.S. Attorney Antony Pitzerelli: "Anyway. He said what?"

SSA Mariam Helena Khoury: "He said something about you not having slept in this long... and kindling little fires here and there... you just nodded at him."

Asst. U.S. Attorney Antony Pitzerelli: "...Whaaat?"

SSA Mariam Helena Khoury: "You're not joking, are you?"

Asst. U.S. Attorney Antony Pitzerelli: "He said good luck and left."

SSA Mariam Helena Khoury: "What'd he actually say?"

Asst. U.S. Attorney Antony Pitzerelli: "You're the one who is fucking with me."

SSA Mariam Helena Khoury: "Who was that?"

Asst. U.S. Attorney Antony Pitzerelli: "This shit, gingerbread, god did you go nuts down there?"

SSA Mariam Helena Khoury: "I take great offense at you not trusting my word right away, Antonio."

Asst. U.S. Attorney Antony Pitzerelli: "..."

SSA Mariam Helena Khoury: "Every single one of these freaks we've killed since 2001 has smelled of gingerbread."

Asst. U.S. Attorney Antony Pitzerelli: He's silent.

SSA Mariam Helena Khoury: "Something acrid in it too."

SSA Mariam Helena Khoury: "And it goes away when they die."

SSA Mariam Helena Khoury: "And honestly? It feels so good."

Asst. U.S. Attorney Antony Pitzerelli: "You know what. You're nuts."

Asst. U.S. Attorney Antony Pitzerelli: "Just call me once you're done in Florida."

Asst. U.S. Attorney Antony Pitzerelli: He hangs up.

SSA Mariam Helena Khoury: I shrug as I shove my phone back in my pocket.

Hunger: Keith. Joe Mama's Swamp Shack.

Hunger: It seems to be right next to Crazy Alan's.

Hunger: Competing? Anyhow. You spend the next few hours here trying to see if anyone ever saw this woman.

SSA Keith Alan Pike: She was a regular, apparently, so they probably did see her, but they're also probably too drunk to remember. Alcoholics.

Hunger: Nobody but the bartender claims to have done so, and the bartender spares you no detail other than saying that she's here every night and she takes home a local depending on who wants it, which is perhaps once a week.

Hunger: This place stinks. You won't find much else.

SSA Keith Alan Pike: What a bust.

Hunger: That makes a hatrick.

Hunger: God's Teeth - White Teeth - Session 3 END.

Hunger: Thanks for playing!

God's Teeth - White Teeth - Session 4

June 6, 2026

Hunger: God's Teeth - White Teeth - Session 4

Hunger: THU 13 OCT 16 1200R.

Hunger: Miami, FL.

Hunger: The noon sun scorches Vice City. Both the buildings and the people living in them are indifferent- life has a much different path to follow here than be concerned with trivialities of nature.

Hunger: A lot of people were excited for this particular location. If so- what were you up to since you came?

SSA Mariam Helena Khoury: I've been hanging out at Miami Metro PD all morning, far as I know.

Hunger: Correct. They will let you know if anything changes.

SDUSM George Elijah Jones: George was gorging himself on cubano sandwiches and hitting the beach, thinking to himself "How many fucking jews can they fit on one beach?"

Hunger: It's not peak holiday season anymore, but this is Miami and people are still enjoying the water even if it's getting a bit cold.

Hunger: Back to work... What next?

SSA Mariam Helena Khoury: The most obvious avenue of approach now that we're here is visiting St. Laurence Church, I think.

Hunger: It's near the airport. The drive there will take 20 minutes.

Hunger: You pull your cars up in the neighbourhood, accidentally passing by St. Laurence in the process. It's not a very impressive sight.

Hunger: A 2016 Bloomberg report singled out the Miami metropolitan area for the worst income inequality in the nation. St. Laurence Church struggles with the symptoms of that ailment. It stands in a crowded neighborhood on the border of Miami's West Flagler and Flagami districts, south of Miami International Airport. The neighborhoods around St. Laurence are 90% Hispanic. Most work in service jobs. Nearly half have trouble understanding English or do not speak it at all. The area was devastated by the subprime mortgage crisis of the 2000s. High-income owners from outside the area bought houses from desperate sellers and rented them back to locals at higher and higher rates. People moved. Half the residents have lived here five years or less. House prices and rental prices are far beyond what residents can comfortably afford, and the gap keeps growing. But vacancy rates stay low. People need shelter even if it keeps them poor. Until they give up and move to the streets. St. Laurence is a service-dominated ministry that operates with funds from Catholic Charities USA and the Broward Partnership Pompano Beach Center of Fort Lauderdale. Its main sociological function is as a safety valve on the city's growing homeless population.

Hunger: Pulling up to the parking lot...

SSA Keith Alan Pike: Are there any of the homeless lingering outside?

SSA Mariam Helena Khoury: What kind of church is this, also? Catholic?

Hunger: More than several. Residents eat outside at the yard over picnic tables, although the airplanes above get deafening at times.

Hunger: Yes, Catholic.

Hunger: Though it's more homeless shelter than church, looking at it from here.

SSA Mariam Helena Khoury: That's sweet.

SSA Keith Alan Pike: Is it really 'sweet'?

SDUSM George Elijah Jones: No she's a fucking psycho, what do you think?

SSA Mariam Helena Khoury: They're doing the work of the lord, dude.

SDUSM George Elijah Jones: Let's stop observing the local fauna and get in.

SSA Mariam Helena Khoury: "If you guys see anything interesting, point it out. I don't know what we're looking for exactly here."

Hunger: It's grim. Life for these people is not a likeable one. Most of them are born into it, some were made due to extraordinarily dark circumstances. Here, they can get a roof and a meal, and maybe some help.

SSA Mariam Helena Khoury: "We know our kids hung out here at some point."

SDUSM George Elijah Jones: "They probably hung out in an annex or a shed or something."

SSA Mariam Helena Khoury: "Right. Or plan to hang out here, anyhow."

SSA Keith Alan Pike: "All my leads were a bust. I don't know why I even bothered looking."

IO Michael Sajdak: It's nothing either which way to Michael since he's mostly thinking about the upcoming shooting-animal-attack more than how the Cuban refugees are doing here or whatever.

SDUSM George Elijah Jones: "That's just the way shit goes sometimes, man."

Hunger: You can move.

SSA Mariam Helena Khoury: "Some things just aren't meant to be, Keith." I'm walking ahead.

ASAC Darius Jeremiah Cruz: "I think we should ask about, at the very least"

SDUSM George Elijah Jones: I'm going to check the yard."

Hunger: Highest Alertness throws.

SSA Mariam Helena Khoury: Is that mine at 70?

Hunger: I think so. Hit.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Success -> 30 (Rolling Alertness Target: 70%)

Hunger: Mariam.

Greyhound: You see a dog running towards you at breakneck speed, on four rail thin legs.

Greyhound: They are very easily recognizable- a Greyhound. Fastest dog out there.

SSA Mariam Helena Khoury: "Oh boy."

SSA Mariam Helena Khoury: I'll crouch down and prepare a petting catch.

Greyhound: Once you do, you notice that it's holding something in its jaws.

Hunger: Roll Survival with a +10%.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 91 (Rolling Survival Target: 20% (10%+10%))

Eastern diamondback rattlesnake: It's a snake, though you're not sure if it is poisonous or not.

Greyhound: As the thing approaches you, it stops to a halt five or so meters away from the group, thrashing the poor snake to death.

Eastern coral rattlesnake: Condition Changes Departed

SSA Mariam Helena Khoury: "Wow."

SSA Mariam Helena Khoury: I'll motion the dog to step closer.

IO Michael Sajdak: "Oh fuck off."

SDUSM George Elijah Jones: "Good boy."

Greyhound: With a whine and a strange seizure, he collapses onto the pavement.

Greyhound: Condition Changes Departed

SDUSM George Elijah Jones: "Oh shi-."

SSA Mariam Helena Khoury: "WHAT DID I DO?"

ASAC Darius Jeremiah Cruz: "Snake must have bit him, poor thing."

IO Michael Sajdak: "Yeah fuck you too." I'm heading inside.

Greyhound: You didn't do anything. Once you're close, you notice that the dog had multiple snake bites around its neck. Too late.

SDUSM George Elijah Jones: "It's getting to a point, man."

SSA Keith Alan Pike: "Huh...?"

Hunger: Both animals are dead on the pavement.

SSA Mariam Helena Khoury: I'm just going to pause here and call animal services to come pick these two up.

SSA Mariam Helena Khoury: There's a 3-number line for that.

Hunger: As you do that, you realize that the greyhound is leashed.

SSA Mariam Helena Khoury: Lemme check the tag if there's one.

SDUSM George Elijah Jones: George is sidestepping this bullshit and heading to the yard.

SSA Keith Alan Pike: "Better just let the church handle that..."

Hunger: Mariam, you seem to be alone in the interest regarding this.

SSA Mariam Helena Khoury: "Ye of little faith, gentlemen. I thought we all loved animals." I watch the tag as the guys each run off.

SSA Keith Alan Pike: Which direction did it come from?

Hunger: The collar reads "Thanks Obama, and there are a series of phone numbers on it. And a serial number that says "KENNEL" aside.

Hunger: It came from the other side of the road.

SDUSM George Elijah Jones: A republican dog. Nice.

SSA Mariam Helena Khoury: "Thanks Obama? Was that your name?" I'll dial the phone number.

Hunger: Someone picks up almost immediately. They are yelling to know what happened.

SSA Keith Alan Pike: Shit like this happens to us all the time. Can't get hung up on it...

SSA Mariam Helena Khoury: "Okay, your greyhound was bit by a rattlesnake. Repeatedly."

SSA Mariam Helena Khoury: "Both are casualties now."

Hunger: The other end of the phone cries a bit, and a man takes over the conversation. It looks like that this dog was "Blue Legend", aptly named for placing #2 in the 2015 Champion Stakes dog race in London and was being kept at the track for breeding. In London. You just watched a \$50K racing dog travel the Atlantic and die gracelessly in front of you.

IO Michael Sajdak: "Casualties? What the fuck is wrong with you?"

IO Michael Sajdak: "Who the fuck talks about a dog like that?"

SSA Mariam Helena Khoury: Does the guy speaking over the phone actually have an English accent?

SDUSM George Elijah Jones: "Don't let this chick ever be a casualty notification officer."

SSA Keith Alan Pike: Keith gives Mariam a strange look as she says 'Casualties'.

Hunger: Yes, it was a UK phone number.

Hunger: No worry as you have plenty of international calls in your phone.

SSA Mariam Helena Khoury: "...I'll call animal services and give them your phone number to sort it out with you."

SSA Mariam Helena Khoury: "Pretty animal. My condolences."

Hunger: The animal service can deal with this on their own time. For now, two dead animals.

SSA Mariam Helena Khoury: What am I gonna do? Shove them in my trunk?

Hunger: You can just move on.

SSA Mariam Helena Khoury: I'll head to the lobby with the others.

Hunger: For those two headed into the yard...

ASAC Darius Jeremiah Cruz: I'm heading to the yard!

SSA Keith Alan Pike: "Nice landscaping for a hobo house."

SDUSM George Elijah Jones: "It's a church originally, man."

SDUSM George Elijah Jones: "Still is - just more homeless people."

Hunger: The yard connects the church to the homeless shelter, there doesn't seem to be a corridor through it. It's either this or that. Indeed, you see many other homeless people. Unclear if they are illegal immigrants or not, but some seem wary of suits.

SDUSM George Elijah Jones: Not our problem right now.

SSA Keith Alan Pike: "You'd think they would prioritize the people over this shit, though. Maybe they get it done for free." He nods towards the Guatemalans.

Hunger: The Guatemalans nod back at you, relieved that you aren't here to arrest them.

SDUSM George Elijah Jones: "Vatican money, bro. Jesuits are the Catholic freemasons."

SDUSM George Elijah Jones: "Google it."

SSA Keith Alan Pike: "I don't want to waste my roaming data."

Hunger: Enough fucking around- act.

IO Michael Sajdak: "What are we looking for here anyway? We can't exactly just tell them a bunch of junkies wanna blow this place up and expect them to play ball."

Hunger: Michael, what you're looking for seems to have found you.

SDUSM George Elijah Jones: "Are you using a European carrier or something? What roaming data? T-Mobile is everywhere."

SSA Mariam Helena Khoury: "I think our best bet's checking in with the priest about--"

SSA Keith Alan Pike: "I'm on Sprint."

Pastor Mauricio Rubledo: "Welcome. What can I do for you?" "... I saw you through the camera."

SSA Mariam Helena Khoury: "Good morning. I'm Khoury, with the FBI. This is my partner."

SSA Keith Alan Pike: Can I look for disturbed dirt? Maybe there's a bomb hidden in the bushes.

SSA Mariam Helena Khoury: "We'd like to have a chat. Nothing worrying."

Hunger: You find a bunch of discarded needles and other kinds of trash when you peep your head over one.

SDUSM George Elijah Jones: "Yeah I'm on Verizon I don't know why T-Mobile is the first one which came to mind," George says as he looks around. Can we see the shelter from here?

Pastor Mauricio Rubledo: "Nothing worrying? Is that so..."

SSA Mariam Helena Khoury: "That is so."

Pastor Mauricio Rubledo: "Are you federal agents?"

SSA Mariam Helena Khoury: "..."

SSA Mariam Helena Khoury: I'll flash my badge in case that wasn't clear.

Hunger: George- you are standing in front of the shelter. It's a huge warehouse with a bunch of floor mats in it.

Hunger: There is a kitchen adjacent.

Pastor Mauricio Rubledo: "Oh dear..."

SDUSM George Elijah Jones: I'll check the shelter, I guess.

Hunger: If you're moving into the shelter you're frozen.

IO Michael Sajdak: "She's full of shit. Listen-- can we go somewhere private to discuss this stuff? I really don't wanna rile anybody up here."

Pastor Mauricio Rubledo: "Eh, well, thanks for your understanding that some of our residents are not exactly in the mood for this."

Pastor Mauricio Rubledo: "Come to my office."

SSA Mariam Helena Khoury: I shoot a thumbs-up at Mike.

Pastor Mauricio Rubledo: He splays over his boss chair. He seems very tan and frayed due to spending a great deal of time outdoors.

Pastor Mauricio Rubledo: "So..."

Pastor Mauricio Rubledo: "Is this about the Zoe Pound gang?"

IO Michael Sajdak: "So I'm gonna lay down the stakes here and make sure we're all on the level before I start asking questions. We're currently dealing with a bunch of homeless psychopaths who've been going around attacking anyone they'd--"

IO Michael Sajdak: "Who?"

Hunger: Michael, you specifically, roll Criminology.

Hunger: You don't really know what he's talking about, but Mariam does.

Hunger: Zoe Pound - gang of once-vigilante Haitians and Haitian Americans. Not friendly with other Blacks.

Hunger: They are a fraction of what they used to be but they still engage in some serious violent crime.

Hunger: Not your concern.

Hunger: However, that exchange did trigger a contested CHA roll between you and the priest.

SSA Mariam Helena Khoury: Who rolls?

Hunger: 1: Michael2: Mariam

Hunger: 2

Pastor Mauricio Rubledo: "Hm?"

Pastor Mauricio Rubledo: "Homeless psychopaths? Aren't they all exactly that to you?"

SSA Mariam Helena Khoury: "Not quite. About the Zoe Pound-- have they been causing trouble in the area?"

SSA Mariam Helena Khoury: "As of late, I mean."

IO Michael Sajdak: "...Have you ever watched the movie Badlands? We're dealing with something like that. Look--"

Pastor Mauricio Rubledo: "No, although there are some small time dealers who inevitably go through the community we have no gang members who are still engaged in that life. There's a variety of them, and all of them are so addicted that the rest of the gang doesn't even trust in them anymore."

Pastor Mauricio Rubledo: "They are far, far off the deep end."

SSA Mariam Helena Khoury: I nod.

Pastor Mauricio Rubledo: "PD came around recently. Gave me that reason. They harrassed a bunch of families and ended up arresting a harmless schizophrenic."

Pastor Mauricio Rubledo: "Called him a ringleader."

Pastor Mauricio Rubledo: "God..."

Pastor Mauricio Rubledo: He makes a vomiting gesture.

SSA Mariam Helena Khoury: "Who'd they arrest?"

IO Michael Sajdak: "What matters is we're convinced these people are coming here to shoot this place up and we need your cooperation to be sure that doesn't happen. I don't think this-- this Zoe Pound crap has anything to do with it."

Pastor Mauricio Rubledo: "It was just an old man at the end of his thread."

Pastor Mauricio Rubledo: "He hurt no one but himself- and we thought we got that under control."

SSA Mariam Helena Khoury: I'll cross my arms in thinking and let Mike drive the chat.

Pastor Mauricio Rubledo: "Shoot up the church? What?"

Pastor Mauricio Rubledo: "We're here to help these people, not like you."

Hunger: He's genuinely confused at the idea.

IO Michael Sajdak: "Do you think I'm kidding? Listen to me. A few weeks ago a homeless maniac went to a care home in Virginia called Charlotte's Rest and killed two people. You can look it up right now if you want."

Pastor Mauricio Rubledo: "This has nothing to do with me nor anyone I take under my wing."

IO Michael Sajdak: "Then, a week later..." I turn to Mariam.

Pastor Mauricio Rubledo: "I think I'm going to ask you to leave now, unless you are here to execute a warrant."

IO Michael Sajdak: "Y'know what? Fuck you. I'm not going to leave. Not until you listen to what we have to say."

Pastor Mauricio Rubledo: He crosses his arms and looks at you."Go on."

SSA Mariam Helena Khoury: Right. I'll speak now. "Firstly, I think you've gotten the wrong idea about us. People who find themselves to be currently marginalized by society are, of course, victims of the system. We're not here for them, or to interrupt the work you're doing here."

SSA Mariam Helena Khoury: I'll pull out my cross pendant, regardless of what little importance I place upon faith these days.

Pastor Mauricio Rubledo: "Look don't give me any of this talk. You just accused someone I took care of of murder. Prove it or get the fuck out."

SSA Mariam Helena Khoury: "We're speaking about Elle Gable here, correct?" I'll pull the pamphlet out and show him.

Pastor Mauricio Rubledo: Blood withdraws from his face and he sinks into his chair.

SSA Mariam Helena Khoury: "We found this in her pocket at Charlotte's Rest."

Pastor Mauricio Rubledo: "God damnit..."

Pastor Mauricio Rubledo: He rubs the bridge of his nose.

SSA Mariam Helena Khoury: "Don't use His name in vain, Father."

Pastor Mauricio Rubledo: "..."

IO Michael Sajdak: "...A week later ANOTHER shooting happened at a place called King Torino's Childrens Refuge. All these people know eachother and they're connected by mutism, they communicate with symbols like-- like chimps or something. The same shit we saw on THIS--" I point to the pamphlet.

Pastor Mauricio Rubledo: "Look, I know who you're talking about."

Pastor Mauricio Rubledo: "I can tell you everything as long as you leave those unrelated alone."

Pastor Mauricio Rubledo: "Elle Gable. Came here with company in 2011. They weren't exactly toddlers, they were between 13 and 15."

Pastor Mauricio Rubledo: "She stabbed another kid in the stomach and I had to banish them all. They were getting the wrong kind of attention."

IO Michael Sajdak: I slump into my chair and sigh, rubbing my brow.

Pastor Mauricio Rubledo: "Is this about Elle Gable? What happened to her?"

SSA Mariam Helena Khoury: "She killed a nearly braindead retired DHS worker in Charlotte's Rest."

Pastor Mauricio Rubledo: He looks at Michael's pamphlet."Yes, the grafitti. I just paint over them and call it a day. I don't know who they belong to or what they represent."

SSA Mariam Helena Khoury: "Executed would be the correct terminology."

Pastor Mauricio Rubledo: "Good lord. That bunch, I never should have known or met."

IO Michael Sajdak: "Wait, you've seen those here?!"

IO Michael Sajdak: "You have CCTV, right?"

Pastor Mauricio Rubledo: "PD tagged all of them the last time they came."

Pastor Mauricio Rubledo: "Some new stranger made them before disappearing."

Pastor Mauricio Rubledo: "He never talked, was another damned mute."

Pastor Mauricio Rubledo: "I don't know his name."

SSA Mariam Helena Khoury: "Did you get him on camera?"

Pastor Mauricio Rubledo: "He left some time ago. I don't think I have the footage, but he looked Hispanic."

SSA Mariam Helena Khoury: "Does the name Thomas ring a bell?"

Pastor Mauricio Rubledo: He shrugs.

Pastor Mauricio Rubledo: "I got a can of paint and a brush, and some spare time."

Pastor Mauricio Rubledo: "It's no big deal to me."

IO Michael Sajdak: "That's a hell of a description when we're in Miami."

Pastor Mauricio Rubledo: "He never spoke, made no friends."

Pastor Mauricio Rubledo: "He was gone in a few days."

SSA Mariam Helena Khoury: "We know what he looks like. Anywho-- when was he last here?"

Pastor Mauricio Rubledo: "He departed Sunday 2nd, I think."

SSA Mariam Helena Khoury: Eleven days ago. Hm.

IO Michael Sajdak: I'm gonna write my number on my pad and tear it off for him. "All I'm gonna ask is that if you see someone putting those tags on the walls here you call me. If this is what I think it is..."

SSA Mariam Helena Khoury: "Who else was Elle Gable familiar with during her time here, could I ask?"

Pastor Mauricio Rubledo: "Fuck you and your paper buddy. I'm not calling you over grafitti."

SSA Mariam Helena Khoury: "Let's calm down a little."

Pastor Mauricio Rubledo: "Only eachother."

Pastor Mauricio Rubledo: "They made friends with another kid, came from an abuser family."

Pastor Mauricio Rubledo: "They called him the Silence Slave Philly Phil. Everyone started calling him that, I remember vividly. Was so strange."

SSA Mariam Helena Khoury: "...That is really strange."

Hunger: As soon as you hear the name...

Hunger: You realize you have a hint of the gingerbread-death miasma in the air. It's not here, and it's certainly not coming from the priest or from the homeless shelter. It's close, but not that close.

IO Michael Sajdak: "Yeah fuck you then. If we catch this asshole after he shoots you a new breathing hole that's fine by me."

Hunger: It's not approaching as if indicating danger.

Hunger: It's more so -inviting- you.

Hunger: It's always been there.

SSA Mariam Helena Khoury: I see. "I'm sorry for our manners. We'd like to have a look around the premises, get a feel for the place Elle Gable lived at."

SSA Mariam Helena Khoury: "If that's fine with you."

Pastor Mauricio Rubledo: Mariam, roll Persuade. Blind.

Pastor Mauricio Rubledo: "Wait. That Silence Slave thing. It has more than that to it."

Pastor Mauricio Rubledo: "I didn't really underline this, but those kids..."

Pastor Mauricio Rubledo: "They were like a whole new version of Santeria written all inside of this shelter."

Hunger: Mariam, you pass an Occult check. Santeria- the street religion of those born and raised neck deep in shit. It has certain mainstays like The Blue Lady, which you can find about more online.

Hunger: For your Psychotherapy, those who were not born into homelessness often return to Christianity. Those born into it come up with things much deeper and comforting than the dim Semitic god.

SSA Mariam Helena Khoury: Of course. I know it's an offshoot of Christianity and a mix of African faiths. Interesting.

SSA Mariam Helena Khoury: "Where are you from?"

Pastor Mauricio Rubledo: "Fort Lauderdale. Daddy was from Mariel."

SSA Mariam Helena Khoury: "Alright. We'll come by if anything else comes to mind. Before we go on, would you happen to know anything about a greyhound running around, right outside?"

Pastor Mauricio Rubledo: "It's... It's quite complicated. I wrote my thesis on this but then the funding for my scholarship got slashed, as they think it's outside of the Church's scope." He turns his head at the mention of the greyhound. "No?"

SSA Mariam Helena Khoury: "Have you got that thesis written down somewhere?"

Pastor Mauricio Rubledo: "No, but I wrote it. I can tell you what was in it. I just... had a little mentie and took it out on the scraps and what used to be an older bookshelf behind me."

Pastor Mauricio Rubledo: "They didn't appreciate something -new- for a change."

SSA Mariam Helena Khoury: "I understand. Well, thank you."

SSA Mariam Helena Khoury: "We'll be around for a while, in case you think of something else."

Pastor Mauricio Rubledo: "The Quiet Children, The Silence Slaves, The Hungry Mother... It's a winding topic."

SSA Mariam Helena Khoury: "What?"

IO Michael Sajdak: "Hey, wait a second. I wanna know what you wrote about these guys."

Pastor Mauricio Rubledo: "These people are so creative in their ways."

SSA Mariam Helena Khoury: "Hungry Mother?"

SSA Mariam Helena Khoury: "Does 'Magna Mater' mean anything to you?"

Pastor Mauricio Rubledo: "It's... eh..."He gets embarrassed at having to break it down in detail to you."It's a larger sociological framework more than an exoticized folklore."

Pastor Mauricio Rubledo: "It could be called that by some."

Pastor Mauricio Rubledo: "It doesn't matter -what- it's called."

Pastor Mauricio Rubledo: "It's what these people blame all the evils of life on. The Blue Lady. The Hungry Mother. So on and so forth."

Pastor Mauricio Rubledo: "The Hungry Mama sent pigs to bust up the camp. The Hungry Mama prevented my dad from finding a job. The Hungry Mama put fentanyl in the xanax."

Pastor Mauricio Rubledo: "That sort of thing."

IO Michael Sajdak: I turn to Mariam. That's obviously a sort of inversion of the Skoptsi goddess.

SSA Mariam Helena Khoury: I'll nod. I'm good to move unless Mike wants to try delving in further.

Hunger: The Skoptsi goddess is a much different and tangible thing compared to this.

Hunger: You know that firsthand.

IO Michael Sajdak: "Where were they living? Did they leave anything here? Anything at all?"

Pastor Mauricio Rubledo: "When the legend was written, they were all living in here. Once they were gone..."

Pastor Mauricio Rubledo: "Philly Phil told everything about The Quiet Children to anyone who would listen. They seem to hang around the empty house up north now, but I don't let them anywhere near anymore."

Pastor Mauricio Rubledo: "Some people got wind of it. Cult leaders, scammers, that kind of scum. The cult leader was beat within an inch of his life, and the other two charlatans were never seen or heard for again."

SSA Mariam Helena Khoury: "Where's that at exactly?"

Pastor Mauricio Rubledo: "Up the street north. It's a flood damaged house, hard to miss."

Pastor Mauricio Rubledo: "It's still un-repaired."

IO Michael Sajdak: We've got a lead on them which is good enough for me, I'm getting up right now and leaving without a word.

Hunger: If that's all you need to know from The Man who codified the street belief regarding The Quiet Children, of course.

SSA Mariam Helena Khoury: Actually we want everything he could give us.

IO Michael Sajdak: That seems more like Mariam's thing.

SSA Mariam Helena Khoury: Like in written format if possible.

Pastor Mauricio Rubledo: "I'm not writing all that up again. I have no time for that shit anymore."

Pastor Mauricio Rubledo: "I almost lost my job on top of the scholarship."

Pastor Mauricio Rubledo: "If you want to know, ask."

SSA Mariam Helena Khoury: "Let's see. Start with the Quiet Children, a concept description."

Pastor Mauricio Rubledo: "Well. Some people who come here are so traumatized that they are left permanently mute and analphabetic. Believers in the Quiet Mother call them the Quiet Children. The fact that they have been through here is why those believing in it refuse to leave the area."

SSA Mariam Helena Khoury: I'll turn to Mike briefly. "Know, ask, become."

Pastor Mauricio Rubledo: "The children, literal children living here, talk about them the most."

Pastor Mauricio Rubledo: "They think they are angels fallen from heaven. They are disguised as ignorant homeless boys and girls so they can slip underneath the Hungry Mother's gaze."

Pastor Mauricio Rubledo: His body language indicates he's remembering a long and winded story, he's staring off into space while talking.

Pastor Mauricio Rubledo: "They refuse to speak because they know all speech is a lie. Life would be easier if everyone could escape the love programmed into their souls, but they can't."

Pastor Mauricio Rubledo: "So the Quiet Children try to wake people up to the evil of Hungry Mother. When a Quiet Child dies or kills, it's to reveal to humanity the truth, in the only language it knows. The only language that truly exists."

SSA Mariam Helena Khoury: "I know the line of thought. I'm a psychologist. It's clear that language shapes the way we think, and in that way, limits us."

Pastor Mauricio Rubledo: "They do not have language."

Pastor Mauricio Rubledo: "They have no need for language."

SSA Mariam Helena Khoury: "That's what I'm getting at. They're not limited. They act on raw impulse, the most honest form of proto-language."

SSA Mariam Helena Khoury: "Very interesting."

Pastor Mauricio Rubledo: "Though, someone still has to talk on their behalf for practical matters."

Pastor Mauricio Rubledo: "And that would be the Silence Slaves."

SSA Mariam Helena Khoury: "As translators? Tell us about them."

Pastor Mauricio Rubledo: He starts playing with a pen, flipping it between his fingers.

IO Michael Sajdak: So they're working AGAINST the evil animal-providence deity? And we're working for it? What the hell else could the Hungry Mother be?

Pastor Mauricio Rubledo: "...A few children have gone through a phase where they imagined themselves Slaves of Silence. Silence Slaves speak for the Quiet Children. Not sign, writing, or even eye contact is required for this translation of thought into language to occur. Perhaps the speakers like the power and attention that came with prophecy, with being thought angels. Most seem to grow out of it. Everything known about the theology of the Hungry Mother was once preached by a Silence Slave. Like Philly Phil."

Pastor Mauricio Rubledo: "I'm sure if you walked up to the kids living here right now and tried to talk to them, they would confirm what I just said."

Pastor Mauricio Rubledo: "The legend is still here, you know."

Pastor Mauricio Rubledo: "It's just that we, us, I, the church, choose to ignore it."

SSA Mariam Helena Khoury: "All the silence slaves were little children?"

SSA Mariam Helena Khoury: "Are."

Pastor Mauricio Rubledo: "Yes. However, Philly Phil was not in the original batch that Elle and co was in."

IO Michael Sajdak: "So there's a Quiet Mother and a Hungry Mother?"

Pastor Mauricio Rubledo: "He was badly abused by some junkies. Both dead. Freak kitchen accident."

Pastor Mauricio Rubledo: "Well..."

Pastor Mauricio Rubledo: He will roll Intelligence.

Pastor Mauricio Rubledo: Pastor Mauricio Rubledo rolls Failure -> 74 (Rolling INT Target: 65%)

SSA Mariam Helena Khoury: I'm just bursting out in laughter at Michael's comment. The duplicity of our predicament is hilarious.

Pastor Mauricio Rubledo: "I see where you're getting at."

Pastor Mauricio Rubledo: "I did too, at some point, but the kids just wont talk to me when I probe them about -that specific thing-."

Pastor Mauricio Rubledo: "It's a secret."

Pastor Mauricio Rubledo: "A big one."

SSA Mariam Helena Khoury: "What else can you tell us? Must be something we're missing here."

Pastor Mauricio Rubledo: "They have their own version of Ragnarok. Armageddon. Et caetera."

IO Michael Sajdak: "Maybe it's the same thing. I mean-- if they're hurting people, it seems like they must be working on the side of the Hungry Mother in some regard."

Pastor Mauricio Rubledo: "There is this rumor that the Quiet Children and the Silence Slaves expect a messianic figure within their lifetimes. Probably why they attracted so many scammers in the first place."

Pastor Mauricio Rubledo: "He or she has not come yet. They still wait."

SSA Mariam Helena Khoury: I'm gonna go out on a limb here, can I roll History to try and recall if I've read anything about any such death cults in history during my uni years?

Hunger: This particular one needs no roll. A doomsday is a staple for every religion except the most primitive and the most advanced ones, neither of which can conceptualize a beginning-time or an end-time.

SSA Mariam Helena Khoury: "Hmmm...."

Pastor Mauricio Rubledo: "It's a long story."He seems focused on the pen.

SSA Mariam Helena Khoury: "A very long one. Much longer than any of us can put to words."

Hunger: Perhaps so.

Hunger: Panning over to the other three...

Hunger: Keith, George, Darius.

Hunger: You enter through the large double door of the shelter. All conversation becomes muted as soon as you walk in.

Hunger: You have many, many eyes on you.

SSA Keith Alan Pike: Are they adults, or children? Both?

Hunger: A mix. Some families.

SSA Keith Alan Pike: "Why do you think they're looking at us? Do they think we're Immigration?"

SDUSM George Elijah Jones: Theoretically we could ask questions to these people but George has a hunch that the Silence Boys are not here.

SSA Mariam Helena Khoury: Can I give one of these guys a call and tell them the gist of what we've just heard? About the QC having silence slaves.If this isn't happening exactly simultaneously, that is.

Hunger: You can regroup in the yard in a bit.

Hunger: George, what kind of question do you want to ask?

SDUSM George Elijah Jones: "No soy migra," George says at the crowd.

SDUSM George Elijah Jones: I don't want to say nothing yet except that.

Hunger: Some conversation restarts. A few keep looking at you.

SDUSM George Elijah Jones: Let's just chew the scenery a bit. Any weird shit on the walls?

Hunger: None of the inside except mildew damage and the usual lived-inness.

SDUSM George Elijah Jones: Does anybody here look like they match the description of a 'quiet child'? Probably not cause no gingerbread smell.

Hunger: "Is anyone here a homicidal maniac immune to pain with an animal familiar" No.

SSA Keith Alan Pike: But maybe someone here has seen the quiet children. They were here tagging it up earlier, after all.

SDUSM George Elijah Jones: Excellent - there's probably a reception or office here where we can ask about any weird absences or somebody hurrying out in a huff and puff.

ASAC Darius Jeremiah Cruz: Is there anyone who doesn't look overtly suspicious at our presence? We'd probably have a better chance at asking someone like that about things.

Hunger: There are offices for the social workers and classrooms where you can most likely find kids around, but for the layman, you can ask here.

A Man: This guy seems especially wary of you.

A Man: His thin frame is collapsed into a knees up sitting position.

A Man: Looks like an addict, one of many.

SSA Keith Alan Pike: Keith taps the back of his hand against George, attempting nonchalance while whispering to him. "Careful, that guy looks like he wants to stab you for the burger king receipts in your pocket."

Hunger: The idea is amusing, but you doubt anyone here is violent enough to be roofed long enough for it to matter.

Hunger: Those kinds are probably long dead or in jail.

SDUSM George Elijah Jones: George isn't in the mood to throttle a guy for info right now - somebody else take the lead.

SSA Keith Alan Pike: "There's way too many people here for us to pick through alone. Let's regroup."

ASAC Darius Jeremiah Cruz: "You think we should regroup? I was planning on checking in on /that/ guy, but we can come back I suppose."

A Man: He doesn't seem like he's going anywhere. Talking to him 6 on 1 doesn't resemble a perfect idea.

SDUSM George Elijah Jones: Go ahead Darius.

Hunger: The conversation around is in hush tones, but you can hear the outside now.

ASAC Darius Jeremiah Cruz: I'm walking up to him, then.

A Man: He buries his face in his knees.

A Man: "You red minded."

A Man: "You here to come up all stabbin' and cuttin'."

A Man: "Stabbin' and cuttin' the vacas..."

ASAC Darius Jeremiah Cruz: "Red minded..? I think you've got the wrong idea, buddy."

ASAC Darius Jeremiah Cruz: "We're just here to ask a couple of questions, nobody's getting stabbed or cut. Not on my watch, anyways."

A Man: "You see us as meat. Eat us up."

A Man: He genuinely sounds like he's afraid of you.

A Man: "Eatin' up the vacas, cuttin' and stabbin'."

SSA Keith Alan Pike: "...I don't wanna eat you, man."

ASAC Darius Jeremiah Cruz: "What's giving you that idea? I'm hardly one for cannibalism."

A Man: "The silence slaves tell us. Tell you red-minded. Tell we vacas. "

A Man: "You three, red-minded."

ASAC Darius Jeremiah Cruz: " 'Silence slaves?' You've lost me, man."

SDUSM George Elijah Jones: "Who's the silence slaves, man?"

A Man: "There ain't no stoppin'. You eat us up. No need to run. Stabbed and ate, no running. Can't run. It's all written."

A Man: "I'm happy, no more pain for me. No more drugs. Just emptiness."

ASAC Darius Jeremiah Cruz: "Look, nobody's gonna cut you up or eat ya'. I don't know, nor particularly care, who's written this. We're just here to talk."

SDUSM George Elijah Jones: George just shrugs and motions with his head to the door to the yard. This guy isn't worth pressing.

SSA Keith Alan Pike: Keith whispers to George. "He's lost it, man. Let's stop wasting our time."

A Man: He's just softly crying while shaking his head between his knees.

ASAC Darius Jeremiah Cruz: "Gah- Screw it, we're outta here."

A Man: It's pathetic.

SDUSM George Elijah Jones: "Yeah let's get the fuck outta here."

Hunger: The other 2 can meet them at the yard.

SSA Mariam Helena Khoury: "'Sup."

ASAC Darius Jeremiah Cruz: "Not much."

SSA Mariam Helena Khoury: "So, the 'Quiet Children' terminology we've been hearing."

SSA Mariam Helena Khoury: "They're running a cult."

SSA Mariam Helena Khoury: "They use kids younger than them as translators. Silence slaves, the priest called them."

Hunger: The other three didn't notice before, but the awful smell seems to draw you in towards...

SSA Mariam Helena Khoury: "Might still be some around here."

Hunger: Roll Survival, highest.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 52 (Rolling Survival Target: 10%)

SSA Keith Alan Pike: Oops.

Hunger: None of you are good enough at outdoors stuff to infer this anyways.

Hunger: Continue.

SSA Mariam Helena Khoury: "Did you just get back out here? I wanna look for those slaves."
I'm heading off without waiting.

SSA Keith Alan Pike: "Yeah, we-..."

ASAC Darius Jeremiah Cruz: "Should we head back in or...?"

SDUSM George Elijah Jones: "She's gonna find a whole lot of nothin'. Did you guys find anything?" he turns to Sajdak.

SSA Keith Alan Pike: "It sounds like you found a lead, at least."

Hunger: Sajdak can clue you in on the conversation- on top of whatever he wants to say.

SDUSM George Elijah Jones: "Yeah. Do we have a concrete location?"

Hunger: Mariam is already inside.

SSA Mariam Helena Khoury: Let me take a look around here, see if I can notice anything. That same other crackhead, at least.

SSA Mariam Helena Khoury: Not that I know of him.

Hunger: He's weeping softly to himself at the corner.

Hunger: Approach?

SSA Mariam Helena Khoury: Sure.

SSA Mariam Helena Khoury: "Hello."

A Man: "..."

SSA Mariam Helena Khoury: "What're you crying about?" How old is he, anyway?

SSA Keith Alan Pike: "Fill me in."

SDUSM George Elijah Jones: George walks back inside to oversee the exchange between crackhead and psycho.

A Man: You can't really tell his exact age, he's weathered to hell and back.

A Man: Probably late 20s? Looks 40.

SSA Mariam Helena Khoury: "What's your name?"

ASAC Darius Jeremiah Cruz: I want something to come of this too, I'm heading back in.

A Man: "My name? Why matter to you? You red-minded, you have no use for name. You know. Know what we are. What you are. Name just a joke. Eat us up..."

SSA Mariam Helena Khoury: "Red-minded?"

SSA Mariam Helena Khoury: "How can you tell?"

A Man: [PSYCHOTHERAPY] He's exhibiting signs of language acquisition problems.

A Man: "Silence Slaves tell us. Red-minded men will come. Here you are."

IO Michael Sajdak: "What did you just call us?"

SSA Mariam Helena Khoury: "What else did the Silence Slaves tell you?"

IO Michael Sajdak: "The grafitti--"

IO Michael Sajdak: "That's the shit that was outside of Clove's house!"

A Man: "You call forth the Speaker. Red-minded men will ate up the Quiet Children and call the Speaker. You're the tooth. They are the meat. But meat and angel, both. They are both the tongue and the teeth. Bite both?"

SSA Mariam Helena Khoury: "Yeah. And on that presentation." I turn back to this guy.

IO Michael Sajdak: "So what? Are they the good guys and we're bad?"

IO Michael Sajdak: "That makes no sense. They hurt people."

A Man: "Good, bad, joke. Only tooth and meat."

SSA Mariam Helena Khoury: I'll get up close to him and speak to him in a whisper. "We're here to eat them. Tell me where they are now, or we'll eat the fuck out of you too."

A Man: A Man rolls Failure -> 97 (Rolling POW Target: 50%)

A Man: "Hiii--"He withdraws into an even tinier ball of a man than before.

A Man: "The Empty House. Phil sell drugs from there. No one seen Phil in long. They say he's ate up by the Quiet Children."

IO Michael Sajdak: "They're real fuckin' tooth-like for meat but I'm mad to even take their shit serious at this point."

SSA Mariam Helena Khoury: "I see."

SSA Mariam Helena Khoury: "I'm still hungry. Maybe I'll eat you anyway." I'll stand up.

SSA Keith Alan Pike: Who is watching us closely, anyone in specific?

A Man: He's just taking cover from you using his hand.

Hunger: No one here seems particularly interested in you other than the fact that you're bullying an off the deep end addict into submission.

SSA Mariam Helena Khoury: I'm done doing that, I'll turn to the guys.

SSA Mariam Helena Khoury: "Decrepit house up north, the priest mentioned it as well."

ASAC Darius Jeremiah Cruz: "We have our spot, then."

SSA Mariam Helena Khoury: "They might've killed silence boy Philly."

IO Michael Sajdak: "Listen, I've about had it trying to make sense of druggie hobo-babble and we have our lead so how about we get outta here."

Hunger: Mariam, no need for INT roll. There are children here, and they might tell you things that adults are not priveleged to know.

Hunger: You can get far doing this considering your past job.

SSA Mariam Helena Khoury: That was the next step indeed. We'll seek one out, or maybe a little group of them.

SDUSM George Elijah Jones: The problem: talking to them without pissing off the adults.

Hunger: There seems to be coming sounds of play from the classrooms.

SSA Mariam Helena Khoury: I'll beckon the guys over.

Hunger: You're free to move.

SSA Mariam Helena Khoury: "Morning."

Asst. Pastor Matthew Calloway: "Once again kids, Halleluj-"

Asst. Pastor Matthew Calloway: "Oh hi."

Asst. Pastor Matthew Calloway: He gets up his chair and corrects his shirt.

Asst. Pastor Matthew Calloway: "How can I help you?"

SSA Mariam Helena Khoury: "We're taking a walk around the grounds, taking in the facility." I'll shake his hand first.

Asst. Pastor Matthew Calloway: He doesn't seem particularly upset by your presence.

SSA Mariam Helena Khoury: Before he lets go. "Do you know the name Elle Gable?"

Asst. Pastor Matthew Calloway: "Um, not sure if I recall."

Asst. Pastor Matthew Calloway: He smirks uneasily.

SSA Mariam Helena Khoury: "Silence Slave Phil?"

Asst. Pastor Matthew Calloway: "Silence s-"

Asst. Pastor Matthew Calloway: "..."

Asst. Pastor Matthew Calloway: "What's this about again?"

SSA Mariam Helena Khoury: "We just had a talk with the pastor." I'll let go of his hand and show him my credentials.

SSA Mariam Helena Khoury: "This is some bloody business-- but I'd like to speak with the kids. I've experience working alongside Crimes Against Children."

SSA Mariam Helena Khoury: "You won't mind if we have a word, will you?"

Asst. Pastor Matthew Calloway: "Of course."

Asst. Pastor Matthew Calloway: "I know what you're talking about."

Asst. Pastor Matthew Calloway: "Though I don't pay a lot of mind to it."

SSA Mariam Helena Khoury: "Then I suppose there's nothing new you could tell us about it. Before we speak with them, would you say any of them have been acting strangely as of late?"

Asst. Pastor Matthew Calloway: "...Ma'am, they come from abuser families. All of them are strange."

Asst. Pastor Matthew Calloway: "Junkies, broken, living in a crack den."

SSA Mariam Helena Khoury: "I'm well acquainted. I meant the in-house cult business."

SSA Mariam Helena Khoury: Any of these kids looking at us intensely?

Asst. Pastor Matthew Calloway: "I'm afraid I'm too accustomed to what you're talking about."

SSA Mariam Helena Khoury: More intensely than normal.

Hunger: Mariam, when you notice it...

Hunger: All 3 of them here are.

Hunger: They are not blinking.

Asst. Pastor Matthew Calloway: "These kids were fed into the local myths about street legends."

Asst. Pastor Matthew Calloway: "It's common, but we do our best to teach them the real God."

SSA Mariam Helena Khoury: I bring a hand to my chest, looking at the kids. "My name is Mary. What are yours?"

A Boy: "..."

A Girl: "..."

A Boy: "..."

Asst. Pastor Matthew Calloway: He scratches his head.

Asst. Pastor Matthew Calloway: "You see what I'm talking about?"

SSA Mariam Helena Khoury: "Well, it's clear to me that they can talk. You had them singing just a moment ago."

SSA Mariam Helena Khoury: "What's your favorite toy?" I'm asking this kid.

Asst. Pastor Matthew Calloway: "You alone can have a one on one, ma'am, I trust you know how to handle a child."

Asst. Pastor Matthew Calloway: "As for the others..."

Asst. Pastor Matthew Calloway: He looks at the rest of you.

ASAC Darius Jeremiah Cruz: "What?"

SSA Keith Alan Pike: "...Hey, it's your classroom."

SDUSM George Elijah Jones: "I'm married with kids but I ain't no psychoterapist," George lumbers out of the room.

A Boy: He raises a battered up teddy bear at you, with sewing needles inserted inwards aiming up from the jaw. The needles aren't immediately obvious at the first glance but you catch them.

ASAC Darius Jeremiah Cruz: "...I'll let myself out."

IO Michael Sajdak: I roll my eyes and go.

SSA Mariam Helena Khoury: I'll reach out for the teddy if he'll let me have it.

A Boy: He's rather frozen in your presence.

Hunger: As for those who left- there are social workers in the adjacent offices, and some volunteers at the kitchen.

Hunger: If you would like to an Adult.

SSA Mariam Helena Khoury: Then I'll just take a closer look at it as I talk, while he holds it up. "I know a little about the Blue Lady."

SSA Mariam Helena Khoury: "But I don't know enough. I think you could teach me."

Asst. Pastor Matthew Calloway: "I'm going to give you two some room."

Asst. Pastor Matthew Calloway: "Come on kids, let's go play in the other room."

SSA Mariam Helena Khoury: "Thank you." I'll nod at him.

A Boy: "Who's the Blue Lady?"

SSA Keith Alan Pike: "You think anyone here knows anything?"

SDUSM George Elijah Jones: I'll go talk to a social worker and ask if there's been any groups of people just up and leaving the shelter once Maryam is done with her shit.

Hunger: If you want to find one- head to the offices and start knocking.

SSA Mariam Helena Khoury: "The Hungry Mother? I suppose you haven't heard about her."

SSA Mariam Helena Khoury: I'll take a seat.

Hunger: Once you're in the offices freeze, let me deal with this.

A Boy: "Everyone knows about the Hungry Mama."

A Boy: "Everyone knows you a Red-minded Man."

SSA Keith Alan Pike: The workers here will probably be much more helpful than the random homeless Mexicans.

SSA Mariam Helena Khoury: "I'll take it. I'm a red-minded man."

SSA Mariam Helena Khoury: "What do you know about me?"

A Boy: "Do you promise to not tell anyone else?"

SSA Mariam Helena Khoury: "I super promise."

A Boy: He seems hesitant at first, but not in the way a kid would be. He's treating you more like a grown person than a fellow child.

A Boy: "The Quiet Children can see past the tricks of the Hungry Mother. They are not one of the vacas. We are the vacas. Not you, not them."

A Boy: "They can see the future. They can see what's about to happen and how to avoid it. They know what to do exactly to make sure the future happens."

A Boy: "They can come to harm, but only when they need to. They test eachother, it's called the Sharpening. They sharpen eachother. They will sharpen you."

SSA Mariam Helena Khoury: "Hm. That's very kind of them, to want to sharpen us."

SSA Mariam Helena Khoury: "How do they sharpen each other?"

A Boy: "They come cuttin' and stabbin'."

A Boy: "They live. They must."

SSA Mariam Helena Khoury: "Makes sense."

SSA Mariam Helena Khoury: "When'd you last see the Quiet Children? Any of them."

SSA Mariam Helena Khoury: "My sharpening appointment is overdue."

A Boy: "I never saw the Quiet Children. My parents did."

A Boy: "They are still out there. Waiting for Sredni Vashtar."

SSA Mariam Helena Khoury: "Is Sredni Vashtar friends with the Hungry Mother?"

A Boy: "Is the lion friends with the zebra?"

SSA Mariam Helena Khoury: "Oh my."

A Boy: "Sredni Vashtar will come cuttin' and stabbin'. Teach las vacas that we are just cattle. Just meat."

A Boy: "We will all cry out at once. And then our pain will end."

SSA Mariam Helena Khoury: "Do you think I'm friends with Sredni Vashtar?"

SSA Mariam Helena Khoury: "Would he like me?"

A Boy: "Sredni Vashtar doesn't have friends. He doesn't like or dislike."

A Boy: "Sredni Vashtar only eats. Like meat. Eat you up."

SSA Mariam Helena Khoury: "So, you're saying that Sredni Vashtar predates the Hungry Mother, and that the Hungry Mother will be killed by him."

SSA Mariam Helena Khoury: "Is that right?"

A Boy: He nods.

A Boy: "It's not anger or hatred."

SSA Mariam Helena Khoury: "Predestination."

A Boy: "Sredni Vashtar doesn't know anything. Pure like water."

A Boy: "Only eat."

SSA Mariam Helena Khoury: "Sredni Vashtar is a hero."

A Boy: He shakes his head in disagreement.

A Boy: "He pure like water."

A Boy: "Only eat."

SSA Mariam Helena Khoury: "He eats rightfully, though. It's his place."

SSA Mariam Helena Khoury: "He fills his role."

SSA Mariam Helena Khoury: "As must we all."

A Boy: "No role. Just eat. Eat meat and eat."

A Boy: "He doesn't play."

SSA Mariam Helena Khoury: "Then he's a little narrow-minded. But he can be excused for it, I suppose."

SSA Mariam Helena Khoury: "Do you think you can tell me anything else that might help me reach the Quiet Children, or help Sredni Vashtar?"

A Boy: "I don't need to."

A Boy: "You will."

A Boy: "Cuttin' and stabbin'."

SSA Mariam Helena Khoury: I smile.

SSA Mariam Helena Khoury: "Thank you."

SSA Mariam Helena Khoury: "What do the cows think about being eaten, anyway?"

A Boy: His flat affect face doesn't change.

A Boy: "Cows don't think. Only suffer. Ate up like meat."

SSA Mariam Helena Khoury: "Do the teeth get eaten too?"

A Boy: "Sredni Vashtar only eat."

SSA Mariam Helena Khoury: "I see."

SSA Mariam Helena Khoury: "I think that's all for now. I'd really like to know your name, though."

SSA Mariam Helena Khoury: He doesn't smell of gingerbread, does he?

A Boy: "I have no name. I want to be a Silence Slave. See the truth. Vacas have names. Name means nothing."

A Boy: No gingerbread smell.

SSA Mariam Helena Khoury: "So the Slaves get eaten last?"

A Boy: "Sredni Vashtar only eat. No first or last."

A Boy: "Silence slaves, fallen."

A Boy: "Not truly quiet. Broke the vow."

SSA Mariam Helena Khoury: "So you regret learning how to speak."

A Boy: He nods.

SSA Mariam Helena Khoury: "So do I, sometimes."

A Boy: "You don't have to worry. About, anything."

A Boy: "You red-minded."

A Boy: "Only eat."

SSA Mariam Helena Khoury: "I'm nothing if not unbothered."

SSA Mariam Helena Khoury: "You've been a great help."

SSA Mariam Helena Khoury: I'll stand up and get ready to head off.

A Boy: "I didn't help you."

A Boy: "You are going to where you are."

A Boy: "Always have been."

SSA Mariam Helena Khoury: "It helps to shine a light on the path. That's what you did."

SSA Mariam Helena Khoury: "Have fun. Take care of that teddy bear for me, will you?"

A Boy: "It has been like a game of cat and mouse. But in the end, the mouse ate up."

A Boy: He hugs the teddy bear.

SSA Mariam Helena Khoury: Aha. Wait.

SSA Mariam Helena Khoury: "Where'd you hear that?"

A Boy: He doesn't answer you.

SSA Mariam Helena Khoury: "Did Sredni Vashtar say that?"

A Boy: No answer. Looks like you're being stonewalled.

SSA Mariam Helena Khoury: "You'll be a good Silence Slave. I know it."

SSA Mariam Helena Khoury: I'll make off after a wave.

A Boy: He looks at you as you exit the room and leave him be.

Hunger: Everyone that wants to talk to a social worker go to the Offices.

Hunger: We're going to have a 10 minute break, and move on after we are done in the offices.

IO Michael Sajdak: I'm done listening to this shit, I'll take a rain check on that thank you.

IO Michael Sajdak: Not interested in winding up like Mariam.

SSA Mariam Helena Khoury: I can listen in on the convo with the social worker while Mike has a smoke or something.

Hunger: You don't have to do the talking, but someone will.

ASAC Darius Jeremiah Cruz: I didn't get anywhere talking with the addict, anyone else want to have a shot?

SSA Keith Alan Pike: Fuck no.

SSA Mariam Helena Khoury: I did, he told me they do hang out in the house up north and might have killed Phil.

SSA Mariam Helena Khoury: Think that's it from him.

ASAC Darius Jeremiah Cruz: I meant with whoever's in the offices, I don't want to keep up my streak of bad luck.

SSA Keith Alan Pike: The social workers here might be a little more receptive than the addicts that don't speak English

Hunger: You can knock on the door that says "DIRECTOR".

SDUSM George Elijah Jones: I do so.

Hunger: Go ahead and enter!

Loise Mercier: She's sitting at her desk with a few chairs arranged in front of her.

Loise Mercier: "Father called me, told me to expect you."

Loise Mercier: "Federal agents, well, it was inevitable we got that some time."

Loise Mercier: "Please have a seat."

SDUSM George Elijah Jones: George does so.

SSA Keith Alan Pike: Keith shows off his badge before sitting down. He's a real federal agent.

SSA Mariam Helena Khoury: Quietly sitting.

Loise Mercier: "How can I help?"

SDUSM George Elijah Jones: "Well - first of all, have there been any groups sheltering here who have simultaneously absented themselves from here? I'm not talking family units. More like strangers just upping and leaving together for no discernible reason."

Loise Mercier: "It happens. Usually they fall victim for a scam, or just plain vagrancy instinct."

Loise Mercier: "They come here, hang out for a few months, no job and house handed over to them, voila."

Loise Mercier: "Individuals do it much more often."

Loise Mercier: "They tend to be quiet experienced in... ehh... surviving."

SSA Keith Alan Pike: "Are the children who stay here, children without family members, are they kept track of in any way?"

Loise Mercier: "We need to hand over loners to CPS. Some of them end up losing custody over inability to prove their parenthood. Rare but happens."

SSA Keith Alan Pike: "Do you collect information on them? Their names, age, country of origin..."

Loise Mercier: "Long answer or short answer?"

SDUSM George Elijah Jones: "The more detailed the better."

Loise Mercier: She says that expecting you to already know what that means.

Loise Mercier: "Okay then."

SSA Keith Alan Pike: "I'm assuming that's a no..." Keith sighs.

Loise Mercier: "We try to get the best of it out of them but sometimes they are caught in the middle of their lie and then sent on the first bus across the border."

Loise Mercier: "They end up being unable to prove anything, combine with a past police station visit, and then it's Mexico."

Loise Mercier: "These people have nothing."

SSA Keith Alan Pike: "How many children without parents come through here? How long do they usually stay?"

Loise Mercier: "Sometimes passing over the chain of custody takes months up to a full year when they are identified to have escaped from a housing facility."

Loise Mercier: "When I said we have to hand them over it's usually not in an instant."

SSA Mariam Helena Khoury: "Elle Gable, Samuel Ball, Jennifer Wills, YShawn Cunningham."

SSA Mariam Helena Khoury: "Know any of them personally?"

Loise Mercier: "No?"

Loise Mercier: "I've started working here in 2014."

SSA Mariam Helena Khoury: Just nodding along.

Loise Mercier: "Anyway, how can I actually help you now that our little icebreaker is over?"

SSA Mariam Helena Khoury: Is there anything obvious we might be missing? I'm a bit at a loss here, besides maybe asking for records on them.

SDUSM George Elijah Jones: That could be a way to go. They might have archived records on those freaks.

SSA Mariam Helena Khoury: Not that they'll be very helpful, they're on the loose. But we might get a little more insight, I suppose.

Loise Mercier: "Father mentioned that you're looking for a certain Hispanic boy that was just a loner around here."

SSA Mariam Helena Khoury: "Thomas Perez Cunningham."

Loise Mercier: "I saw him painting the grafitti. He looked me straight in the eye and kept going. I don't get paid enough to stop that."

Loise Mercier: "I don't know his name, but if you have a photo..."

SSA Mariam Helena Khoury: I can pull up the facial recognition pic on my phone.

Loise Mercier: "That's him."

Loise Mercier: "One hundred percent."

SSA Mariam Helena Khoury: "I don't suppose you have an inkling as to where he might've gone."

Loise Mercier: "Well, to be honest, down south is the Everglades."

Loise Mercier: "You do not want to be sleeping rough out there."

Loise Mercier: "East is the Atlantic, could have been West or North, or just in the immediate vicinity of Miami."

Loise Mercier: "Either way you're gonna need some luck."

SSA Keith Alan Pike: "Yeah... Lot of wild animals down there... Alligators..."

IO Michael Sajdak: "What sorta grafitti are we talking about anyway? The head and the brain?"

Loise Mercier: "It looked like he was painting an entire god damn mural."

Loise Mercier: "I saw the black head and the red brain, some horns on a pole, a weird tree..."

SSA Mariam Helena Khoury: "Has it been covered yet?"

SDUSM George Elijah Jones: "Is it still up or did it get cleaned up?"

Loise Mercier: "Long gone. Father doesn't want cops over more Zoe Pound nonsense."

SSA Mariam Helena Khoury: I'll just pull out my paper and show her.

Loise Mercier: "Yeah, exactly that."

Loise Mercier: "In fact..."

Loise Mercier: She adjusts her glasses.

Loise Mercier: "It's exactly that."

Loise Mercier: "How did you get this?"

SSA Mariam Helena Khoury: "Elle Gable used to live here. She travelled up north with Thomas and Samuel, and killed a former social worker in Maryland."

Loise Mercier: "Jesus Christ."

SSA Mariam Helena Khoury: "Gable then killed another social worker, this one retired, in Virginia."

SSA Mariam Helena Khoury: "We met her there, and, unfortunately, she passed away."

Loise Mercier: She's distressed.

SSA Mariam Helena Khoury: "We found it on her."

Loise Mercier: "Well, I hope you put an end to this. God, I need like, a coffee or ten right now."

SSA Mariam Helena Khoury: "Can you tell me where that expression comes from?"

Loise Mercier: "What?"

SSA Mariam Helena Khoury: "A coffee or ten?"

ASAC Darius Jeremiah Cruz: "Yeah, this is the third time in the past week I've heard that exact phrase, what gives?"

Loise Mercier: She smirks it off. "I'm sorry, I'm not in the mood for jokes."

SSA Mariam Helena Khoury: "Coincidences, I suppose. Could we see your records on Thomas and Elle?"

IO Michael Sajdak: "We thought they were planning on attacking this place but if they're posted just north of here I guess not."

Loise Mercier: "Look, this is not a booking facility. I have no records to show you unless they made the precise effort to walk into this office and attempt to find a job."

Loise Mercier: "Anyone can enter or leave."

IO Michael Sajdak: "Which makes me wonder what the hell these symbols even mean."

SSA Mariam Helena Khoury: "Ah, yes. You did say that."

Loise Mercier: "If you want my five cents on it... since I saw it so up close..."

Loise Mercier: "I think it was a mural."

SSA Mariam Helena Khoury: "Sure."

Loise Mercier: "It looked like a storyboard."

SSA Mariam Helena Khoury: "A timeline, do you think?"

Loise Mercier: "I just get this strange feeling, yeah, it was indeed trying to tell something."

Loise Mercier: "Troubled youth."

Loise Mercier: "Things he saw on the way here?"

Loise Mercier: "I don't know."

SSA Mariam Helena Khoury: "We might have a few ideas."

SSA Mariam Helena Khoury: "I think we're about done. Thank you for your time-- unless my partners have anything on their minds."

Loise Mercier: "Well, there must certainly be more fuel for your fires in this strange little place." She gets up her chair to show you the door.

SSA Mariam Helena Khoury: "I'm sure there is."

Hunger: You can exit at will.

SDUSM George Elijah Jones: "Thank you for your time."

SSA Mariam Helena Khoury: I'm taking a big sniff. Where's the gingerbread leading me to?

Hunger: Outside.

IO Michael Sajdak: "Shut the fuck up." I say leaving.

SSA Mariam Helena Khoury: Is it early Christmas?

ASAC Darius Jeremiah Cruz: "Thanks for helping us out."

Loise Mercier: "You too."

SSA Mariam Helena Khoury: Oh, we could take a look at the kitchen.

Hunger: As you head into the kitchen, you almost certainly realize this is not gingerbread cookies being prepared.

SSA Mariam Helena Khoury: What's going on here besides the expected?

A Woman: A volunteer is pouring out meals on a tray for everyone at the line.

SSA Mariam Helena Khoury: "Nice painting." I point over to The Last Supper on the wall.

A Woman: She ignores you.

SSA Mariam Helena Khoury: Nobody we recognize, or who's staring at us intensely, in the crowd, right?

Hunger: You are cutting the line!!

SSA Keith Alan Pike: There's probably a lot of people staring at us. We look strange.

SSA Keith Alan Pike: Out of place.

SSA Mariam Helena Khoury: Frick it. Let's follow the gingerbread trail.

Hunger: You head out to the parking lot. Anderson hasn't moved a damn muscle since coming here.

SSA Keith Alan Pike: Ice fucking cold.

SSA Mariam Helena Khoury: "What are you doing out here?"

SDUSM Anderson Fowler: "You guys took your sweet fucking time."

SSA Mariam Helena Khoury: "You've been just kicking fucking rocks out here."

SSA Mariam Helena Khoury: "Can you smell that?"

Hunger: Actually, no.

SDUSM Anderson Fowler: "What's the matter with you?"

Hunger: He hasn't been just kicking rocks out there.

Hunger: When you realize... Mariam...

Hunger: Your BMW has a bee hive inside of it and there are bees flying around.

SSA Mariam Helena Khoury: Alright. I'll ride with George.

IO Michael Sajdak: "Oh come on it's just a buncha honeybees-- open your door and I'll chuck it out or something."

SSA Mariam Helena Khoury: "If I get stung, I die."

Hunger: The car isn't going anywhere, and getting it cleaned out will take a whole day.

SSA Mariam Helena Khoury: "You don't get it."

SDUSM Anderson Fowler: "I got it."

SDUSM George Elijah Jones: Just keep that shit closed until they die of the heat.

SDUSM George Elijah Jones: Maryam can hitch a ride.

SSA Keith Alan Pike: "Once we get that hive out, we better swap cars for a bit, until we're sure all the bees are out."

ASAC Darius Jeremiah Cruz: "And how do you propose we "get the hive out"? I don't exactly have a spare beekeepers suit on hand."

SSA Mariam Helena Khoury: We'll move over to the house and I'll call fumigators for an appointment on the way there or something.

SSA Mariam Helena Khoury: The car can stay parked up.

Hunger: There are enough vehicles for everyone, but for now, Mariam's BMW is disabled.

SDUSM Anderson Fowler: "Honey bees are chill."

SSA Mariam Helena Khoury: "Not when you're near their hive they're not."

ASAC Darius Jeremiah Cruz: "Even the chilliest creature would probably get angry if you're moving their house about. I know I would."

SDUSM George Elijah Jones: "We'll see how chill that anaphylactic shock is when our pet psycho gets stung."

SSA Keith Alan Pike: "Were there any cameras that caught who did this? This is fucking stupid. You can't fill a car with bees without someone seeing it."

SSA Mariam Helena Khoury: "You could ask the pastor."

SSA Mariam Helena Khoury: "We can wait here for you."

Hunger: No need. Search roll.

SDUSM Anderson Fowler: "Not the weirdest thing that's appeared in one of our cars."

ASAC Darius Jeremiah Cruz: "With all the bullshit happening around us, I wouldn't be shocked if it just willed itself into existence at this point."

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 98 (Rolling Search Target: 70%)

Hunger: No result.

Hunger: You need to act, this is getting tiresome.

SSA Mariam Helena Khoury: We're over the hills & far away.

SSA Mariam Helena Khoury: Let's get on the move to the house.

Hunger: The smell is getting sharper like cheese reaching room temperature.

SSA Mariam Helena Khoury: Okay I think I misinterpreted that.

SSA Mariam Helena Khoury: It's CLOSER then. Let's move over to where the dog came from?

SDUSM George Elijah Jones: Either they're getting closer or we need to rush to the abandoned hut before they make off like Bernie Madoff.

Hunger: That would be straight into that neighbourhood where the house is said to be. You're leaving the car be for now?

SSA Mariam Helena Khoury: YES

SSA Keith Alan Pike: We have to. It's full of bees.

SDUSM George Elijah Jones: George will get the car fully closed and windows up and motion for Maryam to have that shit locked.

SDUSM George Elijah Jones: With any luck the Florida sun will warm it up enough even in October that they fucking die.

Hunger: It really doesn't take long for you to reach it. It's in fact just a short stretch away.

Hunger: 1330R.

Hunger: You reach "The Empty House". The smell is atrociously strong.

Hunger: What now?

ASAC Darius Jeremiah Cruz: I'm not so much as thinking about stepping near this place without my gun.

SSA Mariam Helena Khoury: "No chance any of them are here."

SSA Mariam Helena Khoury: "Anyway."

Hunger: Mariam.

Hunger: Your nose disagrees with what you said. Wholeheartedly.

Hunger: They are in there.

SSA Mariam Helena Khoury: Then We Will Kill Them

SDUSM George Elijah Jones: Retrieve Shotgun of Tiger Killing +1 anyways.

Hunger: Did you go the length of putting on masks and pulling out your guns?

SDUSM Anderson Fowler: I slowly walk up to the door.

Hunger: I don't see it.

SSA Keith Alan Pike: It's not exactly a nice place though, is it?

Hunger: If you insist you are going on with secondaries.

ASAC Darius Jeremiah Cruz: Absolutely not, I didn't buy this boomstick to not use it.

Hunger: Anderson. You walk up to the door.

Hunger: What now?

SDUSM Anderson Fowler: I'll wait for someone else to come up.

SSA Keith Alan Pike: "Let's check the perimeter."

IO Michael Sajdak: I can't see the carousel

IO Michael Sajdak: Yeah okay I'll head to the side of this door.

Hunger: Two makes for a check. This door was recently kicked in at the lock. The splinters have no weather marks.

Hunger: Made to look like it was closed back up.

SDUSM George Elijah Jones: Going to check the perimeter with Keith. How far can I go?

Hunger: Around the house? It will consume your turn. As for the neighbourhood itself...

Hunger: Not one single noise heard or eye on you.

SDUSM George Elijah Jones: Just the house.

Hunger: You can sweep the whole thing and return back to the door.

Hunger: There is not a whole lot besides debris.

Hunger: That's a door there, yes.

SDUSM George Elijah Jones: There is, however, a back entrance.

Hunger: You can use it if you'd like.

SDUSM George Elijah Jones: I inform Keith of this. We should probably take the back.

Hunger: You and Keith can stack there immediately.

A large man (Cruz): I'd be down to swing by the back, so long as one other person is with me.

SSA Keith Alan Pike: I'll stack up behind him.

SSA Mariam Helena Khoury: I'm gonna look this door over and stack up.

Hunger: This one doesn't seem like it was kicked in.

Hunger: Might be intact.

Hunger: But for that matter...

A woman's voice?: You hear giggling inside.

SSA Mariam Helena Khoury: Reassuring. I'm passing.

SDUSM Anderson Fowler: I check the lock

Hunger: IT'S KICKED IN! The thing swings open.

IO Michael Sajdak: Stacking up on the... middle door. Gesturing Andy to get opposite me.

Hunger: Michael.

Hunger: As soon as you step inside...

A woman's voice?: “She hungered. She God. She Sredni Vashtar. She eat it all, but eat you most. Ate with and on forever on. You stink of Outside.”

SDUSM George Elijah Jones: Is this bitch unlocked? If not I kick it in.

Hunger: STRx5.

A woman's voice?: “Hungry Mama, mama to you. They grab babies from heaven, but Hungry Mama send you, say Mine, give back! Hungry Mama make both. Make us and make you. Make us when God save us.”

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 75 (Rolling STR Target: 80%)

Hunger: The door crashes open.

A woman's voice?: “God gonna eat Hungry Mama. Wake up and bust free and eat.”

SSA Keith Alan Pike: Can I rush past him?

Hunger: Of course. He was moving in.

A woman's voice?: “Elle and Sammy thinks you feed God. Thinks you not like us. Thinks you Red-Minded. Thinks God is ate you up. Tommy thinks you just is do the chewing. Just a tooth. Which? Ate up, or eat? Or ate up and eat, same time? Like us? Like bite the tongue.”

A large man (Cruz): I'm moving in and stacking up at that door. I am NOT gonna be the first guy to open it up.

A woman's voice?: “We find out which. We see. Smell and see. Ate or eat? You a tooth, make you sharp. Just meat? Eat you up. Surprise Jenny. Singing good for surprises. Only good in it.”

SSA Mariam Helena Khoury: I was expecting the shooting to begin by now, but seeing as it hasn't...

SSA Mariam Helena Khoury: Is this wall made out of feeble wood?

Hunger: Whatever that American homes are made out of and yes you can wallbang it.

SSA Mariam Helena Khoury: Long bursting,

Hunger: No need for a roll- no one behind it.

A woman's voice?: “Phil first to go tea time and come back after. You know Condry were second. Others went in the ground, but Phil different. Most different than everybody. Phil change.”

SDUSM Anderson Fowler: I'll move up next to Sajdak, and check the door.

Hunger: It opens.

A woman's voice?: “I ask Phil teach me the milk trick he'd sell the red-mind men. Hadda ask hard. You smell it? The tricks we was taught? You wanna see? Learned it to show you.”

SDUSM Anderson Fowler: Fowler lowers his gun.

SDUSM George Elijah Jones: George points at the door they're facing.

A large man (Cruz): "Gentlemen."

SSA Keith Alan Pike: "This room's clear."

IO Michael Sajdak: "AREN'T YOU QUIET KIDS MEANT TO BE QUIET?!"

A woman's voice?: "Hehehehehahaaaahhahaha!!!"

SDUSM George Elijah Jones: "Yeeaaaah - they fucked up on that part."

IO Michael Sajdak: Guessing this bottom door is to a staircase? I'll stack up there.

SDUSM George Elijah Jones: Kicking this one in.

Hunger: Weak, it opens.

Hunger: You see...

SDUSM George Elijah Jones: Nothing we haven't seen before really, except the massacre one.

Hunger: It's sprayed all over the wall, a mural.

A woman's voice?: You hear excited breathing coming from the wreckage of the staircase.

A woman's voice?: It was recently moved. Clearing it is a 3-man job.

A woman's voice?: "Meal is served. Eat you up. Cuttin' and stabbin'!"

SDUSM George Elijah Jones: George's guess is that the kids have their bunker fort under that shit.

SDUSM George Elijah Jones: "Get in here and help me with this shit.

SDUSM George Elijah Jones: George waits for the others in joining to clear the wreck.

Hunger: The flood damage becomes especially apparent here, the smell is indescribable yet carries with it a herbal tinge.

SSA Keith Alan Pike: "Let me help you."

Hunger: The whole place is filled with camping equipment and all sorts of drug paraphernalia imaginable.

A large man (Cruz): I'll dismantle the entire fucking house if I have to, I'm helping with the wreckage.

Hunger: The way is clear.

Hunger: Who is going in?

SDUSM George Elijah Jones: George is moving in.

Hunger: The smell is filling your lungs like an overchlorinated pool.

A large man (Cruz): I'm following behind, if that's cool.

Hunger: Whatever you came for is definitely here.

Hunger: Who else?

SSA Keith Alan Pike: I'll go behind George.

Hunger: They are just not responding. Anyhow.

Hunger: George, Darius, Keith.

SDUSM Anderson Fowler: If I somehow hear them I can barge in at the same time, but I assumed not.

Hunger: You slow step it downstairs...

Hunger: Anderson is on your six.

Hunger: EVERYONE ON THE STAIRCASE, THROW POWx5.

Hunger: BLIND.

Hunger: As you're walking down the incredible flood damage done to the basement of the house becomes clear.

Hunger: But even before that...

Hunger: GAS!!!

Hunger: Nobody in the hallucination sees eachother.

Hunger: Suddenly, you're taken to a grand cottage.

Hunger: Everything is so peaceful and picturesque, it's like you're transported back to your childhood home.

Hunger: You don't remember entering from the front door, yet here you are.

Yelena Kalamatiano?: "Would you like some cookies and tea my dear?"

Hunger: How could you refuse?

SSA Keith Alan Pike: "Huh, hm... Why not?"

Hunger: Michael, Mariam.

Hunger: They are not responding from down there.

SDUSM George Elijah Jones: "I am a bit hungry."

A large man (Cruz): "Tea and cookies sound like they could hit the spot right about now..."

Jennifer Wills: "I KNEW IT! JUST MEAT! EAT YOU UP! AAAHAHAHAHA!"

Hunger: Those two above- you really need to do something NOW.

SSA Mariam Helena Khoury: Yes.

SSA Keith Alan Pike: "It tastes good..."

Hunger: Are you rushing down there like that?

SSA Mariam Helena Khoury: Uh... anything else in the house?

Hunger: No. It's a fucking crackden and all your friends are trapped in the basement.

SSA Mariam Helena Khoury: Cursory look.

Jennifer Wills: "WHY DON'T YOU COME DOWN? JOIN THE FEAST?"

SSA Mariam Helena Khoury: Is there any other way down?

IO Michael Sajdak: Okay, nothing here but what the fuck am I meant to do about hallucinogenic gas?! We don't exactly have masks or anything, fuck!

SSA Mariam Helena Khoury: I'm trying to think here.

Hunger: Think!

Jennifer Wills: You hear the snap of a boxcutter being extended.

SSA Mariam Helena Khoury: Could hold my breath, but that's good for a minute or two at absolute best. Could shoot down there, but I risk hitting the guys.

SDUSM Anderson Fowler: "Shit, man. I'm perched."

SSA Mariam Helena Khoury: Think think think...

Jennifer Wills: "EEEEEEhehehehahahahah!!!!"

Jennifer Wills: She will cut...

Jennifer Wills: From top down:

SSA Mariam Helena Khoury: Can I use PSYCHIC EXCISION at a distance?

Jennifer Wills: 1

Jennifer Wills: Anderson.

Jennifer Wills: 2

Jennifer Wills: Jennifer Wills rolls 1d10 -> 3 (Draws a result from the Random Hit Location d10 table)

Hunger: Anderson can attempt a POWx5.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 93 (Rolling POW Target: 65%)

Hunger: Anderson, you're feeling ever so hungry.

SDUSM Anderson Fowler: I don't feel the pain, do I?

Hunger: Mariam- for that matter no you can't cast a spell like that.

Hunger: You feel hunger in the place of the pain.

Hunger: Hunger for fresh gingerbread cookies.

SDUSM Anderson Fowler: "You're so generous, ma'am."

Yelena Kalamatiano?: "Would you like some cookies and tea my dear?"

Hunger: She repeats.

SDUSM Anderson Fowler: "More cookies, please."

Hunger: Mariam, are you rushing down?

IO Michael Sajdak: I'm going to find a hollow spot in the ground where the wood's rotten and smash it open.

Hunger: Michael, that will take...

Hunger: You really don't know jack shit about how this works other than your breaching training at the Farm, which you never got to really use.

Hunger: Alertness for a good spot, and then STRx5 to start bashing it.

Hunger: It will happen on a critical or...

Hunger: 2

Hunger: 2 turns.

SSA Mariam Helena Khoury: Can I help him out with that alertness, assuming he tells me what he's trying to do?

IO Michael Sajdak: Also I'll scream at them in the process to throw them off. "HAHAHAHA YOU MISSED ME YOU FUCKERS I'M STILL UP HERE HEHEEEEE"

Jennifer Wills: Jennifer will roll to hear you approach.

Jennifer Wills: Jennifer Wills rolls Failure -> 87 (Rolling Alertness Target: 60%)

Jennifer Wills: She licks the blood off the boxcutter.

IO Michael Sajdak: did the alertness roll go through

Hunger: no d100

IO Michael Sajdak: it freezes whenever i try to roll

IO Michael Sajdak: ok this one is alerttness

IO Michael Sajdak: 10

IO Michael Sajdak: and strength

IO Michael Sajdak: 75

Hunger: You find a weak spot in the room with the wreckage.

Hunger: You're gonna need to bang it for 2 more turns. 1/3.

SSA Mariam Helena Khoury: I'LL HEEEEELP

Hunger: Mariam, are you not rushing in?

SSA Mariam Helena Khoury: No, that took too long so I doubled back.

SSA Mariam Helena Khoury: Actually.

SSA Mariam Helena Khoury: Yeah fuck it sure. I've got the killer instinct.

Hunger: Let's see how many turns you can outlast the spell.

Hunger: Athletics: failure: 2, success: 3, crit: 4Swimming is double that, but 2 on failure.

IO Michael Sajdak: "I'M COMING TO KILL YOU! COME OUT TO PLAYYYYYYYYYYYYY" I say imitating that guy from The Warriors who is the craziest person I can currently think of.

Hunger: Your pleas are ignored by true insanity Michael.

SSA Mariam Helena Khoury: Rolling swimming

SSA Mariam H. Khoury: 76

SSA Mariam Helena Khoury: Put me in coach.

Hunger: You can go down there and move and shoot, and get a free action, before breathing in anything.

Jennifer Wills: You shine your flashlight. She looks at you with a fixed, sewed-on smile.

SSA Mariam Helena Khoury: Okay, I'm swinging around these four and letting it loose at Jennifer.

Hunger: Pause, did you just hop down a half destroyed staircase?

Hunger: ATHLETICS!!!

SSA Mariam Helena Khoury: my shit does not want to roll in any way

Hunger: d100

SSA Mariam H. Khoury: 55

SDUSM Anderson Fowler: It was fated

Hunger: CRITICAL FAILURE!

Hunger: You faceplant into debris and get a nail driven straight into your stomach.

SSA Mariam H. Khoury: 2

SSA Mariam Helena Khoury: I'm clutching the affected spot and holding the pain in.

Hunger: You're not stunned, though that might have infected you in some way. You're just prone.

SSA Mariam Helena Khoury: Condition Changes Prone

SSA Mariam Helena Khoury: Can I let it loose now?

SSA Mariam H. Khoury: 46

SSA Mariam H. Khoury: That's a failure even if you had stood still.

SSA Mariam Helena Khoury: DRACO automatic fire please.

Jennifer Wills: She will only falter on a critfail.

Jennifer Wills: Jennifer Wills rolls Success -> 6 (Rolling POW Target: 75%)

Jennifer Wills: She turns her head at you, tilts it and starts walking towards you with a boxcutter.

Hunger: KEITH, DARIUS, GEORGE, POWx5 to break the spell. Critical success breaks it.

Hunger: Since you took no damage.

SDUSM George Elijah Jones: blind?

Hunger: Public!

A large man (Cruz): A large man (Cruz) rolls Success -> 72 (Rolling POW Target: 80%)

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 47 (Rolling POW Target: 65%)

SDUSM George E. Jones: 92

Hunger: Only thing you feel is hunger for more cookies.

Jennifer Wills: She looks at the boxcutter, then back at you.

Jennifer Wills: She will pin you on a success.

Jennifer Wills: Jennifer Wills rolls Failure -> 65 (Rolling STR Target: 45%)

Jennifer Wills: She's too light for this, and she isn't really putting her back into it now.

Jennifer Wills: Your breath runs out the next turn.

SSA Mariam Helena Khoury: Is this gun-fu?

Hunger: Yes! You can act, with Michael following you.

SDUSM Anderson Fowler: Fowler picks up charred debris from the ground and starts chewing on it.

SSA Mariam Helena Khoury: Can I crawl back a couple of feet to make it not-gun-fu? And on a failure, would I still get to act?

Hunger: Getting her off of you would be a STRx5. Just gun-fu, where you're standing a plain - 10%.

Jennifer Wills: In fact...

Jennifer Wills: She doesn't even really seem interested in wrestling you down.

Jennifer Wills: You have enough time to set up an aim for a +20%, +10% in your context.

SSA Mariam Helena Khoury: Let's do it.

SSA Mariam H. Khoury: 90

Hunger: You... don't miss.

Hunger: Roll damage.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 17 (8 Damage)
(Rolling LETHALITY For DRACO PISTOL (ILLEGALLY MODIFIED) +DRUM Target: 10)

SSA Mariam Helena Khoury: what

Jennifer Wills: The bullets splinter into small bits and fly all over the ceiling.

Jennifer Wills: Black goo oozes off her face and neck, but otherwise... she's fine.

Jennifer Wills: "Learned it to show you!"

Hunger: Michael.

Hunger: It's not looking good down there.

IO Michael Sajdak: I'm sticking with this because if I succumb to that shit we're completely fucked.

Hunger: Give me another STRx5.

IO Michael Sajdak: 15

Hunger: That's a success. (I threw the first one)

Hunger: In the heat of the moment, you manage to stomp a hole in the floor.

Hunger: Your heels hurt.

IO Michael Sajdak: Can I see anything down there?

Hunger: You shine your flashlight. There's someone on top of Mariam.

Jennifer Wills: She looks straight into your eyes.

IO Michael Sajdak: What are the odds I shoot her without hitting Mariam?

Hunger: She's on top of her pretty clean, I'd say hit Mariam on a 100

IO Michael Sajdak: SEND IT!

IO Michael Sajdak: 87

Hunger: You miss.

Hunger: Everyone in the spell, Public POWx5.Critical success breaks it. For Anderson, regular success that ends on an odd number.

SDUSM George E. Jones: 81

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 67 (Rolling POW Target: 65%)

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 46 (Rolling POW Target: 65%)

Hunger: This hunger...

Hunger: The cookies are coming out of the oven soon, but just when you think they are out, they are "not done yet."

Yelena Kalamatiano?: "Would you like some cookies and tea my dear?"

SDUSM George Elijah Jones: George is drooling behind his mask.

SDUSM Anderson Fowler: "I can't get enough of these!"

Jennifer Wills: Jennifer will blow a handful of dust into Mariam's face.

A large man (Cruz): "What's your recipe??"

Jennifer Wills: Mariam...

SSA Keith Alan Pike: "I'd like some more, please."

Hunger: You better do something that works.

SSA Mariam Helena Khoury: Roll sequence for me pulling out one of these drug syringes and stabbing through her thigh with it?

Hunger: Good call. You're going to roll 1d4 and if its 3 or 4...

SSA Mariam H. Khoury: 1

SSA Mariam Helena Khoury: ???

Hunger: Mariam, the syringe bends in a L shape against her thigh.

Jennifer Wills: Condition Changes Stressed

Jennifer Wills: She falters.

IO Michael Sajdak: "GET OUT OF THERE! ALL OF YOU!"

Jennifer Wills: She is so riddled with bullets her corpse is an unrecognizable mess of gore.

Hunger: As for the spell- no effect.

SDUSM George Elijah Jones: George is grabbing Maryam and helping her up the stairs.

Hunger: The gas no longer does anything.

Hunger: Before going upstairs, there's the darker stretch of the basement.

Philly Phil: "Heeeey..."

Philly Phil: "Don't forget me nooow..."

Hunger: The source of the smell...

Hunger: There is no imminent combat, you flash your light against that corner and it's a head sticking out of a pit.

A large man (Cruz): We're all in agreement that we're just booming this guy, too, right?

SSA Mariam Helena Khoury: I'll lift myself up on my feet, walk up to him as I clutch my abdomen, and fire the Draco single-handed through his head.

SSA Keith Alan Pike: "The fuck... What happened? What's happening?"

Hunger: USE THE STAIRS!

IO Michael Sajdak: how do i move my token there

Philly Phil: "Are you there? I can't see!"

Hunger: Mariam...

SDUSM Anderson Fowler: DOOR STUCK

Hunger: You walk past a coffee can that burns an incense mix of what you identify to be rare occults and fungi.

Hunger: (USE THE STAIRS HEADING DOWN)

Philly Phil: "Did you kill heer?"

Philly Phil: "I know you did."

Philly Phil: "The red-minded men."

Philly Phil: "Finally here."

Philly Phil: "Cost me my eyes, but hey."

Philly Phil: "I teached her tricks! Plenty of tricks!"

SSA Mariam Helena Khoury: "I'm going to kill you."

Philly Phil: "Let me go and I'll teach ya!"

Philly Phil: "No, no, no!"

A large man (Cruz): "WE are going to kill you"

Philly Phil: "I'll teach ya that good smoke!"

Philly Phil: "I'll teach ya the witch oil!"

Philly Phil: "Don't take me to the Hungry Mother!"

Philly Phil: "Please!"

A large man (Cruz): "I've a million things I'd rather do than "that good smoke," you rat bastard."

Philly Phil: "She tortured me!"

IO Michael Sajdak: "Wait a second."

Philly Phil: "Gouged my eyes out."

Philly Phil: "Turned on me!"

Philly Phil: "Their silence slave!"

IO Michael Sajdak: "Why do you smell like gingerbread?"

A large man (Cruz): "And I'm about to do a hell of a lot worse!"

Philly Phil: "You smell it? You red minded."

SSA Mariam Helena Khoury: I'm putting the Draco down and cuffing him.

Philly Phil: "That's your power."

Hunger: Mariam, he's quite literally half immersed in a pit of black shit.

IO Michael Sajdak: "Why gingerbread anyway? Of all things."

Philly Phil: "Babushka used to make them."

Philly Phil: "How else would I know?"

SSA Mariam Helena Khoury: "You were at Cornucopia House?"

SDUSM George Elijah Jones: I've half a mind to just leave this fucker stuck in the dark pit and drive off.

IO Michael Sajdak: "Yeah and we smoked her years ago."

Philly Phil: "They didn't know I came from there."

Philly Phil: "I did it, I'm a silence slave. Tricked them!"

Philly Phil: He laughs in a deranged way.

Philly Phil: "Let me teach you that good smoke. Just help me out of here."

SSA Mariam Helena Khoury: I'm helping him out.

Hunger: Mariam, the scent doesn't lie, although saving this man will probably add no more than a few hours to his life.

Hunger: Are you pulling him out?

A large man (Cruz): You've lost the plot.

SSA Mariam Helena Khoury: Yes...

SDUSM George Elijah Jones: Fuck no. George is shooting him.

Philly Phil: As soon as you pull him out...

A large man (Cruz): Not before I do!

Hunger: George, roll damage.

Philly Phil: Actually, that was a point blank shotgun blast.

Philly Phil: Philly Phil rolls 1d10 -> 5 (Draws a result from the Catastrophic Wounds Table table)

Philly Phil: You destroy his spine through his heart, he dies before he even realizes a gun just went off.

SSA Mariam Helena Khoury: "FUCK!"

Philly Phil: Condition Changes Dead Departed

A large man (Cruz): "We're NOT fucking dealing with him"

Philly Phil: His pathetic, broken body tumbles against the floor.

Hunger: Looks like you won't get to learn That Good Smoke, or the Witch Oil.

SSA Mariam Helena Khoury: "Fuckfuckfuckfuck... FUCK." I'm heading up without addressing this further and rifling through Wills' pockets.

IO Michael Sajdak: "Y'know I'm pretty sure he was the victim here."

Hunger: Mariam. You find... absolutely nothing in her pockets. She used the last of the dust on you.

SSA Keith Alan Pike: "The fuckin'... How many times did you shoot? We need to get out of here before the cops arrive."

SSA Mariam Helena Khoury: "FUCK!"

Hunger: Are you leaving?

A large man (Cruz): Absolutely, we just lit this bitch up with an entire firing squad.

SSA Mariam Helena Khoury: I can hold my abdomen, remembering the pain, and look around the room.

SSA Mariam Helena Khoury: Did you say incense?

Hunger: Yes, a coffee can burning, though you have no idea how to put it to any use.

IO Michael Sajdak: Is there nothing else worth investigating before we go?

SDUSM George Elijah Jones: "Let's put a sock in this teenage witch shit and get the fuck out of here."

Hunger: It's now a pile of ash and dust here.

SSA Keith Alan Pike: "Do we have any gas? Light this place up."

Hunger: Ironically lighting it up would draw faster emergency service attention.

SSA Mariam Helena Khoury: "...fuck." I sigh as I head out front to the cars.

Hunger: The team is leaving...

Hunger: God's Teeth - White Teeth - Session 4 END.

Hunger: Thanks for playing!

God's Teeth - White Teeth - Session 5

June 13, 2026

Hunger: God's Teeth - White Teeth - Session 5

Hunger: FRI 14 OCT 16 1600R. Clewiston KFC, Hendry County, FL.

Hunger: Mariam.

Hunger: You're here, on time.

SSA Mariam Helena Khoury: Don't know why I'm nervous all of a sudden. I'll head in.

Hunger: You go inside. A cashier looks at you, and then back at her phone. They are not supposed to show you your table.

Hunger: It's a regular KFC, a bit run-down as far as they go, but clean due to being underused.

Hunger: Not a lot of people around... except...

Caleb Turner: You see a familiar face at the corner, staring at you through his glasses with an empty meal box in front of him.

SSA Mariam Helena Khoury: I'll just take the seat in front of him before we say anything.

Caleb Turner: "I was hoping to find you, not the other way around."

SSA Mariam Helena Khoury: "You meant today? I had something to wrap up."

Caleb Turner: "Something to wrap up. Geez, it's been a decade."

Caleb Turner: He corrects his glasses and looks out the window.

SSA Mariam Helena Khoury: "I've been holding this question since then. Did you have any..."

SSA Mariam Helena Khoury: "Strange dreams after that night?"

Caleb Turner: He looks at you and laughs under his breath.

Caleb Turner: "I got two divorces because I keep waking up to night terrors and only coming to my senses because I'm on the floor now."

SSA Mariam Helena Khoury: "What do you see when it happens?"

Caleb Turner: Caleb Turner rolls Success -> 53 (Rolling POW Target: 65%)

Caleb Turner: "Eaten. Alive."

Caleb Turner: "Once I'm back in Iraq."

Caleb Turner: "Then, everything goes to this strange place where it never comes out of."

Caleb Turner: "I'd rather be in Iraq again."

SSA Mariam Helena Khoury: "I guess I can only say that I'm sorry about that."

SSA Mariam Helena Khoury: "You look good, still."

Caleb Turner: "Each man faces his demons by himself. It's none of your fault."

Caleb Turner: "You too."

Caleb Turner: "So. Rundown?"

SSA Mariam Helena Khoury: "Right. That job in 2006 went back all the way over to 2001. They were initiating children. That's how we got ahold of them then."

Caleb Turner: "Luckily all of them are dead."

SSA Mariam Helena Khoury: "Not the kids. And trust me, we thought we did the right thing at the time. Some of them did well on their own, some others not so much."

SSA Mariam Helena Khoury: "It's them we're dealing with now."

Caleb Turner: "Jesus."

Caleb Turner: "So, just a bunch of addicts?"

Caleb Turner: "Why did you call me here then? I thought it was some clandestine shit."

SSA Mariam Helena Khoury: "This isn't in any way normal. We've been tracking them down..." I'll expedite a rundown on the chase along the east coast and the particularities of each of the QC.

Caleb Turner: It takes you 15 minutes to wrap it up in a very basic way."Okay, I don't want to know more."

Caleb Turner: "I'm not even supposed to be here. I didn't tell anyone about this."

SSA Mariam Helena Khoury: "One thing you really should know. We're not working with Mike Ying, or whoever he was with at the time."

SSA Mariam Helena Khoury: "Do you have a problem with that?"

Caleb Turner: "I know what happened. I don't wanna know which side you're on. Just stop."

Caleb Turner: "Follow me to my car."

Caleb Turner: He's getting up.

SSA Mariam Helena Khoury: I'll follow...

Caleb Turner: You casually approach his vehicle and go around the back. At this time of the day, no one is really around, although there's a deserted bus stop right behind you.

SSA Mariam Helena Khoury: "Landscaping's treating you decent enough."

Caleb Turner: He pulls out a large carrying case, possibly for a big power tool like a jackhammer and undoes the heavy duty outdoor lock on it.

Caleb Turner: Inside of the case is... an IOTV plate carrier, an ACH helmet with quads, a G36 with a scope on it, mags, breaching tools, what have you...

Caleb Turner: There's also one special thing.

Caleb Turner: You have 120 seconds to decide what it is.

SSA Mariam Helena Khoury: How about another KsVK?

Caleb Turner: Something close. Barrett M107A1.

Caleb Turner: "Thought you might have needed it."

SSA Mariam Helena Khoury: "Sajdak's going to have a laugh."

Caleb Turner: "Is he still around?"

SSA Mariam Helena Khoury: "I wanted to bring him along, but I didn't need him puking all over my car."

SSA Mariam Helena Khoury: "We'll meet with him later."

Caleb Turner: Who are you assigning the rifle to?

SSA Mariam Helena Khoury: Michael made good use of it then, he'll have it now if he wants it.

Caleb Turner: We'll get to that...

Hunger: Around the same time...

Hunger: The crew is still together, in various states of mind.

Hunger: What's going on? How do you convince eachother to walk into the hell that awaits you in 175?

Hunger: Sajdak- the rifle is in your inventory. You have only 1 reload to go.

SSA Keith Alan Pike: I've got some really shitty intel and some lame books. That's all I've got to show for my time away from the group.

IO Michael Sajdak: Honestly I'm not sure. This all feels wrong and I have no damn clue how to convince myself seeing it to the end would be worth the effort, or even a good thing at all for that matter. All of us are compromised. It was obvious 15 years ago but it's at the point that I feel like we should be the targets and not these fucking crackheads killing their deadbeat parents.

SDUSM George Elijah Jones: Can't be worse than having to face off with a panther and black bear.

ASAC Darius Jeremiah Cruz: I have a feeling if we don't end up dealing with this now, it'll somehow end up dealing with us later down the line.

Hunger: Maybe. You still have three civilians to pull out that mess- and your precious Program who sold your ass out.

Hunger: Evening.

Hunger: Mariam, you get a phone call as you drop off Caleb at a nearby motel.

Hunger: Answer?

SSA Mariam Helena Khoury: YES

SSA Keith Alan Pike: Dealing with this shit isn't a choice on our part anymore. Do you want to be hounded for the rest of your days by a fucking elephant, or something?

Hunger: A woman's voice. One you recognize. It's her."2 PM. Tomorrow. El Palacio De Los Jugos, Little Havana."She hangs up.

SSA Mariam Helena Khoury: Sounds like a date.

Hunger: Moving on- as there are no actions but resting to execute.

Hunger: SAT 15 OCT 16, 1400R.

Hunger: El Palacio De Los Jugos, Little Havana, Miami, FL.

Hunger: The said "place" is nothing more than a fucking food truck with some benches in front of it. She's there, munching on a Cubano while wearing casual clothes.

Hunger: What next?

SSA Mariam Helena Khoury: Well I'm approaching and getting an orange juice.

SA Elena Rachel Douglas: She doesn't really react to you.

SSA Mariam Helena Khoury: "How's that extremist group?" I sip.

SA Elena Rachel Douglas: "Bunch of fucking losers who think they are gonna bring back the Third Reich. How about you?"

SSA Mariam Helena Khoury: "We're going to be having a little walk in the swamp this Sunday evening."

Hunger: Fresh air from the Atlantic blows towards you as you're met with awkward silence.

SA Elena Rachel Douglas: "That sucks."

SSA Mariam Helena Khoury: Nobody's listening here, right?

SA Elena Rachel Douglas: "I got Netflix planned for that time slot."

Hunger: Roll Alertness.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 74 (Rolling Alertness Target: 70%)

Hunger: No result. Continue.

SSA Mariam Helena Khoury: "It's not that you're invited to get water in your socks, don't worry. We could use some manner of material support or overwatch."

SSA Mariam Helena Khoury: "Or, at the very least..."

SSA Mariam Helena Khoury: "Someone to call my kid over at Seattle when I don't get back to work from there."

SA Elena Rachel Douglas: She takes another bite.

SA Elena Rachel Douglas: "I don't think anyone will let you do number two, at this point."

SA Elena Rachel Douglas: "The cards have been dealt."

SSA Mariam Helena Khoury: "How's about number one?"

SA Elena Rachel Douglas: "Depends. I need a specific request."

SSA Mariam Helena Khoury: "Gas masks. Something for crowd control, big crowd type. Aerial reconnaissance."

SSA Mariam Helena Khoury: "Tell me when to stop."

SA Elena Rachel Douglas: "A big crowd? In a swamp?"

SSA Mariam Helena Khoury: "It's hard to explain. Did you hear about that tiger stolen from Atlanta?"

SSA Mariam Helena Khoury: "It's meeting a few friends."

SA Elena Rachel Douglas: "You're really fucking losing me."

SSA Mariam Helena Khoury: "We need to blow up or disperse a lot of fucking frenzied animals very quickly."

SA Elena Rachel Douglas: "..."

SA Elena Rachel Douglas: "This is stupid."

SA Elena Rachel Douglas: "I'll give you one more chance before I get up and leave."

SSA Mariam Helena Khoury: "Let's see. GPNVGs."

SA Elena Rachel Douglas: Roll Persuade.

SA Elena Rachel Douglas: Blind.

SA Elena Rachel Douglas: "I got a 2 tube mounted on a helmet in my car."

SA Elena Rachel Douglas: "Just go and take it."

SA Elena Rachel Douglas: She throw some keys in your lap and goes back to the food stand.

Hunger: As you're leaving, you throw the key back to her and disperse without formal goodbyes.

SSA Mariam Helena Khoury: Just a "cheers" is fine.

Hunger: You have an outdated NVG with the mount to go. It's a modified PASGT.

Hunger: What next, crew? If you've nothing, we have no reason to not go ahead and move to tomorrow evening.

Hunger: For that matter can EVERYONE IN THE GAME send me a blind roll of d100 to test something

SDUSM George Elijah Jones: If all the help the program can spare is some dusty ass NVGs I hope this shit blows up in their face.

SSA Mariam Helena Khoury: Well she's not the physical embodiment of the Program after all. Not that we can fault her, this is extracurricular.

Hunger: George, it was not the Program, it was her.

ASAC Darius Jeremiah Cruz: "Dusty ass NVGs" beat having NO NVGs.

SSA Mariam Helena Khoury: I think Keith gets the NVGs-- or, correct me if I'm wrong, did his rifle have a thermal scope?

Hunger: He does.

SSA Mariam Helena Khoury: Then someone else without a helmet can take them. I'm wearing the armor Caleb's provided and using the G36.

Hunger: You.

Hunger: You don't have one, Caleb's stuff belong to him.

IO Michael Sajdak: We can go to the meeting spot at any time right? If I've got this rifle I wanna stake Alligator Alley out real quick.

SSA Keith Alan Pike: All I have to offer the group are these shitty books, and the info about the RV.

Hunger: He only had the M107A1 to share.

SSA Mariam Helena Khoury: Oh I thought he had his own stash. That's okay.

Hunger: As for the meeting spot, you don't actually know where it is. You're just riding on the assumption that when the time is right you will be lead there by fate.

SSA Mariam Helena Khoury: Let's head to Miccosukee, dude.

Hunger: And frankly? That's a very likely outcome.

Hunger: Are you heading there right now? With who?

SSA Mariam Helena Khoury: I'll try Casey's phone, maybe he can point out anything out of order.

IO Michael Sajdak: I wouldn't mind tagging along.

SSA Mariam Helena Khoury: The whole crew is invited, this place is of some significance and any of us might catch something different here.

Casey Eckstein: "I've been thinking. What if this fucking deep state is responsible for all the CNN bullshit against Trump? All the fake news and that?"

Casey Eckstein: Roll HUMINT.

SSA Mariam H. Khoury: 46

Casey Eckstein: He's just fucking wasting your time he has nothing new to say. You can hang up if you wish.

SSA Mariam Helena Khoury: "Casey. We're on the eve of the shootout of a lifetime. Do you want to come by the service plaza now and tell me if you see anything strange before we're on this Sunday?"

Casey Eckstein: "I- uhh... I got a plan for tonight."

Casey Eckstein: "I gotta go. I'll be there tomorrow, promise."

Casey Eckstein: He hangs up.

SSA Mariam Helena Khoury: I hope he makes use of his time. He might not make it.

Hunger: Miami to the service plaza will take an hour through the Ft. Lauderdale exit that Perez was last seen in.

Hunger: It would be 4 PM by the time of your arrival, with the sun still up and a lot of time to go until it comes down.

Hunger: Proceed?

SDUSM Anderson Fowler: Affirm.

ASAC Darius Jeremiah Cruz: Yep.

SSA Mariam Helena Khoury: No reason not to look at the signs early.

Hunger: You drive past the outskirts of Ft. Lauderdale.

Hunger: You get out to I75 parkway.

Hunger: Fate aims the Teeth down Interstate 75: Alligator Alley. Past the giant faux-bronze alligators. Past the sad, dingy yellow of the truck stop. Slow-flowing canals run on either side, most of the way, each as wide as the interstate. Most of the road is on tall embankments and viaducts, making sure that the ecosystem of the Everglades is as little disturbed as possible as mankind drags its concrete blade right across it's chest and slow-beating heart.

Hunger: For future reference, here are the sunlight times:

Hunger: Civil dawn: 0657Sunrise: 0722Sunset: 1854Civil dusk: 1919

IO Michael Sajdak: "It looks prairie-flat as far as I can see out here. Is this really where they're gonna meet up?"

Hunger: This photo doesn't do the Everglades justice. There are large sections of swamp pools, but most of it has impenetrable cloud forest canopy.

Hunger: This is just a "clear" section, so to speak.

SSA Mariam Helena Khoury: Are we just standing in the middle of the highway or are we on the road to Miccosukee?

Hunger: You're driving down. Approaching the service plaza about... now.

Hunger: 1600R. Miccosukee Service Plaza.

Hunger: You pull up. The deafening noise of the swamp nor the highway next to it doesn't seem to stop at your arrival.

SSA Mariam Helena Khoury: Right, nothing of interest at 4PM. I'm interested in finding that horned pole steakhouse while we're here.

Hunger: Before that, you find...

Hunger: Here it is.

SSA Mariam Helena Khoury: "You guys like gators?"

SDUSM George Elijah Jones: "I don't think about them at all most days."

ASAC Darius Jeremiah Cruz: "I think they're pretty cool."

SSA Mariam Helena Khoury: "Well you might as well be the croc whisperer this time around with that shit you did with the puma."

SSA Keith Alan Pike: "It looks a lot like..."

SDUSM George Elijah Jones: "Might not work out like it did last time."

Hunger: Mariam, doesn't take long to find out where the horned poles are. There's a steakhouse right by the exit, and the poles themselves are... exceedingly uninteresting for a sign that's supposed to attract people.

Hunger: They are aimed towards the exit heading West.

Hunger: South-west actually, given the entrance path you have to take to enter the service plaza.

IO Michael Sajdak: "So that's the third drawing. And the fourth one with all the people around a bonfire, is that meant to be us? Seeing as there's only one kid still alive."

SSA Mariam Helena Khoury: If one were to just walk straight west without stepping into the road, one could, right? Or is the ground not stable enough?

IO Michael Sajdak: "The one killing us in the last drawing I'd wager."

SSA Mariam Helena Khoury: "Ayup."

Hunger: This entire complex is built upon a raised embankment of earthwork. There's a sharp inclined drop lined with hedges towards the swamp, making sure that nothing bigger than a racoon can make it past without seriously injuring itself on countless branches.

Hunger: The whole thing is a piece of engineering from the last century, sans brutalist concrete pours.

Hunger: Things could have been so clean, this place shows it.

SSA Mariam Helena Khoury: "I think we have to be here at dusk. Then head west until we find that tree, that'll mark the next leg of the trip."

SSA Mariam Helena Khoury: "The stars'll tell us if we're heading the right way after the sun's down."

SSA Keith Alan Pike: "What do you think that tree really is?"

SSA Mariam Helena Khoury: "Maybe a literal tree? What do you think?"

ASAC Darius Jeremiah Cruz: "I don't see how it could be anything but a tree, things have been pretty literal thus far."

SSA Mariam Helena Khoury: "At this point I could believe a tree made out of people's bodyparts."

SSA Mariam Helena Khoury: "No point in speculating. It's about three hours until dusk, though I don't think we're going to find it until we're meant to."

Hunger: Macabre. I think everyone got the point across, you can return to Miami or do something else, like catch a burger.

IO Michael Sajdak: I don't suppose we have any time left to do anything productive then.

ASAC Darius Jeremiah Cruz: We still have the stuff from Ecksteins place, right?

Hunger: That's whether or not you come up with something productive.

SSA Mariam Helena Khoury: "If anyone's got any ideas, today's the day. You've got money for NVGs, scopes, outdoors equipment..."

SSA Mariam Helena Khoury: "Or at least I'm expecting you to have money."

ASAC Darius Jeremiah Cruz: "I'm like 90% sure I could go on a shopping spree right now."

Hunger: "Stuff from Ecksteins place" is Clove's diary, which needs extensive study and reconstruction considering its sponged with blood save for one lone page.

IO Michael Sajdak: I really wanted to try and finish what Keith started when he was looking into that bible-nut but that doesn't seem like a three hour long sort of affair.

Hunger: You still have tomorrow.

SSA Keith Alan Pike: "Anyone want to read one of these boring books I found?"

SDUSM George Elijah Jones: George will go to Bass Pro Shops and get waders for the swamp and a bucket hat with a mosquito net.

Hunger: In fact, Mariam will be busy doing something home then.

ASAC Darius Jeremiah Cruz: Did we not dig up a barrel full of goods?

SSA Keith Alan Pike: Keith holds up The Long Road Home

Hunger: You got some big guns and drugs that Caleb took as gift-payment.

Hunger: And some burner phones of someone who is currently being waterboarded in Guantanamo Bay.

ASAC Darius Jeremiah Cruz: Gotcha, just double checking.

Hunger: You're returning to Miami. We're moving onto Sunday.

SSA Mariam Helena Khoury: I actually wanted to stay here until dusk and stand at the drawing's POV from the pole, now that you say it.

SSA Mariam Helena Khoury: Nothing of interest?

Hunger: You have no time if you want to do the thing you wanted to do.

SSA Mariam Helena Khoury: Alright, we can move on.

Hunger: Back in Miami, no one has anything to do but pray, it seems like.

Hunger: Interfere if I am wrong.

SDUSM George Elijah Jones: Bass pro shops.

Hunger: What do you want to do in one? It's just some outdoors stuff.

SDUSM George Elijah Jones: Get the waders and the mosquito net hat.

SDUSM George Elijah Jones: Unless I completely misunderstood where we're going because it seems to me we're going to be swampwalking and I don't want to be an asshole in business formal there.

SSA Mariam Helena Khoury: HELMETS BOUGHT: 0NVGS BOUGHT: 0WEAPONS BOUGHT: 0

Hunger: Correct, but the gear you're purchasing has no real effect other than keeping you dry and comfy.

Hunger: Incidental. Consider yourself properly outfitted.

Hunger: As for the other things, your loadouts are pretty generous.

ASAC Darius Jeremiah Cruz: She's got a point, I think I ought to at least buy myself some more reasonable gear, if possible.

ASAC Darius Jeremiah Cruz: If not, I'm swinging by a record store and buying an Ohio Players CD. Either or at this point.

Hunger: We can do this tomorrow. Come up with what you want to purchase. Don't give me a full shopping list- you lost that privilege when you did not reply to my postscript thing last week.

Hunger: SUN 16 OCT 16, 0900R. Miami, FL.

Hunger: It's real. It's on. You can't stop shaking. How did you get yourself to fall asleep last night, if you could at all?

SSA Mariam Helena Khoury: Probably passed out from exhaustion after a night of clacking away.

Hunger: You have enough time to catch enough rest to not start the fight Exhausted.

Hunger: Otherwise, your -thing- is ready.

SSA Mariam Helena Khoury: Excellent. For this morning and afternoon, I'm getting myself a pair of real boots and binoculars. That's it for me, besides brooding in my room.

Hunger: This is a point of no return. By dusk you will be at the Miccosukee Service Plaza and look for where your fight is waiting for you.

Hunger: You have 120 seconds to tell me what you want before we move on.

SSA Keith Alan Pike: Some swamp waders?

Hunger: Incidental. No effect besides being dressed appropriately.

ASAC Darius Jeremiah Cruz: I'm grabbing some big ass boots, a helmet and some NVGs, if possible. I'm not walking in there blind.

SSA Keith Alan Pike: It would suck to be dressed inappropriately.

Hunger: They are just hiking boots designed for excessive moisture... a swamp is a swamp and you as a human being are simply not built for it.

SDUSM Anderson Fowler: Yeah I'll also be looking for NVGs.

Hunger: Darius. Depends on how many tubes you want on the NVG.

Hunger: This could be affordable or VERY expensive.

ASAC Darius Jeremiah Cruz: I blew a chunk of my cash earlier on the boomstick, I think I gotta be more affordable now, much to my own dismay.

SSA Keith Alan Pike: Bug spray?

SSA Mariam Helena Khoury: bro js buying civilian implements

Hunger: An entry level Gen 2 single tube NVG will cost an Unusual expense. Consider the surplus shit to be a part of it. Keith, Incidental. You're gonna be at an advantage against... mosquitoes.

IO Michael Sajdak: Whatever I can find for night vision be they goggles or a scope. In the meantime I'm gonna post on whatever fucking crackpot sites I can think of including but not limited to The Daily Stormer asking if that Tillman guy is okay because I'd love to know if he was really able to save a quiet child from going mad. I won't know until this shit is over but hell, it's all I can think to do.

Hunger: Let me know who wishes to purchase that set by rolling Accounting.

SDUSM Anderson Fowler: It's not me for sure.

ASAC Darius Jeremiah Cruz: My accounting is dismal.

SSA Keith Alan Pike: Nope. That shit won't work with my thermal.

Hunger: Sajdak, no need for roll. You spend the whole day mulling over this, and you conclude that Tillman went broke after the release of his 2015 book (which Keith did not find at the book store due to how shitty it is) and kinda lost his mind.

Hunger: That's the most -unbiased- thing you can learn about him.

Hunger: That being said no grocery shopping to be done, we are moving forward after Michael speaks.

IO Michael Sajdak: Guess the details will have to wait till we crash Thomas's human sacrifice.

Hunger: The important detail here is that there is actually a good chance he was not murdered by his kid, or that's not the reason why he went vagrant.

Hunger: That's what you find out.

SDUSM Anderson Fowler: We all have 10 accounting actually

ASAC Darius Jeremiah Cruz: Fiscally irresponsible.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 96 (Rolling Accounting Target: 10%)

Hunger: You meet up with Eckstein and Caleb. You're driving in a long convoy towards the plaza.

Hunger: But before that, let me quickly address Anderson's wallet which got a little bit lighter...

Hunger: In that moment you can speak to each other.

SSA Mariam Helena Khoury: Don't have anything to say until we arrive.

Hunger: You have 60 seconds to equip your armor and confirm all of your equipment is in order.

Hunger: Go.

IO Michael Sajdak: i wanted nvgs or somethin

ASAC Darius Jeremiah Cruz: I don't have any of the shit in my inventory, either.

SSA Keith Alan Pike: I have two mags and 18 grenades. That's really plenty.

Hunger: Incidental for ammo. Assume you have -enough- as it's an ultralight machine gun and you need a very long fight to run dry.

Hunger: What do you mean "any of the shit"

Hunger: You didn't roll accounting.

Hunger: If you want to buy it then ROLL. Heavy bond cost since you'll probably fail.

ASAC Darius Jeremiah Cruz: "Probably" watch this

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 2 (Rolling Accounting Target: 10%)

IO Michael Sajdak: I'm gonna go out on a limb and guess there's no point looking for extra .50 BMG.

Hunger: Holy shit! Turns out, you can actually finance this.

Hunger: You're taking minimum loss.

Hunger: Dealt!

Hunger: Sajdak, you have all the ammo you can carry without becoming overencumbered.

Hunger: Not much.

IO Michael Sajdak: Got it.

Hunger: That being said, this thing weighs you the fuck down and you most certainly will not be able to shoot it without autofailing sans bracing.

SSA Keith Alan Pike: Are all my guns loaded? I can't tell where I'm supposed to put the ammo in. In the menu.

Hunger: Good luck have fun!

Hunger: We abstract ammo, they are "loaded".

Hunger: 1900R. Approach to Miccosukee service plaza.

Hunger: The road is much, much calmer compared to yesterday. The sun is going down. You'll be there just at "civil dusk" time.

Hunger: Eckstein wasn't so enthusiastic about this whole thing. Caleb on the other hand is stone cold, and did not whine once.

Hunger: You pull up. You've already been here before.

Casey Eckstein: "Hey I've been here. Uhh... You guys wanna grab a steak before we do this?"

Casey Eckstein: "It's really good!"

SSA Mariam Helena Khoury: "Fuck no."

SSA Mariam Helena Khoury: "Listen up."

Casey Eckstein: He's really nervous. You have enough HUMINT.

SSA Mariam Helena Khoury: "This isn't going on a podcast, some newsletter, Twitter or Instagram."

SSA Mariam Helena Khoury: "What you see and do here stays with you until the day you die. You do not need to prove anyone wrong about your firing from County PD."

SSA Mariam Helena Khoury: "Do you understand?"

Casey Eckstein: He blows some air from his puckered lips and taps his feet, looking around for help. All he's met with is a bunch of flat faces.

Casey Eckstein: Casey Eckstein rolls Failure -> 57 (Rolling POW Target: 50%)

Casey Eckstein: "Yes. Yes, sure."

SSA Mariam Helena Khoury: "You told me you wanted to go federal after this. You've got a lot of people here who can help you out with that."

SSA Mariam Helena Khoury: "And stop slumping. You're doing a good thing."

Casey Eckstein: "I've never actually done this before."

Casey Eckstein: "Kill someone I mean."

Casey Eckstein: "I was never active duty."

SSA Mariam Helena Khoury: "Don't think about that-- think about the civilians you'll be saving. Three."

SSA Mariam Helena Khoury: "Protect and serve, it's always been the same."

SSA Keith Alan Pike: "It's easier than it sounds. You sort of fall into it, really."

Caleb Turner: Caleb on the other hand gives minus shits. Anyone can walk up and talk to him.

Casey Eckstein: "Whoooh. Okay." He blows into his hands and rubs them together.

Casey Eckstein: "Let me just go to the bathroom real quick."

SSA Mariam Helena Khoury: "Don't you run off on me, Casey." I nod.

Casey Eckstein: "I'm not gonna."

Casey Eckstein: "I need to do this..." He murmurs to himself as he walks into the gas station.

SDUSM George Elijah Jones: "This guy better not turn out to be a liability, man."

Caleb Turner: He did notice Michael, but has been rather reluctant at starting the conversation.

SSA Mariam Helena Khoury: I'll turn to the group and clap my hands once. "I've written a document narrating our experiences with this affair starting from 2001 down to this very day."

SSA Mariam Helena Khoury: "If we all die, Pitzerelli will get the full rundown."

Caleb Turner: Caleb Turner rolls Success -> 12 (Rolling Alertness Target: 60%)

SSA Mariam Helena Khoury: "And, so will..." I look at Caleb, then at Sajdak.

Caleb Turner: "You're fucking crazy. You shouldn't have done that."

Caleb Turner: "They will kill your family now."

ASAC Darius Jeremiah Cruz: "I don't want my god damn biography getting handed out, we're not gonna die here."

Caleb Turner: "Jesus."

SSA Mariam Helena Khoury: "Who the fuck gets to stop this if it isn't us? Once we get back and we're back in control, I'll be putting it all away."

Caleb Turner: "Yeah, right."

Caleb Turner: He's unimpressed.

IO Michael Sajdak: "For one thing we're not gonna die."

SSA Keith Alan Pike: "...Uh huh. I hope you're just saying that to get us hyped up for this shit, and you didn't actually do any of that."

IO Michael Sajdak: "But he's right. I haven't said anything 'cause you've been doing good work but hell, since this is the home stretch, lemme get it off my chest:"

IO Michael Sajdak: "What the fuck have you been thinking? Do you really think you understand how any of this shit works? That this-- whatever it is is on your side?"

Caleb Turner: He crosses his arms and listens.

IO Michael Sajdak: "You have some real weird notions, Mariam, and I have a feeling you're gonna be sorely disappointed if you don't get them out of your head."

SSA Mariam Helena Khoury: "We've all felt it. The smell, the urge, the push. That night fifteen years ago, that night ten years ago, then again earlier this year."

SSA Mariam Helena Khoury: "We're being driven forward by something. Maybe we can end it tonight. Maybe we can't."

IO Michael Sajdak: "You should be HOPING it ends, you maniac! Y'wanna be the next target once we've iced this kid? Because you got it in your head that you're working for the--"

Casey Eckstein: "Are you guys done? Okay... Hooo okay..."

Casey Eckstein: He walks back towards the parking lot wiping his wet hands on his jeans.

IO Michael Sajdak: I just rub my temples. "Whatever. It's fine. You've done good by us."

SSA Keith Alan Pike: Keith lets out something between a scoff and a chuckle. "We can cut off the little wart of 'this' that's stuck to our asses. You're crazy if you think we can 'end' this, completely."

Caleb Turner: "The sun's going down."

Caleb Turner: "You mentioned something about it."

Hunger: Matter of fact, it is.

SSA Mariam Helena Khoury: "One way or another, we'll find out tonight. I want it to end. I really do." I look at the sunset. "Whether that's an option is another matter completely."

IO Michael Sajdak: "Yeah, we're thinking this'll be when we work out where their meet is."

Hunger: You need to run towards the pole.

SSA Mariam Helena Khoury: We'll head over...

Hunger: Mariam...

Hunger: There it is. You're by no shape or form late to catch it. Almost as if being revealed to you, the constellation appears.

Hunger: The setting sun. The stars. The pole. The alligators.

Hunger: They are lit up by backlight now.

Hunger: The smell.

Hunger: It's faint, but it wasn't here just now.

Hunger: You can't believe this is all really happening.

SSA Mariam Helena Khoury: I'll just look at Pisces for a few short moments before we're on the move.

Hunger: It stares back at you with utter indifference. You may start driving towards West.

SSA Mariam Helena Khoury: "It's time."

SDUSM George Elijah Jones: "Let's get this shit over and done with."

Hunger: You begin the last leg of your journey. You drive for 60 minutes, heading deep into the protected zone. Trees cover everything around you now. You're lost within them.

Hunger: 2121R.

Hunger: You finally see it. A withered tree, all too distinctive, stands alone between the southern lanes and the tall fence that holds back the wilds, as if it came forward to grow bravely on its own and then died. The fence, meant to keep alligators and panthers back from the highway, has been hacked wide open. Signs warn of danger. No hikers or campers are safe here.

Hunger: Roll ALERTNESS.

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 50 (Rolling Alertness Target: 50%)

Hunger: Towards the other side of the embankment where it opens up to swamp water...

ASAC Darius Jeremiah Cruz: "I /told/ you it'd be a normal ass tree..."

Hunger: You see Charlotte's Toyota RAV, totalled in the muck.

Hunger: The lights are still on. The engine is idling, though choking under the water.

SSA Mariam Helena Khoury: Let's take the time to scan the horizon before we approach.

Hunger: There is no "horizon" but the smell is much stronger here. You know exactly where it's coming from.

IO Michael Sajdak: Naturally I'm looking for a spot to lay down and set this huge fucking gun up but I suppose it won't be here if we can't see a campfire yet.

Hunger: Anywhere on flat ground is good enough to lay down and aim... but towards what?

Hunger: Perez and his hostages are certainly here.

Hunger: Not within your sight.

IO Michael Sajdak: Exactly...

Hunger: Is it time to disembark and start looking for them?

Hunger: Mariam?

SSA Mariam Helena Khoury: So it is!

Hunger: You park your cars to the side of the road and head towards the gap in the fence.

Hunger: You're locked and loaded. You got dressed up on the way here.

Hunger: You may act. The smell is coming from the gap.

SSA Mariam Helena Khoury: It's a slow procedural walk on the way there, everyone with their guns up. Let's check the car out first?

Hunger: The car is deep into the muck. You'd have to wade with a Swimming roll to not mess things up.

Hunger: What you can see from here is:

Hunger: The airbags are not popped, and there is no one inside.

Hunger: Strange for a "crash".

Hunger: It's almost like someone put a brick over the gas and let it go.

SDUSM George Elijah Jones: If it's slick empty there really is no point in checking it. They probably just drove it in to have the swamp swallow the evidence.

Hunger: Good call.

SSA Mariam Helena Khoury: He must've taken them out of the trunk already. We can go on the way the tree is pointing towards.

SSA Keith Alan Pike: I've got the grenade launcher slung on my back and I'm scanning slowly with my thermal scope.

Hunger: Matter of fact -it is still idling.-You are entering the gap.

Hunger: A faint trail leads from the breach in the fence into the swamp, a slow slog through trees and undergrowth where still water seeps and the wise would know to fear. It meanders along stretches of muddy but solid earth surrounded by sawgrass marsh. Mosquitoes are inescapable. Mires and thickets deepen and thicken claustrophobically with every step. An amphibian chorus sings deafeningly all around: rhythmic squawks and pulses sound almost musical above a constant, painfully high-pitched ringing, punctuated here and there by low, insistent croaks. Clicks, buzzes, and clacks seem to follow the human intruders. Mariam identifies some as great egrets and anhingas. Occasional belching growls, deep and menacing, are unmistakably alligators.

SDUSM George Elijah Jones: We can use the strength of the scent as radar. Stronger - closer.

Hunger: Someone is muttering, "holy fuck! we are really doing this!". It's the blonde fool you tagged along.

SSA Mariam Helena Khoury: "Keep a lid on it..."

Hunger: As you turn your head around to speak to him...

Hunger: You see an orange streak in the dark for a moment, followed by an extremely deep growl of a big cat. He is tracing out a path for you to follow. You feel the same alien kinship you felt with the bear and the dogs towards this animal. If you follow the path he is showing you, you can navigate to the heart of the Everglades without needing to roll Survival or Navigate. Otherwise- in short, none of you are well equipped in this field to deal with the conditions. You can still risk it, but those alligators...

SSA Mariam Helena Khoury: What's the team thinking?

Hunger: The environmental factors for engagement have been submitted in Discord. You have 90 seconds to read them before we continue.

ASAC Darius Jeremiah Cruz: I cannot believe I'm saying this, but I think following the tiger might be the call.

IO Michael Sajdak: That they clearly know where we are so we may as well oblige them.

SDUSM George Elijah Jones: I'm thinking we're going to have to deal with it anyways so let's let it help us even the playing field and follow.

SSA Keith Alan Pike: It could be leading us right into a nasty part of the swamp. A trap?

SDUSM George Elijah Jones: The entire swamp is nasty.

SSA Mariam Helena Khoury: They don't want us dying before the main event, I'm certain of it.

Hunger: Wherever it is leading you, it is leading you to the smell. On a precisely "walkable" path as far as the Everglades go.

Hunger: For the vision part, those without NVG may follow those with one by aiming their flashlight at them.

Hunger: Risky but you're not illuminating straight ahead.

SSA Mariam Helena Khoury: Let's follow its path. We'll definitely walk in on something, just constantly look out for a spot to dive behind.

Hunger: You move along...

Hunger: After around ten minutes of silent walking, you catch the glimpse of a light.

Hunger: You're still within formation. Engage like this?

Hunger: Any diversion from the main path will require a Navigation or Survival roll.

SSA Mariam Helena Khoury: What's the other option?

SSA Keith Alan Pike: Does only the leader need to succeed, if a group splits off?

Hunger: The problem is no one here is trained for this kind of warfare.

SDUSM George Elijah Jones: If we split up we're cat food.

SDUSM George Elijah Jones: We don't split up.

Hunger: You're caught with your pants down, truth as it may be.

SSA Mariam Helena Khoury: Let's just keep it together. If it's got to happen, it'll happen.

SDUSM George Elijah Jones: This area was chosen because it is near impossible to deviate from the script .

Hunger: Approaching visual range...

Hunger: George, another good call. You're beginning to get it!

SDUSM George Elijah Jones: Either follow the cat or get eaten by the crocodiles.

SDUSM George Elijah Jones: Gators, even.

Hunger: COMBAT STATES, NOW

Hunger: You're all North.

Hunger: You can see the light of the campfire from where you stand.

Caleb Turner: "Visual, multiple tangoes, downrange."

Caleb Turner: "Advice?"

SSA Keith Alan Pike: What can I see with my thermal?

SSA Mariam Helena Khoury: "How many, what're they doing?"

Hunger: Keith, no need for complicated rolls. You see heat signatures of people obstructed by a large fire.

Hunger: They are revealed. This does not say about the depth of field.

Caleb Turner: Caleb Turner rolls Failure -> 64 (Rolling Alertness Target: 60%)

Caleb Turner: "I don't know. Like... I don't fucking know. They are just sitting."

SSA Keith Alan Pike: Are they alive?

Hunger: HEAT SIGNATURE, KEITH!

SDUSM George Elijah Jones: I presume we can't tell who the fuck they are just by thermal signature alone.

SSA Keith Alan Pike: Maybe they're just warm because of the fire?

IO Michael Sajdak: I'm looking for the most stable spot here to lay down and get the piece set up.

Hunger: If they were dead you would have known against the backdrop of the fire. These people are 100% alive.

Hunger: Michael, you've come to realize that this is terribly short range for your big fucking gun, and all you're standing on is muck. If you go prone here you're gonna be aiming at a tree stump.

SSA Mariam Helena Khoury: We're within 50 meters, well within engagement range. We have to get some overwatch set up. The question is whether to approach or not.

Hunger: Mariam.

SSA Keith Alan Pike: "Maybe I should open up on them with the grenade launcher before we move up..."

SSA Mariam Helena Khoury: Whoever stays behind is prey for the wildlife.

Hunger: Roll Unnatural, blind.

IO Michael Sajdak: Also I just realized that last drawing was most certainly of these four and not us. So what, we foil their plan if these guys don't die? Awesome.

Caleb Turner: "Do that and I'll fucking kill you first retard."

Caleb Turner: "There are civilians down there."

Hunger: Mariam.

Hunger: It's not a question whether or not to approach them.

Hunger: You begin walking.

SSA Mariam Helena Khoury: Onwards I go.

SSA Keith Alan Pike: "Around the campfire. They could be waiting in the dark."

SDUSM George Elijah Jones: "She's got the right idea," George follows.

Hunger: As you go, you notice that the tiger from before brushes against you in a nuzzle, and diverts away before anyone can friendly fire you.

Sumatran tiger: It growls softly, though it's more like a purr.

SSA Mariam Helena Khoury: Pretty kitty. I'm walking along.

ASAC Darius Jeremiah Cruz: I'm also following, I've got nothing but a shotgun to deal with these people.

SSA Keith Alan Pike: How difficult will it be to flank around?

Hunger: Pause, is everyone following or are we getting another thing going on here?

IO Michael Sajdak: I'll take my chances with the wildlife if I've gotta head back just to use this fucking gun.

SSA Keith Alan Pike: "Let's flank around, Michael."

Hunger: You two can flank around. Survival or Navigation.

Hunger: Others- don't move, let them move first.

SDUSM Anderson Fowler: I'm following along.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 92 (Rolling Navigate Target: 40%)

Hunger: You move to where you desire and set up.

Hunger: Go ahead, do it.

Hunger: I'm assuming you're together.

Hunger: Is this it?

SSA Keith Alan Pike: Can't think of a better spot.

Hunger: You get visual contact now.

IO Michael Sajdak: If I have LOS on the campfire--

Hunger: There are adults sitting around the campfire.

IO Michael Sajdak: Then yes good enough.

SSA Mariam Helena Khoury: Darius should be with me and George, Anderson's best shot is probably to post up with Keith!

Hunger: Others get to act now.

SSA Mariam Helena Khoury: Caleb and Casey with us as well.

SDUSM George Elijah Jones: George just approaches the perimeter, not really aiming at anyone in particular.

Hunger: Does this look right?

IO Michael Sajdak: "Keith."

Hunger: You're all actively moving, dont move tokens.

SSA Mariam Helena Khoury: Are they addressing our presence?

IO Michael Sajdak: "As soon as we open fire we're going to get swarmed by animals."

Hunger: Struggling through saw palmettos and grasping shrubs, you see six young men and women standing huddled together around a fire. They sway back and forth, wailing together in a wordless, breathy keening. Some look like average customers at Wal-Mart. A couple are gaunt, covered in sores and wearing filthy rags. None have yet reached their mid-twenties, though hard lives have added years behind their eyes. They clutch each other, moaning. You recognize some of them here. These are victims you saved from Yelena Kalamatiano. Between the six grown-up children, your hostages sit. Firing at any individual without risking harm on the hostages is impossible from any angle you might engage from. All of them are bound and moaning and screaming animalistic shrieks, dried blood on their lower jaws. They seem to try and vocalize something, but only grunts come out. This is how your good deeds are paid back. Roll blind SANLOSS, everyone.

IO Michael Sajdak: "I need you to cover me."

Thomas Perez: The young man sitting closest to you gets up on his two feet and begins approaching you. No need for a struggle to recognize him. It is Thomas Perez. His hands are covered in dried blood and his right palm has an old gash that's still in the process of healing, identifying him as one of Houghton's killers. However, your own hands are trembling. You're sweating cold, and every single hair on your body is standing straight. It's like witnessing Jesus

Christ return to Earth, or whatever messiah you choose to believe in. The feeling eludes all description. You're within company of family, like a little baby brother you never knew you had. You're sure he shares the feeling towards you. Roll blind POW, everyone, only a 1 can hold themselves together enough to pull the trigger. Otherwise, all of you walk up close enough to witness him, and are frozen in place.

Casey Eckstein: "H-H-H-"

SDUSM George Elijah Jones: "Don't you dare fucking shoot."

SSA Mariam Helena Khoury: "Shut... the fuck... up. Casey."

SSA Mariam Helena Khoury: I let my gun hang in one hand and raise the other at Thomas.

Thomas Perez: Perez begins signing in American Sign Language.

Casey Eckstein: "H-ho-holy shit. I know ASL. My mother is deaf!" Eckstein interpretes for you. As he does, you realize that the group around the campfire is dispersing quietly into the bog. They warily begin backing away toward the swamp, leaving the hostages unattended but still bound.

Sumatran tiger: Only then you realize that the big cat is sitting still like a guard dog.

Thomas Perez: In ASL: "I know you serve her. Her teeth. Thank you. We've missed you. Welcome back. He is coming. He is coming. But she must not starve. We will feed her. Us. You. Me. Now you take us to her. Us. You. Me. Unravel the lies of this world, and the lies of the fake gods. The celebration begins. Thank you. Thank you. Thank you."

Thomas Perez: With tears in his eyes, he stops signing. As soon as he does, his expression turns incredibly sour and furious at the hand that speaks without his consent. He takes out an X-Acto knife from his pocket and slashes it in half, destroying tendon and vein from his pinky to his wrist in a diagonal line. After that, he drops his blade and raises both arms up, looking towards the sky with a soothed smile on his face.

Hunger: As the confrontation begins, we are first going through turn zero events.

Thomas Perez: Horrible things, misshapen and blood red in color, rise out from the swamp to consume the Quiet Children whole. The survivors of Cornucopia House have had their flesh torn apart and fused with the alligators that consumed them, alongside a powerful and exotic tiger

known for manhunting in the Orient. Abominations of flesh and scales, bony scutes and jagged fangs, sprawl and stumble toward the Teeth. Their hot breath releases a constant murring of growls. Human fingers grasp and mad human eyes stare from random reptilian distensions. There's no explaining it. The things don't have a name. There is only the terror and the need to survive it. Everyone, blind SANLOSS. After rolling that, roll Private Roll, Panic Reactions (see the result!) For some of you, you're sure it will be your last.

Caleb Turner: Mariam, you immediately notice that Caleb starts bleeding like a faucet from under his plate carrier. He is bleeding out of his mouth and eyes. His expression is between pure fear and acceptance that this is where his path ends. He looks at you one last time before raising his rifle. He is going to let out a wild burst as a final "fuck you" towards Perez before everything goes dark. No roll, for Perez is standing completely still in a surrendered position. He riddles Perez with 27 bullets from his G36, each 5.56, before the last few trails towards the sky and his empty gun lies next to him in his shallow, muddy grave. Perez falls like a felled tree at the same time he does.

Caleb Turner: "NH-- HG---"

Caleb Turner: Condition Changes Dead Departed

Thomas Perez: Condition Changes Dead

Thomas Perez: Condition Changes Departed

Hunger: Michael, it happens first in a buildup and then in an instant. The time you bought with Samuel's bullet is up. Your right leg bone crumbles near the ankle as if it was made out of chalk, the healing cut undoes itself and blood starts leaking out of you. The pain washes over you like a wave that hit the shore just a moment too late. You're on the floor, and your right leg has no further use without surgical intervention. Roll CONx5 for Stun. No need to elaborate what other maluses you'll have from this.

IO Michael Sajdak: Condition Changes Prone Serious Bleeding

Hunger: Keith, you hurl out a torrent of black and red from deep inside your guts. That thing you drank in 2001, you really thought it all came out back then? Your stomach feels like someone dipped a handheld blender inside and is now aerating your intestines with it. With that being said, it feels like that tiny feeling of nausea you had for all this time has finally abated. It came out of

you, but what else did it force out of you? You need a doctor. Now. Roll CONx5 for KO. If you fail, you're gonna keep rolling the same thing every turn until you manage to clear it instead of falling asleep.

Probabilistic Chimera MK: The chimerae continue tearing up the children you once saved...

SDUSM Anderson Fowler: "HOLY FUCK!"

A Girl, grown up: Condition Changes Departed

A Boy, grown up: Condition Changes Departed

SDUSM Anderson Fowler: "GOD-"

A Boy, grown up: Condition Changes Departed

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 21 (Rolling CON Target: 55%)

Hunger: Keith, you're only stunned for this turn.

Hunger: As Caleb lets out his final spit in the face of everything, Mariam, you notice that something is going on with yourself too. Something very wrong. Your tongue burns from underneath it. It's the tattoo. The one you never had a real use for. You're bleeding at the mouth. Coherent speech will be impossible for now as you fail to wrestle back the control of your language.

Casey Eckstein: Eckstein is frozen like a deer in headlights. He drops his rifle on his sling and tries to hide behind the "bars" of his fingers, cupping his face. You're pretty sure that wetness in his pants is urine.

Casey Eckstein: Condition Changes Insane

IO Michael Sajdak: IO Michael Sajdak rolls Success -> 65 (Rolling CON Target: 70%)

Sumatran tiger: They take the big cat and tear it apart in half like it's a cracker stick.

Probabilistic Chimera MS: Turn 1. The chimeras have emerged, and will fight opportunistically. Their darting human eyes in different pairs of colors show nothing but pure insanity and bloodlust. They are going to feed on their hunger with the helpless bodies, though there is not enough of them to go around. Those who can't have at it in the buffet will feed their hunger on -you-.

Probabilistic Chimera MS: ACT!

Hunger: Is Anderson escaping?

SDUSM Anderson Fowler: I'm running away as far as I can.

Hunger: Athletics.

Hunger: You're running away 10 meters without a roll and 20 with.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 81 (Rolling Athletics Target: 50%)

Hunger: Move 10 from your starting point.

SDUSM Anderson Fowler: That's 10

Hunger: A wave of uneasiness washes over you, the lies of this earth have been undone, here.

Caleb Turner: Active Conditions Dead Departed

IO Michael Sajdak: Active Conditions Prone Serious Bleeding

Hunger: You're stunned.

Hunger: You can only scream.

IO Michael Sajdak: Can I roll POW to get my bearings at least?

Hunger: Sure!

Hunger: It will go through some time in the future. For now, you're on the ground.

Casey Eckstein: Active Conditions Insane

Casey Eckstein: "A-AA-A-----A"

Hunger: Keith is up. I'm not going to say the turn order again.

SSA Keith Alan Pike: Do I have it in me to aim, or am I running from the panic reaction?

Hunger: Your panic reaction dictates you, but you can POW to see what you can do against it.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Failure -> 78 (Rolling POW Target: 65%)

Hunger: You have your answer.

SSA Keith Alan Pike: I'm running.

Hunger: Athletics or not.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 52 (Rolling Athletics Target: 70%)

Hunger: You move as far as you can. 20 meters.

SSA Keith Alan Pike: Keith ditches the grenade launcher into the mud and sprints away.

Hunger: Keith. That's as far as you get before the alligator who ignored you before grabs your fucking leg.

SSA Keith Alan Pike: "AAUGH!"

Hunger: On a succesful STR, it pins you down. You can not see where it is.

Hunger: Target is 80.

Hunger: 94

Hunger: It couldn't bring you down this turn. It's still holding onto your fucking leg, though.

Hunger: You're in a grappling contest. The teeth does...

Hunger: 1

Hunger: Not that much damage.

SDUSM George Elijah Jones: Can I roll POW to see if I can not shit my pants and flee and actually do something?

Hunger: Hit it.

SDUSM George Elijah Jones: SDUSM George Elijah Jones rolls Success -> 8 (Rolling POW Target: 50%)

SDUSM George E. Jones: Fairly enough you can move about.

SDUSM George E. Jones: Act at your convenience, I know you had to F5.

SSA Mariam Helena Khoury: We still on George's turn from him breaking out of his daze?

Hunger: Go ahead, consider him as "acted".

SSA Mariam Helena Khoury: No words need to be spoken to fire a burst over in this direction.

Hunger: Roll.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 63 (Rolling Firearms Target: 40%)

Hunger: You have an ultralight, hit the damage and it will connect to any of those 3.

SSA Mariam Helena Khoury: SSA Mariam Helena Khoury rolls Failure -> 70 (17 Damage) (Rolling LETHALITY For DRACO PISTOL (ILLEGALLY MODIFIED) +DRUM Target: 10)

SSA Mariam H. Khoury: Top to bottom.

SSA Mariam H. Khoury: 3

Probabilistic Chimera KP: This thing takes 14 damage to whatever you just hit on its being.

Probabilistic Chimera KP: Does it care? Not at all.

ASAC Darius Jeremiah Cruz: I need to roll POW before I decide on doing anything.

Probabilistic Chimera KP: SEND IT!

ASAC Darius Jeremiah Cruz: ASAC Darius Jeremiah Cruz rolls Success -> 7 (Rolling POW Target: 80%)

ASAC Darius Jeremiah Cruz: I'M SHOOTING AT THE NEAREST FUCKING CHIMERA!

Probabilistic Chimera KP: Darius, no need for rolls. Your buckshot does nothing against this tank on feet.

ASAC Darius Jeremiah Cruz: NOTHING???

SDUSM George Elijah Jones: Can I grab the mothafuckin' grenade launcher Keith dumped?

Probabilistic Chimera KP: It's tough skin is no match for your shotgun.

Hunter Nguyen: Condition Changes Departed

SDUSM George Elijah Jones: I have a very good idea of I grab the grenade launcher and shoot it at the chimeras, assuming my action did not proc yet.

SDUSM George Elijah Jones: Or wherever Keith was

Probabilistic Chimera KP: This one is going to go for Perez' corpse and recuperate a bit of health in the process, as you can see the bullet holes on it closing up.

Probabilistic Chimera AF: It sees Eckstein utterly defenseless.

Probabilistic Chimera AF: The range is short enough. Thumping feet leave pools in the soft swamp.

Probabilistic Chimera AF: Probabilistic Chimera AF rolls CRITICAL FAILURE! -> 77 (Rolling Custom Target: 40%)

Probabilistic Chimera AF: It doesn't matter. It grabs and gulps the poor boy in one fell swoop.

Casey Eckstein: "HYAAAEeeeeeee!!!-"

Casey Eckstein: Condition Changes Departed

Hunger: He was defenseless. A roll was unnecessary.

Probabilistic Chimera AF: Mad eyes turn towards the group.

Probabilistic Chimera AF: This one picks out a corpse to dine on. He ignores the dangerous, alive monkeys surrounding it.

Probabilistic Chimera MS: Condition Changes Decaying

Probabilistic Chimera GJ: Condition Changes Decaying

Probabilistic Chimera KP: Condition Changes Decaying

Probabilistic Chimera MK: Condition Changes Decaying

Probabilistic Chimera AF: Condition Changes Decaying

Hunger: Act freely, Anderson.

SDUSM Anderson Fowler: Do I get a malus for shooting heavy here?

SDUSM Anderson Fowler: Since they're huge.

Hunger: You're enervated by what you just witnessed. You can't miss. On a success, you deal Lethality rating of damage, and your AP will defeat the hard skin on these things.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 30 (Rolling Firearms Target: 50%)

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 37 (10 Damage) (Rolling LETHALITY For M240B Target: 15)

Hunger: Which one did you shoot down?

SDUSM Anderson Fowler: The closest one.

SDUSM Anderson Fowler: MK

Hunger: Your long burst doubles your lethality rating and hits MK for 30 damage.

Hunger: Bullets fly over Darius.

Probabilistic Chimera MK: Condition Changes Dead Departed

Probabilistic Chimera MK: You've torn apart one, but there are five more to go.

SDUSM George Elijah Jones: "Holy FUCK he got one."

Probabilistic Chimera MK: You are beginning to feel like this wasn't the right choice.

IO Michael Sajdak: Active Conditions Prone Serious Bleeding

SDUSM Anderson Fowler: "SHOOT THEM!"

Hunger: Your previous POW roll went thru, you can act freely this turn.

SDUSM George Elijah Jones: "I got nothin' but buckshot you fuck! Run!"

Hunger: Though your friend seems to be in a fucking PICKLE.

IO Michael Sajdak: Yes indeed, can I switch to secondary and pop that gator?

Hunger: George, reminder, your slugs likewise have no armor piercing. Sajdak, if you switch to your Glock you would just be wasting time.

Hunger: I'm going to throw you a bone here. You can correct your posture and aim.

Hunger: You would be ignoring your BLEEDING, though.

IO Michael Sajdak: Okay then I'm SNIPING it.

IO Michael Sajdak: IO Michael Sajdak rolls CRITICAL SUCCESS! -> 11 (Rolling Firearms Target: 50%)

Hunger: I did not say that you can "snipe" it outright, but your critical success is rewarded with something. On your next turn, you'll blast it with twice your lethality rating, whichever one you were aiming at.

Hunger: Is that a deal?

IO Michael Sajdak: Got it.

Hunger: Let me adjust you for your bleeding...

Hunger: Keith, you can not see what the fuck is going on.

SSA Keith Alan Pike: Get this fucking animal off my leg! Can I spray at it without hitting myself?

Hunger: Firearms.

SSA Keith Alan Pike: SSA Keith Alan Pike rolls Success -> 29 (Rolling Firearms Target: 60%)

Hunger: You blow it the fuck down. Roll damage with Lethality, your single shot rifle can hit it several times at point blank.

Hunger: Just a d100.

SSA Keith Alan Pike: 10

SSA Keith A. Pike: 79

Hunger: You hit it for 16 damage. It's dead, it lets go of your foot and sinks back into the mud. You're out of your flight response.

SDUSM George Elijah Jones: And I'm back in the flight response but this time through the prefrontal cortex. I'm skedaddling. I got nothing on these fucks.

Hunger: Athletics or not.

SDUSM George Elijah Jones: Athletics.

Hunger: Punch it.

Hunger: Oh christ, just take the roll and start fucking running 20 meters.

Hunger: No need for roll.

Hunger: I'll go ahead and move for you since you F5d.

SSA Mariam Helena Khoury: I need to make distance as I let it rip at this dude.

Hunger: Run and shoot at -20% or sprint at shoot at autofail.

Hunger: Suppression is a nonstarter.

SSA Mariam Helena Khoury: How long is a run roll?

Hunger: 10.

SSA Mariam Helena Khoury: These things are huge too, aren't they?

Hunger: From where you're standing, you would be shooting at a wall of flesh, so we'd do a 1-6 roll.

Hunger: Not up to you though, you'd roll damage.

SSA Mariam Helena Khoury: Ten meters isn't going to cut it... but alright, that's what I'm doing.

Hunger: Left to right top to bottom.

Hunger: 1

Hunger: It's hitting the one that was right in front of you. Lethality.

Hunger: Actually, scratch that, deal your Lethality rating with an armor reduction... for 12 damage. Let's skip this roll.

Probabilistic Chimera AF: You hit it in its brunt but it's not fucking strong enough.

Probabilistic Chimera AF: It's still standing.

Probabilistic Chimera AF: It screams in confused pain of the human merged into it.

ASAC Darius Jeremiah Cruz: I don't need to roll POW, my nearest threat is screaming in my fucking ear.

Hunger: Act freely.

ASAC Darius Jeremiah Cruz: Can I shoot then run?

Hunger: Darius, you just witnessed your puny little gun do nothing.

ASAC Darius Jeremiah Cruz: THEN I'M HAULING ASS, I SUPPOSE!

Hunger: Athletics or not. Send it in the channel if yes.

Hunger: Success. 20 meters.

Hunger: About as far as George.

Probabilistic Chimera MS: Active Conditions Decaying

Hunger: Maddened with blood, all of these creatures will give chase to the escaping party on a 2 and attack the nearest enemy on a 1.

ASAC Darius Jeremiah Cruz: "WHERE'S THE FUCKING GRENADE LAUNCHER?! BLOW THESE BASTARDS TO HELL, GOD DAMNIT!!!"

Hunger: 1

Hunger: Darting human eyes stop right over at Anderson.

Probabilistic Chimera MS: It's very, very angry at what you just did to its kin.

Probabilistic Chimera MS: It will close the gap on a success.

Probabilistic Chimera MS: Probabilistic Chimera MS rolls Success -> 3 (Rolling Athletics Target: 30%)

Probabilistic Chimera MS: It's too close for comfort!

Probabilistic Chimera MS: Probabilistic Chimera MS rolls Success -> 37 (Rolling Custom Target: 40%)

Probabilistic Chimera MS: It's going to grapple you and drag you into the bog to drown you like an alligator would.

Probabilistic Chimera MS: Unlike the alligator, this thing has 22 strength. Rolling for damage for its sharp appendages.

SDUSM Anderson Fowler: "AAAAAAAAAAAAAAAAAAAAARG!"

Probabilistic Chimera MS: 3

Probabilistic Chimera MS: Probabilistic Chimera MS rolls 1d10 -> 6 (Draws a result from the Random Hit Location d10 table)

Probabilistic Chimera MS: Probabilistic Chimera MS rolls 1d6 -> 6 (Draws a result from the Torso Minor Wounds (3, 4 Dmg) table)

Probabilistic Chimera MS: Not good.

SDUSM Anderson Fowler: Condition Changes Prone

Probabilistic Chimera MS: It will drown you and eat you the next turn.

Probabilistic Chimera GJ: Active Conditions Decaying

Probabilistic Chimera MS: 2

Probabilistic Chimera GJ: This one will chase the party.

Probabilistic Chimera GJ: Probabilistic Chimera GJ rolls Failure -> 92 (Rolling Athletics Target: 30%)

Probabilistic Chimera GJ:
"HYEAAAAYYYITTTSBEEENAAAREEEEEEEEEAAALLGAMEOFCATANDMOUUUSSS
SSEEEEEAAAAAAHHHHHHH!!!!!"

Probabilistic Chimera DC: Active Conditions Decaying

Probabilistic Chimera DC: 1

Probabilistic Chimera DC: Closest target is Mariam.

Probabilistic Chimera DC: Probabilistic Chimera DC rolls Failure -> 37 (Rolling Athletics Target: 30%)

Probabilistic Chimera KP: Active Conditions Decaying

Probabilistic Chimera KP: 1

Probabilistic Chimera KP: It's also going for Mariam.

Probabilistic Chimera KP: Probabilistic Chimera KP rolls Success -> 16 (Rolling Athletics Target: 30%)

Probabilistic Chimera KP: IT CLOSES THE GAP.

Probabilistic Chimera KP: This one has tiger furs sticking out of its face. It will roll d3 for attack type.1 - bite2 - claws3 - grapple, like Anderson.

Probabilistic Chimera KP: 3

SSA Mariam Helena Khoury: Fuck this piece of shit bastard abomination, Shub-Niggurath save me, I think to myself.

Probabilistic Chimera KP: Uh oh.

Probabilistic Chimera KP: Probabilistic Chimera KP rolls Success -> 16 (Rolling Custom Target: 40%)

Probabilistic Chimera KP: 3

Probabilistic Chimera KP: Probabilistic Chimera KP rolls 1d10 -> 3 (Draws a result from the Random Hit Location d10 table)

SSA Mariam H. Khoury: SSA Mariam H. Khoury rolls 1d6 -> 2 (Draws a result from the Torso Minor Wounds (3, 4 Dmg) table)

SSA Mariam H. Khoury: 22

Hunger: It slashes at your plate carrier and tugs its sharp thing on it. Thing, as in, you have no idea whatever the fuck that is.

SSA Mariam H. Khoury: It pulls you through. Unlike Anderson, you have a good chance of worming out of this on solid ground.

SSA Mariam Helena Khoury: Condition Changes Prone

SSA Mariam Helena Khoury: Am I rolling to resist this?

Hunger: It's OVERWHELMINGLY strong.

Hunger: You don't have many other options, so I believe we can hit Dex or Dodge right now. Your call.

Hunger: Dex 89. You're still on the floor.

Probabilistic Chimera AF: Active Conditions Decaying

Probabilistic Chimera AF: 2

Probabilistic Chimera AF: This one seems to have diverged towards the other 2 "flanking."

Probabilistic Chimera AF: Probabilistic Chimera AF rolls Failure -> 75 (Rolling Athletics Target: 30%)

SDUSM Anderson Fowler: Active Conditions Prone

Probabilistic Chimera MK: Condition Changes Dead

Probabilistic Chimera MK: The dead chimera melts away...

SDUSM Anderson Fowler: Do I have any control over my gun?

Hunger: It's a M240B. You barely had any control over it to start with.

Hunger: CQC? Hah.

SDUSM Anderson Fowler: Well.

SDUSM Anderson Fowler: If I can't possibly shoot at it.

SDUSM Anderson Fowler: I might as well pull out my pistol and kill myself.

Hunger: POWx5. On a success.

SDUSM Anderson Fowler: That wasn't real.

Hunger: You can do it.

SDUSM Anderson Fowler: I know I can.

Hunger: It's always an option, and a veeerry pleasing one at the moment.

Hunger: Please don't delay any further

SDUSM Anderson Fowler: Darius tried shooting at it with what again?

SDUSM Anderson Fowler: And it did nothing?

Hunger: Shotgun. Likewise, pistols will do fucking nothing against it too.

Hunger: I'm just giving it to you straight.

Hunger: It's his free will. You have 60 seconds to act before we skip.

SDUSM Anderson Fowler: Is there anything I can do? Dex roll?

SDUSM Anderson Fowler: I'm not killing myself.

Hunger: If you slipped away you'd be in mud wrestling in an unstable swamp.

SDUSM Anderson Fowler: Fuck it, skip I guess.

SDUSM Anderson Fowler: They better hit their shots.

IO Michael Sajdak: Active Conditions Prone Serious Bleeding

Hunger: I'd like to make it clear that you'd have to aim again.

Hunger: He has made his choice.

IO Michael Sajdak: Me?

Hunger: Yes. We're on you.

Hunger: You'd need to re-aim for the bipod stabilization.

IO Michael Sajdak: Will I bleed

Hunger: I don't see why it would be otherwise.

Hunger: Though you don't have the trauma of the initial damage you might live a bit longer at 2HP per turn.

Hunger: Not to mention there is one currently charging straight at you.

SDUSM George Elijah Jones: Didn't he have a crit success deal

IO Michael Sajdak: And does that crit success from last turn translate to a hit whenever I can shoot or is that just gone.

Hunger: He can pop it right now for 2x lethality but the next shot requires re-aiming.

Hunger: Is that clear?

Hunger: On any target.

IO Michael Sajdak: In that case:

IO Michael Sajdak: On one hand it's very clear now that these guys are decomposing and the people at the camp should have just let them rot instead of trying to fight. Sadly that ship has sailed, but what I'll do is shoot Anderson's assailant and then yell "THEY'RE ROTTING! JUST RUN!"

IO Michael Sajdak: Hopefully I'll be able to tend to my leg after this...

Probabilistic Chimera MS: The semblance of a head it has blows apart under the massive pressure of the .50 BMG and the rest of its body falls above Anderson, drowning him in muck and shit.

Probabilistic Chimera MS: Condition Changes Departed Decaying

Probabilistic Chimera MS: Anderson, you're now fighting for oxygen.

SDUSM Anderson Fowler: Anderson's arms flail as his body sinks under the chimera.

Hunger: Swimming roll, right now.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 59 (Rolling Swim Target: 50%)

Hunger: If you can't manage the next one you're going to lose consciousness underneath this thing, sinking deeper into the sand.

SSA Keith Alan Pike: Have I regained composure?

Hunger: Yes. You're free to act.

IO Michael Sajdak: "Keith, fucking help me here!"

IO Michael Sajdak: "We've gotta go!"

Hunger: You dropped the grenade launcher somewhere next to Sajdak as you might remember.

SSA Keith Alan Pike: I want to spend this turn just aiming at the one charging at Michael. I don't have time to run back to get the MGL.

IO Michael Sajdak: "My leg's-- fuck!!!"

Hunger: Keith, you have a semi automatic to work with. It's not going to hit a Lethality roll.

Hunger: But for your thermals and shit, you can just hit it if you want without the need for a roll. Hard to miss.

Hunger: Damage would be whatever you roll minus three. Could be zero!

SSA Keith Alan Pike: Fire away.

SSA Keith Alan Pike: 5

Probabilistic Chimera AF: It doesn't actually lose consciousness, but it's really close to disintegrating.

Probabilistic Chimera AF: You may have hit an important tendon, or something. It's sagging.

SDUSM George Elijah Jones: There ain't not a damn thing I can do here. George yells at Darius "Keep moving!" as he keeps running.

SDUSM George Elijah Jones: with 'lethics

Hunger: Athletics on a straight path. Roll. Discord.

Hunger: Success. 20 meters.

Hunger: You're beginning to run away.

SSA Mariam H. Khoury: Active Conditions Prone

SSA Mariam Helena Khoury: So I'm being grappled with?

Hunger: Yes, and you failed to worm your way out. Against hard ground, if this thing falls on you, it may be catastrophic.

SSA Mariam Helena Khoury: What's my short list of options?

Hunger: Kill yourself- Thug it out if your legs break- Win and escape.

SSA Mariam Helena Khoury: I'm gonna win and escape, I think. What do I roll.

Hunger: Okay then, you need to blast it to death and then hope for the best it doesn't crack the lower half of your body on its way down, or worse your head.

Hunger: It's about as heavy as a car.

SSA Mariam Helena Khoury: Wasn't I in a better position than Anderson to begin with?

Hunger: Yes, but if it FALLS ON YOU, against HARD GROUND, things will be DIFFERENT.

Hunger: It will roll d10 and a random damage part.

Hunger: Ready?

SSA Mariam Helena Khoury: YES.

Hunger: You blast the orange off its face clean.

Probabilistic Chimera KP: Condition Changes Departed

SSA Mariam Helena Khoury: Mental mantra: IÄ IÄ DON'T FALL ON ME.

Probabilistic Chimera KP: It loses footing and sags hard.

Probabilistic Chimera KP: On top of you.

Probabilistic Chimera KP: 9

Probabilistic Chimera KP: Probabilistic Chimera KP rolls 1d10 -> 1 (Draws a result from the Random Hit Location d10 table)

Probabilistic Chimera KP: Probabilistic Chimera KP rolls 1d6 -> 1 (Draws a result from the Leg Critical Wounds (8+ Dmg) table)

SSA Mariam H. Khoury: 71

SSA Mariam H. Khoury: It collapses on you and you black out before letting out a fantastic scream that everyone can hear.

SDUSM Anderson Fowler: Oh fuck.

SSA Mariam Helena Khoury: Condition Changes Unconscious Unconscious

SSA Mariam H. Khoury: Your bleeding is internal. You need surgery yesterday.

ASAC Darius Jeremiah Cruz: IF I CAN'T KICK ASS, I'M HAULING ASS

Hunger: Athletics 7. 20 meters, you can escape together with George.

SDUSM George Elijah Jones: You can try hauling her ass out.... nah fuck that.

SDUSM George Elijah Jones: Bye Felicia.

Probabilistic Chimera MS: Active Conditions Departed

Hunger: It's disintegrating into nothingness. Anderson will roll Swimming again to resurface before its too late.

SDUSM Anderson Fowler: Here goes.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls CRITICAL SUCCESS! -> 44 (Rolling Swim Target: 50%)

SDUSM Anderson Fowler: Holy shit. Not only you manage to pop your head out the muck you actually...

SDUSM Anderson Fowler: Back off into solid ground.

SDUSM Anderson Fowler: Condition Changes Prone

Probabilistic Chimera GJ: Maybe you should have stayed under there.

Probabilistic Chimera GJ: 1: Anderson2: Sajdak and Keith.

Probabilistic Chimera GJ: 1

Probabilistic Chimera GJ: On an athletics, it will close the gap through the pool.

Probabilistic Chimera GJ: Probabilistic Chimera GJ rolls Failure -> 84 (Rolling Athletics Target: 30%)

SDUSM Anderson Fowler: "GOD FUCKING DAMN IT!"

Probabilistic Chimera GJ: It's mired in the shit pit you emerged out of.

Probabilistic Chimera DC: Active Conditions Decaying

Probabilistic Chimera GJ: Mariam is not a target for being obscured underneath the corpse of that thing. For now!

Probabilistic Chimera GJ: 1: Michael (Closest)2: Anderson

Probabilistic Chimera GJ: 2

Probabilistic Chimera DC: Probabilistic Chimera DC rolls Success -> 12 (Rolling Athletics Target: 30%)

Probabilistic Chimera DC: This one ALMOST closes the gap, but you still have some distance between eachother. Lucky you!

Probabilistic Chimera KP: Active Conditions Departed Decaying

Probabilistic Chimera DC: It will decay and disappear the next turn, leaving Mariam out in the open.

Probabilistic Chimera AF: Active Conditions Decaying

Probabilistic Chimera AF: This one will actually melt away at the end of this turn, but before that, will he manage to close the gap to Sajdak?

IO Michael Sajdak: I'm staring at this guy while he lumbers at me like Captain Miller in Saving Private Ryan.

Probabilistic Chimera AF: Probabilistic Chimera AF rolls Failure -> 70 (Rolling Athletics Target: 30%)

Probabilistic Chimera AF: It's too slow. You can literally see its leg muscles melt into the bog as it trudges towards you.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 83 (Rolling Athletics Target: 50%)

Hunger: You've had your chance. Now to see if you can actually uphold it.

Hunger: Move 10 meters. Shoot while doing so?

Hunger: You're still heading directly into the bog in that direction, just so you know.

SDUSM Anderson Fowler: It doesn't affect the range of my movement right?

Hunger: No, you're feeling like Rambo shooting a machine gun with one hand.

Hunger: But I would not advise heading deeper into the muck.

Hunger: George and Darius had the right idea.

SDUSM Anderson Fowler: I'm running and gunning

Hunger: Though it's been a while. Let me remind you of your escape options, now that you've seen how they fight.

Hunger: You notice that whatever is holding the abhorrent things is beginning to lose interest whenever its hunger is not met with immediate feeding. You may be able to outlast them in a chase or a kiting fight. Furthermore, the horrifying speed of tigers and alligators is lost in their mutations. They are heavy and slow, only about as fast as a running human who is not a particularly great runner.

Hunger: CLIMB: Retreating from the underpass up steep embankment toward the highway requires two DEXx5 successes. Failing the roll will cause you to slide down, although the descent on the muddy hill can be arrested with an Athletics roll. The chimeras may be too heavy to crest the embankment. ELUDE: Slipping away into the swamp requires a Survival or Navigation success, although how good of an idea is that is left entirely up to your discretion. On a failure, who knows what will happen! Exiting the swamp towards the highway will require an additional Survival or Navigation success. On a failure, you're mired in the bog and will have to fight a battle of attrition against the horrible conditions, losing 1d2 HP and 1d4 WP until you pass out or die, or day breaks.

Hunger: Since its move and shoot, roll Firearms.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Success -> 32 (Rolling Firearms Target: 50%)

Hunger: Full Lethality damage against... 1 left 2 right.

Hunger: 2

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 85 (13 Damage) (Rolling LETHALITY For M240B Target: 15)

Probabilistic Chimera GJ: Flesh flies off its body as it disintegrates against the hail of 7.62 bullets.

IO Michael Sajdak: Active Conditions Prone Serious Bleeding

IO Michael Sajdak: I don't know how long I have but it's very clear that Mariam is getting eaten if somebody doesn't kill the last beast standing. I take aim and pray I get the shot before passing out.

IO Michael Sajdak: Condition Changes Aiming Aiming Aiming

SSA Keith Alan Pike: Can I pick out the one that's chasing Anderson?

SSA Keith Alan Pike: They seem pretty close to eachother.

Probabilistic Chimera DC: It's glowing like a fucking flare on the thermals, though, you won't finish this one off in one hit (most likely).

Probabilistic Chimera DC: Roll.

SSA Keith Alan Pike: Firearms or damage?

Probabilistic Chimera DC: Damage, that is.

SSA Keith Alan Pike: 3

Probabilistic Chimera DC: The puny 5.56 sinks against its carapace and gets lost in it.

Hunger: George and Darius are well up up and away. They are out of the combat.

SSA Mariam H. Khoury: Active Conditions Prone

Hunger: You too.

Probabilistic Chimera DC: Active Conditions Decaying

Hunger: This one is still charging at Anderson and its close enough to close the gap without Athletics.

Hunger: However, it will not grapple like the other two.

Probabilistic Chimera DC: 1: big bite2: big claws

Probabilistic Chimera DC: 1

Probabilistic Chimera DC: It screams triumphantly as it knows you're finished for real this time.

Probabilistic Chimera DC: Probabilistic Chimera DC rolls Failure -> 87 (Rolling Custom Target: 40%)

Probabilistic Chimera DC: It will deal half damage, for it would have Pinned on a success. You're in CQB range, but still on footing.

Probabilistic Chimera DC: If it pinned you it would have been much faster, though.

Probabilistic Chimera DC: 6

Probabilistic Chimera DC: Probabilistic Chimera DC rolls 1d10 -> 4 (Draws a result from the Random Hit Location d10 table)

Probabilistic Chimera DC: Probabilistic Chimera DC rolls 1d6 -> 3 (Draws a result from the Torso Serious Wounds (5, 6, 7 Dmg) table)

Probabilistic Chimera DC: Your time is up. It bites straight into your fucking torso. Roll CONx5.

SDUSM Anderson Fowler: SDUSM Anderson Fowler rolls Failure -> 84 (Rolling CON Target: 70%)

SDUSM Anderson Fowler: You're KO, and your lungs have neat little holes in them now.

Probabilistic Chimera KP: Active Conditions Departed Decaying

Hunger: It melts away into nothingness, revealing a crushed little corpse underneath it.

IO Michael Sajdak: Active Conditions Prone Serious Bleeding Aiming

IO Michael Sajdak: I take the shot!

Hunger: This is just regular aiming. Roll Firearms at +20%.

Hunger: Discord!

IO Michael Sajdak: IO Michael Sajdak rolls LETHAL -> 11 (2 Damage) (Rolling LETHALITY For BARRETT M107A1 +SCP +BPD Target: 20)

IO Michael Sajdak: Success at 65.

Hunger: It's dead, however, you did not include one little factor here.

Hunger: 1: your shot connects to Anderson on its way out, which is inside of the things jaws.2: it collapses on him, doing what Mariam just experienced.The honor of the coin is yours.

IO Michael Sajdak: 1

SDUSM Anderson Fowler: He takes lethality damage through the chest. It's over.

SDUSM Anderson Fowler: Condition Changes Dead Departed

Hunger: The last of the things are dead.

Hunger: Your friends have left you behind. Some friends they are.

Hunger: No smell. Just silence now.

SSA Keith Alan Pike: Keith scans the swamp with his thermal, looking for movement.

Hunger: Sajdak, it takes a moment for you to realize what you just did.

Hunger: Roll SANLOSS. Blind.

Hunger: Roll POWx5. On a success, you realize that you're still bleeding out.

IO Michael Sajdak: IO Michael Sajdak rolls CRITICAL SUCCESS! -> 11 (Rolling POW Target: 60%)

Hunger: So much so. You tried to save him the best way you could. There's just a little bit of life left in you, but the bleeding is over.

Hunger: You can't say the same for Mariam.

Hunger: Soft rain falls on your face.

SSA Keith Alan Pike: "Michael! Mariam! Fowler!"

IO Michael Sajdak: I don't get it. Is that it? That can't be it.

SSA Keith Alan Pike: "...You hear me?!"

Hunger: There is nothing else coming your way. You're slowly blacking out as raindrops patter on your face.

SSA Keith Alan Pike: Keith wades through the swamp back to where he dropped the grenade launcher.

IO Michael Sajdak: What was meant to happen? Did we win, lose? What the fuck?!

IO Michael Sajdak: "Keith! Keith, I--"

Hunger: You're lost in thoughts as Keith crouches over you with his bloody mouth, some of his hair falling on your face in clumps.

IO Michael Sajdak: "I fucked up bad, man!"

SSA Keith Alan Pike: "Can you walk? We'll come back for the others, man, we gotta go!"

Hunger: He can't walk. He's fading.

IO Michael Sajdak: "Oh, no..."

Hunger: You're fading too, but you have enough strength to carry him.

IO Michael Sajdak: "I fucked up real fucking bad..."

SSA Keith Alan Pike: Keith hoists Michael's arm around his shoulder and starts dragging him back to the convoy.

IO Michael Sajdak: "No, no..."

Hunger: He doesn't realize he's crying, and you are too.

Hunger: Without looking back, you get in your cars and hit the gas at a speed you couldn't have thought was possible. The hostages are dead, and so are your contacts and friends. Some of you survived to live another day. As you speed past the I-75, you come to acceptance with some facts that you've dismissed so far.

Hunger: An unnatural force, a once-distant god, has claimed you. You were summoned by one evil, call it Bast, Sredni Vashtar, God, whatever you like, to destroy another at Cornucopia House

in 2001, and you never escaped its service. It drives you to hunt the unnatural. There isn't really any choice. Everything you ever do has already been written somewhere, and every delusion of free will just sends you hurtling into the maw of...whatever it is. Live, die, work, quit, lie down and sink into the mud, it doesn't matter. The Children knew. They fed themselves to it, weaving effortlessly along a current of events that you can never see as someone cursed by disgusting monkey grunts in the form of language, and the confusing morality and sickly-sweet love that follows. Animals have no such shackles on their being, and as such, humans are nothing more than animals in essence. They had no one but you to stop them, no one could. They sharpened you into their god's new Teeth.
